YOUR FIRST PERIOD CYCLE

Like most stories, there are three distinct stages of your life. Your First, Second, and Third Period Cycles come from your month, day, and year of birth respectively. Together they form the foundation of your Life's Path.

The First Cycle begins in childhood and lasts through your late 20's. It's a quest for knowledge and identity while you cope with the powerful forces that are present in your environment. These forces include your parents and the socio-economic conditions of your family, for example.

Your First Period Cycle is 1 and lasts until age 28

The first part of your life, through your late 20's or early 30's, is a period of much intensity. When the 1 dominates, it requires fortitude, courage, and flexibility. You are forced to use every one of your talents to achieve individuality and independence. This is a period of integration and focusing on your life's dreams.

Your ability to stay the course is repeatedly challenged, but adequate resources become available to assist you. Resilience, independence, and fortitude are required. As you strengthen these characteristics, they become an integral part of your personality and help you to emerge stronger for it. This cycle marks a time of progress in your development.

YOUR SECOND PERIOD CYCLE

The Second Cycle covers the middle period of your life, bringing about the slow emergence of your individual and creative talents. The late 30's, 40's, and 50's, bring a greater degree of self-mastery and influence over your environment.

Hafeez, your Second Period Cycle is 22 and lasts until age 55

This cycle carries enormous potential for establishing a lasting institution or teaching that will greatly benefit others. You have the ability to manifest a concept, dream, or invention. Your talents as a builder, organizer, and visionary are at their peak.

You discern the needs of others and create constructive and practical plans to fulfill those needs. You commit yourself entirely to the work at hand. For many, this dream lasts a lifetime and requires every ounce of energy and talent. An all-consuming role beckons but provides a great sense of personal accomplishment and reward. You possess an ability to make a lasting contribution to the well-being of humanity.

YOUR THIRD PERIOD CYCLE

The Third Cycle represents a flowering of your inner self as your true nature comes to fruition. It is during this period that you have the greatest degree of power and self-expression.

Hafeez, your Third Period Cycle is 3 and lasts for the rest of your life

The latter part of your life finds you "growing older" more slowly than your peers. The excitable, scattered, creative energy of the 3 can resemble an elixir from the fountain of youth. However, there is a tendency to waste time and energy on unproductive projects.

You have many original ideas, but you may have difficulty differentiating between lead balloons and those that can fly. Your 3 energy is uplifting and motivating, which draws people to you. However, staying focused may be a challenge, which could affect your ability to reach your goal.

Your need to express yourself through art, especially the verbal or performing arts increases with age.

YOUR FIRST PINNACLE CYCLE

Pinnacles reveal general conditions and events you experience during each period, such as your environment, social conditions, relationships, and changing circumstances. Pinnacles reveal how you might respond to these influences and how they will affect your ever-evolving personality.

The transition from one Pinnacle to the next is usually strongly felt. You begin to feel the transition from one Pinnacle to the next approximately two years in advance. The latter part of that two-year period can be particularly strong. You will likely make life-altering decisions, such as marriage, a job or career change, or major changes in your personal makeup.

Knowing and understanding your approaching Pinnacle number prepares you for the changes ahead. Perhaps the most strongly felt change is the transition from First to Second Pinnacle, which usually takes place in your late 20's or early 30's. This is usually a difficult transition but once crossed, provides a clear sense of direction and a firmer sense of identity.

Hafeez, your First Pinnacle Cycle is 5 and runs from birth until approximately age 28

This is a period that will teach the realities of freedom and expansion. You will travel great distances, meet many new and interesting people, experience many adventures, and essentially come to know the world. You are in a period of accelerated experimentation and learning. Experience is your teacher. Your ability with words is greatly increased. You can write and speak with ease. You are also able to successfully promote yourself. In fact, this is the source of much adventure; new opportunities for work, travel, and exotic experiences present themselves with regularity.

Your challenge is to prevent yourself from becoming a rolling stone. You need to ground yourself in a particular discipline, career, or relationship. This will not limit your freedoms so much as give you a base for operation. Otherwise, you may find yourself skipping from one meaningless job to the next, one superficial relationship after another. You can also fall victim to the abuse of food, alcohol, sex, or drugs. You must accept limitations as a necessary base for your freedom. Freedom cannot exist without limitations, otherwise you would be without identity, and without existence.

