WHAT THE DIAMOND CHART REVEALS

The Diamond Spirit Guide is one of the oldest number-based methods of divination and perhaps the most powerful tool numerology has to offer. It reveals the chain of cause and effect that connects your physical and non-physical planes. It tells us how your experiences, choices, and priorities in the physical world affect your internal/spiritual growth, and how, in return, this affects the quality of your life on the physical plane.

An incomplete, rudimentary version of the Diamond was brought back from obscurity by the late Kevin Quinn Avery and later completed and re-birthed by Hans Decoz.

Each Diamond pattern consists of four numbers. The first is called the Challenge. Your Challenge is a lesson or test that, once learned, will benefit you for the rest of your life.

The second number is the Root or Cause and explains the underlying reason that lesson has emerged. The third number, the Recommended Action (also called Action Key), gives advice on the best approach for a successful outcome. The final number - aptly named the Outcome - reveals what the likely result of your efforts will be, and how it might affect your future.

Except for ages 0 through 7 and 75 through 81 we experience two Diamonds per year from birthday to birthday. These two Diamonds overlap and are equally important; they fit together as if working on one helps us understand the other.

Although most Diamonds are in place only for one year, it's not uncommon for one or both Diamonds to repeat the following year. Often one number - usually the Challenge number - lasts for more than one year, while the other three numbers change. Finally, a number that is the Cause one year becomes the Action Key for the next. The Diamond's structure is complex but also logical and beautiful.

A word of advice: getting the most out of your Diamond requires some measure of self-reflection, not unlike the I Ching. I recommend that you read it more than once, then let it simmer. You may be surprised at the amount of insight you gain.

Your report covers two years/ages from birthday to birthday. To avoid distraction, you may want to postpone reading the Diamonds for the second year until a couple of months before your next birthday, or if you do read them, go back to the two for your current age and focus on those.

THE FIRST DIAMOND

The first number in your Diamond is of a decidedly spiritual/inner nature. It's offered to you in the form of a challenge; something that needs to be learned or acquired to help you grow and mature. It reveals the true purpose of your struggle on the physical plane from a broad vantage point.

Your First Diamond Challenge for age 36 is 1

This common challenge is likely to repeat more than once during your life. It concerns confidence and self-empowerment. (The most commonly found challenges are 0, 1, and 2 - and almost always occur more than once in a lifetime. The lesson inherent in the 0 strengthens humanity as a whole; the 1 strengthens the individual; the 2 focuses on relationships).

This is a favorable time to learn more about your inner identity - the part you call "me" or "I". It helps you maintain your identity without feeling distant or apart from those around you. You have an opportunity to become more secure in your self-worth, and the acceptance of your true self, which in turn can lay the foundation for contentment. (We experience our reality as separate from other people which, in part, is what makes us individuals. Sometimes, however, events or circumstances amplify the distance we feel, creating a sense of separation and loneliness. Although it is not possible to merge fully with another person, we can experience a shared reality

and unbreakable bond, without losing ourselves in the process.)

YOUR FIRST DIAMOND CAUSE

The second number in your Diamond reflects the underlying cause of the challenge you face this year. It is the catalyst that sets things in motion, the root of the issues confronting you during this period.

The Cause for your First Diamond is 8

Your root cause suggests you may have been feeling a little off balance, perhaps for as long as three or four years. You feel you missed opportunities - real or imagined - and doubt may have been gnawing away at you.

This combination can leave you feeling a little insecure about where you belong and what you should be doing, not unlike a rock climber suddenly experiencing fear of height halfway up the mountain. Nothing has changed; you are climbing with the same equipment, traversing a mountain like many you have climbed before, but your discomfort is real, nonetheless.

Insecurity and doubt have a positive side as well. They help you move forward more carefully and deliberately, thereby proving to be the very ingredients that can prevent you from taking a hard fall.

THE RECOMMENDED ACTION FOR YOUR FIRST DIAMOND

The third number in the Diamond pattern suggests a possible course of action to resolve successfully the issues facing you during this period.

The Recommended Action for this Diamond is 1

The dynamic, ambitious 1 calls for taking control of your life, becoming more focused, and clearing residue from past experiences, particularly issues from your childhood or teenage years. A 1 in this position suggests you are carrying unnecessary baggage.

