Relationship Compatibility Profile

MICHAEL JOHNSON & ROBERT MILLER

By Master Numerologist Hans Decoz | worldnumerology.com

ABOUT YOUR RELATIONSHIP PROFILE

This report analyzes the personalities of both individuals to assess their compatibility. It also offers suggestions for ways to mitigate the stress or damage that can come from differing personalities and perspectives.

When you are in a relationship, you come to know each other more deeply over time. At first friction is rare. As time goes by and you discover additional sides to your partner, you become aware of personality traits you appreciate as well as some that rub you the wrong way. Even if you consider your relationship nearly perfect, you will experience occasional bouts of conflict.

Negative traits are almost always a cause of friction, but it is interesting to note that some qualities that are considered positive can also be incompatible. You may find this report is more critical or even harsh compared to other readings of this type. My approach is designed to throw light on differences in your chart that might benefit from a frank, unbiased examination. Ignoring potential issues can cause more damage overall than a few honest remarks in a reading.

You will probably encounter some texts that state: "The compatibility aspect in this area of the chart is already included in other parts of this report." Those texts are not repeated here because they are either redundant or offset by other conditions. This is done to offer a perspective that is as well balanced and clear as possible; repeating certain traits would place too much emphasis on them.

Michael and Robert, I hope you will appreciate the perspective of your Compatibility Report and will find it beneficial to your relationship.

Please note we use gender-neutral language when addressing individuals in our relationship readings. To some, using the singular "they," "them," and "their" may sound awkward, but we believe words matter. We aspire to include everyone.

Please verify that the name and date of birth showing below are accurate.

THE LIFE PATH

Your Life Path number is considered the single most significant information available in your Personality Chart. It is derived from the total of all numbers found in your date of birth. However, it is important to keep in mind that the aspects described in the next few chapters will either complement, supplement, or sometimes weaken the attributes revealed in numbers derived from your name.

Michael, your Life Path number is 2

The key word in your nature is peacemaker. Michael, you have the soul of an artist. You are extremely sensitive, perceptive, and a bit shy. These qualities are both your strengths and weaknesses, for while you possess enormous sensitivity to your feelings and those of others, that same sensitivity can cause you to hold back and repress your considerable talents. Sensitivity and perceptiveness are among your many fine qualities.

Because you intuitively know what people want, or feel, you can be extremely diplomatic and tactful. You are also patient and cooperative. You work well with groups and somehow find a way of creating harmony among diverse opinions.

You enjoy music and poetry and require a harmonious environment. You have an eye for beauty and a fine sense of balance and rhythm. You have healing capabilities, especially in such fields as massage, acupuncture, physical therapy, and counseling. However, your sensitivity can also be your downfall.

Your delicate ego bruises easily and can make too much of someone else's thoughtless remarks or criticisms. Because you get hurt easily, you may tend to withhold your own thoughts and contributions to the matter at hand. This can cause you considerable resentment and anger. Too often, you run from confrontation to avoid a battle.

When you employ your considerable inner strength, you will discover your enormous power and abilities to direct difficult situations toward your own goals. It is the awareness of your inner strength that will give you the courage to use your own personal power when it is needed. You are a sensitive and passionate lover; your perceptiveness makes you aware of your partner's needs and desires, which you are able to fulfill with almost magical delicacy.

However, when you feel you have been mistreated or jilted, you can react with devastating power, sometimes using personal criticisms vindictively. Your awareness, diplomatic skills, and

organizational talents give you the ability to bring off difficult tasks. You willingly step out of the limelight to facilitate the success of your endeavor. In truth, you are often the power behind the throne. However, you do not always receive the credit you deserve for the fine work you've done, or your role is underestimated, and your accomplishments overlooked.

Rather than brood over your losses, you need to confront those who would make less of your contributions and stand up for your accomplishments. You need security and comfort, quiet settings, and the company of loved ones. You are a perfectionist when it comes to your home and work environment.

