WHAT THE DIAMOND CHART REVEALS

The Diamond Spirit Guide is one of the oldest number-based methods of divination and perhaps the most powerful tool numerology has to offer. It reveals the chain of cause and effect that connects your physical and non-physical planes. It tells us how your experiences, choices, and priorities in the physical world affect your internal/spiritual growth, and how, in return, this affects the quality of your life on the physical plane.

An incomplete, rudimentary version of the Diamond was brought back from obscurity by the late Kevin Quinn Avery and later completed and re-birthed by Hans Decoz.

Each Diamond pattern consists of four numbers. The first is called the Challenge. Your Challenge is a lesson or test that, once learned, will benefit you for the rest of your life.

The second number is the Root or Cause and explains the underlying reason that lesson has emerged. The third number, the Recommended Action (also called Action Key), gives advice on the best approach for a successful outcome. The final number - aptly named the Outcome - reveals what the likely result of your efforts will be, and how it might affect your future.

Except for ages 0 through 7 and 75 through 81 we experience two Diamonds per year from birthday to birthday. These two Diamonds overlap and are equally important; they fit together as if working on one helps us understand the other.

Although most Diamonds are in place only for one year, it's not uncommon for one or both Diamonds to repeat the following year. Often one number - usually the Challenge number - lasts for more than one year, while the other three numbers change. Finally, a number that is the Cause one year becomes the Action Key for the next. The Diamond's structure is complex but also logical and beautiful.

A word of advice: getting the most out of your Diamond requires some measure of self-reflection, not unlike the I Ching. I recommend that you read it more than once, then let it simmer. You may be surprised at the amount of insight you gain.

Your report covers two years/ages from birthday to birthday. To avoid distraction, you may want to postpone reading the Diamonds for the second year until a couple of months before your next birthday, or if you do read them, go back to the two for your current age and focus on those.

THE FIRST DIAMOND

The first number in your Diamond is of a decidedly spiritual/inner nature. It's offered to you in the form of a challenge; something that needs to be learned or acquired to help you grow and mature. It reveals the true purpose of your struggle on the physical plane from a broad vantage point.

Your First Diamond Challenge for age 51 is 1

This common challenge is likely to repeat more than once during your life. It concerns confidence and self-empowerment. (The most commonly found challenges are 0, 1, and 2 - and almost always occur more than once in a lifetime. The lesson inherent in the 0 strengthens humanity as a whole; the 1 strengthens the individual; the 2 focuses on relationships).

This is a favorable time to learn more about your inner identity - the part you call "me" or "I". It helps you maintain your identity without feeling distant or apart from those around you. You have an opportunity to become more secure in your self-worth, and the acceptance of your true self, which in turn can lay the foundation for contentment. (We experience our reality as separate from other people which, in part, is what makes us individuals. Sometimes, however, events or circumstances amplify the distance we feel, creating a sense of separation and loneliness. Although it is not possible to merge fully with another person, we can experience a shared reality

and unbreakable bond, without losing ourselves in the process.)

YOUR FIRST DIAMOND CAUSE

The second number in your Diamond reflects the underlying cause of the challenge you face this year. It is the catalyst that sets things in motion, the root of the issues confronting you during this period.

The Cause for your First Diamond is 9

You recently, over the last year or two, experienced several situations that upset your sense of justice and compassion. You may have witnessed - or been a part of - disturbingly unjust proceedings. You may be struggling with the question of whether you could have done something about it, and perhaps even feel guilt or regret that you held back when you might have helped. Whatever the circumstances, it is important that you find a way to set things right.

When the 9 is in the second place in a Diamond pattern, sacrifice is almost always an important part of rectifying or healing the concern.

THE RECOMMENDED ACTION FOR YOUR FIRST DIAMOND

The third number in the Diamond pattern suggests a possible course of action to resolve successfully the issues facing you during this period.

The Recommended Action for this Diamond is 9

David, a 9 in this position asks you to devote extra time and attention to your heart, rather than your mind. During this period, you will attain the best results by being less practical and more idealistic. While this may seem a contradiction, it makes sense when viewed from a broader perspective.

Sometimes we set goals for ourselves hoping they will bring comfort and security, but our objectives are often limited by expectations or restrictions we have set for ourselves. This can obscure or curtail potential outcomes. There are times we aren't even aware that the destiny we desire isn't truly what we want, and once we reach our goal, we realize it doesn't measure up to our expectation.

Allow your mind to wander and stay open to alternatives. Additionally, focusing more on higher

ideals and less on yourself can expand your world and your possibilities.

Key ingredients for this period are idealism, selflessness, and humility.

