WORLD NUMEROLOGY

Relationship Compatibility Forecast

NAT ASHFORD & TEDDY BLACKWOOD

www.testingcover2222.com

By Master Numerologist Hans Decoz | worldnumerology.com

YOUR YEARLY RELATIONSHIP FORECAST

People change, sometimes dramatically, sometimes subtly. When people form a close relationship, their individual evolution can affect the stability and harmony of their partnership.

Please, keep in mind that the core numbers in your profiles (your Life Path, Expression, Heart's Desire, Personality, and Birth Day number) tend to carry more weight than cycles do. However, cycles, like your Personal Year cycle, can cause upheaval in areas where you previously had no issues. When that is the case, try to remember they are most likely temporary.

Hans Decoz

Please verify that the name and date of birth showing below are accurate.

First Person Full name at birth: Nathaniel Cyrus Ashford

First Person Current name: Nat Ashford

First Person Birthdate: December-11-1999

Second Person Full name at birth: Theodore James Blackwood

Second Person Current name: Teddy Blackwood

Second Person Birthdate: November-08-1984

Report Start Date: October-08-2026

THE LIFE PATH

Your Life Path number is considered the single most significant information available in your Personality Chart. It is derived from the total of all numbers found in your date of birth. However, it is important to keep in mind that the aspects described in the next few chapters will either complement, supplement, or sometimes weaken the attributes revealed in numbers derived from your name.

Nat, your Life Path number is 6

You possess great compassion and seek to be of service to others. You have concern for the weak and the downtrodden. You are a healer and a helper to others. You are capable of giving comfort to those in need and will frequently offer a shoulder for others to cry on. Your task in life is to develop the tools necessary to be truly helpful to others, rather than to simply be a sympathetic ear.

You must find the balance between help and interference. In the same way, you must learn the delicate art of the counselor who knows when to leave the struggle to others and when to avoid taking away the necessary experiences and lessons of life. You are naturally balanced. Therefore, you are well equipped to support and ground others in times of trial.

It is in your nature to take on responsibility -- you often fill the void left by others -- and do not turn away from personal sacrifice. At times, you may feel overburdened by the travails of others. However, the love others bestow upon you is your well-deserved reward. You try to maintain harmony within the family or group, balancing and fusing divergent forces. You seek marriage and are often a wonderful parent, offering warmth, protection, and understanding to children.

You are generous, kind, and attractive. You are often admired even adored which baffles you. You are humble and yet you carry a deep pride. You move well and gracefully but will have to work to stay in shape. Seek out physical exercise and limit the sweets and dairy you crave to keep yourself from becoming plump and round.

When young, you must be careful not to choose partners for the wrong reasons. Do not let sentimentality influence your decision, especially those involving the choice of a spouse. You need to be needed but must learn to discriminate between those you can help and others who are made weaker by your care. After all, it is in your nature to be attracted to the weaker brothers and sisters among us.

The temptation, and the danger for you, is to think of yourself as the savior of the world, carrying

the burdens of others on your shoulders.

You are blessed with musical talent, as well as in the visual and performing arts. However, your creativity may well be suppressed due to your willingness to sacrifice, or your inability to fully appreciate your talents.

This is not to say that you cannot excel in these areas; on the contrary, you have the talent, and with effort you can make a success in a number of artistic fields. You also have enormous talent in business. You are blessed with a great deal of charm and charisma, which you use effectively to attract the people and support you need.

Teddy, your Life Path number is 5

The key to your personality is freedom. You love travel, adventure, variety and meeting new people. You possess the curiosity of a cat and long to experience all of life. You love to be involved in several things at the same time as long as you are not tied down to any one area. You like change, new things and new horizons.

You make friends easily; your personality is upbeat and often inspiring attracting people from all walks of life.

You have a way of words and an uncanny ability to motivate others. You can be in sales, advertising, publicity, promotion, politics or any profession that requires your communication skills and understanding of people. You likely lack discipline and order. You can also be impulsive, doing or expressing things you regret later.

Freedom and a need for adventure sometimes is not properly controlled by those born with this Life Path, causing problems with drug abuse, overindulgence in food or sex, or generally abusing the gift of life. You are sensual and love to taste all of life. Sex, food and other sensory experiences are essential to the enjoyment of your life. You find it difficult to commit to one relationship, but once committed you can be as faithful as an old dog.

You are multi-talented and possess a variety of diverse abilities. However, discipline and focus are the true keys to your success. Without these many of the tasks you begin will remain unfinished and you will fail to realize the true fruits of your abilities. With hard work and perseverance, the sky is the limit. You may have been perceived as a wild child by adults and a source of concern by your family. However, do not be obliged to hurry your choice of career. You are often a late-bloomer and need to experience life before you can truly know and commit to your heart's desire.

Your challenge is to learn the true meaning of freedom. Change is constant in your world requiring adaptability and courage. Try to maintain an exercise program, keep your body in shape and

limber. The flexibility and durability of your body will promote security and confidence within you.

You yearn for freedom and self-employment attracts you powerfully. You should eventually work towards settling on one area to cultivate your ability sufficiently to earn a living and attain success. Once you find your niche the motivation and inspiration you supply others will bring you much in return, you will find your friends and colleagues supporting and promoting you on the road to success.

HOW YOUR LIFE PATH NUMBERS COMPARE

Your Life Path number is the most important influence in your chart. As such, their compatibility is very important to the well being of your relationship.

Nat and Teddy, your Life Path Compatibility is 6 and 5

Teddy, you are attracted to Nat's strength and stability. Nat is the grounding force in your relationship, offering almost unconditional love and protection. You feel safe and secure in their love. Nat, you thrive on giving love, comfort, and protection. You are attracted to Teddy's free spirit and the way their courage and curiosity brings excitement and growth to the relationship. The 5 (Teddy) and the 6 (Nat) complement each other very well.

It is interesting to note that this type of partnership is somewhat rare. This is due to the initial distrust the 6 and the 5 must overcome when they first meet. They have little in common and usually do not reach out to bridge the gap. Therefore, although possible, love at first sight is rarely found in this combination.

When a 5 and 6 are drawn to each other, it is usually very physical and sensual. Once you connect, the attraction grows quickly and powerfully, overshadowing just about everything else in your lives. This physical attraction is a solid foundation and while many couples lose interest in their physical relationship after a period, your attraction should last and remain quite powerful. A physical attraction is particularly important to Teddy, who is a sensual person by nature.

Once you have overcome any initial wariness, Nat will recognize there is much more substance to Teddy than they initially noticed; and Teddy will prove that, despite an early reluctance to commit, they are loyal and trustworthy. The belief that those who embrace change and adapt to new circumstances easily do not have the ability to commit is proven wrong when applied to the 5. In fact, Nat is less likely to cheat than most people.

In contrast, Nat could become a source of frustration or jealousy for Teddy because, although Nat

easily commits and is loyal, it is in their nature to give love freely and generously to all; they are quick with hugs and concern for other people simply because they have a lot of love to give. Teaching, healing, and counseling (even if they are not part of a career) are major ingredients of the 6, and Teddy needs avenues to express them.

The most difficult challenge Nat may have to overcome is Teddy's extremely social personality. For Teddy to be happy, they must live a dynamic life full of change, impulsive decisions, social activities, and travel. With some exaggeration, you might say Nat prefers to stay home while Teddy loves going to the pub. To maintain a successful relationship, you will both need to accept your differences while making a united effort to support and nourish your relationship.

THE EXPRESSION

Your Expression number, calculated from your full name at birth, reveals the orientation or goal of your life. Some numerologists refer to this as your Destiny number because it represents a lifelong target at which you are aiming. Thus, the Expression number, to some extent, reveals the person you aim to be.

Your Expression is the most influential of the three characteristics that make up who you are. It is also the number with the most influence on your choice of career, although other aspects are important as well.

