THE POWER AND LIMITATIONS OF NUMEROLOGY

Numerology is an art thousands of years in the making. Like any Metaphysical science, it hinges on the understanding that all things are interconnected. Your numerology profile analyzes the connection between the letters and numbers linked to you, revealing your talents, strengths, weaknesses, emotions, preferences, and a range of other qualities.

To use an analogy, think of numerology's nine single-digit numbers as nine tubes of paint, each a distinctly different color. Imagine you are a work of art painted by a master artist who used every color available to create your image. The depiction is unique and complex: a fusion of bright and subdued colors, shapes and shadows, light and reflection, subtle and bold textures. The deeper you look, the more you perceive and appreciate the many layers that makeup who you are.

A comprehensive numerology profile, along with your honest reflection, can be a powerful self-help tool in identifying underlying traits and new possibilities. The better you know yourself, the more control you have over life's changes and the greater your potential for a successful, fulfilled life. Numerology is not infallible, nor does it promise to answer every question, but I feel confident you will find many things to contemplate in the following pages. You are unique, and so is your Profile.

I hope you enjoy your reading and will find it beneficial to your path of personal growth and insight.

YOUR PERSONALITY PROFILE AND YEARLY FORECAST

PART 1: ABOUT YOU

Just as your DNA determines your physical body; a blueprint of your personality is an inborn part of you from the very beginning. Your Profile begins with insight gleaned from your name because that is where we learn WHO you are. It describes the talents, strengths, and other distinct characteristics you were born with.

PART 2: YOUR PATH

Just as your physical body grows and changes with time, so does your personality. Your personal evolution begins at the moment of your birth. From that point on, the choices you make, the goals you set, your environment, opportunities, challenges, the influence of others, and a thousand other factors alter who you become.

PART 3: YOUR PATH AND YOU

This section looks at how your name numbers (you) and your birthdate numbers (your path) work together to guide your personal growth and the changes you experience.

PART 4: SPECIFICS ABOUT YOU

Certain numbers in your chart affect you in a clearly defined, narrow way, such as your Balance number, which lays dormant until you enter a time when you are off-balance; when discord dominates your life.

PART 5: HOW YOUR CURRENT NAME AFFECTS YOU

The name you use on a daily basis, the way you introduce yourself in a social setting, has a unique affect on your life in that it, more than anything else, reveals how you feel yourself; who YOU think you are and what you represent.

PART 6: YOUR FUTURE

This part of the report tells you what your cycles are for the current year and next year, and how it will affect your life.

PART I: ABOUT YOU

Your Personality Profile is based on your full name at birth, your current name, and your date of birth. Your full name tells us who you are; think of it as your numerology-DNA. Your date of birth reveals your path and the patterns of your personal growth.

We start this report by looking at the most important numbers derived from your full name to throw light on who you are as a person.

HOW YOUR NAME NUMBERS STACK UP

John, we begin by taking a quick snapshot, a look at the influence and meaning of the three core numbers derived from your name. Your Expression number is the sum of the value of all the letters in your full name at birth. Your Heart's Desire is the sum of the vowels. Your Personality number is the sum of the consonants. These three numbers are closely linked and influence one another.

All the numbers derived from your name reflect YOU. They are a blueprint of your talents, shortcomings, character traits, and other qualities. You should realize that this is a limited perspective. Later chapters focus on the challenges and opportunities you will encounter on your path, and attributes you may acquire as time passes.

This first chapter is like a glance from a distance, followed by three chapters that explain the meaning of each number in more detail. We will gradually build a more complete picture of the complex and unique individual you are.

Your Core Name Numbers are 8, 8, 9

Your core numbers are an 8 Expression, an 8 Heart's Desire, and a 9 Personality. This is not the easiest combination, but it is potentially very powerful.

The 8 is a practical, realistic, authoritative number. Its unique feature is the ability to find a balance between the material and the immaterial. For that reason, it is the preeminent business number; the 8 understands both the power and the limitation of money and worldly success. It has the ability to use money as a tool, as opposed to simply desiring it. Instead, it is interested in growth,

progress, accomplishment, and expansion.

Your Expression number is 8. The Expression indicates your talents, abilities, and weaknesses, particularly as they relate to your career and productive life. You also carry the 8 as your Heart's Desire, making it more likely that you will find a career or business that brings real satisfaction. Your Heart's Desire number reveals what makes you truly happy and determines your likes and dislikes. This combination suggests you are an ambitious, goal-oriented individual who desires progress and expansion in your life.

The number that puts a different twist on your profile, is your 9 Personality. The 9 is the opposite of the 8 in many ways. It is the humanitarian, the volunteer, and the idealist. Your Personality number is the characteristic people notice when you first meet. Having a 9 in this position conveys your compassionate, tolerant, humanitarian nature.

Both the 8 and 9 tend to be financially successful, but for opposite reasons. Your 8 Expression lends the traits necessary to earn money. Willpower, effort, leadership, vision, and a highly competitive nature are the domain of the 8.

The 9 tends to do well precisely because it doesn't do anything solely for the sake of compensation; however, it is often rewarded in both gratitude and money. This contradiction is unique to the 9.

John, when it comes to your career, you will probably change direction several times during the course of your life. Business will always be central, but in different ways. You are like a ship being pulled by two tugboats - with captains headed in different directions. With experience and maturity, you have the potential to clarify your priorities and find a balance between giving and taking. This can allow you to accomplish great things.

Your personal life shares a similar scenario. You are driven, opinionated, and feel the need to be in charge. You can be somewhat aloof and may not be demonstrative romantically (although you attract those who are, drawn by your respect and tolerance for others). Under certain circumstances, you can also be a bully - something you may need to watch for. You were given higher-than-average personal power. Be mindful not to abuse it.

Now let's look at each of your core numbers individually.

THE EXPRESSION

Your Expression number, calculated from your full name at birth, reveals the orientation or goal of your life. Some numerologists refer to this as your Destiny number because it represents a lifelong target at which you are aiming. Thus, the Expression number, to some extent, reveals the person

you aim to be.

Your Expression is the most influential of the three characteristics that make up who you are. It is also the number with the most influence on your choice of career, although other aspects are important as well.

Your Expression is 8

You have the power and potential to achieve great things. It is both your challenge and your birthright to gain dominion over a small part of the earth. Whatever your enterprise, you strive to be the best and most successful in your field. You are highly competitive and will not rest until you are satisfied that you have bypassed the opposition. You enjoy challenges and rivalry. You are a realist and a visionary planner.

Money and authority are available to you if you are willing to discipline yourself -- generally an inborn talent -- and persevere in the face of the considerable obstacles in your path. You are dynamic and have a talent for efficiency. You understand the larger picture, see the broader challenges, and know how to marshal your collective resources to address the problems. You delegate responsibility well; it is best for you to leave many of the details to others.

You are a great leader of people and an outstanding judge of character. You are demanding of those who work for you, often putting things in no uncertain terms: do it my way or don't do it at all! At the same time, you don't hesitate to reward the faithful and hardworking employee. You are not a particularly tolerant leader; too much tolerance violates your sense of efficiency. You go directly after your goal with courage and tenacity.

You have a natural understanding of money, authority, and power. You are able to struggle consistently after your goal. Eventually power falls to you. Within you lies an innate balance between the higher and lower characteristics of man. Your challenge in life is to balance your higher ideals and your understanding of the hard realities of the earth.

Much effort will have to be put out and many ups and downs experienced before you reach the level of success you desire. Life will probably test you many times with obstacles that seem insurmountable. But in reality, these are merely opportunities for you to learn how to use power and authority in the face of difficulties, and to find out just how much power lies within you. It is crucial for your success that you balance the material and the spiritual. You have chosen a path that requires balance between giving and taking, reward and punishment, action and reaction. Despite the obstacles on your path, you are a true survivor.

When focused exclusively on your desire for results and success, you can become stubborn and intolerant; you can be driven by excessive ambition, causing you to be exacting and without perspective. Be careful of your alcohol consumption, a danger-zone for you. You can be a social drinker, mixing business with

pleasure -- a dangerous cocktail.

An excellent manager, organizer and administrator you have talents in many areas of life. Entrepreneurs, executives, bankers, brokers, negotiators, gamblers, coaches, collectors, heads of institutions, builders, art dealers, manufacturers, promoters, military officers, police detectives, smugglers, engineers, pilots or sea captains.

You have been entrusted with special gifts, the use or abuse of which has an immediate and often physical effect upon you and those around you! Use these gifts for the good of mankind and accept your own good fortune with gratitude. This is your rewarding stage in your evolution.