Take time to look for new avenues, explore options, and trust your own judgment. It's important that you define your goals without pressure from outside influences; you may need to cut some ties. Contemplate your past and your present, and seek to identify the relationships, memories, or conditions that may be holding you back.

Confidence, focus, and ambition are the qualities required to successfully navigate this period and

to take advantage of the opportunities ahead.

THE EXPECTED OUTCOME OF YOUR FIRST DIAMOND

The fourth number reveals potential changes in your personality and your environment as a result of your experience with the Diamond in place this year. Naturally, our effort and sincere desire to meet these challenges increases the possibility of a positive outcome

What it means to have an expected Outcome of 9

Hafeez, today you most likely find yourself in very different circumstances than you experienced one or two years ago. It's possible you are more involved in activities with a wide range of influence, perhaps involving politics, legal affairs, environmental issues, metaphysical studies, or an alternative health and lifestyle program.

A 9 in this position suggests the idealist in you has become more prominent, and you have developed a more practical approach to your endeavors. A broader worldview, humanitarian efforts, and sacrifice without a desire for personal reward are some of the traits the 9 inspires. Whatever cause or causes you take on, you intend to make a difference. The 9 is also creative, artistic, diplomatic, and philosophic, which gives you a wide variety of interests to choose from. The one unifying aspect is almost always the desire to help others.

In addition, it's not uncommon for a person exiting this Diamond to receive a windfall in the form of unexpected money or other stroke of luck.

THE SECOND DIAMOND

The first number in your second Diamond is again of a decidedly spiritual/inner nature, offered to you in the form of a challenge; something that needs to be learned or acquired to help you grow and mature.

Your Second Diamond Challenge for age 36 is 2

The lesson of this challenge concerns a perception you have of yourself. You either lack self-confidence and often feel inhibited or the opposite is true and you have an exaggerated sense of self-worth. Regardless of the expression, a 2 in this position points to an imbalance. If this feels true for you, your ability to relate to other people should shift once you have overcome this challenge.

As a thinking person, you are well acquainted with the rumblings of your mind. However, you may not always be aware that you are not your mind, but the entity "listening" to your mind. While this is probably not a new realization, recognizing it consistently provides clarity. It allows you to be skeptical of your ideas and thoughts, and receptive to possibilities that may be of more value.

This subtle yet powerful realization can make a difference in the way you view people who may not

share your views. It helps you separate the individual from their (evolving) ideas or convictions, making you less likely to judge them from a superficial perspective.

THE FIRST DIAMOND

The first number in your Diamond is of a decidedly spiritual/inner nature. It's offered to you in the form of a challenge; something that needs to be learned or acquired to help you grow and mature. It reveals the true purpose of your struggle on the physical plane from a broad vantage point.

Your First Diamond Challenge for age 37 is 2

The lesson of this challenge concerns a perception you have of yourself. You either lack self-confidence and often feel inhibited or the opposite is true and you have an exaggerated sense of self-worth. YOUR FIRST DIAMOND CAUSE

The second number in your Diamond reflects the underlying cause of the challenge you face this year. It is the catalyst that sets things in motion, the root of the issues confronting you during this period.

The Cause for your First Diamond is 9

You recently, over the last year or two, experienced several situations that upset your sense of justice and compassion. You may have witnessed - or been a part of - disturbingly unjust proceedings. You may be struggling with the question of whether you could have done something about it, and perhaps even feel guilt or regret that you held back when you might have helped. Whatever the circumstances, it is important that you find a way to set things right.

When the 9 is in the second place in a Diamond pattern, sacrifice is almost always an important part of rectifying or healing the concern.

THE RECOMMENDED ACTION FOR YOUR FIRST DIAMOND

The third number in the Diamond pattern suggests a possible course of action to resolve successfully the issues facing you during this period.

The Recommended Action for this Diamond is 9

Hafeez, a 9 in this position asks you to devote extra time and attention to your heart, rather than your mind. During this period, you will attain the best results by being less practical and more idealistic. While this may seem a contradiction, it makes sense when viewed from a broader perspective.

Sometimes we set goals for ourselves hoping they will bring comfort and security, but our objectives are often limited by expectations or restrictions we have set for ourselves. This can obscure or curtail potential outcomes. There are times we aren't even aware that the destiny we desire isn't truly what we want, and once we reach our goal, we realize it doesn't measure up to our expectation.

