Relationship Compatibility Profile

MICHAEL JOHNSON & SARAH JONES

By Master Numerologist Hans Decoz | worldnumerology.com

ABOUT YOUR RELATIONSHIP PROFILE

This report analyzes the personalities of both individuals to assess their compatibility. It also offers suggestions for ways to mitigate the stress or damage that can come from differing personalities and perspectives.

When you are in a relationship, you come to know each other more deeply over time. At first friction is rare. As time goes by and you discover additional sides to your partner, you become aware of personality traits you appreciate as well as some that rub you the wrong way. Even if you consider your relationship nearly perfect, you will experience occasional bouts of conflict.

Negative traits are almost always a cause of friction, but it is interesting to note that some qualities that are considered positive can also be incompatible. You may find this report is more critical or even harsh compared to other readings of this type. My approach is designed to throw light on differences in your chart that might benefit from a frank, unbiased examination. Ignoring potential issues can cause more damage overall than a few honest remarks in a reading.

You will probably encounter some texts that state: "The compatibility aspect in this area of the chart is already included in other parts of this report." Those texts are not repeated here because they are either redundant or offset by other conditions. This is done to offer a perspective that is as well balanced and clear as possible; repeating certain traits would place too much emphasis on them.

Michael and Sarah, I hope you will appreciate the perspective of your Compatibility Report and will find it beneficial to your relationship.

Please note we use gender-neutral language when addressing individuals in our relationship readings. To some, using the singular "they," "them," and "their" may sound awkward, but we believe words matter. We aspire to include everyone.

Please verify that the name and date of birth showing below are accurate.

THE LIFE PATH

Your Life Path number is considered the single most significant information available in your Personality Chart. It is derived from the total of all numbers found in your date of birth. However, it is important to keep in mind that the aspects described in the next few chapters will either complement, supplement, or sometimes weaken the attributes revealed in numbers derived from your name.

Michael, your Life Path number is 2

The key word in your nature is peacemaker. Michael, you have the soul of an artist. You are extremely sensitive, perceptive, and a bit shy. These qualities are both your strengths and weaknesses, for while you possess enormous sensitivity to your feelings and those of others, that same sensitivity can cause you to hold back and repress your considerable talents. Sensitivity and perceptiveness are among your many fine qualities.

Because you intuitively know what people want, or feel, you can be extremely diplomatic and tactful. You are also patient and cooperative. You work well with groups and somehow find a way of creating harmony among diverse opinions.

You enjoy music and poetry and require a harmonious environment. You have an eye for beauty and a fine sense of balance and rhythm. You have healing capabilities, especially in such fields as massage, acupuncture, physical therapy, and counseling. However, your sensitivity can also be your downfall.

Your delicate ego bruises easily and can make too much of someone else's thoughtless remarks or criticisms. Because you get hurt easily, you may tend to withhold your own thoughts and contributions to the matter at hand. This can cause you considerable resentment and anger. Too often, you run from confrontation to avoid a battle.

When you employ your considerable inner strength, you will discover your enormous power and abilities to direct difficult situations toward your own goals. It is the awareness of your inner strength that will give you the courage to use your own personal power when it is needed. You are a sensitive and passionate lover; your perceptiveness makes you aware of your partner's needs and desires, which you are able to fulfill with almost magical delicacy.

However, when you feel you have been mistreated or jilted, you can react with devastating power, sometimes using personal criticisms vindictively. Your awareness, diplomatic skills, and

organizational talents give you the ability to bring off difficult tasks. You willingly step out of the limelight to facilitate the success of your endeavor. In truth, you are often the power behind the throne. However, you do not always receive the credit you deserve for the fine work you've done, or your role is underestimated, and your accomplishments overlooked.

Rather than brood over your losses, you need to confront those who would make less of your contributions and stand up for your accomplishments. You need security and comfort, quiet settings, and the company of loved ones. You are a perfectionist when it comes to your home and work environment.

You have excellent taste which is obvious in your private surroundings. You are a fine companion and possess a good sense of humor. Friends seek you out for your calming and peaceful company. You are a safe haven to other sensitive people, who recognize your compassion and understanding. When you have found your niche in life, you have all the talents and intelligence for great success. Seek out work that allows your sensitive nature to flourish -- be the glue that binds others together.