THE EXPECTED OUTCOME OF YOUR FIRST DIAMOND

The fourth number reveals potential changes in your personality and your environment as a result of your experience with the Diamond in place this year. Naturally, our effort and sincere desire to meet these challenges increases the possibility of a positive outcome

What it means to have an expected Outcome of 9

David, today you most likely find yourself in very different circumstances than you experienced one or two years ago. It's possible you are more involved in activities with a wide range of influence, perhaps involving politics, legal affairs, environmental issues, metaphysical studies, or an alternative health and lifestyle program.

A 9 in this position suggests the idealist in you has become more prominent, and you have developed a more practical approach to your endeavors. A broader worldview, humanitarian efforts, and sacrifice without a desire for personal reward are some of the traits the 9 inspires. Whatever cause or causes you take on, you intend to make a difference. The 9 is also creative, artistic, diplomatic, and philosophic, which gives you a wide variety of interests to choose from. The one unifying aspect is almost always the desire to help others.

In addition, it's not uncommon for a person exiting this Diamond to receive a windfall in the form of unexpected money or other stroke of luck.

The first number in your second Diamond is again of a decidedly spiritual/inner nature, offered to you in the form of a challenge; something that needs to be learned or acquired to help you grow and mature.

The goal of this challenge is to enhance your self-expression through confidence and courage in all areas of your life, not just the creative or artistic avenues. It starts by understanding the magnitude of your potential, not the least of which is your imagination.

It takes courage to go against the grain, to make up your mind and follow your instincts - it's much easier to conform. But in order to be true to your unique potential you must, by definition, find YOUR voice. This challenge inspires you to expand your vision, find that voice, and express your individuality.

YOUR SECOND DIAMOND CAUSE

The second number in your Second Diamond reflects the underlying cause of a distinct challenge you will face this year. It is the catalyst that sets things in motion, the cause of the issues confronting you during this period.

The Cause for your Second Diamond is 9

You recently, over the last year or two, experienced several situations that upset your sense of justice and compassion. You may have witnessed - or been a part of - disturbingly unjust proceedings. You may be struggling with the question of whether you could have done something about it, and perhaps even feel guilt or regret that you held back when you might have helped. Whatever the circumstances, it is important that you find a way to set things right.

When the 9 is in the second place in a Diamond pattern, sacrifice is almost always an important part of rectifying or healing the concern.

THE RECOMMENDED ACTION FOR YOUR SECOND DIAMOND

The third number in the Second Diamond pattern suggests a possible course of action to resolve the issues facing you during this period.

The Recommended Action for this Diamond is 14/5

Think of this period as flying a kite, David. You need to keep your feet on the ground, but your focus and ambition should be roaming, swirling and diving without restraint. Your mind should be as free as that kite but held firmly by a string controlled by (only) you.

We often allow people or situations, as well as ourselves, to limit our potential. Sometimes we work hard because we feel pressured by money concerns or living up to other people's expectations. Other times, we are drawn by a dream or a personal goal. Although no less effort is required, there is a big difference in the way each impetus feels; the first feels frustrating and demanding, the second brings hope and excitement,

This diamond suggests it's time to let go of old concepts and ideas, in order to be elevated by your own dreams. Nurture your untapped potential by allowing new ideas to emerge, let go of past habits and worrying what others may think.

Although it may not sound very practical, it may help to just watch the clouds go by, get out more, let go of old patterns. There is no better way to get in touch with yourself and your dreams. Allowing your mind to wander and making room for the new are important aspects for recognizing and formulating your dreams.

Qualities that will help you navigate this Diamond and take advantage of approaching opportunities are flexibility, adaptability, having faith in yourself, and letting go of old habits and restrictions.

THE EXPECTED OUTCOME OF YOUR SECOND DIAMOND

The fourth number reveals potential changes in your personality and your environment as a result of your experience with the Second Diamond in place this year. Naturally, our effort and sincere desire to meet these challenges increases the possibility of a positive outcome.

What it means to have an expected Outcome of 14/5

David, a 14/5 in this position suggests you feel a renewed sense of freedom and creative potential as you exit this Diamond. The dynamic 5 brings the feeling we can do anything we set our mind to. You likely feel more open and adventurous, and less restricted or frustrated than you did prior to this Diamond. Nurture the positive traits you are incorporating, such as adaptability, courage, versatility, and being open to new opportunities.

THE FIRST DIAMOND

The first number in your Diamond is of a decidedly spiritual/inner nature. It's offered to you in the form of a challenge; something that needs to be learned or acquired to help you grow and mature. It reveals the true purpose of your struggle on the physical plane from a broad vantage point.

Your First Diamond Challenge for age 52 is 1

This common challenge is likely to repeat more than once during your life. It concerns confidence and self-empowerment. (The most commonly found challenges are 0, 1, and 2 - and almost always occur more than once in a lifetime. YOUR FIRST DIAMOND CAUSE

The second number in your Diamond reflects the underlying cause of the challenge you face this year. It is the catalyst that sets things in motion, the root of the issues confronting you during this period.