THE HEART'S DESIRE

The Expression number described above points to a more productive side of your life. Your Heart's Desire reflects a deeper, inner you; it suggests an underlying urge, your true motivation, and the general intention behind many of your actions. It reveals the environment and lifestyle you prefer, as well as your likes, dislikes, and the type of people you are drawn to. Consequently, it dramatically influences the choices you make in life.

It makes sense that the vowels of your name are the foundation for your Heart's Desire. Vowels are the peaks and valleys of a language. Notice how vowels leave your mouth in a free-flowing breath. Try it: Aaaa.... Eeee.... Oooo.. Consonants though, are cut off either at the beginning or in the end.

You might say that it is in the flow of your breath that you express your deeper self.

Your Heart's Desire number is 17/8

You want success in its fullest meaning: wealth, power, and material comforts. You have an enormous ambition. You dream of big projects, great undertakings, and rewards. You are a visionary. You see the horizon and the promise.

In general, you also see the methods necessary to fulfill that promise. But you are not especially good with details; you need others to help you deal with the smaller parts of the picture.

Your challenge is to make full use of the full spectrum of your abilities, as indicated by your other core numbers. In the same way, you must bring forth the best from others and orchestrate their talents toward the realization of your vision. In short, you must lead by example, demonstrating the standard for commitment, determination, and excellence.

All of this requires effort on your part. You will meet with obstacles and difficulties. Your determination and

commitment will be tested. But you have the power to overcome every obstacle you face and accomplish the goal you've set for yourself.

Your task in life is to learn to use power in refined and elevated ways. The expression and use of power are directly related to one's personal evolution. The more primitive uses of power rest with violence and the threat of deprivation. The higher expressions depend upon your capacity to care for and nourish the people and projects in your charge, giving each exactly what is needed at the appropriate time and in appropriate amounts.

You have a creative mind and an unusual approach to business and problem-solving. You need to cultivate your ability to evaluate others. It is essential for you to be involved in a project that challenges you and offers the potential for rewards. When you are uninvolved or unoccupied with a worthwhile task, you can become deeply despondent, depressed, and frustrated. You are the perfect example of the old platitude, "Idle hands are the devil's workshop."

Without a challenge, you can lose balance in life and become selfish, cruel, and even self-destructive. Disappointments become shattering, causing terrible consequences in self-image and self-love. Perspective is everything for you. You have a natural talent for balancing the spiritual and material planes.

You need to cultivate courage and stamina. Courage is a choice. You need to decide to be brave in the face of fear. A balanced 8 is among the most powerful and satisfying of numbers. It is the spirit of the true survivor, able to bounce back and achieve a greater victory.

THE PERSONALITY

The consonants of your full name at birth are the foundation of your Personality number, which is a little like a narrow entrance hall to the great room that is your true nature. It's the outer layer of your personality, the part you feel comfortable sharing. With time and trust, you invite others into the deeper aspects of your nature.

Your Personality number serves as a censoring device in terms of what you send out, as well as whom and what you allow to approach. For this reason, your Personality is usually narrower and more protective in its definition than the real you. It also gives an indication of how others perceive you.

Your Personality number is 9

You have an impressive and aristocratic bearing. No matter how tall you are, you appear noble and upright. You are very much in control of the image you send out to others. Many actors, dancers, and other performers have a 9 Personality Number.

You are elegant, graceful, and charismatic. Many admire you. You have the kind of stature

that pulls people to you or repels them intensely. Some are jealous of you and may seek to belittle you. You may encourage this to some extent by the amount of arrogance you radiate. This is a caution for all 9 Personalities -- they are sometimes aloof and hold themselves above the world. Your challenge is to come down to earth with your fellow man.

Conversely, you have a great compassion for humanity and want to dedicate yourself to improving the lot of others. You are better when dealing with the trials of the many than the trouble of a single person. You are more capable of working on the grand scale, addressing the needs of society, than on a one-to-one basis.

You are kind and sympathetic, helpful and compassionate. Behind the controlled and calm facade, you are sensitive, vulnerable and emotional.

You have excellent taste. There is a good deal of artistic talent in you that shows in your home environment and your clothing. You tend to see yourself as a guardian of society, a benevolent leader, guiding and directing your community toward a better world.

THE HEART'S DESIRE - PERSONALITY BRIDGE

A Bridge number is based on the numerical difference between two closely related aspects in your chart. It is the gap you need to "bridge" in order to create a more harmonious bond between the two areas.

The following Bridge number connects your Heart's Desire and Personality numbers. It suggests things you can do to help your deeper self to align more closely with your personality; the "outer" you that is apparent to others.

With a little exaggeration, you could say that your Personality number is somewhat like your mask; it's a more superficial aspect you reveal to the world. You can imagine how much more comfortable and less inhibited the experience of life becomes when you can align your authentic self with the personality you show to the world.

Your Heart's Desire - Personality Bridge number is 1

You should rely more on your own strengths and abilities. Be more decisive; don't beat around the bush and be straightforward when expressing your thoughts and feelings.

You need to take charge more often. Get off the beaten path and find original ways of doing things. Do not try to be conventional or try so hard to behave according to the expectations of others.

PART II: THE PATH YOU ARE ON

If there was ever a moment of transformation, it was the moment of your birth. In that instant, you stepped into a new reality - the reality of human life and human consciousness. Even at that moment you were a person with your own unique character, as unique as your DNA. The previous chapters focused on YOU, the person you are, as revealed in the letters of your name. It is now time to look at your Path, the road you walk through life, using the numbers found in your date of birth.

Your first breath marked the beginning of your journey on the road we call your Life Path. It makes sense, then, that the most important number in your numerology chart comes from the date of your birth. Your Life Path number gives a broad outline of the opportunities, challenges, and lessons you encounter throughout your life. It also reveals the strengths, specific talents, and characteristics you were given to help you overcome challenges and evolve into the best you can be.

THE LIFE PATH

Your Life Path number is considered the single most significant information available in your Personality Chart. It is derived from the total of all numbers found in your date of birth. However, it is important to keep in mind that the aspects described in the next few chapters will either complement, supplement, or sometimes weaken the attributes revealed in numbers derived from your name.

Your Life Path number is 8

You are gifted with natural leadership and the capacity to accumulate great wealth. You have great talent for management in all areas of life, especially in business and financial matters. You understand the material world; you intuitively know what makes virtually any enterprise work. Your talent lies not with the bookkeeping or petty management, but with the greater vision, its purpose, and long-range goals. You are a visionary and a bit reckless.

You possess the ability to inspire people to join you in your quest, but often they are incapable of seeing what you see. Therefore, those around you need your continual guidance, inspiration, and

encouragement. You must prod them into action and direct them along the lines of your vision.

You attract financial success more than any other Life Path, but effort is required. Your challenge in life is to achieve a high degree of detachment, to understand that power and influence must be used for the benefit of mankind. Those born with the Number 8 Life Path, who do not understand the real and relative value of money are bound to suffer the consequences of greed; they run the risk of losing it all!

You must learn to bounce back from failures and defeats. You have the character and resilience of a true survivor. It is not uncommon for a person with your Life Path to experience major reverses, including bankruptcies, financial failure, but you also have the talent and the sheer guts to make more than one fortune, and build many successful enterprises. More than most people, your failures in marriage can be extremely expensive for you.

Despite the difficulties that life presents, you will experience the satisfaction that comes from material wealth and the power that comes with it. Business, finance, real estate, law, science (particularly history, archeology, and physics), publishing, and the management of large institutions are among the vocational fields that suit you best. You are naturally attracted to positions of influence and leadership -- Politics, social work, and teaching are among the many other areas where your abilities can shine. You are a good judge of character, which aids you well in attracting the right people to you.

Most 8s like large families and sometimes tend to keep others dependent longer than necessary. Although jovial in nature you are not demonstrative in showing your love and affection.

The desire for luxury and comfort is especially strong in you. Status is very important. You must be careful to avoid living above your means.

Your Life Path treads that dangerous ground where power lies -- and can corrupt. You may become too self-important, arrogant, and domineering, thinking that your way is the only way. This leads inevitably to isolation and conflict. The people you run the risk of hurting most are those you love, your family and friends.

Be careful of becoming stubborn, intolerant, overbearing, and impatient. These characteristics may be born early in the life of an 8 Life Path, who often learn these negative traits after suffering under a tyrannical parent or a family burdened by repressive religious or intellectual dogmas.

Those with the 8 Life Path usually possess a strong physique, which is a symptom of their inherent strength and resiliency.

THE BIRTH DAY NUMBER

The day you were born bears great significance in understanding who you are and where your talents lie. Your day of birth indicates special talents you possess. It gives us an indication of the approach you will take toward the goals, opportunities and obstacles you encounter on your Life's Path.