You may fear being anchored or tied down, which can cause you to skim the surface of a pursuit you enjoy, or important relationships. You must come to know the true meaning of freedom, which is unconditional love. You give your love and energy without the condition of holding on to a place, a person, or an occupation; and you expect the same in return -- to be loved for what you are, rather than someone who belongs to another. There is a highly spiritual path offering itself that requires detachment without loss of love. Many turn away from this and instead choose to

maintain a superficial relationship with the world, or with other people.

You must cultivate your talents, especially your verbal and writing abilities. You are likely a gifted salesperson, or promoter.

YOUR SECOND PINNACLE CYCLE

Your Second Pinnacle Cycle lasts nine years and tends to have a considerable influence on your productive/professional life.

Hafeez, your Second Pinnacle Cycle is 7 and lasts until age 37 and runs from age 28 until age 37

This is a period of inner development and soul searching. Hafeez, you will deal with the deeply important questions of personal existence and the meaning of life. You will need time to be alone to contemplate your inner world. This is a time of spiritual growth. You will experience a heightened sense of faith. The power of the universe will be the force that carries you along. During this 7 Pinnacle, spiritual growth, increased knowledge, and wisdom are the big rewards. The 7 Pinnacle provides the basis for contentment in older age, because you now begin to understand life more deeply.

You have an enhanced appreciation of poetry and nature. Walks in nature provide great therapeutic value and spiritual nourishment.

This is a time of specialization. You will pursue some course of development with fervor and focus. Your ability to concentrate will be greatly increased. Your desire to study in all forms -- reading, self-reflection, and contemplation -- will reach an all-time high. Your intuition is much more sensitive, making your path a little easier and more direct, since you know intuitively the appropriate next step.

Under this Pinnacle, you will become an expert in one particular field. Your capacity to penetrate the depths of a subject area is enormous. You will look below the surface in virtually everything you encounter. It is very possible that you will find yourself in a teaching role.

You must consciously work on your closer relationships, especially with your spouse and children. You must explain that your desire to turn inward is not an escape or an avoidance of those you love, but a deep need for knowledge. Your challenge is to avoid becoming critical or cynical of others. You can become so withdrawn from society that you look down on others. You may forget that you, too, are part of the imperfect human race. Sarcasm is the lowest form of communication, and a trap you could fall victim to.

Your desire to attain some high degree of perfection is sincere. But that pursuit can make you

miserable if you lose perspective and fail to realize the relativity of human existence. Perfection is a Utopian goal, but an unrealistic ambition. It can cause you to be dissatisfied with yourself and others.

The 7 provides the possibility of true refinement, insight, and a high degree of wisdom. This deep understanding is the basis for self-love and true happiness.

YOUR THIRD PINNACLE CYCLE

Your Third Pinnacle Cycle also lasts nine years. Like your Second Pinnacle, its effect is felt primarily in your career or business environment.

Hafeez, your Third Pinnacle Cycle is 3 and lasts until age 46 and runs from age 37 until age 46

This is a highly creative period. Your self-expression is greatly enhanced. Your creative and artistic talents will peak. You should do everything possible to refine these abilities and make the most of them. Many under the 3 Pinnacle are drawn to writing, the theater, singing, and dance. Your chances of success are also heightened. Hard work in any artistic field that one has a talent for can result in much reward. This is also a highly social and emotional time. You attract friends and admirers with your charm and gregarious nature. You have the ability to inspire and motivate people. Your upbeat energy causes people to want to work with and for you.

This is a lucky period, as well. You can overcome problems with considerably less effort than in the past. All of this can lead to self-indulgence and lack of productivity. Life is a little easier, which can make you less vigilant. You need focus and discipline. Under the influence of this Pinnacle, hard work is the key and the challenge to making the most of your opportunities.

Be careful of impulsive behavior or doing things on a lark. You must know your limits during this period. Be careful of your money; balance your accounts. Guard against disorderly thinking and behavior. Otherwise, you may do things you regret or simply squander away so many opportunities.

Children born under this Pinnacle must be disciplined and kept from being spoiled. An early education in the arts will inspire the child to make the most of his or her artistic talents.

YOUR FOURTH PINNACLE CYCLE

Your Fourth Pinnacle Cycle lasts for the rest of your life.

Hafeez, your Fourth Pinnacle Cycle is 4 and runs from age 46 until age death.