The Cause for your First Diamond is 8

Your root cause suggests you may have been feeling a little off balance, perhaps for as long as three or four years. You feel you missed opportunities - real or imagined - and doubt may have been gnawing away at you.

This combination can leave you feeling a little insecure about where you belong and what you should be doing, not unlike a rock climber suddenly experiencing fear of height halfway up the mountain. Nothing has changed; you are climbing with the same equipment, traversing a mountain like many you have climbed before, but your discomfort is real, nonetheless.

Insecurity and doubt have a positive side as well. They help you move forward more carefully and deliberately, thereby proving to be the very ingredients that can prevent you from taking a hard fall.

THE RECOMMENDED ACTION FOR YOUR FIRST DIAMOND

The third number in the Diamond pattern suggests a possible course of action to resolve successfully the issues facing you during this period.

The Recommended Action for this Diamond is 8

David, this Diamond suggests a need to draw from your own strength, muster your personal power, and present yourself with authority. It is a period to be decisive, take charge, and act on your gut instinct and common sense with as little hesitation as possible. This will allow others to feel your confidence, motivation, and directness as well. It is a time of opportunity, especially in the areas of finance, business, and career.

As you move forward with this challenge, it is just as important to maintain balance in your personal life. Be aware of your inner needs and higher ideals, and don't sacrifice your dreams.

The 8 brings authority, power, confidence, and accountability, but it also seeks balance between

the material and immaterial domains.

THE EXPECTED OUTCOME OF YOUR FIRST DIAMOND

The fourth number reveals potential changes in your personality and your environment as a result of your experience with the Diamond in place this year. Naturally, our effort and sincere desire to meet these challenges increases the possibility of a positive outcome

What it means to have an expected Outcome of 8

David, of all possible outcomes, this is the one that is most clearly recognizable as either very positive or very negative. There is usually no middle ground.

The positive result is more common and often shows up as advancement in career, with potential for more authority and responsibility, even improved finances. There tends to be tangible and often surprisingly strong growth across the board: success, respect, and money. The positive traits of the 8 bring balance between the material and immaterial world, and influence ambition, generosity, leadership, visionary qualities, and strength.

The negative side of the 8 is just the opposite - and can result in a stagnated, declining career, or financial difficulty. If you find yourself in diminished circumstances (compared to a few years ago) apply the suggestions offered by the third number in your Diamond, described above, and seek advice to reverse this negative trend.

Unlike other number combinations that speak more decisively about the outcome you will experience from this period; the 8 Diamond is less certain (although you most likely know the answer yourself).

THE SECOND DIAMOND

The first number in your second Diamond is again of a decidedly spiritual/inner nature, offered to you in the form of a challenge; something that needs to be learned or acquired to help you grow and mature.

Your Second Diamond Challenge for age 52 is 1

YOUR SECOND DIAMOND CAUSE

The second number in your Second Diamond reflects the underlying cause of a distinct challenge you will face this year. It is the catalyst that sets things in motion, the cause of the issues confronting you during this period.

The Cause for your Second Diamond is 14/5

A recent issue in your life may have had to do with a fear of freedom, analogous, perhaps, to a person recently home from a long stint in the military.

A divorce or losing a job can produce a similar effect. This can be frightening, and we often view it as a void or an abyss, rather than the opportunity for freedom and new beginnings. Many of us fear the prospect of time not filled with plans, goals or expectations. A 5 in this position suggests you may have been feeling somewhat lost or in search of purpose.

THE RECOMMENDED ACTION FOR YOUR SECOND DIAMOND

The third number in the Second Diamond pattern suggests a possible course of action to resolve the issues facing you during this period.

THE EXPECTED OUTCOME OF YOUR SECOND DIAMOND

The fourth number reveals potential changes in your personality and your environment as a result of your experience with the Second Diamond in place this year. Naturally, our effort and sincere desire to meet these challenges increases the possibility of a positive outcome.

What it means to have an expected Outcome of 13/4

David, a 13/4 in this position suggests that you exit this Diamond with a stronger foundation in your inner understanding as well as in the material world.

This diamond can inspire a more positive self-image, and help you feel more comfortable with the role you play in life. On the material plane, you should notice concrete and tangible improvements. This combination often sees improved financial circumstances and advancement in career or other practical areas of your life.

With effort, we become more reliable and trustworthy; this, in turn, brings a sense of pride and strengthens our self-confidence. The 4 outcome suggests you have become more focused, have kept promises that may have been difficult to keep, and overcome temptations - all traits you can nurture to reach future goals.
