By Master Numerologist Hans Decoz

THE POWER AND LIMITATIONS OF NUMEROLOGY

Numerology is an art thousands of years in the making. Like any Metaphysical science, it hinges on the understanding that all things are interconnected. Your numerology profile analyzes the connection between the letters and numbers linked to you, revealing your talents, strengths, weaknesses, emotions, preferences, and a range of other qualities.

To use an analogy, think of numerology's nine single-digit numbers as nine tubes of paint, each a distinctly different color. Imagine you are a work of art painted by a master artist who used every color available to create your image. The depiction is unique and complex: a fusion of bright and subdued colors, shapes and shadows, light and reflection, subtle and bold textures. The deeper you look, the more you perceive and appreciate the many layers that makeup who you are.

A comprehensive numerology profile, along with your honest reflection, can be a powerful self-help tool in identifying underlying traits and new possibilities. The better you know yourself, the more control you have over life's changes and the greater your potential for a successful, fulfilled life. Numerology is not infallible, nor does it promise to answer every question, but I feel confident you will find many things to contemplate in the following pages. You are unique, and so is your Profile.

I hope you enjoy your reading and will find it beneficial to your path of personal growth and insight.

PART I: ABOUT YOU

Your Personality Profile is based on your full name at birth, your current name, and your date of birth. Your full name tells us who you are; think of it as your numerology-DNA. Your date of birth reveals your path and the patterns of your personal growth.

HOW YOUR NAME NUMBERS STACK UP

Owen, we begin by taking a quick snapshot, a look at the influence and meaning of the three core numbers derived from your name. Your Expression number is the sum of the value of all the letters in your full name at birth. Your Heart's Desire is the sum of the vowels. Your Personality number is the sum of the consonants. These three numbers are closely linked and influence one another.

All the numbers derived from your name reflect YOU. They are a blueprint of your talents, shortcomings, character traits, and other qualities. You should realize that this is a limited perspective. Later chapters focus on the challenges and opportunities you will encounter on your path, and attributes you may acquire as time passes.

This first chapter is like a glance from a distance, followed by three chapters that explain the meaning of each number in more detail. We will gradually build a more complete picture of the complex and unique individual you are.

Your Core Name Numbers are 1, 8, 2

When the 1, 2, and 8 team up, the potential to achieve greatness in a career is increased. Both the 1 and 8 are driven to overcome obstacles through effort and determination.

Coasting through life is enough for some people, but your numbers suggest that isn't an option for you. You may feel you get more than your fair share of difficulty and challenge, but the truth is you subconsciously seek them out.

Owen, your 1 Expression and 2 Personality are opposites that sometimes conflict, and at other times complement each other. The cooperative, diplomatic 2 pulls you one way, while the confrontational, take-the-bull-by-the-horns attitude of your 1 Expression pulls you in the opposite

direction. This may cause moments of self-doubt.

Fortunately, your 8 Heart's Desire is the perfect third partner in this line up, bringing focus and a clear set of goals. Because it's your Heart's Desire number, it's the main motivation behind the decisions you make. This addition positively affects the relationship between the opposing forces of your 1 Expression and 2 Personality. It contributes balance and harmony, similar to a third sibling who plays peacemaker between two others.

In addition, the tact and diplomacy of your 2 Personality - a human resource number par excellence - will help the 8 circumvent the usual people-related pitfalls. When you combine these qualities, no goal should be out of reach.

If you are unable to keep the opposing forces from colliding, however, you will find it increasingly difficult to accomplish your objective. For a good indicator of how well you are doing in that respect, look at your general state of mind. If you usually feel calm and level headed, you are finding a balance between these potentially conflicting aspects. If you are often impatient or irritated, try allowing the gentle 2 to play a larger role in your life, as it is likely being dominated by your aggressive 1 Expression.

In your personal life finding a balance between your core numbers is the key to having happy and harmonious relationships.

Now let's look at each of your core numbers individually.

THE EXPRESSION

Your Expression number, calculated from your full name at birth, reveals the orientation or goal of your life. Some numerologists refer to this as your Destiny number because it represents a lifelong target at which you are aiming. Thus, the Expression number, to some extent, reveals the person you aim to be.

Your Expression is the most influential of the three characteristics that make up who you are. It is also the number with the most influence on your choice of career, although other aspects are important as well.

Your Expression is 10/1

You are a natural leader, independent and individualistic. You are extremely ambitious, original, and courageous. You employ new and unproven methods. You are an explorer and an innovator. Openness to too many peripheral influences limits and frustrates you. You are self-reliant, confident, and energetic. You easily assume the role of protector. You

spring into action when leadership is needed.

You possess executive abilities and are most successful at owning or independently managing a business. You need the freedom to make your decisions, based on your ideas. You can be an astute politician. You also possess the ability to influence the opinions of your milieu.

The number 1 symbolizes the front-runner, pioneer, warrior, risk-taker, and daredevil. Generals, top politicians, successful businessmen, self-made millionaires, religious leaders, inventors, activists, and avant-garde artists are often born with a 1 Expression.

Strength and perseverance are central to your success. You must be willing to travel the frontiers of life, away from the beaten path. You possess a great reserve of willpower that must be directed at your goals. You do not give up, but relentlessly pursue your aims.

You are quite opinionated. People tend to be inspired or repelled by your strong personality. You have great powers of concentration and the ability to visualize your goals, thus making them more attainable. You stand up for your convictions and hold your ground. All of these abilities enhance your chances of success in life.

There is a tendency to be self-centered. You can be domineering and, in the extreme, a bully. You can be highly critical of others, complaining that people lack the industry or determination you possess. But this lack of understanding can alienate friends and family members from you. You must learn to control this tendency to maintain harmony in relationships. Once you are convinced of the inherent correctness of your ideas, you stubbornly -- and sometimes rigidly -- defend and propagate them. Avoid obstinacy and antagonism. You must cultivate balance, compassion, and perseverance.

Pride can be your downfall. You so powerfully identify with your goals and ambitions, you sometimes refuse to see a potential flaw or weakness in your well-laid plans.

You possess strength and determination, which, when applied to any endeavor you are committed to, will lead you to great success in life.

THE HEART'S DESIRE (A.K.A. SOUL URGE)

The Expression number described above points to a more productive side of your life. Your Heart's Desire, also called Soul Urge number, reflects a deeper, inner you; it suggests an underlying urge, your true motivation, and the general intention behind many of your actions. It reveals the environment and lifestyle you prefer, as well as your likes, dislikes, and the type of people you are drawn to. Consequently, it dramatically influences the choices you make in life.

It makes sense that the vowels of your name are the foundation for your Heart's Desire. Vowels are the peaks and valleys of a language. Notice how vowels leave your mouth in a free-flowing

breath. Try it: Aaaa.... Eeee.... Oooo.. Consonants though, are cut off either at the beginning or in the end.

You might say that it is in the flow of your breath that you express your deeper self.

Your Heart's Desire number is 17/8

You want success in its fullest meaning: wealth, power, and material comforts. You have an enormous ambition. You dream of big projects, great undertakings, and rewards. You are a visionary. You see the horizon and the promise.

In general, you also see the methods necessary to fulfill that promise. But you are not especially good with details; you need others to help you deal with the smaller parts of the picture.

Your challenge is to make full use of the full spectrum of your abilities, as indicated by your other core numbers. In the same way, you must bring forth the best from others and orchestrate their talents toward the realization of your vision. In short, you must lead by example, demonstrating the standard for commitment, determination, and excellence.

All of this requires effort on your part. You will meet with obstacles and difficulties. Your determination and commitment will be tested. But you have the power to overcome every obstacle you face and accomplish the goal you've set for yourself.

Your task in life is to learn to use power in refined and elevated ways. The expression and use of power are directly related to one's personal evolution. The more primitive uses of power rest with violence and the threat of deprivation. The higher expressions depend upon your capacity to care for and nourish the people and projects in your charge, giving each exactly what is needed at the appropriate time and in appropriate amounts.

You have a creative mind and an unusual approach to business and problem-solving. You need to cultivate your ability to evaluate others. It is essential for you to be involved in a project that challenges you and offers the potential for rewards. When you are uninvolved or unoccupied with a worthwhile task, you can become deeply despondent, depressed, and frustrated. You are the perfect example of the old platitude, "Idle hands are the devil's workshop."

Without a challenge, you can lose balance in life and become selfish, cruel, and even self-destructive. Disappointments become shattering, causing terrible consequences in self-image and self-love. Perspective is everything for you. You have a natural talent for balancing the spiritual and material planes.

You need to cultivate courage and stamina. Courage is a choice. You need to decide to be brave in the face of fear. A balanced 8 is among the most powerful and satisfying of numbers. It is the spirit of the true survivor, able to bounce back and achieve a greater victory.

THE PERSONALITY

The consonants of your full name at birth are the foundation of your Personality number, which is a little like a narrow entrance hall to the great room that is your true nature. It's the outer layer of your personality, the part you feel comfortable sharing. With time and trust, you invite others into

the deeper aspects of your nature.

Your Personality number serves as a censoring device in terms of what you send out, as well as whom and what you allow to approach. For this reason, your Personality is usually narrower and more protective in its definition than the real you. It also gives an indication of how others perceive you.

Your Personality number is 2

You appear friendly and unpretentious. You have a soft and warm exterior. Others perceive you as gentle, safe harbor. People are drawn to you because, among other reasons, you appear warm and unthreatening.

Your dress is neat and clean. Your clothing should be comfortable, soft, and flowing. You should avoid plain and understated clothes. Try to be a little more daring and exciting in your appearance. This will balance nicely with your perceptive and open personality.

You are very patient and understanding, and a wonderful listener. You make others feel important and loved. You are sensitive and become tense in a disharmonious atmosphere. You have experienced quite a bit of negative criticism as a child, which made you shy growing up. Though you may be well past that shyness, a bit of the vulnerability has remained with you and is often sensed by others.

You are a peacemaker. Arguments leave you drained. People sense your desire for harmony. But you must avoid being the blank tablet for others' projections. People may underestimate your strength, but this is a mistake. You are strong. You bend, but don't break. Exercise is important to your appearance and to promote the level of strength you radiate.

You have a fine sense of beauty and excellent taste. There is a grace in your movements, reflecting your keen sense of harmony and refinement. The opposite sex is attracted to your gentle and attentive nature yet senses the passion beneath your surface. You have sex appeal.

THE HEART'S DESIRE - PERSONALITY BRIDGE

A Bridge number is based on the numerical difference between two closely related aspects in your chart. It is the gap you need to "bridge" in order to create a more harmonious bond between the two areas.

The following Bridge number connects your Heart's Desire and Personality numbers. It suggests things you can do to help your deeper self to align more closely with your personality; the "outer"

you that is apparent to others.

With a little exaggeration, you could say that your Personality number is somewhat like your mask; it's a more superficial aspect you reveal to the world. You can imagine how much more comfortable and less inhibited the experience of life becomes when you can align your authentic self with the personality you show to the world.

Your Heart's Desire - Personality Bridge number is 6

This bridge can only be built through service, more involvement with family and community affairs, and a greater sense of responsibility. You should allow your creativity to flow more freely.

This bridge number often creates eccentrics - people who are highly inventive and unconventional.

PART IV: SPECIFICS ABOUT YOU

Although the following chapters deal with less dominant aspects of your chart, they are more narrowly defined and specific in the ways they affect you.

PLANES OF EXPRESSION; THE PHYSICAL PLANE

You experience life on four different levels: physical, mental, emotional, and intuitive. Your Planes of Expression indicate how you function on each of these planes.

Your physical plane links you to the material world.

Your mental plane, like the emotional and intuitive, perceives the invisible world; the realm of thought and reason.

Your emotional plane is preoccupied exclusively with feelings.

Your intuitive plane gives you access to the insight and knowledge that comes effortlessly as if placed at the doorstep of your mind.

In each category, the number of letters, and their numerical value, gives an indication of which Planes of Expression are stronger in you and which are weaker. Each of us is dominated by one or two of the first three planes. The physical and mental are the most widely used, although a name dominated by emotional letters is not uncommon. The intuitive plane is usually the least utilized. A name dominated by intuitive letters is extremely rare but having no intuitive letters in a name does occur. This does not mean a lack of intuition but points toward a tendency to ignore or distrust intuitive insights.

The Physical Plane represents the physical letters in your name.

Your Physical Plane of Expression is 19/10/1

You are active and inspiring; you are daring in business and other areas of life. You have strong likes and dislikes and live according to your opinions. You are charming and witty but get bored easily. You work hard and determined and are very goal-oriented. You thrive on the combination of enthusiasm and challenges, the lack of which makes you dull and disinterested. You are like a flare, burning brightly for a specific duration, but must move on to other projects in order to sustain your excitement.

THE MENTAL PLANE

The Mental Plane is based on the mental letters in your name.

Your Mental Plane of Expression is 14/5

Owen, you have a quick and highly versatile mind. You can absorb great quantities of information quickly and retain the important points. You are impatient with routine procedures and will rebel if forced to conform to any existing pattern for very long. You like to be involved in several projects at the same time. You are dynamic and resourceful.

THE EMOTIONAL PLANE

It is not uncommon for a person to have a name dominated by emotional letters.

Your Emotional Plane of Expression is 28/10/1

You are highly emotional, even mercurial. You experience much nervous tension and can be high strung. You are roused to love and anger quickly. You can be stubborn and proud. You can become personally and emotionally identified with a particular project or person to the point that you become deeply attached and even possessive.

You are demanding in close associations, especially in love and marriage. If not careful, you can easily be domineering. You need a strong willed yet flexible person as a spouse.

THE INTUITIVE PLANE

A name dominated by Intuitive letters is extremely rare. It is, however, not at all uncommon not to have any intuitive letters.

Your Intuitive Plane of Expression is 3

You are very original, imaginative and sometimes have fantastic ideas about spiritual matters. You are very artistic and inspiring. You have a talent with words and may be drawn to the pulpit.

Your intuition is above average, but you tend to color and exaggerate your insights.

THE RATIONAL THOUGHT NUMBER

Your Rational Thought number comes from combining the sum of your birthday number with the sum of your first name. It reveals the style or process you use when making choices or considering a problem. Are you a structured, logical thinker or do you ponder a question in a creative, abstract manner? Do you daydream or stick to deductive reasoning?

Your Rational Thought number suggests the general approach you take in your thought process.

Your Rational Thought number is 4

You are the practical, methodical thinker. You think things through step by step, and you are almost always well-prepared when others question your reasoning. You may be a little rigid in your approach and you tend to be uncomfortable with new, unproven ideas. You avoid risks, in favor of established procedures. You

have no desire to reinvent the wheel.

Others tend to trust your judgments and value your participation, in particular because you often function as the proverbial rock in rough waters. You are a stabilizing voice when involved in team projects, especially when chaos tends to take over.

THE BALANCE NUMBER

Your Balance number provides guidance on how to best deal with difficult situations.

People experience a variety of internal responses to life's challenges. Some step back from difficult situations to ponder a course of action while others withdraw to avoid uncomfortable emotions. Some explode with anger but allow the outburst to pass quickly while others let their

feelings linger.

Very often, these are conditioned responses that emerge without thought or analysis. With maturity and self-development, we incorporate new and more effective methods of handling situations we encounter.

Your Balance number is 1

Draw strength from yourself, Owen, but be more willing to share your troubles with friends and family. You can be a loner in the face of problems. This can isolate you during troubled times. Be open to the advice of others. This will widen your perspective on the problem and give you fresh information on which to base your approach.

Strength, creativity, and courage are the arms with which you will win the war.

THE HIDDEN PASSION

Your Hidden Passion reveals specific strengths or talents that are available to you, such as a specific field of expertise or (as the name implies) a passion. Metaphorically, this talent or passion may be seen as having a power all its own to help shape your life.

Having a talent demands that you nurture and express it. Your Hidden Passion gives you the desire to develop and express your particular ability. In this way, it shapes your personality and guides your life.

Your Hidden Passion number is 5

You love travel, change, and new challenges. You are highly adaptable and versatile. You have a talent for languages and are generally good with words. Writing, promotion, and public relations work suit you perfectly. You are resourceful and original. You have a good sense of humor and a quick tongue.

You are sensual and a bit impulsive. You love to satisfy your senses, which can get you into trouble. Overindulgence in food, drink, sex, and drugs are common among people with too many 5s -- six or more.