You have excellent taste which is obvious in your private surroundings. You are a fine companion and possess a good sense of humor. Friends seek you out for your calming and peaceful company. You are a safe haven to other sensitive people, who recognize your compassion and understanding. When you have found your niche in life, you have all the talents and intelligence for great success. Seek out work that allows your sensitive nature to flourish -- be the glue that binds others together.

Robert, your Life Path number is 2

Robert, your Life Path is also a 2; the same as Michael's

HOW YOUR LIFE PATH NUMBERS COMPARE

Your Life Path number is the most important influence in your chart. As such, their compatibility is very important to the well being of your relationship.

Michael and Robert, your Life Path Compatibility is 2 and 2

This aspect of the chart tells us both of you have a sensitive, vulnerable side. Sometimes this is favorable, but it can prevent issues from being resolved. There may be occasions when you step around issues too carefully, concerned about hurting the other. This can cause issues to fester and erode the foundation of your relationship. Try not to walk away from problems because you do not want to rock the boat. It is almost always better to face them head on. Although your concern about your partner's feelings are sincere, you should both guard against avoiding confrontation altogether.

As two people who experience emotions deeply, you are likely more vulnerable to criticism than

others. This is another contributing factor in your tendency to avoid taking on important issues. If this type of avoidance persists, especially if unresolved issues have festered, you might lash out with a "below-the-belt" criticism, expressing your anger in a way that can be harmful to your relationship. This in turn makes it much more difficult to resolve underlying problems.

We all look for things we have in common, with the hope it will enhance our relationship. But the fact that you both carry a 2 in this area of the chart does not necessarily translate into an advantage. On the positive side, you easily relate to each other's emotional experiences. On the negative, your ability to commiserate can mean you are unable to "talk your partner down" during a highly emotional event.

Michael and Robert, your numbers suggest you both have the potential to use the occasional trivial lie to circumvent what you perceive as dangerous territory. This is not always a bad thing. However, unless other numbers in your chart support your ability to confront things directly when simple tact and diplomacy are not sufficient, you may end up creating distance without meaning to. Without open communication, you live in separate worlds. If you have the type of relationship where partners live their own life quite happily, this will not be as much of a concern. However, the fact that you are both people of the heart makes that scenario unlikely.

The key to maintaining a healthy relationship when both partners carry a 2 in this part of the chart is to recognize the need for scheduled heart-to-hearts. When an issue arises discuss it openly and frankly; try to avoid impulsive, dramatic discussions. Instead, let your partner know something is bothering you and ask for a good time to discuss it. Create a setting: make a cup of tea, sit in comfortable surroundings, and begin by confirming your love and commitment. Combining respect, care, and direct, honest communication can help you form a deep, long-lasting relationship.

THE EXPRESSION

Your Expression number, calculated from your full name at birth, reveals the orientation or goal of your life. Some numerologists refer to this as your Destiny number because it represents a lifelong target at which you are aiming. Thus, the Expression number, to some extent, reveals the person you aim to be.

Your Expression is the most influential of the three characteristics that make up who you are. It is also the number with the most influence on your choice of career, although other aspects are important as well.

Michael, your Expression is 2

You have a great talent for working with others; you possess tact and refinement. You have a highly developed intuition. This provides you with insight into personalities and situations. Therefore, you act with tact and subtle persuasion. You possess a kind of radar, avoiding the landmines within another's personality, yet bringing out their goodwill. These abilities make you the perfect diplomat. You are a good counselor with an inborn talent for psychology and finely tuned intuition.

Your abilities are better expressed while working with others than by working alone. In the same way, you perform better in a partnership than in a leadership role. You seek balance and peace in all relationships and situations. The key to your personality is sensitivity, but there are two sides to the coin: You are able to perceive the thoughts and emotions of others and can work gently with others for a mutually shared goal. This makes you a great asset in any group endeavor. However, your sensitivity makes you vulnerable. You can be thrown off balance by an unkind word, a conflict, or by hostile conditions at work. You are far more upset by these conditions than people without your sensitivity. While others appear to be enduring troubled times with a modicum of turmoil, you suffer the turbulence of life as if your very survival were at stake.