Your Birth Day number is 15/6

You are family-oriented and have a talent for settling disputes between people to the satisfaction of both sides. You somehow know the middle ground. Your lesson in life is to work with the whole subject of balance. You must come to truly understand the ancient and fundamental principle of opposites that seek harmony.

Whether the realm is the emotions, caring for others, finances, work, or play, you must learn where you can be of service, exactly what you can do, and what are your limits.

You have a considerable amount of artistic talent. You have a deep appreciation of beauty and art.

You are highly responsible and will do without in order to fulfill a debt.

Your focus is on relationships. You want to help others and have a talent as a healer and could make a profession of the healing arts, either as a nutritionist, alternative health therapist (acupuncture, massage, for example) or doctor.

You need to know you are appreciated. You are given to flattery and vulnerable to praise. Criticism, on the other hand, leaves a very damaging impression on you. You take it deeply to heart.

You will sacrifice your own comfort to support and help others. You are generous, kind, and understanding.

You can be highly emotional and given to extremes in sympathy and sentimentality. You must learn to provide more than merely a shoulder to cry on. Study and the development of your healing skills bring you great rewards in life.

THE LIFE PATH - BIRTH DAY BRIDGE

Your Life Path and Birthday numbers are closely connected and influence each other. This Bridge explains how you can make the connection between them more harmonious.

Your Life Path - Birthday Bridge number is 2

Your Life Path and Birth Day number give you a 2 Bridge, indicating that your personal growth depends in large part on your ability to sense the emotional and mental disposition of others. Your ability to connect with people is a powerful tool that can greatly advance your progress.

CHALLENGES; YOUR FIRST CHALLENGE

You face four specific Challenges in your lifetime. For many of us, the same challenge is repeated, while others have four distinctly different lessons to learn.

These Challenges place you in situations that require you to face the particular lesson at hand. This provides an opportunity for you to learn or better integrate personal traits that will benefit you during the lesson, and throughout your life.

The four Challenges in your chart will influence you during the periods of your life listed below.

The duration of your First Challenge usually lasts from birth until age 30 to 35.

Your First Challenge is 5

You are in danger of becoming a rolling stone. Your desire to experience and enjoy life can overwhelm every other priority you have. Your need for freedom dominates you. You want to try everything and go everywhere.

You must guard against overindulgence -- and even dependence upon -- alcohol, food, drugs, and sex.

You must work at establishing and maintaining long- lasting relationships. Be tolerant and understanding. This will enable you to have people in your life who are more than mere company.

You need to discipline your urge to change every situation that does not immediately suit you. Stick with projects, maintain your friendships, don't abandon people or situations the minute they become the slightest bit difficult.

If few fives are in the chart you have a fear of change and cannot let go of people and situations. This holds you in the past, restricting your growth. Learn to take prudent risks and be more adventurous.

THE SECOND CHALLENGE

Your Second Challenge is in place from approximately age 30 through 55.

Your Second Challenge is 5

John, you are repeating your First Challenge

THE THIRD AND MAIN CHALLENGE

This Challenge carries much weight and will be felt throughout your life. For that reason, it is also called the Main Challenge.

As you master this challenge and incorporate its positive aspects into your character, your life gradually feels more in control. There is a chance for great reward implicit in this challenge. In short, it may offer the secret to your success.

Your Third and Main Challenge is 0

This is a less demanding challenge. Growth is allowed to take place without one particularly serious obstacle. This does not mean that there will not be challenges on your path, but there is no single and consistent challenge during this period. However, you are being challenged to stay faithful and focused on your highest ideals.

There is an opportunity to go deeper within yourself, and discover the inner being that is you.

THE FOURTH CHALLENGE

Your Fourth Challenge is most strongly felt during the latter part of your life, beginning at approximately age of 60.

Your Fourth Challenge is 0

John, you are repeating your Third Challenge

PART III: YOUR PATH AND YOU

We have focused on the letters of your name and the numbers from your date of birth. We will now look at numbers in your chart derived from the combination of both your name and the date of your birth. Acquiring the attributes described in the next few chapters will help smooth your progress. As you learn more about yourself, you may begin to recognize traits you were previously unaware of.

THE LIFE PATH - EXPRESSION BRIDGE NUMBER

This Bridge has the potential to "close the gap" between the Life Path and the Expression numbers. The chapter explains how you can make your talents, strengths, and specific abilities (your Expression number) more readily available and fitting to your goals and personal growth.

Your Life Path - Expression Bridge number is 0

Your bridge number is 0 (this is one of the few places in a numerology chart that can produce a zero). It suggests you could be more accepting of what you perceive as your shortcomings and indicates a tendency to be unnecessarily hard on yourself, possibly declining opportunities due to a lack of confidence. Although this will diminish somewhat with age, you could benefit from taking an honest look at the underlying causes of this harsh self-assessment. Think about this the next time an opportunity presents itself.

In your favor, your Life Path and Expression numbers are the same, which is considered fortunate. This suggests you possess the ability to make real progress in the area of personal growth, as well as progress on your chosen path.

MATURITY NUMBER

Your Maturity number indicates an underlying wish or desire that gradually surfaces at around age 30 to 35. A direction begins to emerge as you gain a better understanding of yourself. With this self-knowledge comes a greater awareness of who you are, and the direction you want to set for your life.

Your Maturity number is 16/7

As you mature, you will become increasingly occupied with the larger questions of life, reading, contemplating and searching for a deeper understanding of who you are and what this life is all about. You may turn to philosophy or religion, but will likely examine a wide array of areas, broadening your knowledge in many disciplines.

Your intuition grows stronger, as does your ability to look beneath the surface of every subject you study. You are able to analyze abstract questions and live according to your higher ideals. You may find yourself needing more time alone; your need for privacy will likely increase.

If you already have several sevens in your chart, you will have to guard against becoming withdrawn, and alienated. If you have no sevens, you will now have the ability to deepen your understanding of one particular field. You will have the opportunity to become grounded in a particular area of study.

PERIOD CYCLES; YOUR FIRST PERIOD CYCLE

Like most stories, there are three distinct stages of your life. Your First, Second, and Third Period Cycles come from your month, day, and year of birth respectively. Together they form the foundation of your Life's Path.

The First Cycle begins in childhood and lasts through your late 20's. It's a quest for knowledge and identity while you cope with the powerful forces that are present in your environment. These forces include your parents and the socio-economic conditions of your family, for example.

The Second Cycle covers the middle period of your life, bringing about the slow emergence of your individual and creative talents. This cycle begins in the early and mid-30's while struggling to find your place in the world. The late 30's, 40's, and 50's, bring a greater degree of self-mastery and influence over your environment.

The Third Cycle starts approximately age 55, and represents a flowering of your inner self as your true nature comes to fruition. It is during this period that you have the greatest degree of power and self-expression.

Your First Period Cycle runs from birth until your mid 30's.

Your First Period Cycle is 1 and lasts until age 28

The first part of your life, through your late 20's or early 30's, is a period of much intensity. When the 1 dominates, it requires fortitude, courage, and flexibility. You are forced to use every one of your talents to achieve individuality and independence. This is a period of integration and focusing on your life's dreams.

Your ability to stay the course is repeatedly challenged, but adequate resources become available to assist you. Resilience, independence, and fortitude are required. As you strengthen these characteristics, they become an integral part of your personality and help you to emerge stronger for it. This cycle marks a time of progress in your development.

SECOND PERIOD CYCLE

Your Second Period Cycle runs from your mid 30's until your late 50's.

Your Second Period Cycle is 6

Your middle years are a time of responsibility and duty. The issues of commitment, marriage, and family come into sharp focus. If you honor your commitments with acceptance and love, this can be a period of harmony and support. You are needed by others; you are loved and appreciated. Reinforced by the loving, family-oriented 6, this is the best cycle for marriage and commitment.

In the same way, partnerships go well, and progress is made through joint effort. Conversely, commitments that are broken or not deeply made tend to end in separation or divorce more often during this period than others.

Artistic talents you possess may surface or heighten, and opportunities for self-expression present themselves. A commercial opportunity is supported, possibly your own business. This is a time of progress through flexibility, cooperation, and compromise.

THIRD PERIOD CYCLE

Your Third Period Cycle covers the later part of your life, starting in your early 60's.

Your Third Period Cycle is 1

The latter part of your life will likely find you in a position of leadership. You act rather than react; you are an instigator, a self-starter. You may move in a new direction during this period. You will need to be proactive to overcome obstacles. Courage, self-confidence, and perseverance (more than the support of others) will be required to reach your goals.