Your desire for freedom is extremely strong and it will take effort and discipline to stick with whatever it is you started. There is a tendency to give up a project or situation prematurely. Owen,

you may be interested in too many things, which can make it hard for you to apply yourself to one area successfully.

Commitment in relationships and your work is fundamental to your happiness. You may tend to wander from person to person, job to job, making depth of relationship or deep expertise difficult.

KARMIC LESSONS

Karmic lessons are recognized by the absence of certain letters in your name and describe areas we are weak in that require recognition and effort to overcome.

The letters in your name point to talents and abilities that you possess; tools that are available to you. Missing letters imply tools that are unavailable, they must be learned and mastered during your lifetime.

You can have more than one Karmic Lesson or, if every number is represented your name, you don't have any.

Although you may feel you have learned to overcome one or more of your Karmic Lessons, you will continue to be challenged by them throughout your life.

Your Karmic Lesson is 7

You need to deepen your knowledge and talents in a specific discipline. You lack the will or determination to perfect yourself or a specific talent you possess. You must learn to be your own critic, without self-condemnation, in order to bring your abilities to their full development. You will learn not to take things at face value. A superficial understanding of important matters will prevent you from experiencing the satisfaction of your true potential.

The effects of this Karmic Lesson are diminished if you have at least one 7 among your core numbers (Life Path, Birthday, Hearts Desire, Expression, or Personality Number).

THE CORNERSTONE

The first letter of your first name gives an additional indication of your character, particularly in the way you approach opportunities and obstacles. This first letter is called your Cornerstone.

Your Cornerstone is O

You have willpower, religious convictions, and high moral standards. You are patient and thorough when preparing yourself for some new venture. You respect rules and regulations. You are emotional and have to guard against jealousy. You are given to spells of brooding and imaginings.

THE SUBCONSCIOUS SELF

Your Subconscious Self is based on how many numbers are represented in your name, and indicates your ability to make the most of your talents and opportunities, especially when you face new, challenging, or even dangerous circumstances.

Your Subconscious Self number is 8

You handle unexpected situations in an efficient manner and often manage to get the best out of it. You learn quickly and usually do not repeat the same mistakes. You want to be rewarded for your efforts and relate your success to the material aspects.

You are dependable and solid in almost any kind of situation. You do not panic or scare easily. You have a business-like attitude to problems and realize quickly what needs to be done. You have a good understanding of money and matter. You are a survivor. You show leadership and organization and are physically courageous and competent.

YOUR PERSONALITY PROFILE AND YEARLY FORECAST

PART 1: ABOUT YOU

Just as your DNA determines your physical body; a blueprint of your personality is an inborn part of you from the very beginning. Your Profile begins with insight gleaned from your name because that is where we learn WHO you are. It describes the talents, strengths, and other distinct characteristics you were born with.

PART 2: YOUR PATH

Just as your physical body grows and changes with time, so does your personality. Your personal evolution begins at the moment of your birth. From that point on, the choices you make, the goals you set, your environment, opportunities, challenges, the influence of others, and a thousand other factors alter who you become.

PART 3: YOUR PATH AND YOU

This section looks at how your name numbers (you) and your birthdate numbers (your path) work together to guide your personal growth and the changes you experience.

PART 4: SPECIFICS ABOUT YOU

Certain numbers in your chart affect you in a clearly defined, narrow way, such as your Balance number, which lays dormant until you enter a time when you are off-balance; when discord dominates your life.

PART 5: HOW YOUR CURRENT NAME AFFECTS YOU

The name you use on a daily basis, the way you introduce yourself in a social setting, has a unique affect on your life in that it, more than anything else, reveals how you feel yourself; who YOU think you are and what you represent.

PART 6: YOUR FUTURE

This part of the report tells you what your cycles are for the current year and next year, and how it will affect your life.

PART II: THE PATH YOU ARE ON

If there was ever a moment of transformation, it was the moment of your birth. In that instant, you stepped into a new reality - the reality of human life and human consciousness. Even at that moment you were a person with your own unique character, as unique as your DNA. The previous chapters focused on YOU, the person you are, as revealed in the letters of your name. It is now time to look at your Path, the road you walk through life, using the numbers found in your date of birth.

Your first breath marked the beginning of your journey on the road we call your Life Path. It makes sense, then, that the most important number in your numerology chart comes from the date of your birth. Your Life Path number gives a broad outline of the opportunities, challenges, and lessons you encounter throughout your life. It also reveals the strengths, specific talents, and characteristics you were given to help you overcome challenges and evolve into the best you can be.

THE LIFE PATH

Your Life Path number is considered the single most significant information available in your Personality Chart. It is derived from the total of all numbers found in your date of birth. However, it is important to keep in mind that the aspects described in the next few chapters will either complement, supplement, or sometimes weaken the attributes revealed in numbers derived from your name.

Your Life Path number is 6

You possess great compassion and seek to be of service to others. You have concern for the weak and the downtrodden. You are a healer and a helper to others. You are capable of giving comfort to those in need and will frequently offer a shoulder for others to cry on. Your task in life is to develop the tools necessary to be truly helpful to others, rather than to simply be a sympathetic ear.

You must find the balance between help and interference. In the same way, you must learn the delicate art of the counselor who knows when to leave the struggle to others and when to avoid taking away the necessary experiences and lessons of life. You are naturally balanced. Therefore,

you are well equipped to support and ground others in times of trial.

It is in your nature to take on responsibility -- you often fill the void left by others -- and do not turn away from personal sacrifice. At times, you may feel overburdened by the travails of others. However, the love others bestow upon you is your well-deserved reward. You try to maintain harmony within the family or group, balancing and fusing divergent forces. You seek marriage and are often a wonderful parent, offering warmth, protection, and understanding to children.

You are generous, kind, and attractive. You are often admired even adored which baffles you. You are humble and yet you carry a deep pride. You move well and gracefully but will have to work to stay in shape. Seek out physical exercise and limit the sweets and dairy you crave to keep yourself from becoming plump and round.

When young, you must be careful not to choose partners for the wrong reasons. Do not let sentimentality influence your decision, especially those involving the choice of a spouse. You need to be needed but must learn to discriminate between those you can help and others who are made weaker by your care. After all, it is in your nature to be attracted to the weaker brothers and sisters among us.

The temptation, and the danger for you, is to think of yourself as the savior of the world, carrying the burdens of others on your shoulders.

You are blessed with musical talent, as well as in the visual and performing arts. However, your creativity may well be suppressed due to your willingness to sacrifice, or your inability to fully appreciate your talents.

This is not to say that you cannot excel in these areas; on the contrary, you have the talent, and with effort you can make a success in a number of artistic fields. You also have enormous talent in business. You are blessed with a great deal of charm and charisma, which you use effectively to attract the people and support you need.

THE BIRTH DAY NUMBER

The day you were born bears great significance in understanding who you are and where your talents lie. Your day of birth indicates special talents you possess. It gives us an indication of the approach you will take toward the goals, opportunities and obstacles you encounter on your Life's Path.

Your Birth Day number is 19/1

You are a leader. You have a great ambition and a strong drive for success. You are highly independent and dislike the restrictions of having to work with others. You easily become frustrated with the routine. You are a pioneer, a gambler, and an initiator. You are very creative; you possess a keen and rapid mind.

You have excellent business instincts and with the appropriate training can run large organizations and big businesses. You use information for a specific purpose. Knowledge is a practical tool in your hands; you dislike information or knowledge for its own sake. You possess a broad vision and a great capacity for motivating others. You have great will power that will be tested, especially during the years 28 to 56. But your opportunity for accomplishment is enormous.

You are generally open to the ideas of others, but you can be extremely stubborn and hardheaded once you become attached to your plans.

Avoid laziness and procrastination. You are given to anger and frustration and tend to force the issue at times when things are not developing as rapidly as you would like.

Your determination, will power, and inventiveness are the keys to your success and will likely bring you much personal reward and financial success.

THE LIFE PATH - BIRTH DAY BRIDGE

Your Life Path and Birthday numbers are closely connected and influence each other. This Bridge explains how you can make the connection between them more harmonious.

Your Life Path - Birthday Bridge number is 5

Your Life Path and Birth Day numbers indicate that having a more dynamic, sometimes even impulsive, approach to events and opportunities may help you progress more quickly and smoothly. This does not mean you should ignore common sense and due diligence, but with a 5 Bridge you can afford to have more faith in your gut feelings.

For most people, when things happen rapidly and we have little control over events, it can confuse and even paralyze our ability to move forward. In contrast, you actually do well in hectic, chaotic situations. Your first impression is usually correct, and your first choice is often your best option.

CHALLENGES; YOUR FIRST CHALLENGE

You face four specific Challenges in your lifetime. For many of us, the same challenge is repeated, while others have four distinctly different lessons to learn.

These Challenges place you in situations that require you to face the particular lesson at hand. This provides an opportunity for you to learn or better integrate personal traits that will benefit you during the lesson, and throughout your life.

The four Challenges in your chart will influence you during the periods of your life listed below.

The duration of your First Challenge usually lasts from birth until age 30 to 35.

Your First Challenge is 1

You must learn to be independent. You will be forced to stand up for yourself and your rights. You will be faced with situations in which you will have to choose between standing up for what you think is right versus giving in to another person's demands. You will have to struggle to strengthen and know your own will power.

You will have to learn to be firm and trust your judgment. Don't run with the crowd, be an individual.

This whole lesson represents the frontiers of your consciousness. Therefore, you will have to experience much trial and error, sometimes exploding with bursts of aggression, other times being intimidated and letting frustration and anger build within you until you are ready to act on your deepest instincts. You will learn your own set of values; you will develop into an individual with original and innovative ideas.

THE SECOND CHALLENGE

Your Second Challenge is in place from approximately age 30 through 55.

Your Second Challenge is 2

You are overly sensitive and too aware of other peoples' expectations. You suppress yourself to avoid feeling conspicuous. You can be overwhelmed by self-consciousness. You fear gossip about you. As a result, you become inhibited. All of this results in a suppression of your own individuality and uniqueness. You

yearn to blend into the crowd.

You let your own feelings and emotions play too big a role. Your hypersensitivity causes fear, timidity and lack of self-confidence. And you experience unnecessary fear and emotional turmoil.

Little things seem disproportionately difficult to overcome and sometimes have a paralyzing effect. Jealousy can cause much pain and misunderstanding.

These negative aspects of the challenge actually spring in part from positive characteristics you possess, especially your acute awareness and intuition. You are an antenna for other people's feelings; you know before a word is spoken how they feel.

You lack the inner strength to maintain your own center and try to conform to the prevailing emotional atmosphere.

This challenge makes you understanding and compassionate; you have an enormous empathy for the inner turmoil of others and can do much good for people with emotional problems.

THE THIRD AND MAIN CHALLENGE

This Challenge carries much weight and will be felt throughout your life. For that reason, it is also called the Main Challenge.

As you master this challenge and incorporate its positive aspects into your character, your life gradually feels more in control. There is a chance for great reward implicit in this challenge. In short, it may offer the secret to your success.

Your Third and Main Challenge is 1

Owen, you are repeating your First Challenge

THE FOURTH CHALLENGE

Your Fourth Challenge is most strongly felt during the latter part of your life, beginning at approximately age of 60.

PART III: YOUR PATH AND YOU

We have focused on the letters of your name and the numbers from your date of birth. We will now look at numbers in your chart derived from the combination of both your name and the date of your birth. Acquiring the attributes described in the next few chapters will help smooth your progress. As you learn more about yourself, you may begin to recognize traits you were previously unaware of.

THE LIFE PATH - EXPRESSION BRIDGE NUMBER

This Bridge has the potential to "close the gap" between the Life Path and the Expression numbers. The chapter explains how you can make your talents, strengths, and specific abilities (your Expression number) more readily available and fitting to your goals and personal growth.

Your Life Path - Expression Bridge number is 5

Your 5 bridge suggests you a need to be more flexible and adaptable. Be willing to go out on a limb; try being more adventurous and unconventional. A dynamic approach will be helpful in the challenges and opportunities you encounter, especially when your career is involved. (This is less the case in your personal life.) Make freedom, and freedom of expression, a high priority in your life.

Your strength lies in using your creative talents in a business-oriented manner. Your weakness is your tendency to suppress your creativity in favor of proven methods, even if you know there are better ways. Don't be afraid to make waves.

PERIOD CYCLES; YOUR FIRST PERIOD CYCLE

Like most stories, there are three distinct stages of your life. Your First, Second, and Third Period Cycles come from your month, day, and year of birth respectively. Together they form the foundation of your Life's Path.

The First Cycle begins in childhood and lasts through your late 20's. It's a quest for knowledge and identity while you cope with the powerful forces that are present in your environment. These forces include your parents and the socio-economic conditions of your family, for example.

The Second Cycle covers the middle period of your life, bringing about the slow emergence of your individual and creative talents. This cycle begins in the early and mid-30's while struggling to find your place in the world. The late 30's, 40's, and 50's, bring a greater degree of self-mastery and influence over your environment.

The Third Cycle starts approximately age 55, and represents a flowering of your inner self as your true nature comes to fruition. It is during this period that you have the greatest degree of power and self-expression.

Your First Period Cycle runs from birth until your mid 30's.

Your First Period Cycle is 2 and lasts until age 30

The first part of your life is a period of slow and patient development. You are acutely sensitive to your surroundings and highly intuitive. You possess a gift for peacemaking and possess tremendous power through the art of gentle persuasion. This is a time to cultivate the talents of tact and diplomacy, and to cooperate with others. Partnerships are important, requiring understanding and compromise. Patience and flexibility are required. You are under a gentle and benevolent influence in which others are happy to support you.

Musical and other artistic talents likely come to fruition. This is a period for seeking beauty and harmonious environments, spending time in nature, and enjoying the peace of close companionship. A time of slow but steady progress.

SECOND PERIOD CYCLE

Your Second Period Cycle runs from your mid 30's until your late 50's.

Your Second Period Cycle is 1

The middle years of your life (approximately ages 30 to 60) find you on an intense path of personal growth. You are required to adapt frequently to the many ups and downs in your life.

When 1 rules the second Period Cycle it focuses on self-empowerment. To facilitate this, situations occur that force you to dig deep to find the courage required to face your challenges. You have love and support, but circumstances will often demand that you rely heavily on your own strengths.

Fortunately, throughout this approximately thirty-year period, you often have confirmation that your gut feelings are correct and feel you are moving in the right direction. You will likely find yourself in a leadership position, strengthening your self-confidence even more.

THIRD PERIOD CYCLE

Your Third Period Cycle covers the later part of your life, starting in your early 60's.

Your Third Period Cycle is 3

The latter part of your life finds you "growing older" more slowly than your peers. The excitable, scattered, creative energy of the 3 can resemble an elixir from the fountain of youth. However, there is a tendency to waste time and energy on unproductive projects.

You have many original ideas, but you may have difficulty differentiating between lead balloons and those that can fly. Your 3 energy is uplifting and motivating, which draws people to you. However, staying focused may be a challenge, which could affect your ability to reach your goal.

Your need to express yourself through art, especially the verbal or performing arts increases with age.

PINNACLE CYCLES; YOUR FIRST PINNACLE CYCLE

Although Pinnacle Cycles and Period Cycles are both derived from your date of birth, they differ in the way you experience them. Period Cycles, described above, reflect internal stages of growth. Pinnacle Cycles represent the external influences you encounter in life.

Pinnacles reveal general conditions and events you experience during each period, such as your environment, social conditions, relationships, and changing circumstances. Pinnacles reveal how you might respond to these influences and how they will affect your ever-evolving personality.

The transition from one Pinnacle to the next is usually strongly felt. You begin to feel the transition from one Pinnacle to the next approximately two years in advance. The latter part of that two-year period can be particularly strong. You will likely make life-altering decisions, such as marriage, a job or career change, or major changes in your personal makeup.

Knowing and understanding your approaching Pinnacle number prepares you for the changes ahead. Perhaps the most strongly felt change is the transition from First to Second Pinnacle, which usually takes place in your late 20's or early 30's (the exact date depends on your Life Path number). This is usually a difficult transition but once crossed, provides a clear sense of direction

and a firmer sense of identity.