Allow your mind to wander and stay open to alternatives. Additionally, focusing more on higher

ideals and less on yourself can expand your world and your possibilities.

Key ingredients for this period are idealism, selflessness, and humility.

The fourth number reveals potential changes in your personality and your environment as a result of your experience with the Diamond in place this year. Naturally, our effort and sincere desire to meet these challenges increases the possibility of a positive outcome

In addition, it's not uncommon for a person exiting this Diamond to receive a windfall in the form of unexpected money or other stroke of luck.

You will likely experience more than your share of confrontation and turmoil. Events and circumstances require you to choose between opposing energies, such as love or hate, empathy or cruelty, sacrifice or apathy. You witness incidents of injustice and are challenged to choose between getting involved or walking away.

The zero challenge is about taking a stand and responding with courage, more than it is about good and evil. The choices you make during this period define you in countless ways.

The 0 challenge in a Diamond reflects the most primal struggle any man or woman can face. It makes this both difficult and easy; difficult because the easy way out can be tempting; easy because there is nothing subtle about the choices facing you.

YOUR SECOND DIAMOND CAUSE

The second number in your Second Diamond reflects the underlying cause of a distinct challenge you will face this year. It is the catalyst that sets things in motion, the cause of the issues confronting you during this period.

The Cause for your Second Diamond is 11/2

This diamond aspect suggests the reason for the above challenge could lie in a mixture of misinformation, anger, or confusion. It is likely you feel mistreated (possibly in your work environment). You may have been the victim of gossip or false accusations. Although it may feel personal, the actual reasons behind it may include biases that individuals, or society, hold against certain groups or types of people.

The issue may, or may not, be the result of something you did in a concrete way. However, when a 2 appears in this position it usually means you are at least partly responsible for the image some people might have of you. If this is the case, consider whether you are overly sensitive to certain issues or have been hiding part of yourself behind a façade.

Identifying the reason for the discord could be a big step on the way to resolution.

THE RECOMMENDED ACTION FOR YOUR SECOND DIAMOND

The third number in the Second Diamond pattern suggests a possible course of action to resolve the issues facing you during this period.

The Recommended Action for this Diamond is 3

Hafeez, if you have ever watched children responding to adults, you have probably noticed they usually say exactly what they think. Although many of us could use at least some of that candor, this is generally not considered a healthy approach for adults (it can get one into a bit of trouble). A 3 in this position suggests you would benefit from being less inhibited and more expressive. The more you disclose your "true self" the better you can avoid obstacles and misconceptions. When you feel like laughing, laugh without reservation. When you feel anger, express it. When you feel like hugging, hug. Share your true feelings.

Becoming less inhibited is far from easy. In fact, it is quite difficult and requires great courage, but it could help release blocked potential, whether conscious or subconscious.

The hardest part of becoming less inhibited, is that you also must be less self-conscious. It's a chain reaction; self-consciousness and ego go hand in hand. Try not to worry so much about what others think of you.

The main qualities required to successfully deal with this Diamond and to take advantage of the opportunities ahead are courage, honesty, self-expression, and altruism.

THE EXPECTED OUTCOME OF YOUR SECOND DIAMOND

The fourth number reveals potential changes in your personality and your environment as a result of your experience with the Second Diamond in place this year. Naturally, our effort and sincere desire to meet these challenges increases the possibility of a positive outcome.

What it means to have an expected Outcome of 8

Hafeez, of all possible outcomes, this is the one that is most clearly recognizable as either very positive or very negative. There is usually no middle ground.

The positive result is more common and often shows up as advancement in career, with potential for more authority and responsibility, even improved finances. There tends to be tangible and often surprisingly strong growth across the board: success, respect, and money. The positive traits of the 8 bring balance between the material and immaterial world, and influence ambition, generosity, leadership, visionary qualities, and strength.

The negative side of the 8 is just the opposite - and can result in a stagnated, declining career, or financial difficulty. If you find yourself in diminished circumstances (compared to a few years ago) apply the suggestions offered by the third number in your Diamond, described above, and seek advice to reverse this negative trend.

Unlike other number combinations that speak more decisively about the outcome you will experience from this period; the 8 Diamond is less certain (although you most likely know the answer yourself).
