YOUR RELATIONSHIP FORECAST MONTHLY

People change, sometimes dramatically, sometimes subtly. When people form a close relationship, their individual evolution can affect the stability and harmony of their partnership.

Please, keep in mind that the core numbers in your profiles (your Life Path, Expression, Heart's Desire, Personality, and Birth Day number) tend to carry more weight than cycles do. However, cycles, like your Personal Year cycle, can cause upheaval in areas where you previously had no issues. When that is the case, try to remember they are most likely temporary.

YOUR PERSONAL MONTH

The influence of a Personal Month gradually changes from one month to the next over approximately five days at the end and the beginning of each month.

Hafeez, your Personal Month for October-2026 is 4

October requires you to be practical and disciplined in all matters. It brings opportunity as well as limitations. Career is a high priority, and you will find yourself putting in overtime. Details will need to be taken care of. There is very little room for slacking, and everyone may be making demands of you. You may feel frustrated and need to blow off steam.

On the other hand, there is also much opportunity implicit in these demands, and you will be pleasantly surprised with the rewards that come your way late in the month. You'll have to respond quickly. You may feel that you are not ready to take on the new challenge that comes with this opportunity, but if you overcome this temporary lack of confidence you will be well rewarded.

This month is demanding in domestic affairs, as well. There is an ongoing need to watch finances carefully, make decisions concerning your budget, and plan for the future. If you have not been keeping a close eye on your checkbook, This month will force you to balance your account and make up for haphazard expenditures of the past.

There's not a whole lot of time for romance this month, but when you can find the time, your partner's love brings perspective and rejuvenation.

Hafeez, your Personal Month for October-2026 is 7

Distance yourself somewhat from the affairs and troubles of other people. During the course of this year you have been asked to help, counsel, and advise others many times. Now, give yourself a break. Spend time alone for contemplation and meditation. Study and reading are also favorable. Your workload does not decrease but much of it is routine and allows you to mentally drift. Still, your mind is sharp, and you can easily concentrate when you want to.

Inner healing takes place. Old wounds may be reopened. There is some sadness and nostalgia, but the healing is real and needed. This is a time of spiritual growth. Postpone decisions regarding financial affairs, if possible, until next month.

Matters of the heart are also a low priority. You are not very clear this month and would rather not be bothered with it. Emphasize your personal well-being. Diet, exercise, and go for walks. Don't distract yourself from soul-searching by watching television or other mind-numbing practices.

In many ways, your experience of this month will set the tone and direction for next year.

YOUR MONTHLY COMPATIBILITY FORECAST

Hafeez and Hafeez, monthly cycles are not as strongly felt as yearly cycles, however, they can have short period of considerable intensity.

If you feel you might be experiencing some turmoil within your partnership, read the monthly compatibility and reflect on its meaning. You will almost always be able to recognize where the friction comes from, and this is a big step towards healing.

Your Personal Month's Compatibility for October is 4 and 7

Hafeez and Hafeez, this combination has the potential to create distance between you. This is not because you suddenly have less interest in each other, but because your cycles produce interests and concerns that lead you in different directions.

For you Hafeez, it is a time to deal with mundane, practical matters (which you could find boring and frustrating). The 7 in Hafeez's cycle is focused inward - a period for quiet contemplation, daydreaming, doubts, questions, and learning more about who they are. It is not difficult to see how the differing needs inherent in your cycles might create some distance.

Sharing your feelings and giving each other room to pursue individual interests can help alleviate stress in your relationship, and help you take advantage of the progress this cycle has to offer.

Hafeez, your Personal Month for November-2026 is 5

November brings change, excitement, and possibly a financial boost. It brings movement -- travel, a change of residence or office, perhaps.

You will receive a letter or phone call from someone close to you whom you haven't heard from in some time.

This month should be light and playful. Try not to take things too seriously. The down-side of this

combination (5 and 3) is in the area of relationships. You may tend to misread others, to be a little insensitive and short on tact. Avoid confrontations in personal matters as well as those related to work. As long as you are upbeat and supportive, friendship and social events are favorable.

As was the case with February of this year, November may also find you in the mood to indulge yourself. Moderation may be hard to maintain, but it's still the best advice.

Hafeez, your Personal Month for November-2026 is 8

November is an excellent time for business ventures, financial affairs, and all things related to the material world. You receive recognition for past effort in the form of financial rewards, respect, and possibly promotion. Implement any changes you have been considering in your business affairs.

As always, when the 8 shows up in the chart, a certain amount of balancing takes place. Punishment and reward are both possible. If you have put out sincere effort, the reward will be there. However, for some people, an 8 month may bring bad news, after all, the 8 is balance, including the balance between effort and reward.

This is a good time to straighten out financial dealings you may have with friends or relatives as well. This is not a good time to go into debt. But it is a good time for love. Strong feelings and passionate exchanges on the emotional and physical level make this an exciting month.

Your Personal Month's Compatibility for November is 5 and 8

When it rains, it pours. This is a cycle where neither of you will find it easy to keep up with the other. Hafeez, you will have a lot going on, juggling more balls than usual, while Hafeez's vision and ambition should keep them focused on plans and opportunities.

With vastly different energies influencing you during this period, there won't be much room to sit and simply enjoy each other's company. No worries, you should have plenty of time for that during your next cycle when you both shift your focus toward family, friends, and each other.

Hafeez, your cycle is likely to bring changes, but it will take time (probably several cycles) before you are able to clearly see their full effect. Your energy will probably feel like atoms bouncing everywhere as you explore and establish boundaries. Hafeez's cycle will be more focused. It has the potential to put their next goal sharply in focus, centered on a single point.

The most common mistake for couples in this combination is trying to force their perspective on each other, which could cause frustration and a limiting of this cycle's potential. This is a time when you need to allow one another the freedom to pursue individual objectives, without having to

explain too much or account for your actions.