Many people become less active or involved when they reach their later years; you experience renewed energy and drive. This is a period of integrating different aspects of who you are and focusing on your life's dream. The people who are close to you may suggest slowing down, but you are meant to make your greatest advancement later in life.

PINNACLE CYCLES; YOUR FIRST PINNACLE CYCLE

Although Pinnacle Cycles and Period Cycles are both derived from your date of birth, they differ in the way you experience them. Period Cycles, described above, reflect internal stages of growth. Pinnacle Cycles represent the external influences you encounter in life.

Pinnacles reveal general conditions and events you experience during each period, such as your environment, social conditions, relationships, and changing circumstances. Pinnacles reveal how you might respond to these influences and how they will affect your ever-evolving personality.

The transition from one Pinnacle to the next is usually strongly felt. You begin to feel the transition from one Pinnacle to the next approximately two years in advance. The latter part of that two-year period can be particularly strong. You will likely make life-altering decisions, such as marriage, a job or career change, or major changes in your personal makeup.

Knowing and understanding your approaching Pinnacle number prepares you for the changes ahead. Perhaps the most strongly felt change is the transition from First to Second Pinnacle, which usually takes place in your late 20's or early 30's (the exact date depends on your Life Path number). This is usually a difficult transition but once crossed, provides a clear sense of direction and a firmer sense of identity.

Your First Pinnacle cycle is 7 and runs from birth until approximately age 28

This is a period of inner development and soul searching. John, you will deal with the deeply important questions of personal existence and the meaning of life. You will need time to be alone to contemplate your inner world. This is a time of spiritual growth. You will experience a heightened sense of faith. The power of the universe will be the force that carries you along. During this 7 Pinnacle, spiritual growth, increased knowledge, and wisdom are the big rewards. The 7 Pinnacle provides the basis for contentment in

older age, because you now begin to understand life more deeply.

You have an enhanced appreciation of poetry and nature. Walks in nature provide great therapeutic value and spiritual nourishment.

This is a time of specialization. You will pursue some course of development with fervor and focus. Your ability to concentrate will be greatly increased. Your desire to study in all forms -- reading, self-reflection, and contemplation -- will reach an all-time high. Your intuition is much more sensitive, making your path a little easier and more direct, since you know intuitively the appropriate next step.

Under this Pinnacle, you will become an expert in one particular field. Your capacity to penetrate the depths of a subject area is enormous. You will look below the surface in virtually everything you encounter. It is very possible that you will find yourself in a teaching role.

You must consciously work on your closer relationships, especially with your spouse and children. You must explain that your desire to turn inward is not an escape or an avoidance of those you love, but a deep need for knowledge. Your challenge is to avoid becoming critical or cynical of others. You can become so withdrawn from society that you look down on others. You may forget that you, too, are part of the imperfect human race. Sarcasm is the lowest form of communication, and a trap you could fall victim to.

Your desire to attain some high degree of perfection is sincere. But that pursuit can make you miserable if you lose perspective and fail to realize the relativity of human existence. Perfection is a Utopian goal, but an unrealistic ambition. It can cause you to be dissatisfied with yourself and others.

The 7 provides the possibility of true refinement, insight, and a high degree of wisdom. This deep understanding is the basis for self-love and true happiness.

THE SECOND PINNACLE CYCLE

Your Second Pinnacle Cycle lasts nine years and tends to have a considerable influence on your productive/professional life.

Your Second Pinnacle cycle is 7 and runs from age 28 until age 37

John, you are repeating your First Pinnacle Cycle

THE THIRD PINNACLE CYCLE

Your Third Pinnacle Cycle also lasts nine years. Like your Second Pinnacle, its effect is felt primarily in your career or business environment.

Your Third Pinnacle cycle is 5 and runs from age 37 until age 46

This is a period that will teach the realities of freedom and expansion. You will travel great distances, meet many new and interesting people, experience many adventures, and essentially come to know the world. You are in a period of accelerated experimentation and learning. Experience is your teacher. Your ability with words is greatly increased. You can write and speak with ease. You are also able to successfully promote yourself. In fact, this is the source of much adventure; new opportunities for work, travel, and exotic experiences present themselves with regularity.

Your challenge is to prevent yourself from becoming a rolling stone. You need to ground yourself in a particular discipline, career, or relationship. This will not limit your freedoms so much as give you a base for operation. Otherwise, you may find yourself skipping from one meaningless job to the next, one superficial relationship after another. You can also fall victim to the abuse of food, alcohol, sex, or drugs. You must accept limitations as a necessary base for your freedom. Freedom cannot exist without limitations, otherwise you would be without identity, and without existence.

You may fear being anchored or tied down, which can cause you to skim the surface of a pursuit you enjoy, or important relationships. You must come to know the true meaning of freedom, which is unconditional love. You give your love and energy without the condition of holding on to a place, a person, or an occupation; and you expect the same in return -- to be loved for what you are, rather than someone who belongs to another. There is a highly spiritual path offering itself that requires detachment without loss of love. Many turn away from this and instead choose to maintain a superficial relationship with the world, or with other people.

You must cultivate your talents, especially your verbal and writing abilities. You are likely a gifted salesperson, or promoter.

THE FOURTH PINNACLE CYCLE

Your Fourth Pinnacle Cycle lasts for the rest of your life.

Your Fourth Pinnacle cycle is 2 and runs from age 46 until age death.

John, this Pinnacle causes you to be extremely sensitive, intuitive, and full of insight. It is a period that requires patience and the development of inner awareness. You are being asked to use gentle power and persuasion to obtain your desired goals. Direct approaches, forceful displays, and confrontations will likely work against you. You will find the most satisfactory roles to be supportive. You are now a gifted advisor, a diplomat and a peacemaker. Your insight into other people's feelings and motivations is so acute that you seem to be able to see right to the core of things. But rather than

use these gifts to create differences between people, you must use them to create peace, to mend rifts, to harmonize.

Your challenge during this period is to bring balance to duality in every form, and at every level. You will recognize the value of both sides of an argument and be able to see the middle ground where peace can be made. You can create the atmosphere in which both sides can compromise and work harmoniously. You are the glue that keeps people and important projects together.

The weaknesses you must face and overcome are too much sensitivity. You may be tempted to indulge your feelings, to be too easily hurt. You may lack self-confidence, especially at the beginning of the Pinnacle when your heightened sensitivity and awareness make you conscious of your own shortcomings. You may succumb to fear and hesitation. All of this can lead to emotional turmoil. You need courage and the willingness to reach out for support.

Your sensitivity will make you acutely appreciative of beauty and harmonious environments. At the same time, you need beauty and harmony around you. You have an increased appetite for music and the arts in general. You may find that your musical talents coming to the surface. If you do not already play an instrument, give in to any inclination to take one up.

A person in a 2 Pinnacle who uses his or her sensitivity, understanding, and insight is very appreciated by others. You may not fully realize just how much others appreciate and respect you. This may cause you to feel undervalued, or that you are not getting the recognition you deserve. You appear shy and humble, particularly if this is your first Pinnacle, but inside there is much pride that must be kept in check.

You may want to hide from the tumult of life, or from difficult situations. This may tempt you to color the facts in order to protect harmony. Be careful of this tendency, because it often backfires.

You have an eye for precision and detail. Your taste in all aspects of life is enhanced and you possess a certain class that others admire. If you make the most of these qualities, your appearance is considerably improved, making you both attractive and graceful.

PART IV: SPECIFICS ABOUT YOU

Although the following chapters deal with less dominant aspects of your chart, they are more narrowly defined and specific in the ways they affect you.

THE RATIONAL THOUGHT NUMBER

Your Rational Thought number comes from combining the sum of your birthday number with the sum of your first name. It reveals the style or process you use when making choices or considering a problem. Are you a structured, logical thinker or do you ponder a question in a creative, abstract manner? Do you daydream or stick to deductive reasoning?

Your Rational Thought number suggests the general approach you take in your thought process.

Your Rational Thought number is 8

You are the visionary, and you focus on the larger picture. You ignore the details in favor of spectacular solutions. You love to blow someone's mind.

You understand the balance between the rational and the irrational, and you have no problem combining the two. You have a vivid imagination and you are often surprised that others don't immediately grasp a concept that seems clear and logical to you. You have little patience when others allow fear and caution to slow down a project.

THE BALANCE NUMBER

Your Balance number provides guidance on how to best deal with difficult situations.

People experience a variety of internal responses to life's challenges. Some step back from difficult situations to ponder a course of action while others withdraw to avoid uncomfortable emotions. Some explode with anger but allow the outburst to pass quickly while others let their feelings linger.