In difficulties, you tend to persevere and steadily erode the resistance. You are like a gentle wind that shapes the rock.

You are friendly and open-minded. You are a great support person, pulling the best out of those around you. You are the power behind the throne. You are indispensable to the leadership of another, providing insight and advice that is essential. Yet, despite the invaluable service you provide, you often do not get the credit and recognition you deserve, which can be frustrating. Your natural modesty and the enjoyment you get from being an important asset is usually satisfaction enough for you.

Close relationships are essential to your happiness. When single, you dream of finding your "soul mate." When married, you are concerned with your spouse's needs, emotions, and thoughts. You are an outstanding marriage partner, giving, thoughtful, and conscious of meeting the needs of your loved one. You provide great support for your spouse's career. You are a passionate lover.

Parenthood is not an easy role for you, probably because you lack the will to enforce discipline and need a tranquil, delicate, and harmonious environment.

You are blessed with a high degree of musical talent. You have a good sense of rhythm and harmony.

Robert, your Expression is 6

You are a loving and caring individual with a tendency to put the needs of others before those of yourself. You are responsible and trustworthy with a high regard for justice and honesty. Duty will follow you all your life and sometimes feel a little too much of a burden.

You are artistic. Harmony and beauty are high on your list of priorities. You have musical talent but the creative talents of a 6 are sometimes left undeveloped or suppressed as a result of your tendency to sacrifice your time and pleasure to the service of others. You are highly creative in all areas of life, particularly the visual. You are also a talented business person and can work methodically toward the realization of your goals.

You have a natural gift with flowers, gardens, and animals. Your love of children has caused numerologists to dub you the "Cosmic Mother" or "Cosmic Father". The very shape of the 6 resembles and symbolizes "Pregnant with Love". You are a natural counselor and healer. But you must be careful not to interfere with the freedom of others. You are recognized as an idealist, mainly regarding marriage, friendships and humanity.

The 6 is the most harmonious of all numbers, but also contains within itself the greatest paradoxes. It is as if opposite tendencies were tenuously poised. Because of its gift for harmonizing these opposites, you are uniquely qualified to handle and integrate contradictions within yourself. It is for this reason that 6s so frequently find themselves in the role of healers or counselors, creating a peace between opposing points of view, or internal conflicts within the self.

While you can be very idealistic, there may also be a temptation to acquire beautiful objects by improper means. You must also guard against other meddlesome behavior and domestic tyranny, or always having to have your own way in a family dispute. Conversely, you have it within yourself to understand another person's dilemma and come up with a creative solution. Your natural ability to give comfort and warmth can smooth over hurt feelings like a healing balm. You attract love and appreciation. And rightly so, because you give the same in return.

You make an outstanding teacher (especially young children or special education), healer, counselor social worker, psychologist, artist, designer, gardener, florist, and farmer. You can be successful in business, especially those that involve dealing with people.

HOW YOUR EXPRESSION NUMBERS COMPARE

More than any other number in your chart, your Expression number reflects who you are as a whole person on a deep level (rather than the "face" you show to the world, described by your

Personality number).

It cannot be over-emphasized how important it is to recognize that the same number in a different area of your chart will affect you differently. There may be times you read something that seems to directly contradict an earlier statement. Yet, if you take time to carefully think about the opposing information you might recognize that, being the complex individual you are, you carry the same contradictions. This is natural and true for all of us. You may excel at organization in one area of your life, while chaos rules in another. You may be tactful and sensitive in one setting, but direct and confrontational in another.

Be aware that it is more difficult to overcome negative traits you recognize in yourself when they are found in this part of the chart, than when they are found under the Life Path description.

Michael and Robert, your Expression Compatibility is 2 and 6

Your numbers, 2 (Michael) and 6 (Robert), are considered the most loving numbers of all. However, they express their love in different ways. Michael, having a 2 in this part of the chart reveals your sensitivity, emotional awareness (of yourself and others) and your ability to read the subtle and often hidden motives in others. Robert, the 6 points to your powerful urge to comfort, care for, and protect others. In fact, one of the few traits a 6 must guard against is not smothering others with love.