Sarah, your Life Path number is 4

You are practical, down to earth with strong ideas about right and wrong. You are orderly and organized, systematic and controlled, you are decisive and methodical employing a step by step rational approach to problems solving. Once committed you do not give up easily. You are not one for "get rich quick" schemes. Rather you use hard work and long hours to build a business or career- you seek to establish a solid foundation.

Precise, tenacious and persevering, you have great potential for success, but only after putting out effort and overcoming the limitations you so often encounter. Justice and honesty are sacred to you. You are reliable and dependable, a cornerstone in the community.

Though not an idealist, you are willing to work for a better world in a realistic way. However, you can be rigid in your ideas and sometimes too quick in judging your fellow man. You are loyal to those you love and work well with others. . It is important that while being part of a team you have your own responsibility and well- defined task, you perform better when your responsibilities are not overlapping with those of others. You have to be careful not to be bossy and rude. You possess rare discipline and perseverance and not everyone can keep up with you.

You can handle money carefully and like the security of a nest egg. Your love of work often leads you into a career early in life. Because of your methodical nature you can easily become rigid and stuck in convention. You can also be overly cautious when changes are necessary, this can cause you to miss opportunities that present themselves. You must cultivate flexibility in your character.

You are well suited for marriage and often become a responsible loving parent. However, anything that violates your profound sense of order, such as separation or divorce can be a shattering experience for you. You easily become obsessed and even vengeful, seeking your own definition of justice.

You are courageous and a true survivor. You are a builder and the foundation of any enterprise. Your hard work and practical, traditional values pay off to provide you with the rewards you seek and deserve.

HOW YOUR LIFE PATH NUMBERS COMPARE

Your Life Path number is the most important influence in your chart. As such, their compatibility is very important to the well being of your relationship.

Michael and Sarah, your Life Path Compatibility is 2 and 4

Michael and Sarah, a 2 and 4 combination in this area of your chart is a powerful asset in your relationship. Michael (the 2) brings tact, sensitivity, intuition, and the innate ability to recognize the subtleties of life. This beautifully compliments Sarah's grounded, practical perspective. It is a combination of extremes that brings balance to the relationship, strengthening and complementing both of you. Like mortar and brick, energy and matter, earth, and sky, yours is one of the best possible combinations.

However, since perfection is not easy, if not impossible to find, your relationship is not free from risk. Although the qualities of the 2 and 4 may be responsible in large part for your initial attraction - opposites attract and 'complete' each other in some way - there may be times you feel you are living with an alien creature. Sarah may not always understand Michael's strong feelings, perspective, or approach to issues. And Michael will sometimes be annoyed if Sarah's methodical, practical viewpoint overshadows any hint of emotionality or idealism.

In the end, this occasional difference of approach should be a minor issue in an otherwise well-balanced relationship. Try to respect your differences and recognize them as assets; you each have something to teach and offer the other. Although this is only one area of your chart, it indicates it would take a powerful storm to blow this relationship off course.

THE EXPRESSION

Your Expression number, calculated from your full name at birth, reveals the orientation or goal of

your life. Some numerologists refer to this as your Destiny number because it represents a lifelong target at which you are aiming. Thus, the Expression number, to some extent, reveals the person you aim to be.

Your Expression is the most influential of the three characteristics that make up who you are. It is also the number with the most influence on your choice of career, although other aspects are important as well.

Michael, your Expression is 4

You are the bedrock of society, the foundation of any enterprise. You are an organizer and manager. Your approach to life and to problems is methodical and systematic. You are a builder and a doer. You turn dreams into reality. You possess a highly developed sense of structure. You enjoy management systems and can carry out your well laid plans. You are not the type to embark on any trip without a map.

You take your obligations and those of your family quite seriously. As a result, you are reliable and responsible. You enjoy seeing a project through from start to finish but can become too narrowly focused. You put your nose to the grindstone and tend to become a workaholic.

You are driven by contempt for all that is unstable, insecure, and unpredictable. You distrust the unconventional, preferring instead the tried-and-the-true. But this can make your endeavors move slowly and cause you much frustration, especially with the apparent limitations of your resources.

At the same time, concern for the limitations of your resources causes you to be careful and cautious, shutting you out from possible shortcuts and creative solutions provided by more daring people around you. It is important that you recognize restrictions for what they are: guiding forces that are testing and directing you toward your goals. Your challenge is to be more imaginative and to attract more creative people into your life who can advise and inspire you.