Very often, these are conditioned responses that emerge without thought or analysis. With maturity and self-development, we incorporate new and more effective methods of handling situations we encounter.

Your Balance number is 5

Try to focus on your problem, John, rather than avoiding it. You may try to avoid the issue by indulging your senses to keep from feeling the pain of a conflict. Be careful not to escape into food, alcohol, and drugs.

You are capable of finding a highly-creative solution to any situation the minute you put your mind to it. The answer lies well within your grasp.

THE HIDDEN PASSION

Your Hidden Passion reveals specific strengths or talents that are available to you, such as a specific field of expertise or (as the name implies) a passion. Metaphorically, this talent or passion may be seen as having a power all its own to help shape your life.

Having a talent demands that you nurture and express it. Your Hidden Passion gives you the desire to develop and express your particular ability. In this way, it shapes your personality and guides your life.

Your Hidden Passion number is 5

You love travel, change, and new challenges. You are highly adaptable and versatile. You have a talent for languages and are generally good with words. Writing, promotion, and public relations work suit you perfectly. You are resourceful and original. You have a good sense of humor and a quick tongue.

You are sensual and a bit impulsive. You love to satisfy your senses, which can get you into trouble. Overindulgence in food, drink, sex, and drugs are common among people with too many 5s -- six or more.

Your desire for freedom is extremely strong and it will take effort and discipline to stick with whatever it is you started. There is a tendency to give up a project or situation prematurely. John, you may be interested in too many things, which can make it hard for you to apply yourself to one area successfully.

Commitment in relationships and your work is fundamental to your happiness. You may tend to wander from person to person, job to job, making depth of relationship or deep expertise difficult.

Your Hidden Passion number is 6

You have a dream to be of service to those you love and your community. You have the ability to be a healer, counselor, or teacher. You are a highly responsible person, willing to sacrifice much. You must be careful of not becoming a doormat for those who do not appreciate you or seek to take advantage of you.

John, you are idealistic and have strong opinions. You also tend to become self-righteous. You are generous and a humanitarian.

You are an excellent parent and marriage partner. You are helpful and forever willing to listen to someone else's troubles but must be careful not to interfere.

KARMIC LESSONS

Karmic lessons are recognized by the absence of certain letters in your name and describe areas we are weak in that require recognition and effort to overcome.

The letters in your name point to talents and abilities that you possess; tools that are available to you. Missing letters imply tools that are unavailable, they must be learned and mastered during your lifetime.

You can have more than one Karmic Lesson or, if every number is represented your name, you don't have any.

Although you may feel you have learned to overcome one or more of your Karmic Lessons, you will continue to be challenged by them throughout your life.

Your Karmic Lesson is 2

You must learn to be more diplomatic and tactful, to stay in the background when necessary and sometimes to accomplish something without the need to be praised and rewarded. Learn to be part of a team. You must learn to be more sensitive to other peoples' needs and feelings. You will regularly find yourself in a situation where the only road to success is through patience and attention, requiring you to work closely cooperatively with others.

The effects of this Karmic Lesson are diminished if you have at least one 2 among your core numbers (Life Path, Birthday, Hearts Desire, Expression, or Personality Number).

Your Karmic Lesson is 3

You are highly self-critical. Every time you find yourself at the center of attention, you manage to find something in your performance to be entirely inadequate or embarrassing. You have established an impossible standard of perfection as the only measure of your actions.

You need to lighten up on yourself. Realize that you have within you a critical faculty that must be contained and controlled. Otherwise, it can prevent you from doing what you truly enjoy in life. You're too serious. Be more optimistic and cheerful, enjoy life as it was meant to be and share this joy with others.

Life will put you in situations that require imagination and communication. You will be tested in these areas. You will be forced to face the challenge.

Missing threes will often produce artists, but their success requires much work and perseverance.

The effects of this Karmic Lesson are diminished if you have at least one 3 among your core numbers (Life Path, Birthday, Hearts Desire, Expression, or Personality Number).

Your Karmic Lesson is 7

You need to deepen your knowledge and talents in a specific discipline. You lack the will or determination to perfect yourself or a specific talent you possess. You must learn to be your own critic, without self-condemnation, in order to bring your abilities to their full development. You will learn not to take things at face value. A superficial understanding of important matters will prevent you from experiencing the satisfaction of your true potential.

The effects of this Karmic Lesson are diminished if you have at least one 7 among your core numbers (Life Path, Birthday, Hearts Desire, Expression, or Personality Number).

Your Karmic Lesson is 9

You must learn to be more compassionate, tolerant, and understanding. You have to learn to identify with the trials of others. There will be times when you will have to sacrifice some egocentric ambition for the good of a particular project or some larger goal.

You must learn to broaden your view of life. You have to see things on a larger scale. You do not realize the enormous potential you have in influencing your own destiny and that of others. Therefore, you hold back your efforts at helping people, or furthering a particular social cause. You have an issue with commitment to community or mankind.

The effects of this Karmic Lesson are diminished if you have at least one 9 among your core numbers (Life Path, Birthday, Expression, Hearts Desire, or Personality Number).

THE CORNERSTONE

The first letter of your first name gives an additional indication of your character, particularly in the way you approach opportunities and obstacles. This first letter is called your Cornerstone.

Your Cornerstone is J

Your J is for Justice. You are honest, loyal, reliable, and sincere. You want to improve the lives of others. You may try too hard to please everyone. You have a clever mind and are incredibly talented. However, you must work at motivating yourself to make the most of your talents.

THE SUBCONSCIOUS SELF

Your Subconscious Self is based on how many numbers are represented in your name, and indicates your ability to make the most of your talents and opportunities, especially when you face new, challenging, or even dangerous circumstances.

Your Subconscious Self number is 5

You tend to scatter your energies far and wide, making it difficult for you to complete projects and tasks. You need discipline and organization in your life. You have a strong urge to escape difficulties by forcing change, instead of trying to work out the problem. You learn quickly, however, and adapt well to change.

Your success in life depends on your ability to ground yourself and accept responsibilities. A family and career do much to anchor your life.

PLANES OF EXPRESSION; THE PHYSICAL PLANE

You experience life on four different levels: physical, mental, emotional, and intuitive. Your Planes of Expression indicate how you function on each of these planes.

Your physical plane links you to the material world.

Your mental plane, like the emotional and intuitive, perceives the invisible world; the realm of

thought and reason.

Your emotional plane is preoccupied exclusively with feelings.

Your intuitive plane gives you access to the insight and knowledge that comes effortlessly as if placed at the doorstep of your mind.

In each category, the number of letters, and their numerical value, gives an indication of which Planes of Expression are stronger in you and which are weaker. Each of us is dominated by one or two of the first three planes. The physical and mental are the most widely used, although a name dominated by emotional letters is not uncommon. The intuitive plane is usually the least utilized. A name dominated by intuitive letters is extremely rare but having no intuitive letters in a name does occur. This does not mean a lack of intuition but points toward a tendency to ignore or distrust intuitive insights.

The Physical Plane represents the physical letters in your name.

Your Physical Plane of Expression is 9

You have a strong presence. You are charismatic and have a dramatic flair in your personality, which may direct you to the theater.

You are also drawn to politics, publishing, promotion, and public service -- any career that requires a certain amount of time before the public. You are attracted to doing things on a large scale.

You are a humanitarian. You are concerned about the wellbeing of society. You have a great deal of compassion, tolerance and generosity. You are highly idealistic and a bit of a dreamer. You are not particularly practical, however. Very often, you are not understood by others, and sometimes considered indifferent and aloof.

In some way, you want to please everyone and tend to give promises that may be impossible to keep.

If you develop your abilities, you have a significant chance to become famous.

THE MENTAL PLANE

The Mental Plane is based on the mental letters in your name.

Your Mental Plane of Expression is 14/5

John, you have a quick and highly versatile mind. You can absorb great quantities of information quickly and retain the important points. You are impatient with routine procedures and will rebel if forced to conform to any existing pattern for very long. You like to be involved in several projects at the same time. You are dynamic and resourceful.

THE EMOTIONAL PLANE

It is not uncommon for a person to have a name dominated by emotional letters.

Your Emotional Plane of Expression is 12/3

You are very romantic. You are highly creative and imaginative. You fantasize about your perfect "other": a White Knight on a horse, or a beautiful princess. Your response to painful emotional situations -- especially in childhood -- was to create a fantasy world to which you escaped. You may still be doing that as an adult, perhaps to your detriment. Reality lacks the romance and excitement of your fantasies.

You can be disorderly and disorganized, however. You can be rather moody. You likely have much artistic talent, especially in writing, acting, or singing.