This is a Pinnacle of hard work and many rewards. You have the opportunity to build a foundation that will last. Your ability as an organizer, manager, or simply the rock of any institution is greatly increased. You are dependable and reliable. Your ability to fulfill responsibilities is likewise enhanced. As a result of your industry and perseverance, success is well within your reach. It is a step-by-step process in which you build something by small bricks laid one after another.

You will find yourself caring for others in a very material way. Family and in-laws can be burdensome, since you are seen as the cornerstone of the foundation.

Your life is preoccupied with details and responsibilities that must be taken care of. You have set in motion projects that are your children, demanding your constant attention. While there are many rewards, there are also many frustrations. Your sense of your own limits and the consuming nature of details may at times seem overwhelming. You must remember that things that last require slow growth. You may mistakenly believe that your progress should be faster or happen with greater ease. The need for efficiency, orderliness, and methodical systems limit your creativity. Your challenge is to be flexible and adaptable. Learn to play more and allow yourself to be more spontaneous.

Children born under this Pinnacle will tend to be serious and affected by the financial limitations of their parents. The child may feel the need to leave home early and start a family of his own. He or she must be encouraged to be more farsighted and flexible. The child should avoid jumping into the harsh realities of life too soon.

YOUR PHYSICAL TRANSIT

The individual letters of your name are used to find your Transits.

Your name is like music that vibrates in time; each note, or letter, has a specific duration and influence over the course of your life.

Your life can, therefore, be seen as a musical score, with individual letters making specific contributions at given points, just as notes in a musical piece give it its rhythm, character, and nuance.

The Transits appear as part of your Progressive Chart and will tell you much about specific influences taking place in your life during given years.

Your Physical Transit for age 24 is E

24 for The E Transit helps us feel inspired and helpful. It brings increased possibilities for travel and changes in your career or residence. You are more attracted to new and adventurous experiences, including love affairs or marriage.

You may find yourself attracted to a new religion or philosophical idea.

Your Physical Transit for age 25 and 26 is Z

25 for This is an inspiring period. The Z transit makes it easier for you to overcome limitations and make substantial progress in your life. A new and unusual relationship is possible, which could cause numerous changes in your life, including a change in residence.

YOUR SPIRITUAL TRANSIT

Your Spiritual Transit is based on your last name.

Your Spiritual Transit for age 24 and 25 and 26 is N

YOUR ESSENCE CYCLE

Your Essence number indicates the lessons you will be dealing with during that year. It says a great deal about how you will perceive your environment. It also gives clear advice on how you can be most successful during the year; which types of behavior will be supported by your milieu and which ones will be less effective.

If one or more of your Transits change after your birthday this year, you will find two Essence cycles. If you only have one Essence, it means none of your Transits changed.

Your Essence for age 24 is 1

You will now begin an entirely new phase of your life. You are on the threshold of a new beginning. Not only will fresh ideas come into your life, but you will accept and even embrace them. It is a time of radical change, and in all likelihood, you are ready for it. Now is the time to advance the new and let go of the old. All inefficient methods will have to be eliminated from your life. In the same way, you must let go of relationships that no longer serve your future. Discard habits and liabilities that you have been holding on to. A new identity is emerging, one that is efficient, innovative, highly creative, and courageous.

Your leadership qualities will rush to the surface. Your environment will demand that you stand up to challenges, and face difficulties head on. You can no longer hide from the truths of your life. The facts are now blatantly clear. Hafeez, you must make a stand. Change is a given. But you possess the power to make those changes. All you need is the will and the energy to enact your plan.

This is a period of struggle and great reward. You have the chance to achieve independence. But it will not be handed to you. You must wrest from old habits and inertia of the past.

As with all beginnings, this one will be marked by false starts and blind alleys. You will be forced to start again and again. You are like a baby learning to walk. There will be falls. You will have to persevere. This is a period in which your willpower will be tested. You are, in fact, forging your own determination. You must not give up. But the rewards are great. The general influences are raising you to new heights of independence, courage, and self-esteem. At the conclusion of this 1 Essence, your self-knowledge and self-respect will be greatly increased, as will your capacity to stand on your own two feet.