Nat, your Expression is 7

You are gifted with an analytical mind and an enormous appetite for the answers to life's hidden questions. You have a strong interest in exploring scientific matters, philosophy, and even mysticism. You possess clarity and persistence in your search for truth. You can be a great researcher, educator, and philosopher. You are driven by a desire for knowledge and truth. You must learn to discriminate between illusion and reality, but you are well equipped for this task. Your fine mind offers insight into the veiled mysteries of life. You also possess a considerable amount of perspective. Somewhere inside you, you are aware of a peaceful place that you call upon during difficult times.

You need time to be by yourself. Too much social interaction causes you stress. You need your privacy and a place that can be shut off from the hustle and bustle of life. You tend to keep your thoughts to yourself and are secretive. Unless your 7 expression is balanced by extrovert characteristics (usually revealed by the numbers 1, 3, 5, and 8), your introversion may pull you deeply within yourself, even cutting you off from others.

You have a strong dislike of the superficial and mundane. You are often surprised by the lack of understanding or depth of knowledge of others, many of whom do not take the search for knowledge as seriously as you do. This can cause you to be critical of others, and even cynical about life in general. The more cut off from others you become, the more hidden are your motives. Once you develop understanding of people and life, your advice and counsel will be sought by those around you who need your wisdom.

You love to specialize your knowledge and develop great depth within your field. You are a perfectionist. You should complete your studies early in life and not be driven too hard by a desire to be successful. Let things come at their own pace, be open to opportunity, but remember your rewards, satisfaction, and contentment come from a higher source.

Sevens can be distant and aloof. When dominated by their darker characteristics, they can be unfaithful, dishonest, and cruel. Contemplation, meditation, and the softer, finer vibrations of life can restore your sense of harmony and keep you on the path to peace and balance.

You have a logical mind. Your analytical skills cause you to approach a problem in a detached, surgical kind of way. Researchers, analysts, investigators, inventors, technicians, scholars, lawyers, bankers, watchmakers, priests, philosophers, theologians, and administrators in some scientific or technical field are among the vocations 7s are drawn to.

Teddy, your Expression is 8

You have the power and potential to achieve great things. It is both your challenge and your birthright to gain dominion over a small part of the earth. Whatever your enterprise, you strive to be the best and most successful in your field. You are highly competitive and will not rest until you are satisfied that you have bypassed the opposition. You enjoy challenges and rivalry. You are a realist and a visionary

planner.

Money and authority are available to you if you are willing to discipline yourself -- generally an inborn talent -- and persevere in the face of the considerable obstacles in your path. You are dynamic and have a talent for efficiency. You understand the larger picture, see the broader challenges, and know how to marshal your collective resources to address the problems. You delegate responsibility well; it is best for you to leave many of the details to others.

You are a great leader of people and an outstanding judge of character. You are demanding of those who work for you, often putting things in no uncertain terms: do it my way or don't do it at all! At the same time, you don't hesitate to reward the faithful and hardworking employee. You are not a particularly tolerant leader; too much tolerance violates your sense of efficiency. You go directly

after your goal with courage and tenacity.

You have a natural understanding of money, authority, and power. You are able to struggle consistently after your goal. Eventually power falls to you. Within you lies an innate balance between the higher and lower characteristics of man. Your challenge in life is to balance your higher ideals and your understanding of the hard realities of the earth.

Much effort will have to be put out and many ups and downs experienced before you reach the level of success you desire. Life will probably test you many times with obstacles that seem insurmountable. But in reality, these are merely opportunities for you to learn how to use power and authority in the face of difficulties, and to find out just how much power lies within you. It is crucial for your success that you balance the material and the spiritual. You have chosen a path that requires balance between giving and taking, reward and punishment, action and reaction. Despite the obstacles on your path, you are a true survivor.

When focused exclusively on your desire for results and success, you can become stubborn and intolerant; you can be driven by excessive ambition, causing you to be exacting and without perspective. Be careful of your alcohol consumption, a danger-zone for you. You can be a social drinker, mixing business with pleasure -- a dangerous cocktail.

An excellent manager, organizer and administrator you have talents in many areas of life. Entrepreneurs, executives, bankers, brokers, negotiators, gamblers, coaches, collectors, heads of institutions, builders, art dealers, manufacturers, promoters, military officers, police detectives, smugglers, engineers, pilots or sea captains.

You have been entrusted with special gifts, the use or abuse of which has an immediate and often physical effect upon you and those around you! Use these gifts for the good of mankind and accept your own good fortune with gratitude. This is your rewarding stage in your evolution.

HOW YOUR EXPRESSION NUMBERS COMPARE

More than any other number in your chart, your Expression number reflects who you are as a whole person on a deep level (rather than the "face" you show to the world, described by your Personality number).

It cannot be over-emphasized how important it is to recognize that the same number in a different area of your chart will affect you differently. There may be times you read something that seems to directly contradict an earlier statement. Yet, if you take time to carefully think about the opposing information you might recognize that, being the complex individual you are, you carry the same contradictions. This is natural and true for all of us. You may excel at organization in one area of

your life, while chaos rules in another. You may be tactful and sensitive in one setting, but direct and confrontational in another.

Be aware that it is more difficult to overcome negative traits you recognize in yourself when they are found in this part of the chart, than when they are found under the Life Path description.

Nat and Teddy, your Expression Compatibility is 7 and 8

Nat and Teddy, this combination indicates your relationship is most likely supported by other numbers and influences in your chart, rather than the 7 and 8 found in this area. The 7 and 8 are usually not attracted to each other or particularly compatible in romantic relationships. The notion that opposites attract does not often hold true here.

This does not mean you cannot have a fulfilling, well-suited relationship, but simply that other numbers in your chart are likely the source of your mutual attraction. Carrying the 7 and the 8 in this location of your chart, however, suggests you have major differences that could cause problems.

Your priorities differ. This aspect of the chart tells us Teddy (the 8) has a strong drive for financial success and security. For Nat, spiritual and intellectual growth is a higher priority. Teddy intuitively understands the balance between the material and intangible, which is the reason they excel in business, marketing, or sales. (One must be somewhat detached from material gain to have the vision and clarity it takes to successfully pursue a goal.)

Nat moves in the inner realms, and is not intrinsically drawn to business, even deeming it unworthy of attention; they would rather discuss political, philosophical, or spiritual matters, with a preference for the abstract - issues that could seem boring to Teddy who prefers a practical, down-to-earth approach that focuses on results.

Similarly, you could find yourselves at opposite ends of the spectrum when it comes to likes and dislikes, from movies to books, travel to housing, decorating, art, and so forth. Nat might enjoy living in a rather isolated, cozy, country home, while Teddy would be happy in a futuristic loft in a large metropolis. The friends you attract will also be quite different. The 7 in Nat's chart points to quiet conversations rather than loud parties. Teddy occasionally enjoys an energetic environment and interaction with others.

The potential lack of compatibility between these numbers has nothing to do with the heart. It generally involves practical preferences, such as where to live, how to decorate the house, and who you become friends with. This can be overcome by allowing each other considerable space and freedom in the way you live your lives. You will both need to recognize and accept your

differences. Keep in mind there are influences in other areas of your chart that may mitigate some of these contrasts. If so, focus on the things you both enjoy, then allow one another the freedom to express your individuality.

THE PERSONALITY

The consonants of your full name at birth are the foundation of your Personality number, which is a little like a narrow entrance hall to the great room that is your true nature. It's the outer layer of your personality, the part you feel comfortable sharing. With time and trust, you invite others into the deeper aspects of your nature.

Your Personality number serves as a censoring device in terms of what you send out, as well as whom and what you allow to approach. For this reason, your Personality is usually narrower and more protective in its definition than the real you. It also gives an indication of how others perceive you.

Nat, your Personality number is 1

You radiate with a dynamic and efficient energy. You appear controlled and capable. You value courage and effort in the face of difficulties and these qualities show. Others can sense that you will not be pushed around.

You should dress in a dignified and correct manner, caring for the details of your appearance. While you may spend most of your time in staid business dress or suits, bright and cheerful colors work well for you. You are fashionable but have your own style. Your appearance suffers more than most people when you are overweight. Overweight directly contradicts the type of personality you are trying to project. Straight lines and square corners accent your good physique and enhance your appearance as a leader.