This combination forms a strong foundation for any relationship, but particularly for romance.

You both love easily and without reservation and neither of you are afraid to reveal your feelings. However, it is only in the strength of your love and your need to give that these numbers overlap. In many other respects you are quite different, and sometimes even opposites. Michael, your love focuses on emotions; it is driven by the need for companionship, security, and comfort. You are intuitively aware of the fragile nature of life and may tend to be a little needy and perhaps insecure. This has the potential to produce jealousy about Robert's friends or business associates. Robert, on the other hand, can be oblivious to the subtle signs that something is brewing under Michael's quiet demeanor. Robert is less likely to feel insecure in the relationship and does not consider spending time with others a sign Michael is less committed.

Although Robert is not particularly afraid of romantic competition, their weak spots also show up in this relationship. Where Michael requires attention and emotional support to feel secure, Robert tends to spread attention around looking for approval and appreciation from others. Although sincere, Robert may reach out to care and comfort others to fill a space that cannot be filled, sometimes forgetting to focus on what (or who) is most important.

Most likely, neither of these issues will seriously threaten your relationship; you are highly compatible (more than most number combinations). Being aware of, talking about, and respecting your differences can help you form a rewarding, long-lasting relationship.

THE HEART'S DESIRE (A.K.A. SOUL URGE)

The Expression number described above points to a more productive side of your life. Your Heart's Desire, also called Soul Urge number, reflects a deeper, inner you; it suggests an underlying urge, your true motivation, and the general intention behind many of your actions. It reveals the environment and lifestyle you prefer, as well as your likes, dislikes, and the type of people you are drawn to. Consequently, it dramatically influences the choices you make in life.

It makes sense that the vowels of your name are the foundation for your Heart's Desire. Vowels are the peaks and valleys of a language. Notice how vowels leave your mouth in a free-flowing breath. Try it: Aaaa.... Eeee.... Oooo.. Consonants though, are cut off either at the beginning or in the end.

You might say that it is in the flow of your breath that you express your deeper self.

Michael, your Heart's Desire number is 9

You want to be of service to the world. Your deepest satisfaction comes from knowing that you have advanced the cause of humanity. Your ideals are of the highest order. You are a perfectionist. You strive to make the world a utopia; to make each person's lot in life better; to become perfect yourself. One of your challenges in life is to strive toward your lofty goals and at the same time recognize the good you are doing.

You like and are fascinated by people from all walks of life. Human nature is a lifelong study for you. You are highly intuitive, but not an especially good judge of character. You are a bit naive, as well, thinking perhaps that all people have the same values as you. You dream of having the resources to immediately relieve the suffering of others, whether it is economic, physical, or psychological. You are gifted with a good mind and a great deal of wisdom, which makes you a natural teacher, counselor, or healer.

As much as you desire to be of service to others, you also crave fame and the approval of the masses. Much of the energy you expend in life is directed toward putting yourself before an audience, most often as a salesperson whose product provides some social good; as a philanthropist; or an artist. You are attracted to the arts as a vocation, especially as an actor, photographer, or writer. But whatever your profession, any involvement in the arts, even as a

hobby, will provide you with a deep and lasting satisfaction.

Secretly, you dream of having a big impact on the world. Others may see this as egotism, especially when you are still young. But your concern for others is genuine. You must apply yourself in this direction to become psychologically whole and personally satisfied.

Your vision is on the crowds of people, which can cause you to overlook the needs of those closest to you. You need personal love as well but tend to put your needs in the background. Still, you are a loving person, and only need to be reminded to direct and demonstrate that love to those nearby. If, however, you are focused exclusively on the masses, people will perceive you as distant and a bit aloof.

You are emotional, and sensitive. You can also be moody and critical. You have high expectations for yourself and others. This can cause you much anger when your expectations are unfulfilled. One of your most important life lessons is to forgive.

Because you are striving hard to attain high ideals, you may think of yourself as superior to others. Arrogance is a trap many 9s fall into. The danger is that arrogance cuts you off from the thing you love the most: people. Your happiness and contentment are therefore highly dependent on the ease with which you can serve and influence mankind.