THE INTUITIVE PLANE

A name dominated by Intuitive letters is extremely rare. It is, however, not at all uncommon not to have any intuitive letters.

Your Intuitive Plane of Expression is 0

You don't have any letters on the Intuitive Plane.

It is not uncommon to have no Intuitive letters in your name. This doesn'tTM mean you are not intuitive but that you have a more difficult time to access your intuition.

The letters in your name are less representative of your strengths and talents, than of your ability to access and use them.

PART V: HOW YOUR CURRENT NAME AFFECTS YOU

The influence of the short name (the name you use to introduce yourself, including your last name) is minor in comparison to your full name. Interestingly, the short name often compensates in some way for numbers, and their related characteristics, that are missing or out of balance in the full name.

THE MINOR EXPRESSION

Your current name forms the basis of your Minor Expression number. It is usually the first and last name you commonly use to introduce yourself (not necessarily the name you received at birth).

The influence of your short name is minor in comparison to your full name. Interestingly, the short name often compensates in some way for letters or numbers missing in the full name.

The name you currently use, also affects how you feel about yourself.

If a name change takes place later in life for marital or for professional reasons, it adds or subtracts certain qualities. It can also focus and intensify existing characteristics or latent talents.

Your Minor Expression is 8

Your short name provides you with more leadership abilities and business sense. It encourages you to use more power in your relationships and directs you to higher standards of success.

Your Minor Expression number makes you a better judge of character. You are more realistic in your evaluation of others and their potential. You are not easily fooled.

You must be willing to apply more effort toward all your endeavors. You likely demand more of yourself.

Your abilities as a manager, organizer and administrator are enhanced. You are competitive and determined. You are more likely to initiate your grander plans and visions.

THE MINOR HEART'S DESIRE

The vowels of the name you currently use to introduce yourself are the basis of your Minor Heart's Desire number.

Your Minor Heart's Desire is 17/8

Your Minor Heart's Desire increases your ambition and inner strength. Your ability to deal with business, managerial, and organizational matters is enhanced. You are able to focus on your goals and apply the necessary determination and effort to realize them. Your shortened name increases your capacity for leadership and personal power. It makes you more conscious of material wealth. You are more willing to work hard to improve your status or financial position.

Your shortened name makes you more aware of being a good judge of character, and you are willing to work on this talent. This results in becoming a shrewd judge of others and a better negotiator.

THE MINOR PERSONALITY

Your Minor Personality is based on the consonants of your current name and reflects, at least to some extent, how you think, or hope, others might perceive you.

Your Minor Personality is 9

You are elegant, graceful, and charismatic. Many admire you. You have the kind of stature that pulls people to you or repels them intensely. Some are jealous of you and may seek to belittle you. You may encourage this to some extent by the amount of arrogance you radiate.

You are kind and sympathetic, helpful and compassionate. Behind the controlled and calm facade, you are sensitive, vulnerable and emotional.

You have excellent taste. There is a good deal of artistic talent in you that shows in your home environment and your clothing. You tend to see yourself as a guardian of society, a benevolent leader, guiding and directing your community toward a better world.

PART VI: YOUR FUTURE

The next chapters deal with your ever-changing cycles and how they affect you.

YOUR PHYSICAL TRANSIT

The individual letters of your name are used to find your Transits.

Your name is like music that vibrates in time; each note, or letter, has a specific duration and influence over the course of your life.

Your life can, therefore, be seen as a musical score, with individual letters making specific contributions at given points, just as notes in a musical piece give it its rhythm, character, and nuance.

The Transits appear as part of your Progressive Chart and will tell you much about specific influences taking place in your life during given years.

Your Physical Transit for age 36 and 37 is N

The N transit delivers opportunities to expand your horizon. It is an adventurous period, increasing the possibility of travel or a change in residence.

This is a dynamic time offering new activities and opportunities to make important social contacts. You seek love and fulfillment and are likely to feel more sensual than usual. Sacrifice, adaptability, and flexibility are called for. You will also be concerned with finances and may worry too much about these matters.

You may be more forgetful during this transit. Exercising your intuition is important during this period.

YOUR SPIRITUAL TRANSIT

Your Spiritual Transit is based on your last name.

Your Spiritual Transit for age 36 and 37 is O

This is a time of strong emotional experiences, which can affect your health if you are not mindful. You may find yourself worrying unduly. It is likely that more responsibility will be placed on your shoulders, with sensitive, emotional issues involved. You will find yourself more interested in religious, philosophical, and physical studies. Your leadership abilities will be heightened during this transit.

YOUR ESSENCE CYCLE

Your Essence number indicates the lessons you will be dealing with during that year. It says a great deal about how you will perceive your environment. It also gives clear advice on how you can be most successful during the year; which types of behavior will be supported by your milieu and which ones will be less effective.

If one or more of your Transits change after your birthday this year, you will find two Essence cycles. If you only have one Essence, it means none of your Transits changed.

John, Your Essence for age 36 and 37 is 11

This is a time of enormous sensitivity and equally enormous change. Your intuition is galvanized. You are capable of even psychic experiences. But your awareness of the higher realms serves to throw a light upon all that is low and unenlightened in your own life. The contrast can be shocking. John, you are all-too aware of your shortcomings as a human being. This can drive you more deeply inward. You are extremely self-conscious. There may be feelings of failure and self-recrimination. These must be kept under control.

All of this stems from an element of shock present in your life. The very ground upon which your personality is based seems to have experienced an upheaval. This psychic quake can often be replicated by some event in your life. Consequently, your identity is shaken. It is a time to search within you. Are you happy with what you are doing? Is your work directly in line with your higher values and talents? This is a period of self-review in which you will have a great opportunity to set your life upon a more deeply spiritual and lasting foundation.

Consequently, you can make much progress and experience a great deal of future happiness as a result of this period. There is a realignment occurring that is putting you in touch with your deeper nature. The inner and the outer are now becoming one. It is a period of quickened psychological

and spiritual growth.

Your intuition now will guide you safely from the storm. While your emotional life may be turbulent, your intuition gives you a sense that you are on the right track. In fact, you have not lost direction, but taken a quantum leap along your path. It can be a bit jarring, but altogether positive. Meditate, pray, seek out harmonious settings, take walks in the woods, and be close to nature. Let the inner self guide you to a greater happiness.

There can be many wonderful inner and even psychic experiences that reassure you of the love and support coming to you from the universe itself. It is a time of illumination on all levels. Make the most of it. Allow the higher forces to guide your rapid growth.

YOUR PERSONAL YEAR

Your Personal Year number is a strong indication of the trends and circumstances you experience during the year ahead. Your Personal Year cycles are based on the Universal Year cycles and, therefore, run concurrently with the calendar year. (Transits and Essence cycles are based on the letters of your name and run from birth date to birth-date.) There are nine personal year numbers in a complete Epicycle.

Each Epicycle reveals the progression of a specific part of your personal evolution. Your progress along this Epicycle can be seen quite logically, from the beginning of a growth period to the conclusion or culmination of that process. The 1 personal year describes your first steps in a new direction. The years that follow indicate your progress along this path, concluding with your 9 Personal Year, which completes the cycle.

Below is a description of your current Personal Year. It indicates where you are on the 9-year Epicycle.

Your Personal Year cycle for 2026 is 8

After last year's constant involvement with yourself and very possible occasional doubts about the state of your business or career you will find this year to be a relief. Things finally work out. Long postponed checks and promotions come through. You see the light at the end of your financial tunnel and an inner strength and confidence is breaking through. This is your year of harvest and, depending on the effort you put out in the past seven years, your reward will be equally large.

There is a beauty in these cycles we can recognize and understand and in doing so we find ourselves "in the flow" and there is no more need to try and struggle upstream. So this year you will have an opportunity to involve yourself fully in work and material growth and bring home the

rewards, at the same time a certain detachment is also necessary, for you and for the experience you have because it is not the reward that brings you happiness but your experience of life, which is why before the rewarding eight year you have had such opportunity for growth during the soul-searching of a seven year. Give in to your ambitions, you will find yourself clearer and more focused and able to pursue and reach your goals. Your power is visible and strong, mental creativity is high, vision and intuition will guide you, and at the same time you are more efficient and focused.

There can be loss, serious loss, bankruptcy and failure, because always the rewards are directly proportionate to your effort and motivation, however you know the effort you put out and you know your motivations, so there must be no room for fear and doubt, only for success and winning and this year will undoubtedly turn out to be a very satisfying year.

Your Personal Year cycle for 2027 is 9

This is your year to finish up all unfinished business, to clean house and make room for new things. On a material level this is a good time to get rid of unnecessary weight, to give away or sell what you do not need anymore and to pay off old debts.