You are recognized as a pioneer; you have your own ideas of how to do things. You are a risk-taker, original and highly creative. You should be wary of appearing too aggressive or unreceptive. You can intimidate people if you don't soften your exterior somewhat. By doing this, you will attract less confident people who will be more willing to approach you with their thoughts and suggestions.

Teddy, your Personality number is 3

Many men with a 3 Personality are usually handsome; women often strikingly beautiful. Your vibration is full of life. You are uplifting, inspiring, and charming. You are a fun person to be around. Your wit and sparkling personality make you the life of a party. You are extroverted and optimistic. You appreciate fine clothing and jewelry and enjoy dressing up a bit. You like glamour and are sought after by the opposite sex. You are a romantic. You fall in and out of love rather quickly. You are affectionate and giving.

Do not let your charm be an incentive to play too much. Work at developing deep and lasting relationships. You have to avoid scattering your attention for popularity. You can be flippant about commitments and may dramatize or exaggerate. Your wit can cause you to rely too much on superficial, humorous conversation.

You have a distinct "lucky streak" that attracts many opportunities throughout your life. You also have a knack of promoting yourself as well as inspiring others. When backed up by hard work and self-discipline, these qualities almost ensure your success.

HOW YOUR PERSONALITY NUMBERS COMPARE

Your Personality is the first aspect people notice when you first meet. Very few relationships have a chance to progress if their Personality numbers are not compatible.

Nat and Teddy, your Personality Compatibility is 1 and 3

You are both fortunate to have formed one of the most charmed combinations for a happy, pleasurable, long-lasting relationship. The individualism and originality of the 1 (Nat) combined with the creativity and "anything goes" attitude of the 3 (Teddy) creates an exciting and often adventurous relationship. Unlike many couples you play together, laugh together, and likely have inspirational and enlightening conversations.

The characteristics of the 1 make Nat the central force in this relationship, while Teddy contributes by bringing the sunshine and lightness of heart that will help the two of you deal with obstacles more easily than other couples.

Despite the unusual number of positive aspects in this combination, you should be on the alert for potential pitfalls. Nat values responsibility and loyalty and has a natural ability to put forth sustained effort in pursuit of goals and dreams. Teddy is more playful, creative, and restless, and changes direction easily, especially if a goal seems difficult to reach. (This could be frustrating for

Nat.) But paradoxically, it is precisely these differences that bring balance to your relationship.

All in all, there is little negative to report about your combination. With an eye on potential challenges, continue to fully explore your respective natural qualities and enjoy a happy, enriching and rewarding life together for many, many years. You can develop your relationship to (near) perfection.

MATURITY NUMBER

Your Maturity number indicates an underlying wish or desire that gradually surfaces at around age 30 to 35. A direction begins to emerge as you gain a better understanding of yourself. With this self-knowledge comes a greater awareness of who you are, and the direction you want to set for your life.

Nat, your Maturity number is 4

Your maturity will find you increasingly practical, organized, and far more down to earth. You will be capable of putting your ideas into concrete form. Your latter days promise to be a time of accomplishment and activity. You become more focused and goal-oriented and less willing to discard details and cut corners. There is little interest in a quiet retirement. You are too involved in seeing your plans and efforts come to life.

Your family and friends will profit from your four-maturity number because of your increasingly helpful and reliable nature. However, you must guard against becoming rigid, narrow minded, and opinionated, especially if already several fours are found in your chart. If you are lacking 4s, or have only one or two of them, you will benefit by your increased understanding of systems, organization, and the rewards of a methodical approach to life.

It will do you good to take your time to relax and enjoy the flowers every day.

Teddy, your Maturity number is 4

Teddy, your Maturity is also a 4; the same as Nat's

HOW YOUR MATURITY NUMBERS COMPARE

Your Maturity number becomes more dominant with age. The texts below become increasingly important after about age 40.

Nat and Teddy, your Maturity Compatibility is 4 and 4

Nat and Teddy, you both have a 4 in this part of the chart, indicating a relationship that is either very compatible or extremely stressful. Your lifestyle preferences are likely remarkably similar, and you both prefer a certain amount of predictability and routine in your lives. This does not mean you do not enjoy a surprise on occasion, but you generally want your daily routine to be firmly established and uninterrupted.

The success of your relationship relies largely on how compatible your daily routines are. Details are important because you both tend to become irritated when your carefully established schedules are disturbed. It is important that you respect each other's needs and habits. Even if other numbers in your respective charts point to a certain amount of flexibility and adaptability, you probably tend to create environments that are finely tuned and designed to accommodate your daily physical, mental and spiritual needs.

Unless your habits are compatible, it will be difficult for you to sustain this relationship without making a few adjustments (other than the necessary give-and-take of any relationship). Neither of you should severely limit your needs or desires to accommodate the other as it will only work in the short term; try to arrange a somewhat separate routine instead. It is better to give each other room than to force things that are uncomfortable, creating minor annoyances that can turn into growing sources of resentment.

Nat and Teddy, you are both reliable, dependable people who honor your promises. Being able to count on each other is a powerful ally in your relationship. However, if taken too far, your grounded, practical nature can also create a rigid lifestyle that could lead to frustration and gradual alienation from friends and family members. Lacking tolerance and acceptance of other people's lifestyles can put a stranglehold on your social life and, indirectly, a strain on your relationship. Your keywords for a successful, rewarding relationship are tolerance and flexibility.

YOUR PERSONAL YEAR

Your Personal Year number is a strong indication of the trends and circumstances you experience during the year ahead. Your Personal Year cycles are based on the Universal Year cycles and, therefore, run concurrently with the calendar year. (Transits and Essence cycles are based on the letters of your name and run from birth date to birth-date.) There are nine personal year numbers in a complete Epicycle.

Each Epicycle reveals the progression of a specific part of your personal evolution. Your progress along this Epicycle can be seen quite logically, from the beginning of a growth period to the conclusion or culmination of that process. The 1 personal year describes your first steps in a new direction. The years that follow indicate your progress along this path, concluding with your 9 Personal Year, which completes the cycle.

Below is a description of your current Personal Year. It indicates where you are on the 9-year Epicycle.

Nat, your Personal Year cycle for 2026 is 6

This is a year of progress and financial advancement. Major career opportunities present themselves. It is a challenging year in which personal growth is joined with new responsibilities and challenges. This is a year of domestic responsibility and attention to the needs of family and friends. It is a time of heartfelt emotions and some sacrifice. It is a time for comforting and caring. You realize the importance of your place within your community. You will be called upon to help others bear their burdens. You are the proverbial friend in need. Deep feelings bring renewal to relationships and often a birth in the family.

You must work to create an atmosphere of harmony and balance. It is often a time when marital issues surface and need attention. However, you possess the understanding to deal with such issues effectively if you apply yourself with love and flexibility.

May is an emotional month filled with the promise and the stress of imminent changes. June is a breakthrough and a relief. September brings advancement, October self- reflection and readjustments, and December brings a sense of completion and fulfillment.

Teddy, your Personal Year cycle for 2026 is 2

This is a year to carefully protect and nurture your plans. You will be like a mother watching over her children, conscious of every threat, real or imagined. You need tact and cooperation to keep yourself moving forward. There will likely be confrontations with others, requiring a subtle and gentle approach. You will have to stay focused on your goals, yet use intelligent persuasion. Being forceful may work against you; compromises will work in your favor.

You will be unusually sensitive and may wonder at times what happened to the drive and momentum you felt last year. This year requires something else from you now -- a delicate sense of balance and a willingness to go around obstacles, without losing sight of your goal. You may also experience some emotional depressions and frustrations. The year is marked by struggle, but there are many opportunities to advance your plans. This is a year of slow growth, requiring patience.

Be discriminating in your associations and secretive about your plans. Don't talk too much about your ideas; be a bit secretive; guard yourself and your ideas. You are somewhat vulnerable this year.

This is a good year to improve yourself through reading and research. Your growing awareness of the less visible and less obvious aspects of life will make you much stronger and better prepared for the future.