In relationships, you tend to be somewhat moralistic. You are extremely honest and sincere. You have integrity and are trustworthy but can also be rigid and stubborn. Don't let your strong likes and dislikes overrule your common sense and compassion. Be more understanding of others' shortcomings.

Because you tend to focus on details, you can fall into a rut and become a little dull and overly serious. Often, people born with the 4 Expression need to lighten up and have more fun. You have a keen eye for detail. You have great stamina and can work conscientiously and persistently toward your goals. This eventually brings you success and standing in your community.

In your conservative and careful way, you are good with money. You are very conscious of the balance between income and expenditures. You can limit your expenditures; saving money is important to you.

You are a surprisingly good parent, and love to be involved with children. Somehow, you relate a little more than others to the innocence of children, perhaps seeing a good deal of yourself in them. You, too, are idealistic and respect the simplicity of children.

Many accountants, bookkeepers, government officials, managers, and lawyers are born under the 4 Expression. You can be attracted to the arts and music but will likely bring your love of structure and order to any artistic field. Classical music and opera are particularly appealing and inspiring for you.

Sarah, your Expression is 5

You are a free spirit. You love change, adventure, and excitement. You love your freedom. Like a bird that needs its wings to live, you cannot exist without it. Freedom is the nucleus around which your life revolves. You need it for your very survival. By using freedom properly, you are able to explore and develop all of your varied talents. You will meet many types of people and travel great distances.

Freedom is the atmosphere necessary for you to bring forth your many talents.

You are capable of doing almost anything, and probably quite well. Only by avoiding the imprisonment of illusory security are you able to bring forth your abilities.

You are unusually adaptable. In fact, change is a blessing for you. In the same way, you need challenge and variety. You hate the routine of life; being stuck is a catastrophe for you. You become miserable when you are held back or held down. The taste and texture and color of life have an overpowering allure for you. From childhood, you dream of seeing foreign lands, experiencing the sensual and the exotic. You want to try everything at least once in life. All of life is a playground for your senses.

But this can get you into trouble. You may fail to respect your natural limits, either biologically or socially. Any boundary is anathema to you, which can blind you to your natural limits, and may cause you to overindulge your desire for food, sweets, alcohol, sex, and drugs.

You are gifted in your ability to communicate. Your facility with words is almost limitless. You can be a salesman, politician, lawyer, public relations person, and minister. You also possess the talent to share and advance new ideas. You are talented with your hands. You love the new and untried. Your field is the frontier. You are a bit of a gambler and often play for very high stakes. All of this combines to give you a youthful enthusiasm, which others find infectious and attractive. You

like to work with others but need to perform your task unencumbered by the restraints of others.

You are a clever and a quick thinker, but your thought processes -- like your life in general -- can be unorganized and scattered. You must stay grounded and focused if you want to be successful.

You fall in and out of love frequently, especially early in life. You are naturally sensual and commonly have a strong sex drive. These characteristics usually make for a lively and exciting love life, but you must guard against shallow feelings and relationships. Your challenge is to develop mature and lasting relationships. Self-discipline and setting healthy limits are the key to your success in virtually every area of your life.

Ironically, you will find that as you learn to set appropriate limits on yourself, you develop more self-mastery and realize even greater freedom. This is especially true when it comes to finishing what you start. Your tendency is to give up once you've got a project or job under control; you grow bored quickly. You start to fantasize about a new challenge, or the rewards of your great accomplishment, long before the work is finished.

The 5 Expression desires the whole world. You are aware that you have many talents that can bring much success. But that success depends on your willingness to choose certain areas to concentrate on, and to bring them to perfection.

HOW YOUR EXPRESSION NUMBERS COMPARE

More than any other number in your chart, your Expression number reflects who you are as a whole person on a deep level (rather than the "face" you show to the world, described by your Personality number).

It cannot be over-emphasized how important it is to recognize that the same number in a different area of your chart will affect you differently. There may be times you read something that seems to directly contradict an earlier statement. Yet, if you take time to carefully think about the opposing information you might recognize that, being the complex individual you are, you carry the same contradictions. This is natural and true for all of us. You may excel at organization in one area of your life, while chaos rules in another. You may be tactful and sensitive in one setting, but direct and confrontational in another.