Your Essence for age 25 and 26 is 4

This a period of much work, attention to detail, and advancement in your career. Your rewards will be directly proportional to your effort. Much will be demanded of you, but you now have the opportunity to lay a sound foundation for your life. You must be orderly and disciplined. Attention to detail in all areas -- especially in

personal finances and business -- is a necessity. Your workload will likely increase. Only through the correct management of time and resources will you be able to apportion your energies correctly to meet the increased demands made of you.

You are now being trained in the ways of the world, and only sound practical management will bring you the results you desire. Any flimsy or unsound business practices will likely bring trouble and increased work for you. Only by dealing with reality -- that is, by facing situations exactly as they are, and not how you might like them to be -- will you be able to find the correct path to success.

Avoid feelings of restriction or limitation. Be economical in all your expenditures. Be sure to care for your health. Maintain a healthy diet and follow a sound exercise routine. Pay attention to preventive health methods and get the rest you need. But know when to allow yourself some breathing room. Be moderate in all things, including moderation. Balance is the key to this period.

In-laws and family members can be demanding during this period. People see you as a rock of stability and are naturally attracted to you for support. Be helpful without allowing yourself to be used.

You are being called upon to work hard and establish a firm foundation upon which your life will rest for many years to come.

YOUR PERSONAL YEAR

Your Personal Year number is a strong indication of the trends and circumstances you experience during the year ahead. Your Personal Year cycles are based on the Universal Year cycles and, therefore, run concurrently with the calendar year. (Transits and Essence cycles are based on the letters of your name and run from birth date to birth-date.) There are nine personal year numbers in a complete Epicycle.

Each Epicycle reveals the progression of a specific part of your personal evolution. Your progress along this Epicycle can be seen quite logically, from the beginning of a growth period to the conclusion or culmination of that process. The 1 personal year describes your first steps in a new direction. The years that follow indicate your progress along this path, concluding with your 9 Personal Year, which completes the cycle.

Below is a description of your current Personal Year. It indicates where you are on the 9-year Epicycle.

Your Personal Year cycle for 2026 is 6

This is a year of progress and financial advancement. Major career opportunities present themselves. It is a challenging year in which personal growth is joined with new responsibilities and challenges. This is a year of domestic responsibility and attention to the needs of family and friends. It is a time of heartfelt emotions and some sacrifice. It is a time for comforting and caring. You realize the importance of your place within your community. You will be called upon to help others bear their burdens. You are the proverbial friend in need. Deep feelings bring renewal to relationships and often a birth in the family.

You must work to create an atmosphere of harmony and balance. It is often a time when marital issues surface and need attention. However, you possess the understanding to deal with such issues effectively if you apply yourself with love and flexibility.

May is an emotional month filled with the promise and the stress of imminent changes. June is a breakthrough and a relief. September brings advancement, October self- reflection and readjustments, and December brings a sense of completion and fulfillment.

Your Personal Year cycle for 2027 is 7

You will experience a strong tendency to spend more time alone, to delve inside and find some answers and to reach a better understanding of yourself. This is not a year for social activities nor is it a year to try and reach goals on a material level.

You will find that the necessities of daily life seem to be taken care of by themselves. There is no need to be overly concerned regarding your material needs. Without slacking on your daily duties and responsibilities, you can afford to give more attention to yourself. This is a year for inner growth. It is your spiritual and mental presence that requires attention. Improve the quality of your life, read, contemplate and gain insight in yourself. You are important now. Rest and attend to your health.

It is during this year that you strengthen the foundation of your life, after all your success in all matters rests upon the strength of your inner self. There will be many strange and unusual events inspiring you to take a closer look at life and an opportunity is there to experience the joy and beauty of life without any artificial or exterior involvement but purely the growing awareness of yourself. Too much concern and desire for material rewards, Hafeez, will turn this period of your life into a very bad experience indeed, while a "let go and let god " attitude will make this such a fruitful and pleasant year that you may find yourself wondering what you did to deserve this.

YOUR DUALITIES

How the yearly cycles affect each other.

Your Essence and Personal Year cycles are distinctly separate energies that influence you in different ways. Your Essence reflects your mental, emotional, and spiritual state of mind at a particular time in your life and feels like an internal influence; it's a stage in your personal evolution. Your Personal Year cycle, however, feels more external.

Your Essence and Personal Year cycles overlap creating a duality which produces its own influence. Most importantly, it tells us how you can get the most out of your mix of Personal Year and Essence cycles by looking at their combined influence.