It is the paradox of your Heart's Desire that you receive by giving. Both your material success and spiritual satisfaction are made possible through service and sacrifice to others.

Robert, your Heart's Desire number is 8

You want success in its fullest meaning: wealth, power, and material comforts. You have an enormous ambition. You dream of big projects, great undertakings, and rewards. You are a visionary. You see the horizon and the promise.

In general, you also see the methods necessary to fulfill that promise. But you are not especially good with details; you need others to help you deal with the smaller parts of the picture.

Your challenge is to make full use of the full spectrum of your abilities, as indicated by your other core numbers. In the same way, you must bring forth the best from others and orchestrate their talents toward the realization of your vision. In short, you must lead by example, demonstrating the standard for commitment, determination, and excellence.

All of this requires effort on your part. You will meet with obstacles and difficulties. Your determination and commitment will be tested. But you have the power to overcome every obstacle

you face and accomplish the goal you've set for yourself.

Your task in life is to learn to use power in refined and elevated ways. The expression and use of power are directly related to one's personal evolution. The more primitive uses of power rest with violence and the threat of deprivation. The higher expressions depend upon your capacity to care for and nourish the people and projects in your charge, giving each exactly what is needed at the appropriate time and in appropriate amounts.

You have a creative mind and an unusual approach to business and problem-solving. You need to cultivate your ability to evaluate others. It is essential for you to be involved in a project that challenges you and offers the potential for rewards. When you are uninvolved or unoccupied with a worthwhile task, you can become deeply despondent, depressed, and frustrated. You are the perfect example of the old platitude, "Idle hands are the devil's workshop."

Without a challenge, you can lose balance in life and become selfish, cruel, and even self-destructive. Disappointments become shattering, causing terrible consequences in self-image and self-love. Perspective is everything for you. You have a natural talent for balancing the spiritual and material planes.

You need to cultivate courage and stamina. Courage is a choice. You need to decide to be brave in the face of fear. A balanced 8 is among the most powerful and satisfying of numbers. It is the spirit of the true survivor, able to bounce back and achieve a greater victory.

HOW YOUR HEART'S DESIRE NUMBERS COMPARE

Compatibility of the Heart's Desire number is very important in a relationship. Few relationships last beyond the initial stage if these numbers are not harmonious.

Michael and Robert, your Heart's Desire Compatibility is 9 and 8

Michael and Robert, this part of the chart reveals two numbers at opposite ends of the spectrum. The 8 and 9 have almost nothing in common and are not considered compatible, yet they are often strongly attracted to each other. Interestingly, this attraction can remain compelling and fresh for many years because there is always something new to discover in each other.

A go-getter with big dreams and expectations, Robert (the 8) has a good chance to turn many of those dreams into reality because they are highly motivated and willing to put forth enormous effort to reach a goal. It is the nature of the 8 to direct energy toward accumulating wealth and power, so

for Robert, this is natural and healthy.

Michael is equally focused but driven by completely different priorities and motives. The 9 in their chart is motivated by the work itself and the way it affects the lives of others, rather than financial gain or material success. The 9 will rarely find happiness or achieve success if motivated by worldly desires; Michael finds personal reward when driven by humanitarian motives.

Obviously, your priorities are as different as night and day, yet both are as they should be. You will often find yourselves at opposite sides of a discussion and will rarely agree when it comes to practical matters. For a happy relationship, you will both need to recognize and respect your differences. If you take each other for granted or begin to feel you can predict and control your partner, your relationship will be in trouble. The keyword in this relationship is respect. If you respect each other, disagreements - of which there will probably be many - will not weaken your foundation.

THE PERSONALITY

The consonants of your full name at birth are the foundation of your Personality number, which is a little like a narrow entrance hall to the great room that is your true nature. It's the outer layer of your personality, the part you feel comfortable sharing. With time and trust, you invite others into the deeper aspects of your nature.

Your Personality number serves as a censoring device in terms of what you send out, as well as whom and what you allow to approach. For this reason, your Personality is usually narrower and more protective in its definition than the real you. It also gives an indication of how others perceive you.