Be aware that it is more difficult to overcome negative traits you recognize in yourself when they are found in this part of the chart, than when they are found under the Life Path description.

Michael and Sarah, your Expression Compatibility is 4 and 5

Michael and Sarah, yours is a challenging combination. Michael likes routine and predictability, while Sarah prefers change and the unexpected. The numbers 4 and 5 are opposites in many ways. Interestingly, this is often the root of the initial attraction. Michael (the 4) is drawn to Sarah's daring, adventurous, dynamic, and energetic life. Sarah admires the control and discipline Michael displays.

This combination often creates a dynamic relationship - comparable to a roller coaster ride. Due to these extreme differences, your relationship will require mutual love and acceptance that is strong enough to weather your differing likes and dislikes, including your lifestyle preferences. Trying to change your partner is futile - your needs and desires are simply too different. Michael must accept the fact that Sarah is not predictable and will never be happy living a highly structured life. Sarah needs to make peace with Michael's need for an organized and controlled environment.

Differences will be noticed in other areas as well. Sarah is sensual and feels comfortable around others. They are social and have an adventurous side (even a wild streak). Michael can be social but prefers to keep a certain amount of distance. When choosing company, they are probably more discriminating and tends to hold on to protocol longer. Although as a rule Michael is more conventional and careful, they can reveal an extroverted, even outrageous side given the right occasion.

When it comes to opinions, often you may find yourselves on opposing sides. Michael needs a somewhat structured connection to life, even its spiritual side. Sarah's inner world is more imaginative and changeable. Michael may be willing to accept rules and regulations that Sarah enjoys breaking. These examples should not be taken too literally; you are complex individuals with additional influences in other areas of your chart that could modify these aspects. Suffice it to say you will encounter differences in your personalities and your approaches to many issues.

Interestingly, this combination can be powerful, exciting, and long lasting. The key to success will be in not taking yourself or your concepts too seriously - something Michael may need to work on. Maintain a sense of humor and keep in mind that opinions are just that, with relative values. Focus on enjoying each other's company; combine your strengths and build on your differences.

Your polarity has the potential to create a dynamic, rewarding relationship. With tolerance and openness, you can build a healthy relationship where Sarah's dynamic, adventurous spirit and Michael's discipline and methodical approach happily live side-by-side.

THE HEART'S DESIRE

The Expression number described above points to a more productive side of your life. Your Heart's

Desire reflects a deeper, inner you; it suggests an underlying urge, your true motivation, and the general intention behind many of your actions. It reveals the environment and lifestyle you prefer, as well as your likes, dislikes, and the type of people you are drawn to. Consequently, it dramatically influences the choices you make in life.

It makes sense that the vowels of your name are the foundation for your Heart's Desire. Vowels are the peaks and valleys of a language. Notice how vowels leave your mouth in a free-flowing breath. Try it: Aaaa.... Eeee.... Oooo.. Consonants though, are cut off either at the beginning or in the end.

You might say that it is in the flow of your breath that you express your deeper self.

Michael, your Heart's Desire number is 2

You want peace and harmony in all aspects of your life. You want to devote your life to someone or something. You fall in love easily. You are extremely sensitive and emotional. You can be sentimental, and you cry at sad stories. You need friends and society. You appreciate the refinements of life. You desire comfort and security. You have refined taste and can be a connoisseur. You love music and possess a good deal of musical talent. Your sensitivity is a symptom of your highly developed intuition. But you must learn to trust it.

You are a gentle soul and shy away from confrontation if possible. You experience a battle within when you do not believe you can handle a situation; this may have a paralyzing effect on you. You prefer to give in when you should assert yourself. You must learn to be more decisive. Very often, you are afraid to use your own power in the face of someone else's aggressiveness. You incorrectly perceive yourself to be in a weaker position; you may ultimately give in merely to avoid a fight. Conversely, you are extremely diplomatic and tactful. You like to accomplish things through quiet persuasion. You dislike force.

You must fight uncertainty and doubt. You need to develop confidence and a willingness to stand up for what you believe to be right.

You function best in a supportive role, guiding the more public person in quiet, unobtrusive, yet essential ways.