Your First Pinnacle cycle is 3 and runs from birth until approximately age 30

This is a highly creative period. Your self-expression is greatly enhanced. Your creative and artistic talents will peak. You should do everything possible to refine these abilities and make the most of them. Many under the 3 Pinnacle are drawn to writing, the theater, singing, and dance. Your chances of success are also heightened. Hard work in any artistic field that one has a talent for can result in much reward. This is also a highly social and emotional time. You attract friends and admirers with your charm and gregarious nature. You have the ability to inspire and motivate people. Your upbeat energy causes people to want to work with and for you.

This is a lucky period, as well. You can overcome problems with considerably less effort than in the past. All of this can lead to self-indulgence and lack of productivity. Life is a little easier, which can make you less vigilant. You need focus and discipline. Under the influence of this Pinnacle, hard work is the key and the challenge to making the most of your opportunities.

Be careful of impulsive behavior or doing things on a lark. You must know your limits during this period. Be careful of your money; balance your accounts. Guard against disorderly thinking and behavior. Otherwise, you may do things you regret or simply squander away so many opportunities.

Children born under this Pinnacle must be disciplined and kept from being spoiled. An early education in the arts will inspire the child to make the most of his or her artistic talents.

THE SECOND PINNACLE CYCLE

Your Second Pinnacle Cycle lasts nine years and tends to have a considerable influence on your productive/professional life.

Your Second Pinnacle cycle is 4 and runs from age 30 until age 39

This is a Pinnacle of hard work and many rewards. You have the opportunity to build a foundation that will last. Your ability as an organizer, manager, or simply the rock of any institution is greatly increased. You are dependable and reliable. Your ability to fulfill responsibilities is likewise enhanced. As a result of your industry and perseverance, success is well within your reach. It is a step-by-step process in which you build something by small bricks laid one after another.

You will find yourself caring for others in a very material way. Family and in-laws can be

burdensome, since you are seen as the cornerstone of the foundation.

Your life is preoccupied with details and responsibilities that must be taken care of. You have set in motion projects that are your children, demanding your constant attention. While there are many rewards, there are also many frustrations. Your sense of your own limits and the consuming nature of details may at times seem overwhelming. You must remember that things that last require slow growth. You may mistakenly believe that your progress should be faster or happen with greater ease. The need for efficiency, orderliness, and methodical systems limit your creativity. Your challenge is to be flexible and adaptable. Learn to play more and allow yourself to be more spontaneous.

Children born under this Pinnacle will tend to be serious and affected by the financial limitations of their parents. The child may feel the need to leave home early and start a family of his own. He or she must be encouraged to be more farsighted and flexible. The child should avoid jumping into the harsh realities of life too soon.

THE THIRD PINNACLE CYCLE

Your Third Pinnacle Cycle also lasts nine years. Like your Second Pinnacle, its effect is felt primarily in your career or business environment.

Your Third Pinnacle cycle is 7 and runs from age 39 until age 48

This is a period of inner development and soul searching. Owen, you will deal with the deeply important questions of personal existence and the meaning of life. You will need time to be alone to contemplate your inner world. This is a time of spiritual growth. You will experience a heightened sense of faith. The power of the universe will be the force that carries you along. During this 7 Pinnacle, spiritual growth, increased knowledge, and wisdom are the big rewards. The 7 Pinnacle provides the basis for contentment in older age, because you now begin to understand life more deeply.

You have an enhanced appreciation of poetry and nature. Walks in nature provide great therapeutic value and spiritual nourishment.

This is a time of specialization. You will pursue some course of development with fervor and focus. Your ability to concentrate will be greatly increased. Your desire to study in all forms -- reading, self-reflection, and contemplation -- will reach an all-time high. Your intuition is much more sensitive, making your path a little easier and more direct, since you know intuitively the appropriate next step.

Under this Pinnacle, you will become an expert in one particular field. Your capacity to penetrate the depths of a subject area is enormous. You will look below the surface in virtually everything

you encounter. It is very possible that you will find yourself in a teaching role.

You must consciously work on your closer relationships, especially with your spouse and children. You must explain that your desire to turn inward is not an escape or an avoidance of those you love, but a deep need for knowledge. Your challenge is to avoid becoming critical or cynical of others. You can become so withdrawn from society that you look down on others. You may forget that you, too, are part of the imperfect human race. Sarcasm is the lowest form of communication, and a trap you could fall victim to.

Your desire to attain some high degree of perfection is sincere. But that pursuit can make you miserable if you lose perspective and fail to realize the relativity of human existence. Perfection is a Utopian goal, but an unrealistic ambition. It can cause you to be dissatisfied with yourself and others.

The 7 provides the possibility of true refinement, insight, and a high degree of wisdom. This deep understanding is the basis for self-love and true happiness.

THE FOURTH PINNACLE CYCLE

Your Fourth Pinnacle Cycle lasts for the rest of your life.

Your Fourth Pinnacle cycle is 5 and runs from age 48 until age death.

This is a period that will teach the realities of freedom and expansion. You will travel great distances, meet many new and interesting people, experience many adventures, and essentially come to know the world. You are in a period of accelerated experimentation and learning. Experience is your teacher. Your ability with words is greatly increased. You can write and speak with ease. You are also able to successfully promote yourself. In fact, this is the source of much adventure; new opportunities for work, travel, and exotic experiences present themselves with regularity.

Your challenge is to prevent yourself from becoming a rolling stone. You need to ground yourself in a particular discipline, career, or relationship. This will not limit your freedoms so much as give you a base for operation. Otherwise, you may find yourself skipping from one meaningless job to the next, one superficial relationship after another. You can also fall victim to the abuse of food, alcohol, sex, or drugs. You must accept limitations as a necessary base for your freedom. Freedom cannot exist without limitations, otherwise you would be without identity, and without existence.

You may fear being anchored or tied down, which can cause you to skim the surface of a pursuit you enjoy, or important relationships. You must come to know the true meaning of freedom, which

is unconditional love. You give your love and energy without the condition of holding on to a place, a person, or an occupation; and you expect the same in return -- to be loved for what you are, rather than someone who belongs to another. There is a highly spiritual path offering itself that requires detachment without loss of love. Many turn away from this and instead choose to maintain a superficial relationship with the world, or with other people.

You must cultivate your talents, especially your verbal and writing abilities. You are likely a gifted salesperson, or promoter.

MATURITY NUMBER

Your Maturity number indicates an underlying wish or desire that gradually surfaces at around age 30 to 35. A direction begins to emerge as you gain a better understanding of yourself. With this self-knowledge comes a greater awareness of who you are, and the direction you want to set for your life.

Your Maturity number is 7/7

As you mature, you will become increasingly occupied with the larger questions of life, reading, contemplating and searching for a deeper understanding of who you are and what this life is all about. You may turn to philosophy or religion, but will likely examine a wide array of areas, broadening your knowledge in many

disciplines.

Your intuition grows stronger, as does your ability to look beneath the surface of every subject you study. You are able to analyze abstract questions and live according to your higher ideals. You may find yourself needing more time alone; your need for privacy will likely increase.

If you already have several sevens in your chart, you will have to guard against becoming withdrawn, and alienated. If you have no sevens, you will now have the ability to deepen your understanding of one particular field. You will have the opportunity to become grounded in a particular area of study.

PART V: HOW YOUR CURRENT NAME AFFECTS YOU

The influence of the short name (the name you use to introduce yourself, including your last name) is minor in comparison to your full name. Interestingly, the short name often compensates in some way for numbers, and their related characteristics, that are missing or out of balance in the full name.

THE MINOR EXPRESSION

Your current name forms the basis of your Minor Expression number. It is usually the first and last name you commonly use to introduce yourself (not necessarily the name you received at birth).

The influence of your short name is minor in comparison to your full name. Interestingly, the short name often compensates in some way for letters or numbers missing in the full name.

The name you currently use, also affects how you feel about yourself.

If a name change takes place later in life for marital or for professional reasons, it adds or subtracts certain qualities. It can also focus and intensify existing characteristics or latent talents.

Your Minor Expression is 10/1

This number makes you better equipped for the daily struggle of life. This is a powerful number with good leadership abilities. It is independent, individualistic, original and innovative. It adds courage and a willingness to take risks. This number makes you more determined and goal oriented.

THE MINOR HEART'S DESIRE

The vowels of the name you currently use to introduce yourself are the basis of your Minor Heart's Desire number.

Your Minor Heart's Desire is 17/8

Your Minor Heart's Desire increases your ambition and inner strength. Your ability to deal with business, managerial, and organizational matters is enhanced. You are able to focus on your goals and apply the necessary determination and effort to realize them. Your shortened name increases your capacity for leadership and personal power. It makes you more conscious of material wealth. You are more willing to work hard to improve your status or financial position.

Your shortened name makes you more aware of being a good judge of character, and you are willing to work on this talent. This results in becoming a shrewd judge of others and a better negotiator.

THE MINOR PERSONALITY

Your Minor Personality is based on the consonants of your current name and reflects, at least to some extent, how you think, or hope, others might perceive you.

Your Minor Personality is 2

Owen, you appear friendly and unpretentious. You have a soft and warm exterior. Others perceive you as gentle, safe harbor. People are drawn to you because, among other reasons, you appear warm and unthreatening.

You are patient and understanding, and a wonderful listener. You make others feel important and loved. You are sensitive and become tense in a disharmonious atmosphere. You have experienced quite a bit of negative criticism as a child, which made you shy growing up. Though you may be well past that shyness, a bit of the vulnerability has remained with you and is often sensed by others.

PART VI: YOUR FUTURE

The next chapters deal with your ever-changing cycles and how they affect you.

YOUR PHYSICAL TRANSIT

The individual letters of your name are used to find your Transits.

Your name is like music that vibrates in time; each note, or letter, has a specific duration and influence over the course of your life.

Your life can, therefore, be seen as a musical score, with individual letters making specific contributions at given points, just as notes in a musical piece give it its rhythm, character, and nuance.

The Transits appear as part of your Progressive Chart and will tell you much about specific influences taking place in your life during given years.

Your Physical Transit for age 25 is O

This is a time of strong emotional experiences, which can affect your health if you are not mindful. You may find yourself worrying unduly. It is likely that more responsibility will be placed on your shoulders, with sensitive, emotional issues involved. You will find yourself more interested in religious, philosophical, and physical studies. Your leadership abilities will be heightened during this transit.

Your Physical Transit for age 26 is O

This is a time of strong emotional experiences, which can affect your health if you are not mindful. You may find yourself worrying unduly. It is likely that more responsibility will be placed on your shoulders, with sensitive, emotional issues involved. You will find yourself more interested in religious, philosophical, and physical studies. Your leadership abilities will be heightened during this transit.

YOUR SPIRITUAL TRANSIT

Your Spiritual Transit is based on your last name.

Your Spiritual Transit for age 25 is E

The E Transit helps us feel inspired and helpful. It brings increased possibilities for travel and changes in your career or residence. You are more attracted to new and adventurous experiences, including love affairs or marriage.

Although the E is a good letter for finances, you may be less focused or carry a frivolous attitude, which could adversely affect your chances for material progress.

You may find yourself attracted to a new religion or philosophical idea.

Your Spiritual Transit for age 26 is E

The E Transit helps us feel inspired and helpful. It brings increased possibilities for travel and changes in your career or residence. You are more attracted to new and adventurous experiences, including love affairs or marriage.

Although the E is a good letter for finances, you may be less focused or carry a frivolous attitude, which could adversely affect your chances for material progress.

You may find yourself attracted to a new religion or philosophical idea.

YOUR ESSENCE CYCLE

Your Essence number indicates the lessons you will be dealing with during that year. It says a great deal about how you will perceive your environment. It also gives clear advice on how you can be most successful during the year; which types of behavior will be supported by your milieu and which ones will be less effective.

If one or more of your Transits change after your birthday this year, you will find two Essence cycles. If you only have one Essence, it means none of your Transits changed.

Your Essence for age 25 is 11

This is a time of enormous sensitivity and equally enormous change. Your intuition is galvanized. You are capable of even psychic experiences. But your awareness of the higher realms serves to throw a light upon all that is low and unenlightened in your own life. The contrast can be shocking. Owen, you are all-too aware of your shortcomings as a human being. This can drive you more deeply inward. You are extremely self-conscious. There may be feelings of failure and self-recrimination. These must be kept under control.

All of this stems from an element of shock present in your life. The very ground upon which your personality is based seems to have experienced an upheaval. This psychic quake can often be replicated by some event in your life. Consequently, your identity is shaken. It is a time to search within you. Are you happy with what you are doing? Is your work directly in line with your higher values and talents? This is a period of self-review in which you will have a great opportunity to set your life upon a more deeply spiritual and lasting foundation.

Consequently, you can make much progress and experience a great deal of future happiness as a result of this period. There is a realignment occurring that is putting you in touch with your deeper nature. The inner and the outer are now becoming one. It is a period of quickened psychological and spiritual growth.

Your intuition now will guide you safely from the storm. While your emotional life may be turbulent, your intuition gives you a sense that you are on the right track. In fact, you have not lost direction, but taken a quantum leap along your path. It can be a bit jarring, but altogether positive. Meditate, pray, seek out harmonious settings, take walks in the woods, and be close to nature. Let the inner self guide you to a greater happiness.

There can be many wonderful inner and even psychic experiences that reassure you of the love and support coming to you from the universe itself. It is a time of illumination on all levels. Make the most of it. Allow the higher forces to guide your rapid growth.

YOUR PERSONAL YEAR

Your Personal Year number is a strong indication of the trends and circumstances you experience during the year ahead. Your Personal Year cycles are based on the Universal Year cycles and, therefore, run concurrently with the calendar year. (Transits and Essence cycles are based on the letters of your name and run from birth date to birth-date.) There are nine personal year numbers in a complete Epicycle.

Each Epicycle reveals the progression of a specific part of your personal evolution. Your progress along this Epicycle can be seen quite logically, from the beginning of a growth period to the conclusion or culmination of that process. The 1 personal year describes your first steps in a new direction. The years that follow indicate your progress along this path, concluding with your 9 Personal Year, which completes the cycle.

Below is a description of your current Personal Year. It indicates where you are on the 9-year Epicycle.

Your Personal Year cycle for 2026 is 4

This is a year to be organized and practical. Take care of details. Commit yourself entirely to your goals. Your concentration and ability to focus will be much improved over last year. You will have an attitude of realism and determination.

There can be a sense of limitation and some frustration this year. However, it is a year of important opportunities that must be seized. There can be considerable work-related travel. You must be flexible this year to make full use of the opportunities that present themselves. It will require a combination of perseverance, hard work, and versatility. You will receive recognition for your efforts and support from your friends and family.

It is a good year to buy real estate or remodel your home. It is also a good time to take care of projects which have been postponed for too long. Fulfill your obligations and do not be afraid to spend some of that hard earned money. Selling and trading during this year usually is quite successful. This is the year to work on your foundation and prepare yourself for the many changes that will undoubtedly come next year.

As a result of your hard work, there will be much satisfaction and a feeling of accomplishment. January and February will bring some important change, a new opportunity perhaps. March requires self-reflection and reshaping of your plans. It is a good time to meditate on what lies ahead. June brings a new and important step -- a breakthrough, perhaps -- in your work. October brings changes and a sense of chaos. You may feel threatened by the changes that are on the horizon. But November brings assistance in the form of a promotion or additional financial support.

Your Personal Year cycle for 2027 is 5

This is a year of dynamic change. Many surprises will come your way. Be open and ready to embrace new opportunities. Do not be overly careful this year. This is a year in which a major step forward can take place if you are willing to take some calculated risks and do a little gambling. Wisdom and prudence is the key, but you

will definitely be faced with choices that require fast action and a willingness to act before all the facts are in.

This is an exciting year in which you will be required to promote yourself in order to take full advantage of the opportunities that await you. There will be increased opportunity to travel and possibly a change of residence. You will have some unexpected adventures and lucky breaks this year.

You may be tempted by the desires of the flesh: too much food, alcohol, sex, and drugs. Be careful and discriminate. You could make mistakes in these areas.

This can be an unsettling year if you try to cling to outmoded methods or characteristics. This a

year to throw off the old and adopt the new. It is a rebirth and a release after last year's struggle.

This is a year in which change takes place consistently, and particularly so in April and May. July is a breakthrough, a time to enjoy life. September can be intense, while October requires tact and balance in relationships.

Your Personal Year cycle for 2028 is 6

This is a year of progress and financial advancement. Major career opportunities present themselves. It is a challenging year in which personal growth is joined with new responsibilities and challenges. This is a year of domestic responsibility and attention to the needs of family and friends. It is a time of heartfelt emotions and some sacrifice. It is a time for comforting and caring. You realize the importance of your place within your community. You will be called upon to help others bear their burdens. You are the proverbial friend in need. Deep feelings bring renewal to relationships and often a birth in the family.