On a spiritual level you will experience a different mode altogether. Your attention should turn to others and their needs, find ways to be of help and give time and energy to worthwhile causes. You must lighten your burden of questions and doubts and the best way to do so is by directing your attention to another direction, away from yourself and you will find yourself becoming lighter and more in touch with yourself. This is a time of completion, problems can be solved and over with, strained relationships relax or disappear, the sources of stress in work or business can be better understood and dealt with. Be social and communicative, enjoy music and other arts. Your creativity is higher than usual.

There can be some difficulties this year due to your desire to face obstacles and overcome them, decisions have to be taken and courage and strength may be severely tested several times, this is not going to be an easy year all the time but you will feel relieved and on the brink of a positive breakthrough by the end of this year. This is the end of a nine year epicycle and will you will feel many times the excitement of a new and promising era when optimism is your friend but you will also experience the fear of letting go, however the more you let go the more room there is to be filled during the next epicycle.

YOUR DUALITIES

How the yearly cycles affect each other.

Your Essence and Personal Year cycles are distinctly separate energies that influence you in different ways. Your Essence reflects your mental, emotional, and spiritual state of mind at a particular time in your life and feels like an internal influence; it's a stage in your personal evolution. Your Personal Year cycle, however, feels more external.

Your Essence and Personal Year cycles overlap creating a duality which produces its own influence. Most importantly, it tells us how you can get the most out of your mix of Personal Year and Essence cycles by looking at their combined influence.

Personal Year cycles run concurrent with the calendar year and change every year, while Essence cycles run from birthday to birthday and can be anywhere from one to eighteen years, sometimes even longer. Therefore, you can have either two or three Dualities during any 12-month period. Three, if your Essence changes (one before your birthday, one after your birthday, and another when the new year starts). If your Essence doesn't change, you have two Dualities, one for each calendar year.

For the purpose of Dualities, Essence cycles with Master Numbers (11, 22, or 33), or Karmic Debt numbers (13, 14, 16, or 19) are reduced to single digits, as their effect in the context of Dualities is indiscernible.

Your Duality in 2026 is 2 and 8

After reading your 2 Essence and 8 Personal year texts, John, you probably noticed their traits have little in common. When the most sensitive, gentle number (the 2) is paired with the controlling, decisive, ambitious 8 it can quickly bring things to a boil.

The challenge this presents will require you to intentionally work on being sensitive to the needs and feelings of others, while simultaneously refusing to allow emotions and relationship issues to come between you and your goals. Such sensitivity comes naturally for the cooperative, harmonious 2, but the influence of your results-oriented 8 could make this more difficult. Keeping your personal and professional lives separate will help, as one inspires the heart to dominate, while the other demands a focused, sometimes aggressive approach.

This combination can bring great success or total disaster. A positive outcome is much more likely (especially if you are able to bring your hard-charging side to work but leave it at the door when you get home). However, although the 8 is usually proficient in business and career, it is not uncommon for someone with a 2 Essence/8 Personal Year to make serious (and uncharacteristic) mistakes in this area. This is even more of a concern if you are a business owner or are in upper management. Positions with greater responsibility tend to experience more consequential effects from poor decisions.

The positive versus negative outcome applies to your personal life as well. Fortunately, a negative result rarely appears in both areas (personal and career), as mistakes are almost always the result of allowing one number to overshadow the other. It will help if you stay even keeled and grounded. Take time to think things through - impulsive behavior is not advised.

Romance could be a big winner this year, as the 2 and 8 combination helps others notice your sensitivity and awareness as well as your confidence. To maintain a healthy relationship, however, you will need to ensure your ambition does not detract from the attention you give to your partner.

Your Duality in 2027 is 2 and 9

After reading your 2 Essence and 9 Personal year texts, John, you may have surmised the potential for turbulence in emotions and relationships this year. Your 2 Essence is concerned with feelings (yours and those of others), however your 9 Personal Year can be somewhat aloof and ready to move on.

These conflicting influences can produce discord or bring relationships to a close. Relationships that are on shaky ground but have a genuine connection usually mend, even strengthen, during this period. However, relationships that are irreparably damaged (due to betrayal or abandonment, for instance) tend to end.

Having a 9 as your Personal Year number suggests this will be a period of completion and getting rid of excess baggage. Your 2 Essence will bring the focus to relationship issues - both personal and work related - so the 9's need to tie up loose ends will very likely affect your relationships, as well as other areas of your life.

Depending on your career the 9 and 2 can be beneficial, or not. If you work with people in healing or education (nurse, psychologist, social worker, teacher, etc.) it tends to be quite favorable. Work that centers around negotiation (retail, real estate, politics, law, law enforcement) are not as well supported. While the 2 is generally a good negotiator, the indifferent, aloof 9 can undermine this quality.

Finance is usually affected positively. The enhanced intuition of the 2 and material detachment of the 9 tend to work well together in this area. Another positive aspect of the 9 is its potential to deliver "luck and good fortune," especially where money is concerned. (This is different from the 8, for example, which is required to work for material gain.)

This period asks you to let go and finalize past issues. Consequently, there will be less support for romance, long-term commitments, and extended contracts. The best approach for meeting the year's challenges will be to focus time and attention on your relationships, and work to clear unproductive habits, possessions, and circumstances.

PART VII: YOUR MONTHLY CYCLES

Monthly cycles follow each other in an orderly fashion; if your current Personal Month cycle is 1, the next will be 2, followed by 3, then 4, and so forth. However, this orderly pattern changes with the new year coming in. It is therefore possible to have a 7 Personal Month in December followed by a 5 Personal Month for January.

YOUR PERSONAL MONTH

The influence of a Personal Month gradually changes from one month to the next over approximately five days at the end and the beginning of each month.

Your Personal Month for March-2026 is 2

March demonstrates how you can sometimes make more progress and be more successful by staying in the background than by forcing the issue. March gives you ample opportunity to influence others, to make them listen to your ideas, even to inspire them to do things your way. You are tactful and sensitive, yet also driven and motivated. You find better ways to handle challenging situations.

Later this month, you gain respect and recognition and will find yourself taking on a leadership role. Your authority is impressive because you balance force and strength with diplomacy and tact. Romance is favorable and, if you are single, you may meet someone through work or a business meeting who will touch your heart.

Your Personal Month for April-2026 is 3

The events of this month inspire creativity and optimism, as well as a need for flexibility and adaptability. Sometimes, the early part of an 8 Personal Year brings financial challenges and problems. If this is the case, April is the most challenging time of the year. It is a testing time that forces you to confront your lifestyle and your priorities. With the right adjustments, you can put yourself on sounder financial ground. The month also encourages a certain detachment from trying to control financial matters too much. Once you stop controlling matters too much, your spiritual understanding of life really pays off in a practical and applicable way.

Last year's opportunities to contemplate and search for insight -- which may have seemed

unproductive at times -- now prove to be your best defense on the battle ground of material progress. You are being forced to achieve a balance between the spiritual and the material, especially this month. In any case, April will reveal to you how capable you are of doing that. Be generous but don't waste money. Focus on getting things done, but don't let financial reward be your only motivation. Introduce creativity and a playful attitude to the job at hand. And most important; don't let temporary setbacks ruin your ambition. This is a time to reach out, not to suppress.

Romance and relationships continue to be favorable. Social events bring new people. Your self-expression and sense of humor improve, and it is easy to make new friends during this time.

Your Personal Month for May-2026 is 4

May is a time of hard work, progress, and opportunity. As with most of this year, the focus in May is on career and finances. There may well be a great opportunity that comes your way. This opportunity offers all kinds of changes, such as a move of residence (either in June, or in or around November), a change of employer, or a promotion.

The early part of May can be frustrating due to the need to involve yourself with routine affairs and details. You have some catching up to do. You may feel restless and bored. However, later this month brings the opportunity you have been waiting for. You are more organized and manage your time well. You are dependable and anxious to take care of some long-postponed chores. You may decide to start a remodeling project on your house. Your relationships are more harmonious.

If you are involved in a long-term love relationship, you will find that comfort and security replace some old doubts.

Your Personal Month for June-2026 is 5

June brings changes and unexpected events. There isn't much use in planning too much this month, because much will happen unexpectedly. This is a hectic and dynamic month. Go with the flow; be flexible; and trust your instinct. If you are able to adapt to the unpredictable events of this month, your experience will be exciting and adventurous, and quite possibly profitable. However, if you insist stubbornly to stick to your plans and expectations, you will be disappointed.

You are in a position to show your special talents and abilities to people who can be influential in your career. You are able to think on your feet and your reflexes are sharp. This time is particularly good for those who are in retail, real estate, or some other business that's based on sales and

closing deals. Financial gains are often considerable.