Sarah, your Heart's Desire number is 5

Freedom is essential for your happiness. You love change, new experiences, meeting new people, adventure and travel. You love the exotic, faraway places. Variety is more than mere spice of life -- you thrive on it. You are extremely flexible and adaptable. You have more curiosity than the proverbial cat. You have a sharp mind and a natural ability with words. You are a born communicator, clear, fluent, and imaginative in every area that interests you -- which are many!

Your Heart's Desire makes you very well equipped for life. Change -- the only constant in life -- doesn't threaten you, as it does other people. You are highly resourceful. Generally, you can think clearly in a crisis; you have good mental and physical reflexes. Whenever you fall, you tend to land on your feet.

You are highly enthusiastic. You get excited easily over a new idea or opportunity. Your nature is unconventional. You are a bit of a gambler, taking risks whenever you think the rewards are worth it.

You are very socially oriented and rarely, if ever, dull or boring. You are, of course, drawn to those people who, like yourself, are original thinkers and have exciting personalities.

You enjoy being involved in several projects at the same time. You need continual stimulation by the new and fascinating. You tend to discard boring pastimes quickly. Your love of freedom and change can have numerous consequences. You can be irresponsible, especially when it comes to finishing tasks. You have a hard time persevering at a given project and bringing it to completion.

You must be careful that your love of sensory pleasure doesn't lead you to excessive indulgence in alcohol, food, sex, and even drugs.

You are a bit of a hero and want to save the world. This causes you to make promises you often cannot keep. Down deep, you long to please everyone, an impossible goal. Many 5s can be emotionally superficial. They feel love passionately, but fear making deep and lasting commitments. As a result, they resist the depths of emotional attachments and remain on the surface where it is safe.

You will experience many changes and unusual events, but you learn best through experience. Therefore, your life will be full, and you will make great strides in personal growth.

HOW YOUR HEART'S DESIRE NUMBERS COMPARE

Compatibility of the Heart's Desire number is very important in a relationship. Few relationships

last beyond the initial stage if these numbers are not harmonious.

Michael and Sarah, your Heart's Desire Compatibility is 2 and 5

Michael and Sarah, this aspect of your chart requires special attention. When a 2 and 5 are in the same area of this chart, they have the potential to produce a short-lived relationship. The main issue stems from the difficulty you have understanding each other. In some cases, the differences are so extreme couples end up not even liking each other. But the simple fact that you are sustaining a relationship today indicates other numbers are making up for the potential discord that can occur.

It is important to emphasize that the 2 and 5 are only unharmonious when they are found in the same location of the chart; negative aspects dissipate when the 2 is in one area of the chart and the 5 in another. For example, a 2 Life Path can be quite harmonious with a 5 Heart's Desire. That said, let us concentrate on identifying the core issue and finding ways to deflect it. To do that, let us think of Michael (the 2) as water and Sarah (the 5) as fire. In a controlled environment, they can be used to mutual benefit. But when they occupy the same space, only one will prevail. The lesson here is simple; do not get in each other's way.

Yours can be a strong, lifelong relationship if you accept each other as you are. You will need to willingly accept your differences and understand the need to live somewhat independent lives. Focus on the things you have in common and give each other plenty of room in areas of contention. Do your best to understand your partner, but do not expect to fully grasp their way of thinking.

Keep in mind that these descriptions relate to this specific aspect of the chart; it is likely you fit well together in other areas. Michael understands and gravitates toward the world of emotions, feelings, and intuition. They are concerned with contentment, happiness, and how one "feels" rather than the accomplishments of a given day. Sarah is more concerned with dynamic action, impulse, and risky adventure; they thrive on energy, motion, change, and excitement. Sarah is not likely to slow down just because someone might be uncomfortable with the turmoil they generate.

Remember, this aspect of the chart can be largely offset if you maintain a little separation in your lives and lessen expectations that your partner should enjoy the same things you do. This combination advises you to form a relationship of caring and sharing like that found in a communal setting, rather than one where everything is artificially merged and experienced together.

THE PERSONALITY

The consonants of your full name at birth are the foundation of your Personality number, which is a little like a narrow entrance hall to the great room that is your true nature. It's the outer layer of your personality, the part you feel comfortable sharing. With time and trust, you invite others into the deeper aspects of your nature.

Your Personality number serves as a censoring device in terms of what you send out, as well as whom and what you allow to approach. For this reason, your Personality is usually narrower and more protective in its definition than the real you. It also gives an indication of how others perceive you.