You must work to create an atmosphere of harmony and balance. It is often a time when marital issues surface and need attention. However, you possess the understanding to deal with such issues effectively if you apply yourself with love and flexibility.

May is an emotional month filled with the promise and the stress of imminent changes. June is a breakthrough and a relief. September brings advancement, October self- reflection and readjustments, and December brings a sense of completion and fulfillment.

YOUR DUALITIES

How the yearly cycles affect each other.

Your Essence and Personal Year cycles are distinctly separate energies that influence you in different ways. Your Essence reflects your mental, emotional, and spiritual state of mind at a particular time in your life and feels like an internal influence; it's a stage in your personal evolution. Your Personal Year cycle, however, feels more external.

Your Essence and Personal Year cycles overlap creating a duality which produces its own influence. Most importantly, it tells us how you can get the most out of your mix of Personal Year and Essence cycles by looking at their combined influence.

Personal Year cycles run concurrent with the calendar year and change every year, while Essence cycles run from birthday to birthday and can be anywhere from one to eighteen years, sometimes

even longer. Therefore, you can have either two or three Dualities during any 12-month period. Three, if your Essence changes (one before your birthday, one after your birthday, and another when the new year starts). If your Essence doesn't change, you have two Dualities, one for each calendar year.

For the purpose of Dualities, Essence cycles with Master Numbers (11, 22, or 33), or Karmic Debt numbers (13, 14, 16, or 19) are reduced to single digits, as their effect in the context of Dualities is indiscernible.

Your Duality in 2026 is 2 and 4

After reading your Personal Year and Essence cycles, Owen, you probably noticed both influences are practical and realistic. However, this is pretty much where the similarities end.

The 2 lends an intuitive, vulnerable and emotionally charged mindset, while the practical 4 is the most no-nonsense and least emotional of the nine numbers. As your Personal Year number, the 4 will affect the events and circumstances you encounter this year.

The conflict between the impassive 4 and sensitive 2 can leave you feeling insecure in your relationships and social interactions. The rigid 4 would rather ignore the strong feeling of the emotional 2. Romance could be especially challenging. One moment you might be all heart and feelings, and the next be too focused on your project or routine to have time for it. This could make you look, and feel, as if you are unsure of what you want; changing your mind or manner can send mixed messages that leave others confused.

Interestingly, these opposing influences are positive for almost all areas of your professional life. This is especially the case if your work is detail-oriented or you are in management. As changeable emotionally as you can be in personal relationships, you will likely be quite successful in non-emotional, practical, project-related dealings. Your 4 will be the ally that keeps you focused and efficient, and the 2 will lend the cooperative, harmonious, intuitive traits that help you work well with others.

This is a good year to focus on your career, business, and other productive areas. In your personal life, protect yourself emotionally but try not to be overly sensitive. To stay focused on your goals, you will need to make an effort to keep the peace in your private life.

Your Duality in 2027 is 2 and 5

The Duality of a 5 Personal Year and 2 Essence cycle can be challenging, Owen. The main conflict stems from your Essence being largely focused on feelings and relationships, while your Personal Year influence wants freedom, variety, and adventure. Your 2 Essence produces a mindset that desires peace and harmony during a period when your 5 Year rocks the boat and

brings change.

You will probably be restless this year, and a little tired of the predictability of your circumstances, thanks to your freedom-loving 5. However, your vulnerable 2 Essence could make you hesitant to address those feelings, for fear of disrupting your romantic (and other) relationships.

Consequently, you will likely find one side of you holding back, while the other side reaches out.

With your Personal Year delivering the dynamic 5, events and circumstances around you could be unpredictable, seemingly random, and often hectic. The conflict with your desire to maintain the status quo while your environment summons you to take chances can cause considerable frustration. It can also make you indecisive and hesitant.

Your best response is to ignore - to some extent - the tendency to be overly cautious and conventional. (Your fragile 2 Essence could make you worry more than usual.) Courage, decisiveness, fast thinking and quick reflexes are the tools needed to make the most of this combination.

Relationships that have a solid foundation will adjust and survive. Try to be sensitive to others (easy for the 2) but honor your need for change and excitement as well.

Your Duality in 2028 is 1 and 6

This year, you can expect occasional conflict between your ambitious 1 Essence and your family-oriented 6 Personal Year. The influence of the 1 can make you single minded about reaching your goals. Simultaneously, your Yearly cycle could often be dominated by relationship issues with friends, family, or co-workers. Your challenge Owen, will be staying connected to the caring nature of the 6, during a time your state of mind feels particularly independent and ambitious.

A 1 Essence during a 6 Personal Year often brings family issues to the surface (as every 6 year does). The 1 is goal-oriented, concerned with the self, and focused on success; the 6 sacrifices time and energy for others. This can create friction. Focusing on your work and projects will probably be easy. Your challenge will be to meet the needs and expectations of your loved ones, while actively pursuing your goals. This will take concerted effort. Even the strongest relationships can be adversely affected during the 1 and 6 Duality.

Circumstances will arise that bring this challenge to the foreground. In a nutshell: even if you are (generally) not in your most giving mood, that is exactly what this period requires of you.

Your Duality combination is favorable for business and career and provides great potential for growth. Your negotiation skills should be heightened, including handling legal matters if they arise. This is, in part, due to the ruthless side of the 1 teaming up with the empathic ability the 6 has to

detect the weak spots in others.

You will probably find it takes little effort to motivate others, even bend them to your will. Although this can be positive when used ethically, it reflects another challenge to the 1/6 combination. Be cautious about manipulating or taking unfair advantage of those less savvy or in a weaker position.

Due to its focus on relationships and responsibilities, the 1 and 6 increases the potential for both positive and negative experiences regarding relationships. It is rare to go through this cycle without a powerful and memorable emotional experience. It is a period of choices, commitment, and the desire to pursue new experiences.

Your Duality after your birth day in 2026 is 2 and 4

After reading your Personal Year and Essence cycles, Owen, you probably noticed both influences are practical and realistic. However, this is pretty much where the similarities end.

The 2 lends an intuitive, vulnerable and emotionally charged mindset, while the practical 4 is the most no-nonsense and least emotional of the nine numbers. As your Personal Year number, the 4 will affect the events and circumstances you encounter this year.

The conflict between the impassive 4 and sensitive 2 can leave you feeling insecure in your relationships and social interactions. The rigid 4 would rather ignore the strong feeling of the emotional 2. Romance could be especially challenging. One moment you might be all heart and feelings, and the next be too focused on your project or routine to have time for it. This could make you look, and feel, as if you are unsure of what you want; changing your mind or manner can send mixed messages that leave others confused.

Interestingly, these opposing influences are positive for almost all areas of your professional life. This is especially the case if your work is detail-oriented or you are in management. As changeable emotionally as you can be in personal relationships, you will likely be quite successful in non-emotional, practical, project-related dealings. Your 4 will be the ally that keeps you focused and efficient, and the 2 will lend the cooperative, harmonious, intuitive traits that help you work well with others.

This is a good year to focus on your career, business, and other productive areas. In your personal life, protect yourself emotionally but try not to be overly sensitive. To stay focused on your goals, you will need to make an effort to keep the peace in your private life.

Your Duality before your birth day in 2027 is 2 and 5

The Duality of a 5 Personal Year and 2 Essence cycle can be challenging, Owen. The main

conflict stems from your Essence being largely focused on feelings and relationships, while your Personal Year influence wants freedom, variety, and adventure. Your 2 Essence produces a mindset that desires peace and harmony during a period when your 5 Year rocks the boat and brings change.

You will probably be restless this year, and a little tired of the predictability of your circumstances, thanks to your freedom-loving 5. However, your vulnerable 2 Essence could make you hesitant to address those feelings, for fear of disrupting your romantic (and other) relationships. Consequently, you will likely find one side of you holding back, while the other side reaches out.

With your Personal Year delivering the dynamic 5, events and circumstances around you could be unpredictable, seemingly random, and often hectic. The conflict with your desire to maintain the status quo while your environment summons you to take chances can cause considerable frustration. It can also make you indecisive and hesitant.

Your best response is to ignore - to some extent - the tendency to be overly cautious and conventional. (Your fragile 2 Essence could make you worry more than usual.) Courage, decisiveness, fast thinking and quick reflexes are the tools needed to make the most of this combination.

Relationships that have a solid foundation will adjust and survive. Try to be sensitive to others (easy for the 2) but honor your need for change and excitement as well.

PART VII: YOUR MONTHLY CYCLES

Monthly cycles follow each other in an orderly fashion; if your current Personal Month cycle is 1, the next will be 2, followed by 3, then 4, and so forth. However, this orderly pattern changes with the new year coming in. It is therefore possible to have a 7 Personal Month in December followed by a 5 Personal Month for January.

YOUR PERSONAL MONTH

The influence of a Personal Month gradually changes from one month to the next over approximately five days at the end and the beginning of each month.

Your Personal Month cycle for month is ~PERSY~ 5

You experience some self-doubt related to your work situation. You may question your direction. This frustration will be in the background for most of the year, but this month particularly feels a little bit out of control. However, hidden forces are guiding you carefully, and your best approach is to persevere. Later this month, or early next month, an opportunity will come your way that represents a step forward in your career.

This month also brings some unexpected changes in other areas of your life; possibly an unexpected trip. Be cautious in all financial affairs.

Your family members demand a lot of attention, and much practical guidance is required from you. They look to you for direction.

Social events are favorable, particularly when they are work-related. You will make a very positive impression on someone who can help you move forward.

If married or involved, maintain harmony and avoid rocking the boat.

Your Personal Month cycle for month is ~PERSY~ 6

February brings an increase in responsibility and workload. You receive recognition for your efforts and abilities, and probably a financial increase, as well. Perhaps even more important is the role friends and family play during the period. Loyalty and a willingness to sacrifice time and energy to your loved ones are needed. In return, you receive comfort and satisfaction. It is a time of love, warmth, and a

strengthening of the bonds that form the foundation of your life. It is also a good time to start domestic projects, such as minor remodeling and home repair.

If you are not married and are not involved in a relationship, you may meet someone who catches your interest. In this case, the relationship will develop slowly but will endure. Your focus should be on being dependable and active. There is no room for procrastination.

Your health improves during this time.

Your Personal Month cycle for month is ~PERSY~ 7

Owen, March should bring some significant changes in your outlook. Indeed, the month is filled with the mystery of life. You are aware that you are developing spiritually. It is not a good time to deny important issues in your life or be superficial about significant matters. Your dreams are vivid, and if you take some time immediately after awakening to contemplate their meaning, you have the potential to gain some insights that uplifts you and raises your confidence in your life's direction.

You are mentally sharp and creative. You solve problems and gain insight into things that have floated in the background of your consciousness for some time. It is a period of hard work -- possibly overtime -- juxtaposed with much soul-searching and the need for quiet contemplation.

You may be offered an opportunity to become involved in a new endeavor. Be careful with anything that promises a fast return. This year, long-term projects are far more favorable than get-rich-quick-schemes, or short-term gambles.

Your need for peace and quiet during this month may make your friends and family members wonder whether you have some problem that you are not willing to share.

Your Personal Month cycle for month is ~PERSY~ 8

April promises to be rewarding financially as well as in other areas of life. There is a catch: It is essential to take care of details, to be reliable, and to keep things organized. If you allow yourself to get sloppy in any of these areas, the results could be disastrous. Still, the combination of numbers (8 and 4) gives you ample support in all efforts at organization and management. Respect, recognition, financial reward come to those who are careful. Financial problems and struggle (some may even experience bankruptcy) come to those who are careless. The more you stay clear and focused, the higher the rewards will be.

Relationships that are not related to work are not a high priority this month. Your attention should

be given towards career and finances, as well as to people who play important roles in those areas of your life. The advice for this month is to get up early, put your nose to the grindstone, be organized, and don't hesitate to move yourself to the foreground in your work-environment. If you are due for a raise, ask for it. If a business associate is not fulfilling his/her duties, confront that person. If a payment is due, call it in.

Your Personal Month cycle for month is ~PERSY~ 9

This month may introduce some emotional turmoil due to a relationship gone awry. A friend or co-worker has let you down. Your trust has been damaged, and you realize that this is not just a temporary disappointment but the conclusion of the relationship. While you have reason to be angry, you should avoid self-righteousness. You may want to remember that you are not without fault. It allows the anger and disappointment to turn into understanding and forgiveness, even if the situation cannot be saved. As a way of healing this type of wound, life may offer you the opportunity to become involved in a good cause. Sacrificing some of your time and energy will prove very rewarding and will deliver some benefits that are not immediately obvious.

Your health requires some special attention, particularly your digestive tract. Watch what you eat. Avoid excesses.

It is possible that your career is heading for a change of direction, which may be of some concern to you. Look to next month for some insight into that aspect of your life.

Your Personal Month cycle for month is ~PERSY~ 1

June gives you a new start in some area of your life, perhaps career, or some new project or endeavor. This is a month of promise and opportunity. Your energy-level increases, as does your excitement for your new direction.

This period requires courage and flexibility. You should also be more verbal: Express your thoughts and feelings; inspire and motivate others to follow your lead. You may have a difficult time relaxing or enjoying yourself outside working hours. But it's important that you do just that.

An attraction to someone at work may signal danger to you. Even if you are committed, this attraction will prove quite powerful. Be careful. It may damage your future in many ways, not least of which is your career. Consider postponing any action in this area.

Your Personal Month cycle for month is ~PERSY~ 2

At this time, your relationship with the people in your work or business environment is extremely important. You will need to be sensitive to their needs and desires, and you will probably be called upon to play the role of mediator in a conflict between some of these people. Your success in that role will directly affect your future. You may be disturbed by these new challenges because they emerge at a time when your workload is considerable. However, you are more sensitive and better able to discern the true basis of the conflict this month.

Owen, your enhanced sensitivity also helps you in other areas of your life. Romance is strongly represented, but should be kept out of the work environment, which may not be an easy thing to do. You may have the opportunity to go to a concert or some other musical event and because of your enhanced sensitivity, such events will prove very therapeutic. Pamper yourself in healthful ways, such as massage, a new exercise, and dietary regime, or some time near the ocean, in the mountains, in the forest.

Your Personal Month cycle for month is ~PERSY~ 3

August is a good time for some relaxation. You will find your workload a little less demanding and may want to take some time off. You are upbeat and optimistic and able to inspire and uplift others. Do not take matters so seriously this month. It's a time of enhanced creativity and practical application. You are original in your approach to problem-solving. You receive inspiring ideas and can turn some of them into reality. You impress others with your deep understanding of the issues.

This month also brings spiritual realizations and insights. You are more aware of the underlying forces that are at play in your life and in the world around you.

The challenge of this month is in overcoming fear. You may find yourself confronting some injustice. It may be necessary to meet that injustice alone. Stand up for yourself!

Be wise, but do not seek to avoid the issues.

Your Personal Month cycle for month is ~PERSY~ 4

Six months or a year from now, you will look back at this month and realize that in some way it represented a turning point on your path to success. However, you may feel frustrated during this month and wonder why everything is moving so slow. In a way, it seems that life has you in a straight-jacket, but in fact you are being protected from yourself. The emphasize is on the irritating and seemingly unnecessarily details. You are forced to deal with things you consider a waste of time. These loose ends can no longer be ignored, but you feel frustrated by the limitations of time and the massive amount of

work.

The situation is, in fact, two-sided: One side is effort, the other reward. You are being prepared to take full advantage of a string of opportunities that will begin next month, and will continue all next year. The challenge for you is to keep up. For that reason, you must finish the work in front of you now, to make room for the opportunities to come.

Meanwhile, guard your health, especially against the effects of stress and frustration. You would do well to eat healthy foods and in a regular and orderly fashion. Go to bed early; read to widen your view and escape. Do not dwell on the negative. Leave affairs of the heart to themselves for a while, until this intense period passes. Late this month, you will start to see the light at the end of the tunnel. However, looking back you will be grateful and relieved that you took on this process of re-organizing the basics in both your work, and your personal life.

Your Personal Month cycle for month is ~PERSY~ 5

October brings opportunity and change. You may be asked to go on a trip related to work or business. This trip is unexpected but will bring very positive results. Another possibility is that you will be offered a transfer and promotion. Either way, there will be changes in your environment.