Travel is possible and favorable. This is also a good time to move or change your environment in some way. Romance is very exciting and, if you are single, you will have to hide out to keep from meeting someone. People gravitate to you and are more than usually attracted to you.

Your Personal Month for July-2026 is 6

July is an excellent time for business and financial affairs, John. Respect and recognition for past efforts is followed by financial gain or promotion. You are in a position to ask and receive what you believe to be your due. However, you may find that you are not as diplomatic as you might be. This is your most challenging weakness during this month. Guard against arrogance. Your responsibilities increase possibly as a result of a promotion.

Family affairs, friendships, and romance also move to the foreground and are rewarding and healing. You will be asked to sacrifice some of your time and energy to a younger person or someone who is old or sick. You feel closer to the people around you and you want to be there for them. Somewhat contradicting to this show of warmth and affection is the lack of tact and sensitivity you may display a number of times during this month. John, you may be too intent on forcing people to see life as you do, rather than allowing them their own perspectives and their own rates of growth.

The later part of this month brings changes that arise from a chance meeting at a social event. This change may be based on a romantic encounter and may affect your living situation. An unexpected travel is also a possibility.

Your Personal Month for August-2026 is 7

The emphasis changes from outgoing to inward seeking. You are more serious now and self-reflective. You question the wisdom of some of your decisions and choices made during the past ten to twelve months. You keep to yourself and are generally less social. You are engrossed in your work and feel a need to do a better job. Your desire for perfectionism is strongly enhanced, which results in self-criticism and impatience with others. At the root of this change in attitude is a spiritual need for clarity and understanding. You want more security, both internally, as well as in your worldly roles. You would do well spending some time alone for contemplation and meditation. In this respect, August stands out during this otherwise "material" year.

Family and friends take a backseat during this period. There are strong feelings connected to your

relationships with your loved ones, but these are experienced and expressed more subtly.

Romance becomes more serious. You share mental, spiritual, and emotional experiences on the deepest level. There is no room for superficial exchanges. Your relationship with the person you are attracted to intensifies and becomes stronger as a result.

Your Personal Month for September-2026 is 8

September is a month with great potential for your career and finances, especially to increase your finances for the long-term. It is a time to be aggressive and outspoken. Your authority is needed, and you will have to apply yourself one hundred percent. However, there is another side to this month. You may feel that you have reached the pinnacle of your career, or that work and other areas of your life have become dull and monotonous. You may feel you need a break.

You are approaching a time of deep inner change. Several times during your life you have reached a point at which you need to break out of a cocoon. All evolution is gradual, but periodically interrupted by sudden bursts of growth, or change.

You are at a stage in your life when you feel ready for such a change. However, you are not clear about the true nature of this change and, while you may feel inspired to force some practical changes now, you should approach this with care. Avoid impulsive decisions as well as any contractual arrangement that would tie you down for a long time. You need to rely on your own strength and feel confident that you have a certain amount of control over your own future. You should relax and let things develop at their own pace.

Social events are highly favorable and there will be ample opportunity for that.

Your Personal Month for October-2026 is 9

October marks the beginning of the end of a certain era in your life. Now you begin to let go of certain expectations you have long held. There is a feeling of emptiness and of "what now?" The time has not yet come to respond to these feelings in a practical way. Now is the time to begin to become comfortable with the need to change. The changes contemplated involve both personal and professional life.

For these reasons, October could become an emotional time. Some melodrama and role playing are actually a subconscious way for you to test the people around you, and the depth of their commitment. You are also testing your own position towards people, career, environment, spiritual beliefs, and other aspects of your life. You have, even if you are not aware of it, already begun the

process of selecting what you want to remain in your life and what you want to discard.

This process, which continues through different stages over the next 2 years, is natural and nothing to be afraid of. You are entering a period of reawakening. This means a letting go of some of the comfort and security that surrounded and protected you for many years.

Start giving some of your energy to a good cause that benefits others. Ultimately, it will benefit you. It takes the spotlight of your doubts and questions and gives you strength and confidence.

For October, practical matters can be handled with ease. It is much better to pay off debts than to incur new ones. Completion is favored over new starts. It is a time to tie up loose ends, not so much to begin new projects. It is a time to clean up and prepare for new things coming into your life.

You are not in the right mood to pay much attention to romance or personal relationships of any kind, unless it's to test the strength of the relationship. You may be a little judgmental and self-righteous and will need to guard yourself against this sort of thing.

Your Personal Month for November-2026 is 1

The month of November brings confidence, independence, and individuality. Now, you are driven to take up new challenges, tackle new projects, and get a firm grip on your life. You have energy to spare and you use this to inspire and motivate others. You feel that there is nothing you can't deal with. You are ambitious and result-oriented. You receive an opportunity that will have long-ranging effects on your life. You are confident, but also a bit stubborn and hardheaded. You are direct and not as sensitive to other people's feelings as usual.

This is a good time for business and finances. It is a time to be decisive and adventurous, not a time to be conservative. Courage and originality are key ingredients needed to take full advantage of this cycle. You are more stable and outgoing in your personal life, much to the delight of friends and relatives. You are also generous and inspiring, but not in the mood to deal with the petty stuff. You are a little impatient.

Romance may prove to be the most challenging aspect of this period. The chances of meeting someone is good, but your approach may be too aggressive and lacking in sensitivity. If you are married, or otherwise committed, a small warning: not everyone is on the high curve of his/her cycle, so be patient.

Your Personal Month for December-2026 is 2

December shifts the focus to relationships and all affairs of the heart. Co-workers are demanding, not only in work-related matters, but also in personal areas. You may catch some flack or become involved in conflicts that don't appear to have anything to do with you. All your tact and diplomacy are needed to maintain harmony in the work place. However, you are better equipped to deal with sensitive affairs than usual and you manage to diffuse most of these potentially explosive affairs.

Pretty much the same experiences await you regarding relationships with relatives and friends, but here too, you are able to keep the peace.

Your intuition and sensitivity are your strongest assets during this month.

There is, however, also a need to stand up for yourself. Someone is about to claim credit which rightly belongs to you. Again, diplomacy and tact are required to solve this problem. This is also a good month for negotiation and financial affairs, particularly concerning loans and mortgages.

Romance can be powerful but may cause problems when money is involved.

Your Personal Month for January-2027 is 1

January brings progress as well as some turmoil. Your career offers opportunities that should be taken advantage of, but you may also be wondering if you want to continue on the path you have chosen. A change of course may be taking shape. You may want to focus more on the ideas you had at the beginning of your professional life. Even if you do not have a career, a return to the idealistic views you had at an earlier time cannot be avoided now.

A similar desire for purity and idealism influences your relationships with friends and relatives. You find yourself confronting some of the people close to you. You may decide that some of your relationships are no longer desirable.

You experience emotional ups and downs, caused by a need for confirmation of your love on one hand, and a tendency to be critical and judgmental on the other. You are aggressive and emotional at times. This combination may shake the foundations of many of your relationships. Undoubtedly, some of these foundations may crack, but others will prove to be strong and remain undamaged.

Financially, this is a time to be extremely careful.

Your Personal Month for February-2027 is 2

February awakens you to many of the underlying factors that influence your career and personal life. You are highly intuitive; you experience strange and vivid dreams; and you gain insights that border on psychic premonitions. At the same time, you continue to be vulnerable in the emotional area. Any kind of criticism can devastate you. You should avoid confrontations. You are in a position where you can gain considerable understanding of the motivations and desires that influence you, as well as others.

This is an important and valuable time, because you are learning much about the true nature of human beings, including yourself. The challenge here is to see yourself and others in a spiritual light, with love and forgiveness.

Some people who go through this particular cycle experience bitterness and anger. For others, this cycle brings faith and gratitude. For everyone, the impressions are lasting.

Romance is powerful; you see and hear and feel more fully than usual, which brings an added intensity to the experience of love.

Your Personal Month for March-2027 is 3

Whenever the number 3 takes center stage, it lightens things considerably. You are not nearly as vulnerable as last month. You are more playful. You express yourself easily and you manage to inspire and motivate others. You receive some positive information about your career and your financial status. Meanwhile, you are considering some big changes in these areas of your life. You may want to keep your thoughts to yourself or share them only with one or two of your most trusted confidants. You are not ready to make decisions or take steps that are irreversible, but that time will come soon.

This is an exciting time, when everything seems more intense, more alive. You are more creative and communicative.

John, you should take the time to enjoy yourself. Go on a vacation. Visit friends. Be social. Give yourself a break. Romance is favorable, but you have to guard against irresponsible and superficial behavior.