Michael, your Personality number is 2

You appear friendly and unpretentious. You have a soft and warm exterior. Others perceive you as gentle, safe harbor. People are drawn to you because, among other reasons, you appear warm and unthreatening.

Your dress is neat and clean. Your clothing should be comfortable, soft, and flowing. You should avoid plain and understated clothes. Try to be a little more daring and exciting in your appearance. This will balance nicely with your perceptive and open personality.

You are very patient and understanding, and a wonderful listener. You make others feel important and loved. You are sensitive and become tense in a disharmonious atmosphere. You have experienced quite a bit of negative criticism as a child, which made you shy growing up. Though you may be well past that shyness, a bit of the vulnerability has remained with you and is often sensed by others.

You are a peacemaker. Arguments leave you drained. People sense your desire for harmony. But you must avoid being the blank tablet for others' projections. People may underestimate your strength, but this is a mistake. You are strong. You bend, but don't break. Exercise is important to your appearance and to promote the level of strength you radiate.

You have a fine sense of beauty and excellent taste. There is a grace in your movements, reflecting your keen sense of harmony and refinement. The opposite sex is attracted to your gentle and attentive nature yet senses the passion beneath your surface. You have sex appeal.

Sarah, your Personality number is 9

You have an impressive and aristocratic bearing. No matter how tall you are, you appear noble and upright. You are very much in control of the image you send out to others. Many actors, dancers, and other performers have a 9 Personality Number.

You are elegant, graceful, and charismatic. Many admire you. You have the kind of stature that pulls people to you or repels them intensely. Some are jealous of you and may seek to belittle you. You may encourage this to some extent by the amount of arrogance you radiate. This is a caution for all 9 Personalities -- they are sometimes aloof and hold themselves above the world. Your challenge is to come down to earth with your fellow man.

Conversely, you have a great compassion for humanity and want to dedicate yourself to improving the lot of others. You are better when dealing with the trials of the many than the trouble of a single person. You are more capable of working on the grand scale, addressing the needs of society, than on a one-to-one basis.

You are kind and sympathetic, helpful and compassionate. Behind the controlled and calm facade, you are sensitive, vulnerable and emotional.

You have excellent taste. There is a good deal of artistic talent in you that shows in your home environment and your clothing. You tend to see yourself as a guardian of society, a benevolent leader, guiding and directing your community toward a better world.

HOW YOUR PERSONALITY NUMBERS COMPARE

Your Personality is the first aspect people notice when you first meet. Very few relationships have a chance to progress if their Personality numbers are not compatible.

Michael and Sarah, your Personality Compatibility is 2 and 9

Where Michael is open and easygoing in matters of the heart, Sarah is more careful and perhaps somewhat distant. It is likely they recognize the need to maintain a safe distance has been a factor in causing past relationships to end. It is not easy for Sarah to be deeply involved in a relationship, or to act uninhibitedly.

Michael is just the opposite; they find it natural to feel safe and probably responds easily without having to weigh every potential consequence. Sarah it is important to note that there is no shortage of love or caring in your nature; you are self-sacrificing and generous to a fault. The difficulty arises only when relationships become more intimate, closer to the "inner" you. If there is

a little distance, you feel safe. Michael you are quite different. You will invite Sarah to share even your deepest feelings without hesitation. But if they back up you carry the potential to respond with confusion, jealousy, or resentment.

Generally, the 2 and 9 do not get along easily. Although both are caring, loving numbers, the idealistic 9 (Sarah) prefers to focus on the world at large, to strangers and issues concerning humanity. The 2 (Michael) is more emotionally involved and focuses on forming a close, cooperative relationship with one person. Interestingly, the 2 and the 9 comfortably form powerful alliances in other circumstances, particularly business. In combination they can negotiate with and influence just about anyone.

Your relationship issues can be countered, with effort. If it is to grow and endure, Sarah will need to let go a little, relax the constant vigil, and become more responsive to the moment. Michael will need to recognize this does not come easily to their partner. Try to understand that Sarah's need for distance does not mean their love is less real, or not as strong as yours.

Being sensitive to and accepting of your differences can help you build a rewarding relationship - a relationship that can also be quite prosperous, especially in the business world, if you combine your respective strengths.