Now is the time to take some chances, to promote yourself unabashed, and to reach out to other possible sources of income. If you are in sales or business, this is one of the most promising times of your life.

If your work is service-oriented, you may receive a long-awaited promotion. Friends and family members are supportive. Romance is exciting. It is a dynamic month in all respects and will wipe away the frustrations of last month. However, a warning is in place: You may tend to make impulsive decisions, to be a little irresponsible, and to put your foot in your mouth.

This hectic and dynamic month brings with it some chaos, and restraint is needed to maintain some control over the events.

Your Personal Month cycle for month is ~PERSY~ 6

November offers the chance to strengthen your foundation in life. You pay close attention to the needs of your family and circle of friends. You are serious and responsible in all matters related to career and receive recognition and respect for that.

Financially, this could be a good month with an unexpected reward coming sometime during the

last week. In many ways, this month brings blessings and can be very satisfying. Your workload is considerable but doesn't burden you as much as it did during other times of this year.

You have the energy and feel confident that you are now moving in the right direction. Feelings of insecurity and frustration that loomed so prominently during most of this year are disappearing. Your friends and family members display strong signs of loyalty and feelings are expressed more freely. One or more of your friends or relatives needs a boost and comes to you for help. You are happy with the opportunity to help out in a practical way as well as with moral support. You play the role of (m)patriarch.

The only troubling experience during this month will be the need to deal diplomatically and tactfully with a long-standing problem, perhaps with someone at work. A basic personality conflict has been the cause of friction between you and a co-worker and can no longer be ignored. Tension may come to a head, but there is an opportunity to turn a difficult relationship into one of tolerance and mutual respect.

Your Personal Month cycle for month is ~PERSY~ 7

December is a fitting end for this year. You now enter a period of introspection, contemplation, and meditation, similar to that experience in March. December focuses you on inner-growth and soul-searching. However, that is where the similarities end. December is a more comfortable time for such an inward journey and expansion of your consciousness. There will be plenty of opportunities to withdraw, to seek the quiet. Whether you enjoy this time depends on whether you value such an experience.

It's been a year of hard work and, at times, frustration, but the work will pay off. You are more aware of that now, and you are probably well aware that the year was well-spent.

Understanding the value of day-dreaming and contemplation is more difficult as a result of this society's emphasize on action and result. However, the quiet, "un-productive" times of this month will be at least as rewarding, spiritually as well as practically. It allows for deep inner contentment and a fuller awareness of the love and goodwill of others.

YOUR PERSONAL DAYS

The following daily forecasts cover the date range selected in Set Cycles.

January 1, 2026 — CARING FOR RELATIONSHIPS - A 6 DAY

Hello Owen, today's numbers are 6, 5, 1

The loving 6 is often occupied with caring for family and friends. Someone in your circle may look to you for support or guidance today. However, the 5 and 6 in combination can create conflicting energies and bring turbulence to otherwise stable relationships. This is because they make you less sensitive, as well as a little impatient and restless. Do your best to avoid arguments today.

On the upside, this number sequence is favorable for business, finances, legal issues, and long-term commitments, as long as they do not require negotiation. You might be too impulsive or too trusting to negotiate a profitable outcome.

It is a good night to spend with people close to you.

January 2, 2026 — A MIRROR FOR YOUR THOUGHTS - A 7 DAY

Hello Owen, today's numbers are 7, 5, 2

It is a good day for contemplation, meditation, or sitting on the porch to watch the sunset. When the dynamic 5 and the thoughtful 7 team up, deeper aspects of who you are call out for attention. If you woke up questioning the direction your life is taking, a little soul searching might help.

You may find that you are more forgetful or inattentive today. If so, it is likely due to the inward focus of the day. However, your somewhat abstract state of mind can help you reassess circumstances and contemplate new ideas. This can lead to a firmer sense of stability and confidence.

You may not be in a social mood today - even people you normally get along with might rub you the wrong way. It is also not the best day for practical matters, finance, or business. Nor is it favorable for relationship issues.

This is your day. Attend to important responsibilities, but also take time for yourself - time to find your center.

January 3, 2026 — AN EXCITING DAY - AN 8 DAY

Hello Owen, today's numbers are 8, 5, 3

The combination of the 5 and 8 can be powerful and successful, but it requires caution. Like a fast car it can put you in front of the pack, but if you can't control it, you might crash. In addition, this somewhat risky combination is karmic, which means a long-forgotten issue might surface.

Trust your mental reflexes - think and move quickly. Today is about seizing the moment. Your thinking should be sharper than usual, and vague ideas could become more defined. The past two or three months may have uncovered thoughts about needing to make a change in your lifestyle or circumstances. If so, it is a good day to commit to that change. If you do, it might be most advantageous to make the decision today, but not take action until the day after tomorrow. On that day, the 5 and 10 combination could help you change direction, and help make it stick.

It is a good night for socializing, and romance is favored.

January 4, 2026 — A RIPPLE EFFECT - A 9 DAY

Hello Owen, today's numbers are 9, 5, 4

Today's numbers combine the 9 and 5. The 9 brings closure and completion while the 5 lends its unique brand of cleverness.

If there is a problem that has vexed you for some time, today's team could inspire a solution that delivers resolution. Alternately, you could receive information that compels you to alter your direction on a project or business plan. It could be a subtle change that seems minor now, but has the potential to affect the future. Think of it as the ripple effect of a pebble tossed in a lake - a seemingly minor action, but one with far reaching effects.

A 9 day supports discarding things you no longer need - get rid of clutter or donate clothes you no longer wear. This is a day for letting go, which can give you a much needed sense of freedom and relief.

January 5, 2026 — A DYNAMIC DAY - A 1 DAY

Hello Owen, today's numbers are 1, 10, 5, 4

If you put your mind to it today, you should be unstoppable. The current 5 month will likely be a hectic period full of unexpected twists and turns. Today, however, the 1 based on 10 offers an opportunity to channel that dynamic energy toward a productive goal.

There are potential pitfalls, however. This number sequence can make you impulsive, tossing

caution and restraint to the wind. Being mindful of this can help direct this tendency to more constructive goals.

Courage is often tested in some way under the bold, forceful 1, especially when it is based on 10. This could produce a situation where you are challenged to trust your own judgment in the face of confusing circumstances.

Relationships tend to be positively affected under this combination. Both friendship and romance can find deeper meaning.

January 6, 2026 — INSTINCT & PERCEPTION - A 2 DAY

Hello Owen, today's numbers are 2, 11, 5, 3

Today's 11/2 highlights your connection to others - whether friends, family or strangers. It is a favorable day to share your feelings and experiences openly. It also enhances your intuition, which can help you avoid making mistakes and misjudgments. However, that same increased sensitive can make you more vulnerable emotionally.

As for romance, if you are interested in someone and think it is mutual, consider taking the initiative. Don't let the fear of rejection stop you. If you are currently in a relationship, your partner might be asking you to make a decision concerning long-term future plans. In either case, you may have been sitting on the fence long enough.

It is a good night to spend with someone close to you.

January 7, 2026 — A CREATIVE, PLAYFUL DAY - A 3 DAY

Hello Owen, today's numbers are 3, 12, 5, 2

The 3 and 5 combination is creative, daring, active, playful, and communicative. However, it can also be irresponsible and has difficulty staying focused. Consequently, unless you are an artist, this may not be your most productive day. Likewise, financial and business decisions might be better handled tomorrow when the grounded, detail oriented 4 rules.

Your ability to express yourself should be heightened today. This can help you promote yourself and your ideas. Enhanced charisma could also work in your favor, especially in love and romance.

Overall, today's influence has the potential to deliver a playful, creative day that can boost your sense of wellbeing. Take care of important responsibilities, but leave room for a little fun.

January 8, 2026 — ONE STEP AT A TIME - A 4 DAY

Hello Owen, today's numbers are 4, 13, 5, 1

This is a favorable for conducting business and working with finances. Determination and an eye for detail are the keys to a successful day. The 5 and 4 combination might produce a challenge, however, as the numbers carry opposing traits. One number is dynamic and adventurous and the other is stable, restrained, and somewhat fearful of change. There is opportunity for steady progress, but you are likely to feel frustrated if the pace seems too slow.

Today's 4 is based on 13, a Karmic number that prods you to apply yourself beyond what is required. Keep your eyes open for a chance to make an impression that could affect your future favorably.

Social events and relationship issues are less favored. If possible, postpone them until the day after tomorrow, when the caring 6 rules. Practical matters are better supported today.

January 9, 2026 — ADAPT AND ADJUST - A 5 DAY

Hello Owen, today's numbers are 5, 14, 5, 0

This 5 day in a 5 month might push the boundaries of your comfort zone. The day will probably feel a little chaotic, but that is the nature of change, and change is the essence of this combination.

Since today's 5 is based on 1 and 4, changes might be connected to your car or home - something that fundamentally affects your security and your comfort.

Love and emotion also play roles today, and both could be equally unpredictable. Your perception of others can be a little off under this combination, leading to misunderstandings. Make an extra effort to listen with an open mind and heart.

January 10, 2026 — ORDER FROM DISORDER - A 6 DAY

Hello Owen, today's numbers are 6, 15, 5, 1

A 6 day in a 5 month can bring legal or government issues to the forefront. If so, try to address them without delay.

Chaos and disarray have been recurrent themes all month. However, people close to you will likely help things stabilize today. In turn, you may be required to respond to someone in need. Healing and teaching are today's keywords.

Business and financial decisions might be better handled the day after tomorrow when the clever 8

rules the day.

The evening is perfect for social interaction, especially with friends and family. Romance, love, and commitment are favored.

January 11, 2026 — INTERNAL CHANGE - A 7 DAY

Hello Owen, today's numbers are 7, 16, 5, 2

Today's 7 is based on the Karmic 16. Additionally, it falls close to the midpoint of your 5 month, which means the 5 energy is at its peak. This combination creates an influence that people respond to very differently. By its nature the 16 can be self-destructive, but, paradoxically, in a positive way. For some it is the Phoenix rising. However, others may find the day slides by offering little except boredom and perhaps a moment of introspection.

The author of this forecast considers the 5 and 16/7 combination to be one of the most auspicious, but not in a material way. Instead, it offers an opportunity to break out of our habitual self. Or, seen from the opposite angle, the potential to move us closer to our true self.

Due to the internal focus of the day, business, finance, and relationship issues are less supported.

January 12, 2026 — FINDING BALANCE - AN 8 DAY

Hello Owen, today's numbers are 8, 17, 5, 3

"You reap what you sow" is today's motto. If you experience a financial disappointment today, try to think of it as your payment toward a debt, rather than a loss (even if it doesn't seem to relate). If you receive a pleasant financial surprise, consider it payment toward a debt owed to you. The 8 based on 17 tends to right old wrongs.

In addition, the 17 has the unique quality of removing illusions. Recognition and clarity might come through a dream, a passage in a book, or a chance overheard remark.

In career and business, be cautious and deliberate. Plan your moves like a chess player. Today's influence is positive for calculated action, not risk-taking.

You may want to watch the way you approach people today; try not to throw your weight around. The heart plays a big role too, so emotional ups and downs are possible. It is probably best to stick to practical matters and leave relationship issues for another day.

January 13, 2026 — FROM RESTRAINT TO RELEASE - A 9 DAY

Hello Owen, today's numbers are 9, 18, 5, 4

The 18 is hiding behind the 9 today. This can play havoc with your sense of independence and individuality. That aspect is even more pronounced than usual due to the rebellious, freedom-loving 5 present today, and for the rest of the month.

A dominant personality or an institution may be trying to control you in some way. This may have been an issue since the beginning of this month, leading to the point where you need to take a stand.

If so, the experience you gain from this, and similar difficulties, can help you find clarity and purpose. It is a classic example of hardship shaping character. Having faith in yourself is the key to overcoming today's conflicts.

January 14, 2026 — FAVORABLE, BUT WITH A CAVEAT - A 1 DAY

Hello Owen, today's numbers are 1, 19, 5, 4

The last few days may have been emotional and challenging, sapping your energy. If so, today's bold, positive energy should bring welcome relief.

The 1 is ambitious and goal oriented - use it to further your agenda. Issues around management, organization, or business could occupy much of your time. Consequently, loved ones might complain about a lack of attention. Try to acknowledge them with a little extra care tonight.

There could be tension with someone you know due to gossip or envy. If so, although the rumors will pass, you may want to ask yourself if there is some truth to them.

Romance is favored, but be mindful; the 5 and 1 combination can lead to temptation and over indulgence.

January 15, 2026 — ATTRACT MORE BEES WITH HONEY - A 2 DAY

Hello Owen, today's numbers are 2, 20, 5, 3

Compared to yesterday's momentum, you may be operating at a slower speed today. This could make you feel a little moody or insecure.

Humility and diplomacy are your tools today. The 2 based on 20 brings sensitivity and cooperation to relationships. Take the example of bees and honey. One afternoon, bees began to circle a family picnic. One guest aggressively swat at the bees in an attempt to shoo them away. Another

grabbed a jar of honey and placed it ten yards away - such a simple solution. A more nuanced approach often produces a better result than a combative action.

Today's combination heightens intuition, which can help you more quickly recognize what is expected of you. Career and business matters also benefit from this enhanced awareness.

Financial decisions might be better supported six days from now, when the 5 and 8 combine their favorable traits.

If you plan a social evening, keep in mind that you may feel more emotional and vulnerable than usual. If you are single, be open to a romantic encounter.

January 16, 2026 — SPARKS FLY - A 3 DAY

Hello Owen, today's numbers are 3, 21, 5, 2

The 5 and 3 team is usually an excellent combination. Additionally, the 3 based on 21 puts the day's focus on relationship issues; its positive influence has the potential to improve relationships in all areas of your life.

On the downside, these quick-witted, impractical, and impulsive numbers might tempt you to indulge in gossip, or focus on personal matters that do not concern you. This could cause good intentions to backfire.

Odd numbers are often less efficient and practical than even numbers. This combination is no different and looks for fun and creativity rather than more serious activities. Consequently, it may take more effort to stay focused, and to follow through on projects today.

Romance is highly favored due to your enhanced charisma. Make it a social evening - relax and enjoy the company of friends.

January 17, 2026 — FOCUS IS KEY - A 4 DAY

Hello Owen, today's numbers are 4, 22, 5, 1

The focused energy of the 4 and the dynamic enthusiasm of the 5 deliver the potential for a breakthrough in career and project-related endeavors. The presence of the Master number 22 increases this potential for progress even further. However, while promising, all Master numbers (11, 22, and 33) are extremely demanding. They tend to affect the nervous system in particular. A few moments of meditation or a quiet break could help you get the most out of your day.

This is a favorable combination for taking care of financial matters. Projects requiring careful

management and organization are also supported. Today's influences enhance your focus, efficiency and sense of timing.

However, this combination also tends to chip away at the scabs on your heart, opening old wounds, a bout of nostalgia, or regret.

Social events are not well supported. Your time might be better spent taking care of lingering details.

January 18, 2026 — TURBULENT AND LIVELY - A 5 DAY

Hello Owen, today's numbers are 5, 23, 5, 0

When the 5 is based on 23 and paired with an additional 5, things could get hectic. It is probably not the best day for routine activities, or issues that require careful deliberation, organization, or efficiency.

Instead, this combination is helpful with self-promotion, and impressing others with quick thinking and original ideas. Although a somewhat impractical, inefficient energy may drive you today, it is also vibrant, creative, and clever.

Beware of an overly active mind though - you may be a little impulsive, and quick to speak without thinking. This can be particularly important for personal relationships.

January 19, 2026 — MOVING FORWARD - A 6 DAY

Hello Owen, today's numbers are 6, 24, 5, 1

Even though you are moving in the right direction, success over the next several days will likely depend in large part on your attitude.

When a 5 teams up with a 6 based on 24, the result is often the release of hidden fears, secrets, or feelings we are reluctant to reveal to others. If you are feeling a little low or vulnerable today, remember you have the ability to control your state of mind. Also consider, because this combination heightens your sensitivity, it has the potential to skew your perspective. If things aren't going your way, it might help to take a closer look, perhaps even make a quick pros and cons list.

On the positive side, today's combination is favorable for business and financial matters. The evening should bring a feeling of harmony. It is a good night to share with someone close to you.