You must be wise in all your relationships and associations this year. You are far more capable of establishing close, even lifelong relationships this year. Because sensitivity and openness are heightened, many people find their "soul mate" in a two year.

May is the pivotal month in the year. You are extremely intuitive and sensitive. You are also self-reflecting and better able to influence your peers and situation through spiritual awareness. July brings a culmination of plans and a distinct step forward. August sees things become more concrete and brings a new beginning. September is emotional, requiring adjustments, tact, and inner resolve. The 2 year is a year of growth and advancement, but through gentle means, and the indirect use of your personal power.

YOUR RELATIONSHIP FORECAST YEARLY

Nat and Teddy, your Personal Year cycle is a strong indication of the trends and circumstances

you experience during the year ahead.

Your Personal Year cycles are based on the Universal Year cycles and, therefore, run concurrently with the calendar year.

Your Personal Year's Compatibility in 2026 is 6 and 2

Nat and Teddy, no two cycles are so fully connected to the heart as the 6 and the 2. This is a combination that generally has only two likely outcomes - one quite favorable and the other decidedly not. There is rarely a middle road for this pairing. Fortunately, the influence of these cycles tends to lean toward the favorable.

It is highly likely you will experience major disagreements during this period, and the way you handle them will make all the difference. It will be important for you to respond to each other from your heart rather than a rational, analytical approach. You might view this cycle as a spiritual and emotional trial. Underlying emotional issues often surface under this combination, sometimes during an argument that at first seems superficial.

Teddy's cycle should find them mainly focused on their own issues. The 2 tends to amplify emotions, so they might experience anxiety, inner turmoil, or self-doubt, which could make them more needy than usual.

Nat, you will also be strongly affected and ruled by the heart, but in a different way. You are more likely to resolve issues by bestowing generous expressions of love. This is probably just what Teddy needs - unless you discount or ignore the reason(s) behind their discomfort. We all want to be taken seriously, even if our reasoning is somewhat superficial. If hearts clash and logic is on vacation, the result can be damaging.

Your key words for this period are commitment and honesty, along with taking each other's emotions seriously. Teddy should try not to exaggerate them, and you should guard against patronizing.

Nat, your Personal Year cycle for 2027 is 7

You will experience a strong tendency to spend more time alone, to delve inside and find some answers and to reach a better understanding of yourself. This is not a year for social activities nor is it a year to try and reach goals on a material level. You will find that the necessities of daily life seem to be taken care of by themselves. There is no need to be overly concerned regarding your material needs. Without slacking on your daily duties and responsibilities, you can afford to give more attention to yourself. This is a year for inner growth. It is your spiritual and mental presence that

requires attention. Improve the quality of your life, read, contemplate and gain insight in yourself. You are important now. Rest and attend to your health.

It is during this year that you strengthen the foundation of your life, after all your success in all matters rests upon the strength of your inner self. There will be many strange and unusual events inspiring you to take a closer look at life and an opportunity is there to experience the joy and beauty of life without any artificial or exterior involvement but purely the growing awareness of yourself. Too much concern and desire for material rewards, Nat, will turn this period of your life into a very bad experience indeed, while a "let go and let god " attitude will make this such a fruitful and pleasant year that you may find yourself wondering what you did to deserve this.

Teddy, your Personal Year cycle for 2027 is 3

This is a year of expansion and personal growth. It is a time of heightened personal expression. Creativity and artistic talent come to the forefront. You are lighthearted and drawn to all kinds of social events. More than most other years, you will entertain and be entertained. You meet new and exciting people. It is a time to appreciate all that you have.

You are highly dynamic and charismatic. Your challenge is to avoid scattering your energies. You have a rare opportunity to bring forth new and creative ideas. But that requires discipline and focus. It is easy to be optimistic and enthusiastic this year and this may result in speeding up your projects. Yet there will be delays and disappointments unless your enthusiasm is based upon the reality of work and concentration.

This is a pleasant time in which friendship is enjoyed and love shared easily.

This is often a good financial year, particularly if your creativity is well directed. Surround yourself with upbeat and positive people.

You may travel more than usual, which in all likelihood will be filled with exciting people and pleasure. Control this year's tendencies towards glamour and extravagance, yet allow yourself more room to enjoy and celebrate.

You communicate well this year and are more capable of getting your ideas across.

February brings changes; June sees the completion of a project and July signals a new beginning. August can be emotional, as can November.

Your Personal Year's Compatibility in 2026 is 7 and 3

Nat and Teddy, the 3 and 7 bring together two vastly different cycles. Your numbers are opposites in the influences they deliver. For Teddy, things should lighten up like the sun breaking through after days of overcast skies. Your 7 indicates you will experience a period of self-awareness and discovery.

These differing moods could make communication difficult, which might be frustrating. Teddy's light-hearted, playful disposition may have trouble relating to your pensive and perhaps even pessimistic outlook (and vice versa).

To offset this concern, do your best to acknowledge and respond to one another's concerns. Express your love, reach out, and give each other room to explore individual interests.

Teddy needs to understand that the quiet, introverted mood affecting you is temporary and necessary. You should try not to be irritated by their upbeat attitude, which may appear superficial to you.

This cycle combination can have a negative effect on relationships. If you feel that you are approaching a danger zone, share your feelings as promptly and honestly as possible. Although you will both be affected by your individual cycles, you, Nat, are likely to be more strongly impacted.

Do your best to support each other during this period and remember, cycles are temporary by nature. Patience and tolerance are the key words for both of you.

Nat, your Personal Year cycle for 2028 is 8

After last year's constant involvement with yourself and very possible occasional doubts about the state of your business or career you will find this year to be a relief. Things finally work out. Long postponed checks and promotions come through. You see the light at the end of your financial tunnel and an inner strength and confidence is breaking through. This is your year of harvest and, depending on the effort you put out in the past seven years, your reward will be equally large.

There is a beauty in these cycles we can recognize and understand and in doing so we find ourselves "in the flow" and there is no more need to try and struggle upstream. So this year you will have an opportunity to involve yourself fully in work and material growth and bring home the rewards, at the same time a certain detachment is also necessary, for you and for the experience you have because it is not the reward that brings you happiness but your experience of life, which is why before the rewarding eight year you have had such opportunity for growth during the soul-searching of a seven year. Give in to your ambitions, you will find yourself clearer and more

focused and able to pursue and reach your goals. Your power is visible and strong, mental creativity is high, vision and intuition will guide you, and at the same time you are more efficient and focused.

There can be loss, serious loss, bankruptcy and failure, because always the rewards are directly proportionate to your effort and motivation, however you know the effort you put out and you know your motivations, so there must be no room for fear and doubt, only for success and winning and this year will undoubtedly turn out to be a very satisfying year.

Teddy, your Personal Year cycle for 2028 is 4

This is a year to be organized and practical. Take care of details. Commit yourself entirely to your goals. Your concentration and ability to focus will be much improved over last year. You will have an attitude of realism and determination.

There can be a sense of limitation and some frustration this year. However, it is a year of important opportunities that must be seized. There can be considerable work-related travel. You must be flexible this year to make full use of the opportunities that present themselves. It will require a combination of perseverance, hard work, and versatility. You will receive recognition for your efforts and support from your friends and family.

It is a good year to buy real estate or remodel your home. It is also a good time to take care of projects which have been postponed for too long. Fulfill your obligations and do not be afraid to spend some of that hard earned money. Selling and trading during this year usually is quite successful. This is the year to work on your foundation and prepare yourself for the many changes that will undoubtedly come next year.

As a result of your hard work, there will be much satisfaction and a feeling of accomplishment. January and February will bring some important change, a new opportunity perhaps. March requires self-reflection and reshaping of your plans. It is a good time to meditate on what lies ahead. June brings a new and important step -- a breakthrough, perhaps -- in your work. October brings changes and a sense of chaos. You may feel threatened by the changes that are on the horizon. But November brings assistance in the form of a promotion or additional financial support.