MATURITY NUMBER

Your Maturity number indicates an underlying wish or desire that gradually surfaces at around age 30 to 35. A direction begins to emerge as you gain a better understanding of yourself. With this self-knowledge comes a greater awareness of who you are, and the direction you want to set for your life.

Michael, your Maturity number is 6

As you mature, you will become increasingly concerned with the well-being of family, friends, and community. You will be drawn to the role as healer, counselor, and teacher. You have a growing ability to give comfort and sound advice to those in need. You naturally assume the role of patriarch or matriarch of those in your care, no matter how old they are. You become more responsible and protective.

You may well become involved in environmental protection, volunteer work or politics. You are naturally idealistic and strive to realize those ideals as you grow in maturity and in personal resources.

Your careful and balanced approach to business and financial matters provides you with sound and secure success later in life. The 6-maturity number provides an outstanding financial

foundation for the future. In addition, the influence of the 6 promises an old age surrounded by loved ones.

For those who have few 6s in the chart, or none at all, this Maturity Number promises the close relationships that you have striven for most of your life.

Sarah, your Maturity number is 9

Your concern for the wellbeing of society will grow more powerful as you come to maturity. You will be drawn to doing much public service. The long-term good of your community and even the world will occupy your thoughts increasingly. Service to humanity is fundamental to your life. You will grow in understanding and wisdom as you mature. Involvement with international affairs or humanitarian service offers you much satisfaction.

As you mature, your appreciation for the arts and beauty in any form will also increase. It is quite possible that you will be actively involved in the arts, if that is not already the case, often as a benefactor.

If you have few 9s in your chart, or none at all, you will gain a sense of your personal place among the human race. You will feel you belong and that you have provided something of lasting value for the future. If you already have several 9s in your chart, especially among the core numbers, you will have to guard against arrogance, aloofness, and alienation.

HOW YOUR MATURITY NUMBERS COMPARE

Your Maturity number becomes more dominant with age. The texts below become increasingly important after about age 40.

Michael and Sarah, your Maturity Compatibility is 6 and 9

Michael and Sarah, all numbers divisible by 3 have several things in common. Primarily, they respond to the physical, emotional, and spiritual needs of others. The 6 (Michael) expresses this in the love and care shown to family and friends. The 9 (Sarah) directs its attention to the greater good - to humanity at large.

When the 6 and 9 are found between romantic partners in this part of the chart, compatibility is automatic. Both of you are self-sacrificing, giving, and caring people. Michael is more practical, Sarah more idealistic, but your motivations are similar.

One attribute you share is your sense of justice; both the 6 and the 9 have a strong awareness of right and wrong, this could lead to one or both of you getting involved in politics or becoming

activists or advocates for a cause. Unless you happen to be on opposing ends politically, this trait could further strengthen your bond.

Creativity and an eye for beauty are other aspects you have in common. Oddly, this is often a source of trouble for this combination. There will be times you have similar views when it comes to decorating, for example, but you will also often differ. When it comes to creative matters you will both have strong opinions. In the event of a disagreement, you will need to compromise (something you are both quite capable of doing).

Although you are generally highly compatible, there are areas where you are likely to clash if certain negative traits are not acknowledged and kept under control. Although this is not common in your combination, it is something to be aware of. Sarah, although idealistic and self-sacrificing, the 9 has the potential to become arrogant and self-righteous at times. Recognizing the relative value of your concepts and ideas may not be your strong suit, which could lead to putting others down if they do not share your (elevated) viewpoint. If this tendency is combined with extreme religious belief the 9 can become a negative influence on others, even destroying a relationship with the most devoted partner. Accepting that the 'truth' as we understand it is still limited allows us to have compassion and tolerance for others. The 9 is the least prejudiced of all numbers, so the likelihood of this being an issue is not high. But, as with all human traits, its dark side tends to be the direct opposite of its light side.

Michael, although your 6 is considered the most loving of all numbers, it has a dark side as well. The 6 can become intolerant and angry, often without a clear cause. Irritation and anger can fester, just waiting for the right opportunity to appear. The 6, although sincere, can also be intrusive and meddlesome to an uncomfortable degree.

Michael and Sarah, the negative side of the 6 and the 9 are rarely displayed, but you will need to be mindful to prevent them from spoiling what is most certainly one of the best relationship combinations around.