January 20, 2026 — THE EYE OF THE STORM - A 7 DAY

Hello Owen, today's numbers are 7, 25, 5, 2

The influence of today's 7 could make things appear more complicated than they are. Obligations might make you feel as if you are in the eye of a storm, or bring concern that you won't have the energy needed to take care of important responsibilities.

If so, consider a new approach. Step back, watch the sky long enough to see the clouds move, recognize that your real assets are not material but intellectual and intangible. Enjoy the stillness first, then start moving.

The 7 reminds us that putting material success ahead of deeper needs is like putting the cart before the horse. (Tomorrow's ambitious 8 should be more focused on material gain.)

Today is about you, to increase your understanding of who you are, what you want, and where you want to go. Contemplation or meditation might be the best way to spend the evening.

January 21, 2026 — EFFORT IS REWARDED - AN 8 DAY

Hello Owen, today's numbers are 8, 26, 5, 3

Today's combination should deliver a can-do attitude. But unless you continue to make purposeful effort it may not last beyond early afternoon.

Today's Karmic effect centers on the balancing energy of the 8 based on 26. It advises against impulsive or risky endeavors. The influence will likely focus on what happens in your career, finances, or an important project. This combination usually produces one of two extremes - highly rewarding, or disappointing. The results are almost never neutral. Either way, the scales should be more closely balanced by the end of the day.

The 26 often introduces new people. In combination with your 5 month, it carries a romantic edge as well. Otherwise, if a quiet night feels right, spend the evening pampering yourself. Mind-body healing, or just relaxing, might be just what you need.

January 22, 2026 — SURRENDER TO JOY - A 9 DAY

Hello Owen, today's numbers are 9, 27, 5, 4

Today's influence revolves around surrender. The 5 linked to a 9 based on 27 reminds us that our ideal state is joy and contentment. With all of life's distractions, it is not easy to recognize this simple state of being. However, once we do, the desire to experience that inner contentment

remains.

Others may feel you are a little distant today. If so, let others wait and take advantage of this opportunity for personal growth. On a more practical level, you have the opportunity to complete a project, make the last payment on a loan, or finally forgive a perceived injustice.

Romance is not particularly favored, but committed relationships are. It is a good night for an intimate talk, and sharing hopes and ideas.

January 23, 2026 — IDEAS & CONNECTIONS - A 1 DAY

Hello Owen, today's numbers are 1, 28, 10, 5, 4

For the fourth time this month the 5 and 1 team up, but this time the 1 is based on 28. This combination usually relates to a connection between your career or financial circumstances and other people. You might run into someone who will be of help in this area, or hear a great suggestion from a friend or co-worker.

Today's influences are equally divided between the practical and the emotional. A change in your normal routine or environment is also likely. Additionally, this combination can lend a practical, efficient state of mind. It is a day to ponder smart money-saving (or money- making) ideas. It is also favorable for focusing on business plans and long-term vision.

January 24, 2026 — PERCEPTION & CLARITY - A 2 DAY

Hello Owen, today's numbers are 2, 29, 11, 5, 3

The intuitive 11 has the potential to give unusual clarity and insight into your world and the people around you. However, the true benefit of today's numbers will likely be directed toward your career, business, or other project- related venture. The combination of 2, 11, and 5 delivers positive results through involving others in the decisions you seek.

Eliciting the support of others could be particularly helpful today, since the ability to express yourself may be somewhat limited by the presence of a negative 3. You might profit more by listening than by talking. This sequence could also make you a little accident prone, so be aware of your surroundings and your actions.

Today's sensitive, intuitive energy is favorable for relationship issues and romance. It can help us be more perceptive to the motivations and needs of others. If possible, relax and enjoy a social setting this evening.

January 25, 2026 — RECHARGE YOUR BATTERIES - A 3 DAY

Hello Owen, today's numbers are 3, 30, 5, 2

This day should be devoted to play and creativity, but even if you can't take the day off, you would benefit from taking a little break.

Numerology views the 1 as a symbol of dominance, independence, and ambition. It views the 2 as sensitive, emotive, and cooperative. The 3, today's dominant influence, is the playful child, a result of the merging of 1 and 2.

Today's 3 is based on 30. Scattered energy, a lively imagination, and perhaps even some crazy ideas are part of what you can expect with today's combination. Consequently, planning, details, and routine duties are not ideally supported.

Don't play hooky, just take a break from some of the more routine or pressing matters in your life. Indulge your imagination, play music, or have fun with someone close to you.

January 26, 2026 — SLOW AND STEADY; PROGRESS - A 4 DAY

Hello Owen, today's numbers are 4, 31, 5, 1

The grounded, steady, plodding, dependable 4 is in charge today. Although this generally means progress, it almost always feels slow moving, which can be frustrating. However, the vibrant, dynamic energy of the 5 counteracts some of that, and can even produce bursts of action and excitement. For that reason, you might actually be surprised at how much you accomplished by the end of the day.

Business, career, and financial matters tend to be favorable under this combination. Negotiation and contract issues are less favored (your communication skills might be somewhat diminished today). Addressing relationship and personality conflicts is best avoided for the same reason.

It is a good night to socialize and try something out of the ordinary.

January 27, 2026 — YOU GOT MOJO! - A 5 DAY

Hello Owen, today's numbers are 5, 32, 5, 0

Yesterday's sluggish energy may linger early in the day, but it should quickly be replaced by the dynamic power of today's 5 based on 32. It is important to be flexible and ready for whatever comes your way. Today's combination often challenges your willingness to be open-minded and intellectually supple. It is a good day for people-oriented careers, such as sales and consulting.

This number sequence can elicit confrontation when faced with prejudice or injustice. It brings a greater awareness of these serious issues. Today, inequality and intolerance wave a red flag - and you are the bull.

Relationships are favored as long as you keep things light. Serious discussions, important decisions, and long-term commitments are better handled another day.

January 28, 2026 — DON'T SELL YOURSELF SHORT - A 6 DAY

Hello Owen, today's numbers are 6, 33, 5, 1

If you have the urge to let go of something that has been weighing you down, take a moment to ensure you are acting for the right reasons. Beware of making excuses to yourself that evade the whole story.

Today's combination suggests you might face someone trying to take advantage of you. If so, it will likely be someone who holds authority or power over you, perhaps your boss (or your teenager?). When the giving 6 dominates, the prospect for others to prevail increases. However, today's 6 is based on 33, which puts your mental reflexes in top form. This can inspire you to respond with direct and uncompromising force, possibly to everyone's astonishment.

Relationship issues will probably be a top priority today, but focus on your health and healthy lifestyle choices as well. If there is room for improvement, this is a good day to take a critical look.

January 29, 2026 — A STILL, SMALL VOICE - A 7 DAY

Hello Owen, today's numbers are 7, 34, 5, 2

If you feel a little out of sorts, perhaps unmotivated, remember that the probing, existential influence of the 7 can be a blessing in disguise. While the 8 (tomorrow's dominant influence) tends to be overrated as a money and power number, the 7 is consistently under estimated as a strategist and problem solver.

As a rule, the more willingly you absorb the intangible influences of this ethereal and delicate number, the more generous and rewarding the material rewards offered by the 8. (Hence, they stand side by side.)

Make it a quiet evening. Take time to reflect on what is important to you, or to analyze your current circumstances. If possible, romance and emotional issues are best left to another day.

January 30, 2026 — CHANGING STRATEGIES AND JUST REWARDS - AN 8 DAY

Hello Owen, today's numbers are 8, 35, 5, 3

With an 8 based on 35 ruling the day, you should see plenty of action and sharing of ideas. Your plans could change in response to fresh information or a new contact.

A potential downside to this hectic, promising day is the inconvenient tendency of this combination to hold us accountable for past actions. This could involve a lie, an omission, or unfair treatment that comes back to bite you. Even then it would likely be a relief, as today's numbers are also concerned with removing obstacles. Clearing up past misconduct clears the path ahead.

Romance could be front and center. If so, it likely carries a playful overtone.

January 31, 2026 — COMPLETION - A 9 DAY

Hello Owen, today's numbers are 9, 36, 5, 4

A 5 month tends to throw a few surprises our way. It does not do much to make us feel secure. This month ends, quite appropriately, with a 9 day based on 36 - a number that reflects completion and a change of attitude. Be prepared to let go of an expectation, or perhaps a relationship you have outgrown. Whatever the circumstance, you may find that facing something you thought would be difficult is actually a relief.

Consider what is holding you back and take action to remove it. More often than not, it is something you no longer need. This might relate to a habit, possession, or relationship it is time to let go of.

You may be more willing to take chances and push your boundaries today. Romance is highlighted as well.

February 1, 2026 — LISTEN TO YOURSELF - A 7 DAY

Hello Owen, today's numbers are 7, 6, 1

The early part of this month has several days when conflicting influences compete for attention. Today, it is the outgoing, people-loving 6 versus the introverted, secretive 7. Although the monthly cycle is generally warm and social, today's influence directs your attention inside. As a result, you might be looking for quiet "me" time to use for self-reflection.

This number sequence can elicit a heightened sense of purpose. It is a good day to analyze bottled-up feelings, although this is best done in private. Counseling and the feedback from friends and family are often helpful, but inner reflection can bring clarity as well. Although you have

important responsibilities to attend to, try to shift as much attention as possible to your inner world and the intangible realm.

Romance and personal relationships are less favored on 7 days. However, sharing thoughts or philosophical discussions with someone close could be uplifting this evening.

February 2, 2026 — RESPONSIBILITY EQUALS REWARD - AN 8 DAY

Hello Owen, today's numbers are 8, 6, 2

Today the numbers 6 and 8 team up to give your professional life a boost (although the effect may not be obvious immediately).

You should be in optimal form mentally, so sharpen your focus today. Be mindful, however, that this combination sometimes allows pride or jealousy to keep us from taking advantage of an opportunity. Don't allow your ego to get in the way.

Although success could be looming on the horizon, it may take time for you to recognize it. Continue to work toward your goals; it is through effort that we reap rewards. Be conscious of expectations, and allow success to come in whatever form it takes.

February 3, 2026 — NOT WHAT IT SEEMS - A 9 DAY

Hello Owen, today's numbers are 9, 6, 3

Since both the 6 and the 9 are loving, altruistic influences you may find yourself in situations that tug at your heartstrings today. When these numbers share the limelight, your priorities tend to shift from people who are close to you to concerns that affect society at large. The 6 directs its nurturing traits toward family, friends, and the local community. The caring, idealistic 9 focuses on broad humanitarian concerns. Together, they are unrivaled in their willingness to help others.

On a personal level, this combination can bring changes or events that are different than they initially appear. Something that seems like misfortune at first could turn out to be a great opportunity.

The evening offers a creative, playful energy that has the potential to bring you closer to someone you care about.

February 4, 2026 — THE ART OF LISTENING - A 1 DAY

Hello Owen, today's numbers are 1, 10, 6, 5

Overall, this month requires you to pay attention to family and friends and may be more socially demanding than usual. But today, with the 1 dominant, it is also a day to focus on yourself and forge ahead.

At the beginning of a cycle (here, the month's cycle), you may not have all the information or experience you need to fully understand upcoming events. Consequently, you might not be able to see the big picture. If you are beginning a new project or experiencing a change in your circumstances, take time to listen to your trusted advisors. This could be challenging; the independent nature of today's numbers can make you too stubborn to accept advice. Assertiveness can work to your advantage, but being hardheaded will most likely work against you.

The afternoon or evening could bring a shift in expectations, producing clarity and a more realistic view of your prospects. The possibility of meeting someone new is also heightened.

February 5, 2026 — YOUR SENSITIVE SIDE - A 2 DAY

Hello Owen, today's numbers are 2, 11, 6, 4

It's a good day to deal with personality issues and other conflicts. The 11/2 increases your intuition and makes you more aware of the needs and motivations of others. It also heightens your sensitivity, which could make you feel more vulnerable and emotional than usual.

The intuitive intelligence that comes with an 11/2 day in a 6 month can bring renewed clarity to your perspective regarding your goals and relationships. If possible, take time today to review your circumstances.

Find a way to relax and enjoy yourself this evening. Social events and romance are favored.

February 6, 2026 — CHARISMA & CREATIVITY - A 3 DAY

Hello Owen, today's numbers are 3, 12, 6, 3

All numbers divisible by 3 are creative, although in very different ways. The 6 is visual, drawn to painting, sculpting, and ceramics. The 9 is also visual, but attracted to fields that combine color and materials such as fashion design, interior design, and architecture. The 3 is interested in self-expression and communication, writing, dancing, and poetry.

All 3 creative numbers are in place today, lending the opportunity to make improvements in your environment. Gardening, decor, and other creative projects are favored, and careers that are innovative and artistic are strongly supported.

Thanks to the influence of this number sequence, your charisma should be enhanced, drawing

people to you. Keep your eyes open for a younger or less fortunate person who needs you right now; be generous with your time and attention.

February 7, 2026 — A FOCUS ON DETAILS - A 4 DAY

Hello Owen, today's numbers are 4, 15, 6, 2

With even numbers ruling the day, you should be able to get things done efficiently and quickly. Today's 4 tells you to be focused and diligent. Pay attention to details and follow through on your commitments; there is no room for procrastination or cutting corners. Today's numbers have practical traits that will help keep you on track.

With a 2 present relationship issues might be problematic. Do your best to avoid confrontation.

This combination can make you more aware of your limitations (and your mortality), sometimes causing a vague feeling of depression or nostalgia. If possible, plan for a social evening and keep things light. Save analyzing and contemplation for a more internal, reflective day.

February 8, 2026 — OPPOSING ENERGIES - A 5 DAY

Hello Owen, today's numbers are 5, 14, 6, 1

The influences today are direct opposites. Although they have the potential to cause internal conflict, they can also complement one another, giving you the best of both energies.

When the stable, loving, sacrificing 6 and the adventurous, impulsive 5 team up, anything can happen. Unexpected changes are a given, and because today's 5 is based on 14, it suggests the effect will be felt mainly in your work environment.

The vacillating nature of this number is not the best support for important decisions or commitments, so you may want to postpone them to another day (perhaps 3 days from now on your next 8 day). At the same time - and here is the contradiction of the 5 and 6 - keep your eyes open for an opportunity that will benefit your personal as well as your professional life.

February 9, 2026 — MATTERS OF THE HEART - A 6 DAY

Hello Owen, today's numbers are 6, 15, 6, 0

The harmonious 6, the number of love and caring, is the influence ruling both your month and day cycle. This combination puts relationships on the front burner, and helps you resolve conflicts with friends, family, and co-workers. Romance also fairs well.

However, there is an atypical discordant aspect clinging to today's number sequence. A 6 based

on 15 can produce feelings of guilt (real or imagined) and an exaggerated sense of responsibility, which could leave you gullible. Be mindful about who you allow in today, and try not to make promises you might later regret.

On the upside, this is a good day for business and financial decisions.

February 10, 2026 — A REFLECTIVE DAY - A 7 DAY

Hello Owen, today's numbers are 7, 16, 6, 1

You may be operating at a slower speed today. If the last few days awakened strong emotions, you could be feeling the need for reflection and self-examination. Today is a good day to analyze your circumstances, and consider what you want moving forward.

Today's combination could leave you feeling a little moody. Unless they are important issues, try to ignore emotional ups and downs today.

The 16 (the numerological equivalent of the Tarot's Fallen Tower) is also in play today. It has a self-destructive side that can cause you to make impulsive decisions based on strong emotions or unfounded fears. However, this is also the number for re-birth - the Phoenix rising from the ashes as a better, wiser you. For that reason, the 16 is the most spiritual of all numbers, and the focus of today's influence.

A quiet, reflective evening or reading up on a subject that interests you is favored. If possible business, finance, and relationships are best left to another day.

February 11, 2026 — SUCCESS REQUIRES ACTION - AN 8 DAY

Hello Owen, today's numbers are 8, 17, 6, 2

The powerful 8 and the responsible 6 are nicely aligned to promote your career, improve finances, and support projects. The day requires practicality, taking a rational, logical approach, and avoiding conflicting emotions.

On the downside, the 2 is standing in the wings sending negative, jealous vibes so do your best to avoid relationship issues. Support could come from an unlikely source. If so, it will be up to you to overcome any reluctance to accept it.

To compound the varied influences, today's 8 is based on 17, which often points to situations involving intellectual or religious dominance. If this relates to you, don't allow outside forces to undermine your independence or inhibit your growth.