Your Personal Year's Compatibility in 2026 is 8 and 4

Nat and Teddy, this cycle's combination can be either positive or quite negative. There is usually no middle ground.

Teddy might feel like they are slogging through mud in heavy boots - there is progress, but it may feel excruciatingly slow and require considerable effort. Your experience should be just the

opposite, where it feels as if everything is there for the taking.

In a relationship, this combination can bring out the best in each of you or enhance your negative traits. For example, your optimistic, ambitious attitude could either be irritating to Teddy or help to alleviate periods of frustration and anxiety. And Teddy's effort and methodical approach could be an inspiring influence on you or put a damper on your dynamic energy.

To top it off, it is likely you will both be able to clearly recognize the effect you have on each other during this period. As a result, you will either feel love and appreciation or irritation and blame, depending on the way you respond to one another.

The key to getting the most out of this cycle is to be sensitive to each other's needs and state of mind. Try not to get so caught up in your own world that you lose touch with theirs.

YOUR PERSONAL MONTH

The influence of a Personal Month gradually changes from one month to the next over approximately five days at the end and the beginning of each month.

Nat, your Personal Month for January-2026 is 7

January brings stability and clarity. Your career shows promise, but there is not any promotion or practical gain just yet. If you are involved in legal affairs or have wanted to take care of something that involves the law, this month is a good time to start the necessary procedures. You may be notified of an impending legal procedure that affects you or a loved one.

Study or read and enjoy the much needed quiet after last year's hectic pace. Domestic affairs play a major role during this year and begin now. However, you will be feeling more intellectual than emotional during this month. Tolerance and forgiveness will not come naturally, and you could be a little self-righteous. Try to be more flexible.

Teddy, your Personal Month for January-2026 is 3

January brings you optimism and energy. The drive and enthusiasm that emerged during the second half of last year is still with you, along with a caution born of inner change and the emotional ups and downs that arose during the previous 18 months. You're aware of your need for support, cooperation, and advice. And this month, you find yourself establishing closer ties and better communication among those with whom you live and work.

You are also reflective and relaxed. Take the time to play and laugh. Reach out to friends and loved ones. Communicate your ideas freely. You and your plans will be supported, which will heighten your optimism about the future.

Romance is an important part of this months' experiences, and the chances are good that you may meet someone special.

YOUR MONTHLY COMPATIBILITY FORECAST

Nat and Teddy, monthly cycles are not as strongly felt as yearly cycles, however, they can have short period of considerable intensity.

If you feel you might be experiencing some turmoil within your partnership, read the monthly compatibility and reflect on its meaning. You will almost always be able to recognize where the friction comes from, and this is a big step towards healing.

Your Personal Month's Compatibility for January is 7 and 3

Nat and Teddy, the 3 and 7 bring together two vastly different cycles. Your numbers are opposites in the influences they deliver. For Teddy, things should lighten up like the sun breaking through after days of overcast skies. Your 7 indicates you will experience a period of self-awareness and discovery.

These differing moods could make communication difficult, which might be frustrating. Teddy's light-hearted, playful disposition may have trouble relating to your pensive and perhaps even pessimistic outlook (and vice versa).

To offset this concern, do your best to acknowledge and respond to one another's concerns. Express your love, reach out, and give each other room to explore individual interests.

Teddy needs to understand that the quiet, introverted mood affecting you is temporary and necessary. You should try not to be irritated by their upbeat attitude, which may appear superficial to you.

This cycle combination can have a negative effect on relationships. If you feel that you are approaching a danger zone, share your feelings as promptly and honestly as possible. Although you will both be affected by your individual cycles, you, Nat, are likely to be more strongly impacted.

Do your best to support each other during this period and remember, cycles are temporary by nature. Patience and tolerance are the key words for both of you.

Nat, your Personal Month for February-2026 is 8

February may bring upheaval in family affairs or with friends. The 8 carries a powerful balancing energy and much of that will be directed to your relationships. The truth will come out and you will have the opportunity to heal relationships that have been damaged by misconceptions. Real relationships will become stronger

but superficial ones will break down.

Rewards and recognition in your career will also come to you this month. Often, the 8 Personal Month/6 Personal Year brings considerable progress and financial gain.

Romance is also strongly represented. You meet an attractive person, but the challenge here is to approach the situation with sensitivity and awareness. If you come on strong, you will blow the opportunity. Focus on sensitivity and avoid the temptation to be rude at all costs.

Teddy, your Personal Month for February-2026 is 4

You realize early this month that progress depends on your willingness to work diligently and remain focused on details. You feel capable and confident, but as your effort increases -- and the hours pile up -- you may become frustrated with the slow response of others. Keep your nose to the grindstone, and if necessary put in overtime. Don't try to dodge the bullet; bite down on it and keep going.

Meanwhile, be willing to cooperate, listen to others, and tactfully communicate your convictions, as well as your doubts.

February is an excellent month to improve your financial position, particularly through better management. Due to consistent and patient effort, a raise or profitable business deal is in the cards.

Relationships tend to be a little shaky for most of this month. Teddy, you may be somewhat irritable and lack patience as a result of stress and emotional turmoil in your work-environment.

Maintaining a well-ordered environment and avoiding procrastination will help you bypass much emotional stress.

Your Personal Month's Compatibility for February is 8 and 4

Nat and Teddy, this cycle's combination can be either positive or quite negative. There is usually no middle ground.

Teddy might feel like they are slogging through mud in heavy boots - there is progress, but it may feel excruciatingly slow and require considerable effort. Your experience should be just the opposite, where it feels as if everything is there for the taking.

In a relationship, this combination can bring out the best in each of you or enhance your negative traits. For example, your optimistic, ambitious attitude could either be irritating to Teddy or help to alleviate periods of frustration and anxiety. And Teddy's effort and methodical approach could be

an inspiring influence on you or put a damper on your dynamic energy.

To top it off, it is likely you will both be able to clearly recognize the effect you have on each other during this period. As a result, you will either feel love and appreciation or irritation and blame, depending on the way you respond to one another.

The key to getting the most out of this cycle is to be sensitive to each other's needs and state of mind. Try not to get so caught up in your own world that you lose touch with theirs.

Nat, your Personal Month for March-2026 is 9

Whenever the 6 and 9 team up, it is often emotional because you may have to let go of someone close to you. You experience relationships more deeply and feel greater warmth for others. You reach out for contact and substance. Other people will also be drawn to open up their hearts and minds to you. This reflects strongly in your relationship with family and friends, but also in the work-environment.

People will come to you with their problems, seeking an understanding ear and a shoulder to cry on. You feel closer to your fellow man, and because of your attractive disposition you will receive much support from others.

Good news may come from your work that will boost your self-esteem. Move slowly and carefully where romance is concerned, however, because you are not in a position to make long-range plans.

Teddy, your Personal Month for March-2026 is 5

March brings some relief from last months' frustrating efforts to persuade others and to keep track of the details. This month will be hectic with some unexpected changes. Don't try to plan everything down to its final detail. Instead, be flexible and adapt to whatever comes your way. The expression "being in the flow", is instructive for most of this month, and you will be astonished by coincidences in

which timing is crucial. Don't make financially risky decisions, especially involving business.

Checking and double-check all your facts before going forward with your plans. Be skeptical!

However, your ability to promote yourself, your plans, or a product is enhanced.

There will be many social events and opportunities. Take advantage of them. The chances of meeting new people who can support you in your endeavors are especially good. A letter or phone call from someone you haven't heard from in a long time may surprise you.

It's high noon for romance but be warned. You may not be as discriminating and cautious as you should be. Allow your rational mind to take a critical look at flattering admirer(s).

Your Personal Month's Compatibility for March is 9 and 5

Nat and Teddy, this cycle combination can be quite challenging. It is likely to be a trying time for you Nat, as you question where to go next. Moreover, there may be few answers for many of your doubts and questions during this period. Your 9 brings the end of a cycle, which could make you feel a little worn out, emotional, or vulnerable. Do your best to stay positive; your next cycle should deliver a much more uplifting, inspiring, and powerful energy.