Michael, your Personality number is 2

You appear friendly and unpretentious. You have a soft and warm exterior. Others perceive you as gentle, safe harbor. People are drawn to you because, among other reasons, you appear warm and unthreatening.

Your dress is neat and clean. Your clothing should be comfortable, soft, and flowing. You should avoid plain and understated clothes. Try to be a little more daring and exciting in your appearance. This will balance nicely with your perceptive and open personality.

You are very patient and understanding, and a wonderful listener. You make others feel important and loved. You are sensitive and become tense in a disharmonious atmosphere. You have

experienced quite a bit of negative criticism as a child, which made you shy growing up. Though you may be well past that shyness, a bit of the vulnerability has remained with you and is often sensed by others.

You are a peacemaker. Arguments leave you drained. People sense your desire for harmony. But you must avoid being the blank tablet for others' projections. People may underestimate your strength, but this is a mistake. You are strong. You bend, but don't break. Exercise is important to your appearance and to promote the level of strength you radiate.

You have a fine sense of beauty and excellent taste. There is a grace in your movements, reflecting your keen sense of harmony and refinement. The opposite sex is attracted to your gentle and attentive nature yet senses the passion beneath your surface. You have sex appeal.

Robert, your Personality number is 7

You seem mysterious and different. People see you as serious and studious. You are highly independent and self-sufficient. Your exceptional intelligence and wisdom are quickly noticed, people respect you. You are not one to attract people on the basis of your warmth or compassion -- though you may be loaded with both -- but because of your obvious insight into life's mysteries. You are hard to get to know. You are often withdrawn.

It is common for people to see your focus turn inside of yourself in the middle of a conversation. You have the makings of an intellectual and an aristocrat, but you have to guard against arrogance and an attitude of, "I've got it all figured out".

There have been periods in your life when you had little concern for your clothing or fashion, while at other times you are very aware of your clothing and use it to make a specific impression. You appear dignified no matter how you dress., but a well-groomed seven with a touch of dash definitely has an advantage. Your confidence increases when you know you are well dressed.

Your love of knowledge and wisdom shows. You are recognized as spiritual and religious, with your very own ideas regarding the purpose of life and the Creator. You are an inspired speaker, but only when discussing subjects that really interest you. Otherwise, you are not one for chatter.

HOW YOUR PERSONALITY NUMBERS COMPARE

Your Personality is the first aspect people notice when you first meet. Very few relationships have a chance to progress if their Personality numbers are not compatible.

Michael and Robert, your Personality Compatibility is 2 and 7

In this combination of numbers, intuition meets intelligence, sensitivity meets clinical research, and the heart meets the mind. It would be a challenge to find two more different archetypes than yours. Michael and Robert, you have a surprising relationship. Rarely do people with such different characteristics express even the slightest interest in each other. But when they do, the partnership is worth every effort. You almost certainly met under unusual circumstances, perhaps when you were both outside of your normal environment (I am guessing Michael, the 2, initially reached out to Robert). Once these dissimilar numbers (and personalities) get close enough, the result is often an exchange of energy that welds the relationship for life.

Potential pitfalls in this combination are generally experienced at the beginning of the relationship. There could be many challenges, including the inability to relate to your partner's way of thinking, feeling, or expressing emotion.

Michael's approach to love is soft and gentle, idealistic, romantic, emotional, and innocently childlike. Robert is less emotional and expressive - like a precious jewel, it requires a great deal to earn their love. Wisdom and knowledge, spiritual understanding and an ageless quality strengthen Robert's love. At the onset of the relationship, this was probably the biggest hurdle to overcome. Robert is not likely to trust love that comes easily, and Michael does not understand how responding to something as natural as love should be so difficult.

Sometimes, a relationship with this combination occurs after the partners have known each other for some time, when trust and understanding have been established (and before either considered a romantic relationship). A romance based on this solid foundation, balanced by pure sentiment on one side and wisdom and spiritual understanding on the other cannot help but succeed.