Spending time with people you are close to is favored this evening. You will likely benefit from the comfort of family and good friends.

February 12, 2026 — HONEST CRITICISM & CHANGE - A 9 DAY

Hello Owen, today's numbers are 9, 18, 6, 3

After a particularly internal day two days ago, and a day fully focused on the material world yesterday, today may find you sensing change, but without a clear idea of its nature. If you feel a little at a loss today, no worries, you will find solid footing soon enough. Progress is likely even if you feel a lack of conviction.

This combination can bring criticism from someone who is usually supportive. However, criticism does not always mean a lack of support - a real friend will offer sincere assessment when you need it.

When an 18 enters the picture, it often indicates the need to eliminate something to make room for the new. It suggests you might be in the closing stages of a project or relationship, or are preparing to change a long-time habit or tradition. If so, this could be a good time to finalize that change.

February 13, 2026 — EXTRA EFFORT - A 1 DAY

Hello Owen, today's numbers are 1, 19, 10, 6, 5

Today's influence adds to the momentum of the last two days. The 1 delivers drive and determination - use it to take charge and make bold steps forward.

The leadership qualities of the 1 can inspire others to look to you for direction. It helps you discover original ideas and unique solutions. It also bundles and focuses your energy, but Gurdjieff's extra-effort rule still applies. To succeed you must do more than is required of you.

During a 6 month, the highly charged energy of the 10 tends to pull others into your wake. This can feel like a burden, but it often proves to be an asset down the road.

A take-charge attitude and being decisive will also benefit your personal relationships today.

February 14, 2026 — THE POWER OF LOVE - A 2 DAY

Hello Owen, today's numbers are 2, 20, 6, 4

Love and romance rule the day. When the 6 teams up with 20, delicate but resilient influences

dominate. This combination heightens your intuition and sensitivity, making you more aware of the subtle signs around you. It is a day for relationships, personal and otherwise.

The sensitive, harmonious nature of today's combination can help resolve issues with anger, resentment, and guilt. However, you might also feel emotionally vulnerable or overly dramatic. If so, use today's enhanced awareness to take an objective look at yourself, as well as the people and circumstances around you. Taking a reasoned approach will make you more rational and help keep your emotions under control.

The line between your personal and professional life might be blurred today, in a positive way. A genuine, personal touch can boost your career as well as your personal life.

February 15, 2026 — A VIBRANT MIND - A 3 DAY

Hello Owen, today's numbers are 3, 21, 6, 3

The opportunity to impress others continues. The verbal, creative, inspiring 3 is in charge today. Additionally, the numbers behind it, 6 and 21, are divisible by 3, making this a day when playful, creative, impulsive, and perhaps even irresponsible behavior can actually bring positive returns.

Your ability to think outside the box and look at problems from a unique perspective should be greatly enhanced today. It can help you find a solution to a stubborn predicament (perhaps more than one). Today's combination suggests this will most likely apply to your personal life.

Important decisions and financial commitments might be better supported when the 8 returns five days from today. However, romance is highly favored. Your charm and charisma should be powerful assets in your personal as well as your professional life.

February 16, 2026 — CHANGING PRIORITIES - A 4 DAY

Hello Owen, today's numbers are 4, 22, 6, 2

The influences over the last few days have mainly affected people-related issues involving inspiration, relationships, communication, and creativity. Today's numbers influence mundane, routine matters.

The 4 brings diligence, focus, and attention to detail, which can be helpful in getting things done. Additionally, when the highly charged 22 is in play, you're asked to deal with duties and responsibilities you may have postponed. It also requires you to step up to the plate, so expect to be challenged today. There is no room for slacking.

The 2 could deliver a challenging influence. If so, it is likely to involve disagreement with a co-

worker (today's numbers focus on career more than your personal life).

Romance and relationship issues are better saved for another day. After a (potentially) busy day, you may want to enjoy a quiet evening.

February 17, 2026 — FREEDOM AND COMMITMENT - A 5 DAY

Hello Owen, today's numbers are 5, 23, 6, 1

Responsibility, commitment, and sacrifice are the issues playing major roles during this 6 month. When the freedom-loving 5 dominates the daily cycle it can produce noticeable discord.

The dutiful 6 playing tug-of-war with the somewhat careless and rebellious 5 could make you feel irritable and impatient, especially toward the people you care about the most. Be careful not to make impulsive decisions you might regret later.

Today's 5 hides both a 2 and a 3, which affects friendship and romantic relationships. A casual word spoken at the wrong time might create a misunderstanding, so be mindful of what you say and how you say it.

The positive aspects of the day revolve around your professional life and projects. Today's traits help you move swiftly and enhance your ability to be versatile, adaptable, and quick thinking.

February 18, 2026 — BUILT-IN HAPPINESS - A 6 DAY

Hello Owen, today's numbers are 6, 24, 6, 0

Today, the energy of the loving, caring 6 is present in abundance; joined by the 9 they have great potential to bring insight and happiness.

You could say there are two kinds of happiness - the happiness that is a consequence of something external, like getting something new or falling in love, and the happiness that naturally exists within you. Your inborn happiness seems to bubble to the surface more easily when you are motivated by concern for others rather than yourself. The influences today foster precisely that kind of happiness. Count on your heart being touched more than once today, as empathy and tolerance are an inherent part of today's number sequence.

Your career can be positively affected as well. Your negotiation skills should be strong, but do your homework before dealing with financial matters.

It is a good night to spend with someone you are close to.

February 19, 2026 — FINDING YOUR CENTER - A 7 DAY

Hello Owen, today's numbers are 7, 25, 6, 1

The 7 is normally an inwardly focused, introverted number. But when it is based on 25, the 7 is infused with a desire to interact, although it still retains its philosophical and spiritual focus. As a result, you may find yourself daydreaming and absent-minded, but also willing to reach out and share your thoughts.

Dreams and psychic insights are common with today's combination. This can indirectly bring greater clarity and understanding about current issues. On a practical level, the contradicting traits of the introverted 7 and the extroverted 2 and 5 sharpen you mentally. More importantly, it enhances your ability to notice subtle signs you might have missed on another day. Heightened intuition can be useful for reading people around you, and finding solutions that have been elusive.

February 20, 2026 — LOVE & MONEY - AN 8 DAY

Hello Owen, today's numbers are 8, 26, 6, 2

Today's combination suggests you could be feeling the effects, positive or negative, of past actions. With karmic numbers present, it is not a good day to gamble or make impulsive decisions. It is, however, a good day for career, careful long-term planning, and progress.

When an 8 based on 26 rules the day, family issues and finances have a greater chance of affecting one another. Be generous and loving, but think twice about engaging in business ventures with family or friends during this month. In other words, gifts - either given or received - are favored; however, loans between you and those close to you are not well supported.

If you are single, mingle. If you are in a relationship, give it extra attention.

February 21, 2026 — SEEKING CLARITY - A 9 DAY

Hello Owen, today's numbers are 9, 27, 6, 3

If you knew every person in a small group well enough, you would probably be able to predict how they would respond to a given situation.

Understanding the way a combination of numbers responds in a particular environment is similar. Today, the 9, 27, 6 and 3 are the prominent players (in that order, with the 3 playing an adverse role). This line-up delivers uncommon clarity and a desire to chip away at excess baggage. It indicates you may be ready to make a needed change in your life. In this configuration, today's numbers have the potential to create a true 'ah-ha' moment that could change your direction.

The adverse 3, however, might make it difficult for you to express yourself, so give your thoughts time to mature before sharing your feelings or ideas.

February 22, 2026 — Hello ~first~, today's numbers are 1, 28, 10, 6, 5

Hello Owen, today's numbers are 1, 28, 10, 6, 5

Today's combination could bring back a relationship issue from the past. If so, it might be that something you thought was a minor issue at the time turns out to have been a sleeping dog, now wide awake and growling.

Whatever the issue, it likely relates to your sense of independence and individuality. If someone is trying to bend you to their will, today's traits should inspire the courage and confidence you need to stand up for yourself.

In keeping with today's focus on independence, be mindful not to compromise where you feel you shouldn't (in both your professional and personal life). Your independence and individuality are too important to use as bargaining chips.

February 23, 2026 — INTUITION AND PRACTICAL RESULTS - A 2 DAY

Hello Owen, today's numbers are 2, 29, 11, 6, 4

As a rule, even numbers are considered practical while odd numbers are more idealistic. Today the 6 and 2 pair up to produce a practical, efficient influence. However, this 2 is based on 11, the most intuitive of all numbers. Consequently, instead of logic you might have intuitive insights, but still delivering valid ideas. It is a day to follow your instincts.

Today's combination can also help you maneuver out of a tight spot, most likely concerning an already vulnerable association. Matters of the heart are favored on this emotionally charged, somewhat vulnerable day. You might be a shoulder for someone to cry on - or the reverse.

This combination is favorable for career and business (intuition can be helpful here as well). On the downside, you may find yourself procrastinating or ignoring routine chores, which could backfire. Not to worry, you should have the right mindset for that the day after tomorrow, when the efficient, detail-oriented 4 returns.

February 24, 2026 — AN INNOVATIVE, CREATIVE DAY - A 3 DAY

Hello Owen, today's numbers are 3, 30, 6, 3

The 3 dominates today, lending a fresh, innovative energy that can bring enhanced charisma and

a heightened sense of humor. Although it is witty and clever, the downside of the 3 can be somewhat superficial. Make an effort to be sensitive to others today.

The unfocused energy in this line-up is not usually favorable for long-term planning or financial matters. If you work in a detail-oriented field, are in management or organization, or work with numbers (unless you are a numerologist!) it could be a frustrating day. Consequently, you might want to wait until tomorrow to handle important details or routine activities. However, the enhanced creativity that is present supports creative careers and is also excellent for working with children.

Tonight, be social and have a little fun or relax doing something you enjoy.

February 25, 2026 — DOWN-TO-EARTH, BUT FLYING HIGH - A 4 DAY

Hello Owen, today's numbers are 4, 31, 6, 2

The 4 can bring a demanding day that requires focus, but it also carries the supportive traits needed to make progress. A 4 based on 31 combines efficient, realistic influences with creativity and originality. This team can help you do more and do it better, especially in career and project-related pursuits. It is a good day to strategize about your future or make healthy lifestyle or dietary changes. Anything that requires discipline is favored.

However, there are contradictions within these numbers as well. Although you should be more disciplined and focused, other influences could leave you feeling doubt or a lack of confidence, mainly regarding relationships. Your attention will be better spent on practical issues rather than matters of the heart today.

February 26, 2026 — CHANGING TIDES - A 5 DAY

Hello Owen, today's numbers are 5, 32, 6, 1

Today, with the opposing traits of the 6 and 5 rocking your boat you may discover you have been entertaining unrealistic expectations (though your actual goals may be realistic). If so, the more flexible you are the easier it will be to adapt to changing circumstances and newfound clarity.

Although the day could feel hectic, and you might need to accept a more realistic point of view, this combination is a positive influence for career (especially if you are in marketing, sales, promotion, or a creative profession).

It's a good night for a social evening, but be aware that the 5 can lack discipline and likes to indulge.

February 27, 2026 — CONNECTING YOUR HEART - A 6 DAY

Hello Owen, today's numbers are 6, 33, 6, 0

Today's combination puts the spotlight on your emotional connection to family and friends. It also places emphasis on the need to be truthful. The 33, more than any other number, has the potential to expose secrets and true motivations. This can relate to unvoiced concerns we keep from ourselves as well as others. Although the combination can bring emotional ups and downs, the 6 focuses on healing which can strengthen your relationships.

External events will probably have less of an impact than matters of the heart today; however, it is also favorable for career and projects. Numbers divisible by 3 are creative, so take advantage of today's traits to try something innovative and different.

Romance and commitment are also favored under the warm, caring 6 influence.

February 28, 2026 — TIME TO SMELL THE ROSES - A 7 DAY

Hello Owen, today's numbers are 7, 34, 6, 1

It is the end of a 6 month focused on practical issues. Your duties and responsibilities may have increased (or felt like they did) with people close to you demanding your time and attention.

With the 7 dominating today, it is a good time to create a little distance from the concerns of others. Try to find some quiet time to regroup. Take care of important responsibilities, but don't push yourself to do more than is necessary. Your intuition and sense of timing should be sharper than usual, which can help you keep things moving without too much personal effort.

Due to the tendency to withdraw, relationship issues are not usually favored under this inward influence. Upon reflection, you may feel it has been a somewhat "off" day. If possible, make it a quiet evening and take advantage of the 7's desire for contemplation or an intellectual pursuit.

March 1, 2026 — INTELLIGENCE & GOOD FORTUNE - AN 8 DAY

Hello Owen, today's numbers are 8, 7, 1

Take a number representing wisdom and intelligence, merge it with the number for business and power, and you have a winning team - but only if they give each other room. These are the influences today, when the 8 motivates you to get things moving (and rewards your efforts) and the 7 fine tunes your analytical faculties.

It is a good day for career, business, long-term planning, and working with finances. However, the 8 also tends to balance the scales where needed. Consequently, you may find yourself dealing

with the results from past actions - positive or negative.

The 7 and 8 combination is considered "lucky", particularly with being in the right place at the right time. However, relationship issues might be better handled another day, especially if emotions run high.

March 2, 2026 — CREATIVITY & EXPANSION - A 9 DAY

Hello Owen, today's numbers are 9, 7, 2

The creative, tasteful 9 also has a compassionate side, hence the nickname Mother Teresa. Its influence can widen your worldview, reminding you that no matter who or where you are there is a much larger world beyond your immediate experience.

Today's combination can heighten your curiosity and ability to produce original ideas and solutions. Although others might perceive you as a little aloof - a common trait of the 9 - it is actually a favorable day for romance. Financial matters are also favored, but with a contradiction typical to the 9: the less attached you are to financial gain, the greater your chances of reaping rewards.

The 2 behind the 9 could make you feel a little inhibited, making social events less desirable. It is a better night to share with people you are close to.

March 3, 2026 — BE PRODUCTIVE (BY DOING NOTHING) - A 1 DAY

Hello Owen, today's numbers are 1, 10, 7, 6

The 1 based on 10 is present today, which could inspire you to make a change or push to make something happen. Although your 7 monthly cycle might have inspired you to seek quiet time more often than usual, today's energy should motivate you to keep moving. It is a day to take charge and perhaps even force issues.

Today's combination sharpens you mentally and enhances your individuality and your originality. Ideas and solutions will permeate the entire month, but today brings an added element that could deliver a positive breakthrough or realization.

If possible, make it quiet evening. Romance and relationship issues will be better supported tomorrow when the gentle 2 rules.

March 4, 2026 — INTUITION & DIPLOMACY - A 2 DAY

Hello Owen, today's numbers are 2, 11, 7, 5

The combination of 7 and a 2 based on 11 enhances intuition and insight. It also heightens tact and diplomacy, which can help you resolve relationship conflicts. Listen to others and meet them halfway. Cooperation is key.

It is a great day for intellectual discussion and the sharing of ideas. Dealing with relationship issues with your co-workers is also favorable. However, money and business matters might be better supported another day.

Today, just about anyone can become a friend. It is a good day to join a study group, take lessons, or participate in a mind-expanding activity such as playing chess or another mental exercise. If possible, spend the evening with friends.

March 5, 2026 — CREATIVITY vs. CONFLICT - A 3 DAY

Hello Owen, today's numbers are 3, 12, 7, 4

The upbeat, extroverted 3 is concerned with communication, self-expression, verbal and musical creativity, and innovative ideas. However, when it joins the contemplative, secretive 7, it produces conflicting energies.

The effect of these opposing influences can either raise havoc with your plans or inspire a productive day (if you manage to find a balance between them). Taking 30 minutes early in the day for contemplation or a little quiet time can help you find that balance.

You may find yourself the victim of jealousy, gossip, or envy. If so, today may not be the best time to address it, as you may not be particularly tactful. The day could also deliver a situation where you are tempted to bend the truth to avoid a conflict. Again, take a deep breath and let it pass.

March 6, 2026 — STRENGTHEN YOUR FOUNDATION - A 4 DAY

Hello Owen, today's numbers are 4, 13, 7, 3

Focus on organizing your environment, balancing your checkbook, and addressing routine duties. It is a good day to pay attention to details. It is not a good day to cut corners.

Today's 4 desires stability and reliability; you may find someone expects something of you today. With two serious numbers (4 and 7) dominating the day it may not be a fun day, but it can move things forward. Contracts and legal issues are supported. Home improvement projects, gardening, and all other forms of improving your surroundings are favored as well.