Teddy should find a period with more energy (and less patience) than usual. Their 5 delivers dynamic drive and probably a change or two. Their ability to bring excitement and enthusiasm into the relationship could be an excellent tonic for you.

Both, the 5 and 9 cycles are about change; however, they are quite different in the way we experience them. The changes brought by the 5 tend to be the result of excitement, enthusiasm, and a desire to stir things up. Your 9 cycle has more to do with your personal evolution, the never-ending process of maturing.

The most important ingredient in making this cycle as beneficial as possible is patience. You will need it during situations that may seem unclear, and Teddy will need to muster it to support you. If things get a bit challenging, keep in mind that although this cycle may not feel particularly compatible, every cycle is temporary.

Nat, your Personal Month for April-2026 is 1

This month brings new beginnings in several areas of your life. You have more energy and are ready to implement some changes in your life. Display aggression in your career and it will progress nicely. Start new projects. Take a chance. A 6 Personal Year often brings considerable financial gain, particularly in or around the months of April (this month) or November.

This is also a time in which matters of the heart come to some kind of climax. Young lovers get married, married people re-commit, and troubled relationships either work it out or separate.

The month of April brings challenges in the area of communication. Be careful what you say and how you say it, so you don't stick your foot in your mouth. Actively pursue the things you want in your career, finances, and love-life. Romance is very positive now and more people find their soul-mate during this period than at any other time during the 9-year cycle.

Teddy, your Personal Month for April-2026 is 6

Matters of the heart come to the foreground. Romance is now at the top of your list of opportunities. On the other hand, the month brings instability to outdated relationships, and some may end. You become aware of the need to let go of certain people, although final good-byes may not occur until July or early August of this year.

Your family and friends need more attention. You may find yourself playing the roles of mediator, comforter, and counselor. You'll be the one to offer the proverbial shoulder to cry on this month. A younger person, particularly, needs your love and attention.

There is an increase in your workload and responsibilities due to a promotion - or one that may be in the offing. The change may well bring financial rewards. April is a good time for finances, particularly those related to real-estate.

Your Personal Month's Compatibility for April is 1 and 6

Nat and Teddy, your commitment to each other is likely to be tested during this cycle, when outside influences could negatively affect you. The potential turmoil you face could make your relationship feel unstable. As this is one of the most challenging combinations, your greatest strength will be your faith in each other and your ability to trust and rely on one another.

Nat, the 1 in your cycle will direct your attention outward at a time when Teddy's focus is centered on the home front, practical issues, and relationships. Jealousy is also something to watch out for, as it is often an issue with this sequence.

Nat, you will probably be focused on your goals and may be unaware of signals that alert you to Teddy's need for attention. But it is also likely you could become jealous of the attention Teddy receives from other people (the warmth of the 6 naturally attracts others).

Teddy will need to recognize that your dynamic, goal-oriented cycle could distract you. Encourage them to let you know if they begin to feel left out.

You will both benefit from making a conscious effort to stay connected during this cycle even if it proves to be inconvenient.

Nat, your Personal Month for May-2026 is 2

May is a 2 Personal Month in a 6 Personal Year and focuses on harmony and diplomacy in all relationships, including the work-environment. You are more sensitive and aware of the feelings of others than you were last month, and you will be called upon to use those abilities.

You will find yourself in the role of mediator/peacemaker in order to maintain harmony in the work place. Become a hard-nosed yet diplomatic negotiator. Find a balance between tact and sensitivity on one hand, and persistence and conviction on the other. You will be able to meet these challenges and will come through with flying colors. Financial rewards will come. Keep things organized and take care of details or else you may find yourself in chaos by the end of this month.

If you are involved in a legal tangle, and quite a few people in this stage of their Personal Rhythm Cycle are, you will gain some ground and find good reasons to be optimistic.

Romance is highly favored now, especially for new relationships.

Teddy, your Personal Month for May-2026 is 7

May leads to powerful self-discoveries and intuitive perceptions. It is a highly spiritual time, causing you to withdraw from the hustle and bustle of daily life. Your focus is inward. You find yourself contemplating the mystery of your existence, your purpose in life, and your direction. You find yourself taking time off to read or meditate. It's an excellent time to take a vacation, but you may want to avoid group activities.

Social demands will make you irritable and out of sorts. Be with yourself or enjoy meaningful discussions with someone close to you. In this way, you may deepen your marriage or romantic relationship.

It is a time for wisdom and insights, even premonitions and revelations that have little to do with intellectual effort but are the result of heightened awareness and a free-flowing channel between your sub-conscious and your conscious. Be particularly alert to your dreams and the direction and insight they offer.

Your Personal Month's Compatibility for May is 2 and 7

Nat and Teddy, your individual cycles do not have much in common during this period, but they should not produce many relationship challenges.

Nat, although your 2 cycle could heighten your sensitivity, try not to attach too much importance to

your emotional ups and downs. This period is best spent on practical matters and determining what is most important to you.

During this period, it might feel like Teddy is distant at times and lives in a world that excludes you. In a way, this is true. Teddy will be experiencing a period of self-reflection, concerned with the inner mysteries of life from a philosophical, intellectual, or spiritual perspective. Your best response is to focus on your own life - especially the practical side of your career, home, finances, and so forth.

If either of you feel Teddy is more interested in their needs over that of the relationship, consider that this is not necessarily negative or selfish, nor an indication the relationship is in trouble. Your needs and priorities are simply different right now; the relationship should be quite safe since neither of you has a desire to rock the boat. Allowing each other the space and freedom to pursue individual interests can ultimately strengthen your relationship.

Nat, your Personal Month for June-2026 is 3

This is an excellent time to give yourself a break. Take some time off. Enjoy yourself. Don't be too serious. This is a time of enhanced creativity and originality. Become involved in playful activities. Participate in social events. You will meet new people who offer a welcome change to the routine aspects of your life.

Your career may seem unpredictable now but will be much better next month. "Luck" in financial affairs is likely now. Romance is also favorable.

The emphasize of this month is on fun and leisure. Enjoy.

Teddy, your Personal Month for June-2026 is 8

The time is ripe to reach out and receive some of the fruits of your labors. It is a harvesting time, but the rewards are still dependent upon good relations with co-workers. Ask for a promotion, or a raise. Let those in the right positions know that you value the recognition and respect they bestow upon you.

You are in the right state of mind to deal with some tricky personality-clashes; solve communication problems; turn enemies into friends, and in many ways manipulate events through gentle persuasion. The numbers 2 and 8 allow you to handle sensitive issues with tact and diplomacy, as well as with authority and decisiveness. It is a good time for negotiations in every area of your life, personal as well as professional.

Romance is very favorable but can be spoiled by money issues. On the other hand, domestic

affairs can be troublesome and can leave you feeling powerless unless you are willing to cooperate. Leave such issues alone for now. The domestic scene is better handled in July, when dealing with relatives is easier and goes more smoothly.

Your Personal Month's Compatibility for June is 3 and 8

Nat and Teddy, although they are quite different, your cycles are compatible. Creativity, optimism, and inspiration are the main ingredients in your cycle, Nat. Ambition, goals, and financial reward are the components ruling Teddy's cycle. These influences complement and inspire each other, which should benefit your relationship as well as practical affairs.

This is a favorable time to take care of long postponed projects such as financial concerns, home repairs, and other practical matters. It is also one of the best combinations for relationships. You should find you relate and communicate well, and easily support one another's endeavors.

There is, however, an area that could cause discord. Nat, your 3 should help you feel inspired and active, but you will probably be less focused than usual. This comes at a time when Teddy is fully focused, especially on the bottom line. As a result, Teddy may feel you are somewhat irresponsible, and you might feel Teddy is all work and no play.

Compromise and recognition of the differing aspects of your cycles can help you better understand each other and allow you both to capitalize on what this period offers.

Nat, your Personal Month for July-2026 is 4

Nat, it is a time to seriously apply yourself to your duties and responsibilities. Take charge in home, career, and community affairs. Be patient and apply yourself to routine and details diligently. Organize your personal life and your career. Tie up loose ends. Start projects that will improve your living situation such as repairing the house or starting a garden.