If you can accept and respect one another's differences, this will be the glue that binds your unique relationship together - a bond that you could say is almost unbreakable.

MATURITY NUMBER

Your Maturity number indicates an underlying wish or desire that gradually surfaces at around age 30 to 35. A direction begins to emerge as you gain a better understanding of yourself. With this self-knowledge comes a greater awareness of who you are, and the direction you want to set for your life.

Michael, your Maturity number is 4

Your maturity will find you increasingly practical, organized, and far more down to earth. You will be capable of putting your ideas into concrete form. Your latter days promise to be a time of accomplishment and activity. You become more focused and goal-oriented and less willing to discard details and cut corners. There is little interest in a quiet retirement. You are too involved in seeing your plans and efforts come to life.

Your family and friends will profit from your four-maturity number because of your increasingly helpful and reliable nature. However, you must guard against becoming rigid, narrow minded, and opinionated, especially if already several fours are found in your chart. If you are lacking 4s, or have only one or two of them, you will benefit by your increased understanding of systems, organization, and the rewards of a methodical approach to life.

It will do you good to take your time to relax and enjoy the flowers every day.

Robert, your Maturity number is 8

As you mature, you will grow in success and financial reward. You will find yourself deepening your commitment to your work. You will find it easier to overcome difficulties that manifest in your path. Your capacity to use power will grow; you will be recognized as a pillar of influence and dependability within your community.

You will have to be strong and self-disciplined to avoid sudden painful material losses. Beware of ego-inflation, the surest symptom of an imminent fall.

The 8 Maturity Number requires a certain degree of detachment from material success; otherwise it will rule your personality and make money an obsession. Detachment allows you to remain focused on the higher values of mankind. One of your important motivations should be a desire to build, create, or market in order to enjoy the game of business.

Your wisdom and sheer common sense are recognized by many and will attract important positions. It is possible that you will be given responsibility for the care and management of another person's property. You may also be asked to guide large institutions.

If you already have several 8s in your chart, especially in the core numbers, you will have to guard against selfishness, accumulation for the sake of status, and greed. If you have few 8s in your chart, or none at all, your opportunity to achieve the success and financial independence is greatly increased.

HOW YOUR MATURITY NUMBERS COMPARE

Your Maturity number becomes more dominant with age. The texts below become increasingly important after about age 40.

Michael and Robert, your Maturity Compatibility is 4 and 8

This is an excellent combination of numbers for romance as well as business. The 4 and the 8 are like the gears of an engine. They connect perfectly and increase one another's power. By joining forces, they triple or quadruple their output. This is considered the best blend of archetypes for a business partnership. Michael delivers the persistence, determination, dependability, and methodical approach required to reach a set goal, while Robert brings the vision and conviction that no dream is unattainable.

Fortunately, a similar synergy exists for romance as well. Although the 4 and 8 are different in many ways, they respect and recognize each other's value. Together, they create an environment of love, trust, and deep spiritual bonding.

Michael and Robert, although this aspect of your chart reveals an almost perfect combination, dangers do exist (as they do in any combination). At some point, Robert will likely try something that Michael finds outrageous and doomed to fail. Robert's stubborn determination and, at times, authoritarian approach could become a major irritant to Michael.

Michael, if (when) that happens, the best approach is simply to disengage. Communicate your ideas, but do not try too hard to persuade Robert to give up a plan or a goal they believe in. Alternately, Robert will sometimes feel Michael is a stick in the mud who does not dare try something new. In this situation, Robert should recognize this does not signify a lack of courage on Michael's part, but simply that they prefer not to waste time or take risks on something that does not feel realistic. In these situations, feelings of frustration could overshadow the love and respect that is the foundation of your relationship.

Although rare, it is not unheard of for this combination to survive several major breakups and reconciliations, even divorce and re-marriage. All partnerships must compromise, and this is particularly true for your relationship. Sometimes, Michael, even when you know a project is doomed to fail, it might be worthwhile to support it. And Robert, your idea may be valid, but when your partner (or others) express serious doubts about it, you may want to consider that they may be right and examine whether pursuing it is the smart thing to do.