Personal Year cycles run concurrent with the calendar year and change every year, while Essence cycles run from birthday to birthday and can be anywhere from one to eighteen years, sometimes even longer. Therefore, you can have either two or three Dualities during any 12-month period. Three, if your Essence changes (one before your birthday, one after your birthday, and another when the new year starts). If your Essence doesn't change, you have two Dualities, one for each calendar year.

For the purpose of Dualities, Essence cycles with Master Numbers (11, 22, or 33), or Karmic Debt numbers (13, 14, 16, or 19) are reduced to single digits, as their effect in the context of Dualities is indiscernible.

Your Duality before your birth day in 2026 is 1 and 6

This year, you can expect occasional conflict between your ambitious 1 Essence and your family-oriented 6 Personal Year. The influence of the 1 can make you single minded about reaching your goals. Simultaneously, your Yearly cycle could often be dominated by relationship issues with friends, family, or co-workers. Your challenge Hafeez, will be staying connected to the caring nature of the 6, during a time your state of mind feels particularly independent and ambitious.

A 1 Essence during a 6 Personal Year often brings family issues to the surface (as every 6 year does). The 1 is goal-oriented, concerned with the self, and focused on success; the 6 sacrifices time and energy for others. This can create friction. Focusing on your work and projects will probably be easy. Your challenge will be to meet the needs and expectations of your loved ones, while actively pursuing your goals. This will take concerted effort. Even the strongest relationships can be adversely affected during the 1 and 6 Duality.

Circumstances will arise that bring this challenge to the foreground. In a nutshell: even if you are

(generally) not in your most giving mood, that is exactly what this period requires of you.

Your Duality combination is favorable for business and career and provides great potential for growth. Your negotiation skills should be heightened, including handling legal matters if they arise. This is, in part, due to the ruthless side of the 1 teaming up with the empathic ability the 6 has to detect the weak spots in others.

You will probably find it takes little effort to motivate others, even bend them to your will. Although this can be positive when used ethically, it reflects another challenge to the 1/6 combination. Be cautious about manipulating or taking unfair advantage of those less savvy or in a weaker position.

Due to its focus on relationships and responsibilities, the 1 and 6 increases the potential for both positive and negative experiences regarding relationships. It is rare to go through this cycle without a powerful and memorable emotional experience. It is a period of choices, commitment, and the desire to pursue new experiences.

Your Duality after your birth day in 2026 is 4 and 6

Hafeez, when you read your 4 Essence and 6 Personal Year chapters, you may have noticed they have little in common. However, they do share an important trait: they are both realistic and practical (although in different ways). This makes it a better combination than expected, not only for the practical areas of your life - business, finance, household - but also for your relationships, even romance.

Your Essence affects your mindset and the way you feel about the situations you will encounter. Although it is efficient and detail-oriented, the 4 can be slow and rigid. Its plodding, methodical approach can cause frustration and make you feel like you are slogging through mud.

Your 6 Personal Year affects the circumstances and events you will face this year. Unlike the 4, the 6 doesn't get hung up on details and is much better at interacting with people. This will help the 4 speed things up and overcome personality conflicts and other relationship issues.

However, both influences tend to increase the pressure to get things done. The efficient 4 places much of its focus on career and business, and the sacrificing 6 attracts responsibilities and commitments. With so much attention devoted to tasks and obligations, you might feel a bit overwhelmed at times. Patience and persistence will be key to your success during this demanding period.

Another concern for the 6 is its tendency toward gullibility; its nurturing, sympathetic nature can

make you more vulnerable than usual. Make sure to stand up for yourself.

Your greatest asset this year lies in your ability to connect with people. Romance and other close relationships are highly favored, and long-term commitments tend to work out well. Even co-workers and business partners are more likely to cooperate with you during this period.

Your Duality before your birth day in 2027 is 4 and 7

When you read about your Essence and Personal Year cycles, Hafeez, they may not have looked like a promising combination. However, when the 4 and 7 team up they inspire a number of deep and positive personal changes. This is one of the strongest combinations for intellectual and spiritual growth.

Normally, the 4 combined with almost any other number, prioritizes practical matters such as business, career, and finances. However, teamed with the 7, you could find yourself drawn to more idealistic and intangible interests, including some you may have considered eccentric, or brushed off as nonsense at a different point in your life.