Someone in your circle of friends and relatives needs help. Usually, this is a younger person who has not yet found stability or purpose in life.

This month may well bring an excellent opportunity in your own career. Focus on legal affairs. Discipline and effort are the key-words for this month.

Romance takes a more serious turn. Expectations are expressed, and commitments made.

Teddy, your Personal Month for July-2026 is 9

July is both emotional and demanding. It is a month to take care of loose ends. Relationships that have been rocky of late will reach critical mass, to be worked out and deepened, or separated entirely. This is a testing period for relationships in all areas of your life. The 9 and 2 combination -- diplomatic, sensitive, and service oriented numbers -- advises that you avoid confrontations. Work with issues quietly and patiently.

At the same time, it is an excellent period to look inward and acknowledge your needs and desires. Let go of all that you have outgrown, including people, situations, material objects -- anything that you have out-grown. This month is your opportunity to avoid becoming an emotional and material packrat. July is a time to empty your cup and make room for new gifts coming your way. It is a transition period. You will likely experience deep emotions, even nostalgia, and melancholy. At times, you may feel exhausted. Such feelings are not altogether unpleasant. There is a cleansing and healing taking place at a very deep and personal level. You are not entirely conscious of all that is happening, and consequently you may have difficulty expressing your feelings to others. You may sense that you do not fully understand yourself. Give it time and much will be revealed to you.

An opportunity to be involved in a good cause may present itself, and your sacrifice will help you achieve stability and inner strength. This is a good time financially. Some payment may be received for something you'd forgotten, or for reasons you do not expect.

July is a month that requires balance: you are feeling emotional, but at the same time you must also focus on the needs of others. If you indulge too much in your feelings, especially self-pity, you will suffer more self-doubt than if you remain balanced between your needs and service to others.

Your Personal Month's Compatibility for July is 4 and 9

Nat and Teddy, the 4 and the 9 are not the most compatible cycles, often causing emotional turmoil in a relationship.

This is due, in part, to Teddy being at the end of a cycle which can make emotions unpredictable. Their 9 will ask them to let go of the old and prepare for the new, which invariably evokes powerful feelings. Your 4, on the other hand, will focus on practical matters that may leave little room for empathy. You will be concerned with career, projects, details, effort, discipline, and tangible progress.

Teddy needs understanding and a sense that you share common goals. You, Nat, will probably wish they would get on with the more practical and immediate business at hand.

It is important for both of you to recognize you are going through vastly distinct stages. During this cycle, the best thing for your relationship is to stay as close to each other as possible. Nat, make the effort to focus more on Teddy and less on yourself and get away from your daily routines to do things you enjoy together.

Nat, your Personal Month for August-2026 is 5

August brings some changes in work and your personal life. It is a dynamic time, and nothing goes according to plans. Play things by ear.

Your career progresses well as a result of your enhanced ability to find creative solutions. You make a good impression on some people who are in a position to reward you. There will, however, be a confrontation between you and a co-worker, with long-ranging affects. The outcome will depend on your personal strength and self-confidence. If you are involved in business deals or legal affairs, some surprising changes may take place. In all areas of your life, flexibility and adaptability are important. Your friends and family require a lot of attention. Social gatherings are frequent and will bring new relationships into your life.

Traveling, perhaps across the ocean, is possible and favorable.

Romance is exciting. Be socially active. If you are single, you could meet someone who will be a permanent part of your life.

Teddy, your Personal Month for August-2026 is 1

August brings new energy and a kind of restoration of life. There is a feeling of rebirth, excitement, a brightness in the air that wipes away the last residues of last month's bouts of gloominess and self-doubt. You want a change, a challenge, some goal toward which you can direct your enthusiasm. Well, that's what this month will bring. A new project, career change, something new. Keep in mind, however, that you are planting seeds now that must be nurtured and cultivated over the next year or so. In other words, you must remain focused on this dream to nurture it properly over time.

Don't take chances financially. Your optimism may make you impulsive and vulnerable. Remain cautious and research all propositions brought to you.

You will be introduced to new people and, if you are not already involved, one may turn into a passionate romance. Here, also, the careful approach can save some future heartache. The child in you is very much alive, trusting and believing that everything is what it seems.

While this is a very promising time for romance, keep in mind that a certain amount of rational

examination is necessary to protect yourself. Wait until the end of next month before you surrender your heart to the person you are attracted to.

Your Personal Month's Compatibility for August is 5 and 1

This is a highly compatible combination. Teddy is at the threshold of a new direction where signs of opportunity and progress are clear. Nat, you can also expect a dynamic period, but one where little may go according to plan.

If you drew a schematic of these cycles, the 1 in Teddy's chart would likely show a relatively straight line running through the period, clearly moving in one direction. Conversely, the 5 in your diagram would show many bends and curves as it progresses through the cycle.

Although you will experience this cycle in diverse ways, it will create change and movement for both of you. With your hands full focusing on your individual needs and desires, you will probably both find less time (and maybe less desire) to give attention to your relationship. It might be helpful to talk about, and accept, this early on, to be prepared for this probability.

Nat, your key word is discipline, you will need to stay focused but flexible. Teddy's key word is drive. They should take advantage of their cycle's enhanced energy and strive to reach their goals. It sounds like a contradiction, but if you are both focused on your own needs, you will be less likely to feel left out or ignored.

Rest assured, you will have plenty of opportunities to spend time together during your next cycle, when the 2 and the 6 rule.

Nat, your Personal Month for September-2026 is 6

September will force you to deal with the issues of responsibility and loyalty. Devote your time and energy to the needs of family and community. Become involved in some sort of activity that will benefit others financially. You will, and should be, concerned less with your own financial affairs, than with those involving others. Be selfless and generous in all areas of your life. It is a time to forgive and heal. You are highly aware of your bond with the people you love, as well as with neighbors and co-workers.

Legal affairs you might be involved in come to the foreground. Financially, September has the potential to be very good.

Romance is shaky. Choose your words well and follow up on promises. Don't forget birthdays.

Teddy, your Personal Month for September-2026 is 2

This is an 11/2 Month. The number 11 (referred to in numerology as a Master number), is highly charged, sensitive and intuitive. You are extremely perceptive. Dreams are full of insight and seemingly irrational, and creative ideas should be examined seriously. Your most powerful asset right now is your inner antenna that is picking up vibrations that escape others.

Your relationship with co-workers is fragile, but this is due largely to your enhanced sensitivity. Don't take your emotions too serious. Increased sensitivity magnifies and exaggerates emotions. If you fixate too much on them, you'll do yourself a disservice. Overlook slights and let things pass without retort. People will come around.

Romance is still strong, but you must remain realistic. Last months' excitement and infatuation has given rise to self-examination. As with co-workers, long-term relationships and friendships are fragile right now. Again, be skeptical of your emotions; it's quite possible that you are making mountains out of molehills.

Cooperation, tact, patience, tolerance, and forgiveness are the key-words to make this month pleasant and successful.

Your Personal Month's Compatibility for September is 6 and 2

Nat and Teddy, no two cycles are so fully connected to the heart as the 6 and the 2. This is a combination that generally has only two likely outcomes - one quite favorable and the other decidedly not. There is rarely a middle road for this pairing. Fortunately, the influence of these cycles tends to lean toward the favorable.

It is highly likely you will experience major disagreements during this period, and the way you handle them will make all the difference. It will be important for you to respond to each other from your heart rather than a rational, analytical approach. You might view this cycle as a spiritual and emotional trial. Underlying emotional issues often surface under this combination, sometimes during an argument that at first seems superficial.

Teddy's cycle should find them mainly focused on their own issues. The 2 tends to amplify emotions, so they might experience anxiety, inner turmoil, or self-doubt, which could make them more needy than usual.

Nat, you will also be strongly affected and ruled by the heart, but in a different way. You are more likely to resolve issues by bestowing generous expressions of love. This is probably just what Teddy needs - unless you discount or ignore the reason(s) behind their discomfort. We all want to be taken seriously, even if our reasoning is somewhat superficial. If hearts clash and logic is on

vacation, the result can be damaging.

Your key words for this period are commitment and honesty, along with taking each other's emotions seriously. Teddy should try not to exaggerate them, and you should guard against patronizing.

Nat, your Personal Month for October-2026 is 7

Distance yourself somewhat from the affairs and troubles of other people. During the course of this year you have been asked to help, counsel, and advise others many times. Now, give yourself a break. Spend time alone for contemplation and meditation. Study and reading are also favorable. Your workload does not decrease but much of it is routine and allows you to mentally drift. Still, your mind is sharp, and you can easily concentrate when you want to.

Inner healing takes place. Old wounds may be reopened. There is some sadness and nostalgia, but the healing is real and needed. This is a time of spiritual growth. Postpone decisions regarding financial affairs, if possible, until next month.

Matters of the heart are also a low priority. You are not very clear this month and would rather not be bothered with it. Emphasize your personal well-being. Diet, exercise, and go for walks. Don't distract yourself from soul-searching by watching television or other mind-numbing practices.

In many ways, your experience of this month will set the tone and direction for next year.

Teddy, your Personal Month for October-2026 is 3

You need a break. If possible, take some time off to recharge your batteries. You need sunshine, relaxation, fun, and laughter with friends. The only career aspects favorably highlighted are those related to creativity, and inspiring and motivating those with whom you work. It's a good time to express the thoughts and ideas that you've been thinking about for the past several months. You can make a favorable impression on superiors, even with ideas that are a little daring.

Avoid stress and working under pressure now. The next five months give you the strength to survive and even prosper under pressure but avoid stressful situations this month. Postpone important financial decisions if possible, unless they have to do with "fun projects", such as travel, exercise equipment, creative endeavors, and the like. A modest amount of gambling can be healthy and has a better chance of paying off this month than most other months.

Romance is light and playful. Again, postpone important decisions in the area of romance.

Your Personal Month's Compatibility for October is 7 and 3

Nat and Teddy, the 3 and 7 bring together two vastly different cycles. Your numbers are opposites in the influences they deliver. For Teddy, things should lighten up like the sun breaking through after days of overcast skies. Your 7 indicates you will experience a period of self-awareness and discovery.

These differing moods could make communication difficult, which might be frustrating. Teddy's light-hearted, playful disposition may have trouble relating to your pensive and perhaps even pessimistic outlook (and vice versa).

To offset this concern, do your best to acknowledge and respond to one another's concerns. Express your love, reach out, and give each other room to explore individual interests.

Teddy needs to understand that the quiet, introverted mood affecting you is temporary and necessary. You should try not to be irritated by their upbeat attitude, which may appear superficial to you.

This cycle combination can have a negative effect on relationships. If you feel that you are approaching a danger zone, share your feelings as promptly and honestly as possible. Although you will both be affected by your individual cycles, you, Nat, are likely to be more strongly impacted.

Do your best to support each other during this period and remember, cycles are temporary by nature. Patience and tolerance are the key words for both of you.

Nat, your Personal Month for November-2026 is 8

November is an excellent time for business ventures, financial affairs, and all things related to the material world. You receive recognition for past effort in the form of financial rewards, respect, and possibly promotion. Implement any changes you have been considering in your business affairs.

As always, when the 8 shows up in the chart, a certain amount of balancing takes place. Punishment and reward are both possible. If you have put out sincere effort, the reward will be there. However, for some people, an 8 month may bring bad news, after all, the 8 is balance, including the balance between effort and reward.

This is a good time to straighten out financial dealings you may have with friends or relatives as well. This is not a good time to go into debt. But it is a good time for love. Strong feelings and passionate exchanges on the emotional and physical level make this an exciting month.

Teddy, your Personal Month for November-2026 is 4

November is time to get down to business, to focus on work, and finish anything left undone. Pay attention to the details; don't procrastinate; don't cut corners. Get the picture? You are laying a foundation for the future, proving to yourself and others that you are worthy of the responsibilities and challenges you have taken on.

Your energy is strong and focused. You can concentrate even when work becomes routine and boring. You are in a crucial stage in your life, but you've got the energy and a take-no-prisoners attitude that will lead you to success. The best way to balance such determination is to get in touch with nature: take a walk in the woods; sit at the edge of the lake; feel the earth and your connection with it.

If you have recently become involved in a romance, this month will bring commitment and stability to the relationship.

Your Personal Month's Compatibility for November is 8 and 4

Nat and Teddy, this cycle's combination can be either positive or quite negative. There is usually no middle ground.

Teddy might feel like they are slogging through mud in heavy boots - there is progress, but it may feel excruciatingly slow and require considerable effort. Your experience should be just the opposite, where it feels as if everything is there for the taking.

In a relationship, this combination can bring out the best in each of you or enhance your negative traits. For example, your optimistic, ambitious attitude could either be irritating to Teddy or help to alleviate periods of frustration and anxiety. And Teddy's effort and methodical approach could be an inspiring influence on you or put a damper on your dynamic energy.

To top it off, it is likely you will both be able to clearly recognize the effect you have on each other during this period. As a result, you will either feel love and appreciation or irritation and blame, depending on the way you respond to one another.

The key to getting the most out of this cycle is to be sensitive to each other's needs and state of mind. Try not to get so caught up in your own world that you lose touch with theirs.

Nat, your Personal Month for December-2026 is 9

December is the second time this year that some letting go has to be done. A relationship is going to end. This can cause some distress, but there are also feelings of gratitude. Your feelings run deep, but you have difficulty expressing them. You feel vulnerable and emotional. You are attracted to giving your time and energy to something outside of yourself. Clean out the garage or attic and donate the excess to charity.

There are changes in the work situation, such as a shift in personnel. In a strange turn of events, you may find yourself having to defend your actions and motivations. Your honesty may be questioned. If you are single, you may meet someone later this month. If you are committed, you may feel you are involved in a roller-coaster kind of relationship. Not to worry, things calm down by the end of the month.

Teddy, your Personal Month for December-2026 is 5

December brings changes and restlessness. You feel a need to be with others, to be social, to laugh and talk and enjoy yourself. You receive opportunities to travel and will meet a new and exciting person on a trip away from home. This person inspires and motivates you to try something new, to get off the beaten path and take a chance.

This is a month that could bring quite a few surprises, most of which invigorate you. It is a dynamic time that brings information and knowledge from unexpected sources. You want change. You are ready to try a new direction, which causes you to see your career with new eyes. You are in an adventurous mode and willing to take a risk.

This month requires courage and flexibility. There are new opportunities awaiting you and it is up to you to prevent them from slipping by.

Your love relationship is in a vulnerable state, and some suppressed anxieties need to be released. You are somewhat impulsive and may need to force yourself to slow down. You experience a bit of self-indulgence. There is a need for self-discipline.

Your Personal Month's Compatibility for December is 9 and 5

Nat and Teddy, this cycle combination can be quite challenging. It is likely to be a trying time for you Nat, as you question where to go next. Moreover, there may be few answers for many of your doubts and questions during this period. Your 9 brings the end of a cycle, which could make you feel a little worn out, emotional, or vulnerable. Do your best to stay positive; your next cycle should deliver a much more uplifting, inspiring, and powerful energy.

Teddy should find a period with more energy (and less patience) than usual. Their 5 delivers dynamic drive and probably a change or two. Their ability to bring excitement and enthusiasm into the relationship could be an excellent tonic for you.

Both, the 5 and 9 cycles are about change; however, they are quite different in the way we experience them. The changes brought by the 5 tend to be the result of excitement, enthusiasm, and a desire to stir things up. Your 9 cycle has more to do with your personal evolution, the never-ending process of maturing.

The most important ingredient in making this cycle as beneficial as possible is patience. You will need it during situations that may seem unclear, and Teddy will need to muster it to support you. If things get a bit challenging, keep in mind that although this cycle may not feel particularly compatible, every cycle is temporary.