The 7 inspires the recognition that there is more to life than either work or play. The 7 bends the path of the 4 away from the practical/material side of life and directs it toward the spiritual, abstract, and philosophical. This influence increases your awareness and the potential for perceptive insight and understanding, if not wisdom. As your Personal Year number, it will deliver the circumstances you need to bring this awareness about.

Although you will still benefit from the sensible, efficient mind of your 4 Essence, you may not be as concerned with the aspects of work and stability it usually inspires. Still, looking back, it is very likely you will view this period as a time of breakthroughs in the way you view yourself and your relationship to the world around you. This is a year for growth, particularly on a personal level.

Although you will grow and become stronger this year, your relationships might not fare as well. With your focus primarily on your own needs, you may not be as responsive as usual to the concerns and priorities of others and have less patience for issues that distract you. Although your loved ones should always be considered, being a little self-centered may be just what you need right now.

YOUR PERSONAL MONTH

The influence of a Personal Month gradually changes from one month to the next over approximately five days at the end and the beginning of each month.

Your Personal Month for August-2026 is 5

August brings some changes in work and your personal life. It is a dynamic time, and nothing goes according to plans. Play things by ear.

Your career progresses well as a result of your enhanced ability to find creative solutions. You make a good impression on some people who are in a position to reward you. There will, however, be a confrontation between you and a co-worker, with long-ranging affects. The outcome will depend on your personal strength and self-confidence. If you are involved in business deals or legal affairs, some surprising changes may take place. In all areas of your life, flexibility and adaptability are important. Your friends and family require a lot of attention. Social gatherings are frequent and will bring new relationships into your life.

Traveling, perhaps across the ocean, is possible and favorable.

Romance is exciting. Be socially active. If you are single, you could meet someone who will be a permanent part of your life.

Your Personal Month for September-2026 is 6

September will force you to deal with the issues of responsibility and loyalty. Devote your time and energy to the needs of family and community. Become involved in some sort of activity that will benefit others financially. You will, and should be, concerned less with your own financial affairs, than with those involving others. Be selfless and generous in all areas of your life. It is a time to forgive and heal. You are highly aware of your bond with the people you love, as well as with neighbors and co-workers.

Legal affairs you might be involved in come to the foreground. Financially, September has the potential to be very good.

Romance is shaky. Choose your words well and follow up on promises. Don't forget birthdays.

Your Personal Month for October-2026 is 7

Distance yourself somewhat from the affairs and troubles of other people. During the course of this year you have been asked to help, counsel, and advise others many times. Now, give yourself a break. Spend time alone for contemplation and meditation. Study and reading are also favorable. Your workload does not decrease but much of it is routine and allows you to mentally drift. Still, your mind is sharp, and you can easily concentrate when you want to.

Inner healing takes place. Old wounds may be reopened. There is some sadness and nostalgia, but the healing is real and needed. This is a time of spiritual growth. Postpone decisions regarding

financial affairs, if possible, until next month.

Matters of the heart are also a low priority. You are not very clear this month and would rather not be bothered with it. Emphasize your personal well-being. Diet, exercise, and go for walks. Don't distract yourself from soul-searching by watching television or other mind-numbing practices.

In many ways, your experience of this month will set the tone and direction for next year.

Your Personal Month for November-2026 is 8

November is an excellent time for business ventures, financial affairs, and all things related to the material world. You receive recognition for past effort in the form of financial rewards, respect, and possibly promotion. Implement any changes you have been considering in your business affairs.

As always, when the 8 shows up in the chart, a certain amount of balancing takes place. Punishment and reward are both possible. If you have put out sincere effort, the reward will be there. However, for some people, an 8 month may bring bad news, after all, the 8 is balance, including the balance between effort and reward.

This is a good time to straighten out financial dealings you may have with friends or relatives as well. This is not a good time to go into debt. But it is a good time for love. Strong feelings and passionate exchanges on the emotional and physical level make this an exciting month.

Your Personal Month for December-2026 is 9

December is the second time this year that some letting go has to be done. A relationship is going to end. This can cause some distress, but there are also feelings of gratitude. Your feelings run deep, but you have difficulty expressing them. You feel vulnerable and emotional. You are attracted to giving your time and energy to something outside of yourself. Clean out the garage or attic and donate the excess to charity.

There are changes in the work situation, such as a shift in personnel. In a strange turn of events, you may find yourself having to defend your actions and motivations.