Health and lifestyle issues may come to the forefront, reminding you of the need to take care of yourself. Discipline and moderation are key. If possible, leave romance and relationship issues to a less pragmatic day.

March 7, 2026 — A POSITIVE COMBINATION - A 5 DAY

Hello Owen, today's numbers are 5, 14, 7, 2

Just as every number has opposite traits, each number has a particularly suitable buddy. Today, the compatible 5 and 7 dominate the day. Although these numbers are quite different in nature, they get along very well and their combined influence tends to make positive things happen.

The day could have a disorganized feel, and your thinking might be scattered. Nevertheless - like a flying bird catching a treat on the go - you have the opportunity to reap unexpected benefits. Your task is to remain flexible and ready to respond to changes and opportunities.

Romance is highly favored, although you might find not everyone "gets" you, as your numbers today can make you a little rebellious and offbeat. This has the potential to create miscommunication or confusion with others.

March 8, 2026 — A CONFLICT OF INTERESTS - A 6 DAY

Hello Owen, today's numbers are 6, 15, 7, 1

The influences today are as conflicting as yesterdays were compatible. However, that doesn't necessarily mean it will be a difficult day, just as compatible numbers don't guarantee a great day. Still, today's ruling numbers are polar opposites pulling you in different directions.

As with most days dominated by the 6, people will probably be demanding your attention or needing your help and support. Unfortunately, you may not be in the mood to deal with emotions, engage in small talk, or otherwise respond as expected. Instead, you may find you are a little impatient and easily irritated. Your best approach to these discordant influences is to be as agreeable as possible and avoid the potential for emotional drama.

On the upside, this is a good day for business and financial matters. Legal issues should be easier to manage and any task you can address without too much interaction with others should go smoothly.

March 9, 2026 — THIS WAY OR THAT - A 7 DAY

Hello Owen, today's numbers are 7, 16, 7, 0

The 7 is dominant as the number ruling both the month and the day. This makes it difficult to predict whether you will adhere to its common traits, or move in the opposite direction. (This applies to personal charts as well, where an individual overwhelmingly influenced by a single number often behaves in a way opposite to the number's typical characteristics.)

Today you could feel like withdrawing from the hustle and bustle as the 7 is normally prone to do, or dive into your day with a vengeance to make considerable progress and perhaps financial gain. There is usually no middle ground.

It is a good night to spend alone or with someone close to you. You could probably use a little "me" time.

March 10, 2026 — THE FORCE IS WITH YOU - A 8 DAY

Hello Owen, today's numbers are 8, 17, 7, 1

There is an opportunity for progress, and even a breakthrough today. Your personal power and ability to influence others should be stronger than usual. When the 7 teams up with an 8 based on 17 inner strength is enhanced and your self-confidence gets a boost. Even so, to make progress today you will need to dig deep and put forth considerable effort.

Conversely, it is not a good day to gamble or take unnecessary risks. Today's energy is focused on effort, drive, and ambition. Romance and relationship issues should probably be put on the back burner.

March 11, 2026 — COMPLETION AND FULFILLMENT - A 9 DAY

Hello Owen, today's numbers are 9, 18, 7, 2

With a little imagination and self-reflection you might be able to see yourself as an entity with two control centers: the mind and the heart. The 9 and 7 work a little like that. The combination can make one seem aloof and self-absorbed, when there is actually a genuine desire to understand the deeper meaning of life. (Although much of this plays on a subconscious level as you are busy living your life.)

The 9 extends its love to people and causes around the globe. The 7 is the driving force behind your need to know. Combined, they are a valuable but demanding team. Their influence today will probably contribute to an analytical, inward focus, possibly relating to a global issue you are concerned about. As such, you may not have the best focus for personal issues (relationships, career, finance, and other daily matters). This can lead to a less productive day, but could pay off in intangible ways.

It is a good night to watch the sunset and connect with your deeper feelings.

March 12, 2026 — GOALS AND DREAMS - A 1 DAY

Hello Owen, today's numbers are 1, 19, 7, 6

Unlike yesterday's more inward focus, your drive and sense of purpose should be strong today, firmly connecting you with the material world. Today's influence is pragmatic and results-oriented. This can bring progress to your career, business, or project.

The downside could be distraction and forgetfulness, particularly for mundane tasks. Pay attention to the little things to avoid forgetting an appointment or mislaying your keys.

The 19 is a Karmic Debt number that challenges your ability to stand on your own. Consider the pros and cons connected to relationships that could chip away at your independence.

March 13, 2026 — FRIENDSHIP - A 2 DAY

Hello Owen, today's numbers are 2, 20, 7, 5

Today's 2 could make you more sensitive and intuitive than usual, especially during a 7 month. In combination, they bring a heightened ability to read body language and facial expressions.

Others are likely to be drawn to you today, sensing your increased sensitivity to their concerns. This can be helpful at work as well as in your personal life. If you have had a recent dispute with someone close to you, it is a good day to reconcile. The downside of this vulnerable energy is the tendency to be more susceptible to illness, so make healthy choices today.

It is a favorable day to make a good impression on the right person (although you may not notice the results until your next 8 day - six days from today).

Today's emphasis is on feelings so the evening could bring emotional issues to the foreground.

March 14, 2026 — UNCONVENTIONAL & ORIGINAL - A 3 DAY

Hello Owen, today's numbers are 3, 21, 7, 4

Open, honest communication is important today, and it could help you advance toward a goal or dream. In addition, although expressing yourself is a large part of today's 21/3, so is careful listening and picking up on what might be going unsaid.

Money matters are less favored. They will be better supported tomorrow, when the grounded,

down-to-earth 4 arrives. Apart from finances, it is a good day for business, especially if it requires a creative, original approach. Your energy may be a little scattered, but Lady Luck should be on your side.

Romance is highly favored. The 2 and 1 hiding behind the 3 increases your charisma and your chance of meeting someone new.

March 15, 2026 — SLOW AND STEADY - A 4 DAY

Hello Owen, today's numbers are 4, 22, 7, 3

With the 4 in play, issues regarding your dependability might arise today. Also, routine matters could demand attention. The keywords today are effort, discipline, and patience.

Things might seem to move slowly, which can make the day feel a little frustrating. Although the 22 behind the 4 is a Master number, when it appears in a short day cycle, it doesn't have enough oomph to fully materialize. This can add to the frustration and cause nervous tension - one day just isn't enough to manifest a big dream, especially on a plodding 4 day.

Fortunately, the deliberate pace of the 22/4 is misleading. You are likely on a path of steady but persistent growth. Use today's stable, practical influence to continue moving forward.

Social events are not favored by the 4. Consider taking care of routine matters instead.

March 16, 2026 — A CHANGE IN PERSPECTIVE - A 5 DAY

Hello Owen, today's numbers are 5, 23, 7, 2

The current month may have reinforced your recognition that a change is taking place in the way you view your life. Sometimes change isn't about creating new circumstances, but changing the way you view current ones. Realizations and insights often accompany the introspective 7.

When you dream, you view events but you cannot influence them. When you are awake, however, you have the power to influence your environment. Your consciousness and self-awareness - i.e. being awake - is your greatest asset. This is the domain of the 7, which rules all month.

When the 23/5 joins the 7, it throws a firecracker into the mix. Expect the unexpected and stay flexible. Fortunately, your mind should be quick and supple, making it easier to adapt. This is also a good combination for career, business, and financial decisions. Even romance is favored. It is a good night to socialize.

March 17, 2026 — A FOCUS ON RELATIONSHIPS - A 6 DAY

Hello Owen, today's numbers are 6, 24, 7, 1

When the 6 is based on 24, emotions usually play an important role in both your personal life and work environment.

Today's influence delivers an opportunity to heal and mend conflicts. However, there is also the possibility of becoming the victim of someone's projected guilt or blame. Jealousy and gossip are also more likely under this combination.

Business, finance, and career are favored. Fortunately, the even numbers 2, 4, and 6 tend to be practical even when emotions are involved. Additionally, the potential for advancement is increased when three even numbers are at play.

March 18, 2026 — MAKING ROOM FOR THE NEW - A 7 DAY

Hello Owen, today's numbers are 7, 25, 7, 0

Vivid dreams often accompany today's combination. If last night's dreams seemed to be conveying a message, take it to heart. A double 7 has the potential to help you see things in a different light and dreams are often the conduit.

You might feel the urge to tidy your environment and pare down non-essentials today, but be careful not to make impulsive decisions that will drastically affect your life.

One of today's 7's is based on 2 and 5 which suggests you may be approached by someone experiencing emotional turmoil who looks to you for stability and advice. If so, you might find you are better at offering rational, analytical advice than at connecting on an emotional level.

Romance and social events are not well favored. It is a better night for contemplation and taking time for yourself.

March 19, 2026 — PLANNING & FOLLOWING UP - AN 8 DAY

Hello Owen, today's numbers are 8, 26, 7, 1

Progress and success are possible when the 8 steps into the picture. Today the 8 is based on 26, which increases the likelihood that other people's participation will be a big part of a positive outcome. Financial issues are often affected positively under the clever, watchful eye of the 8. You can help by paying close attention to the day's events - be decisive and prepared to accept added responsibility.

Be aware that you might be a little forgetful, and may have difficulty keeping track of details, so make a note of important appointments and duties. You could also feel more impatient and stubborn than usual. This is the negative side of the 26. Even so, try to stay open to valuable advice.

Today's combination is not the most favorable for romance. A focus on material concerns will be more fruitful.

March 20, 2026 — DISCORD VERSUS AWARENESS - A 9 DAY

Hello Owen, today's numbers are 9, 27, 7, 2

Misunderstandings are common when the 9 is based on the 2 and 7. The inwardly focused, critical 7 has trouble hearing what it doesn't want to hear. This could lead to a confrontation with a loved one or co-worker, creating inner and outer turmoil.

On a more upbeat note, the dominant 9 - the most globally conscious of all numbers - can expand your awareness. It is usually positive for career and issues concerning justice and compassion. Financial matters, however, are not well supported. Also, impulsive decisions should be avoided.

It is a good day to focus on the greater good in your work and private life, and nurture your interest in broader issues. Consider volunteering for a worthwhile project.

You may be in an especially generous mood today, but there is a difference between being generous and being gullible, so be discerning.

March 21, 2026 — HONEST ASSESSMENT - A 1 DAY

Hello Owen, today's numbers are 1, 28, 10, 7, 6

Today's number sequence could challenge your sense of self-sufficiency and confidence. This could include a situation where you are forced to rely on your own strength and ability, possibly to a degree that makes you uncomfortable. If so, consider facing it head on even if your first reaction is avoidance. Difficult circumstances provide opportunities to practice independence which can boost your confidence and character.

The 1 based on 28 often delivers a message through blunt honesty, a no-nonsense assessment, or a confrontation. Again, while uncomfortable, it could lead you to an important self-realization.

It is a favorable night for social interaction.

March 22, 2026 — Hello ~first~, today's numbers are 2, 29, 11, 7, 5

Hello Owen, today's numbers are 2, 29, 11, 7, 5

The 2 can be a little melodramatic, and even more so when it is based on 11 and 29. Your irritation threshold might be lower today as well. This could present a problem, since the day is likely to bring unsolicited advice and comments from people around you. On the plus side, you should be able to read people more accurately than usual, a side effect of being particularly intuitive and sensitive.

It is a good day to share your experiences and feelings openly with those close to you, but be mindful of the way you express yourself. When emotions rule, as they do today, impulsive or careless communication can have long-term negative results.

Business and finance are not as favored. If possible, leave important decisions for another day.

March 23, 2026 — SERIOUSLY PLAYFUL - A 3 DAY

Hello Owen, today's numbers are 3, 30, 7, 4

Today's numbers get along well. The serious, spiritual 7 and the creative, extroverted 3 are the proverbial example of opposites that attract. Their influence will likely affect your mood in the same way.

One facet today has a serious, somewhat introverted undertone. This could inspire contemplation, meditation, prayer, or simply daydreaming about the mysteries of life.

On the surface, however, you will probably appear upbeat and optimistic. The 3 can enhance your charisma, wit, and humor, which is favorable for socializing and romance. A positive attitude can even boost your immune system.

The downside of this combination could be a shortened attention span and lack of focus. Hence, financial and business matters might be better supported five days from now, when the 8 comes back into play.

March 24, 2026 — KEEP THINGS SIMPLE - A 4 DAY

Hello Owen, today's numbers are 4, 31, 7, 3

Today could bring a feeling that things are more complicated than they really are, so try not to over-think matters. This number sequence can also bring self-doubt. It will likely be a demanding, busy day - but probably a little boring. The 4 concerns itself with routine duties, stability, predictability,

and persistent, plodding effort.

Fortunately, today's hardworking traits bring an increased potential for growth in your career, business, or project, and long-postponed chores can be completed. Still, you may find the day to be draining. People around you might not help, as expectations and demands on your time could produce additional strain.

It is a good night to spend with people close to you. Possibilities for meeting a new friend or romantic partner also increase under this combination.

March 25, 2026 — OPPORTUNITY KNOCKS - A 5 DAY

Hello Owen, today's numbers are 5, 32, 7, 2

The 5 dominates today, so the pervading energy is about expansion through chaos. This rebellious, adventurous number can affect your material world by disrupting the established order, so things may not go as planned.

Conversely, the number 7 dominates the whole month. This influence also expands your world, but it focuses on the intellectual and spiritual/non-material aspect. Together, they could make for an interesting day, where the keywords 'letting go' and 'surrender' apply equally well to your career and your relationships.

The easier you adapt to changing circumstance, the better this combination can deliver its innovative influence. Try to be versatile, and don't hesitate.

New people, a social event, or romance could broaden your perspective. Be mindful, however, that the 5 has a risky, irresponsible side regarding self-discipline. You may want to keep a tighter rein on your favorite indulgence.

March 26, 2026 — HOME & FAMILY - A 6 DAY

Hello Owen, today's numbers are 6, 33, 7, 1

Family matters and work around the house could be the focus of your attention today. Serious conversations could surface, as you may be the shoulder others seek to cry on. Be responsive, but don't allow others to take advantage of your good nature. The 6 is generous - sometimes to a fault - and pushing the limits of this generosity can leave you feeling used or resentful. Also remember too much involvement from you can turn into interference.

Your professional or project-related life should be positively affected today. The Master number 33 delivers ideas and solutions. However, financial matters would be better supported the day after

tomorrow, when the 8 rules.

March 27, 2026 — SHARP, CREATIVE, AND A LITTLE AWKWARD - A 7 DAY

Hello Owen, today's numbers are 7, 34, 7, 0

A 7 month tends to make us less social. This may feel even more the case today, with the 7 in both the month and day position.

Today's double 7 could make you feel a little out of sorts, low on energy, and perhaps easily bored - with everyone and everything. If so, do your best to stay as open and responsive as you can, but look for an opportunity to create a little "me" time. Take a walk, sit near a window, or curl up with your thoughts or a good book.

Fortunately, today's combination sharpens the mind, heightens imagination, and helps you think outside the box. It is an ideal team for discovering unique solutions and producing original ideas, so keep a notepad handy.

It is a good night for a quiet evening. If you are in a social situation, you may want to keep a low profile. The 7 can seem distracted and a little awkward.

March 28, 2026 — READY, SET, GO... - AN 8 DAY

Hello Owen, today's numbers are 8, 35, 7, 1

It is nearing the end of your 7 month. As luck would have it, you get four days during a 7 month when the 8 dominates the daily cycles, as if you are being prepared to take advantage of the upcoming dynamic 8 month.

Today's 8 is based on 35, which adds a positive, upbeat, and flexible energy to the goal-oriented, visionary, and pragmatic 8. It is a good day to focus on business and financial matters - pay bills, plan, and collect what is owed you.

You could also feel more assertive than usual. Trust your personal power; it is not a day to be timid. Your sense of timing should be heightened, so Lady Luck will be on your side. However, it is not a good day to make impulsive decisions.

Today's challenge might lie in taking care of details. This combination can make you a little forgetful, so keep track of your keys and other important items. It is a day to focus on big plans and ideas, not the small steps that get you there.

March 29, 2026 — LETTING GO - A 9 DAY

Hello Owen, today's numbers are 9, 36, 7, 2

Today's 9 is based on 36, infusing good judgment and creativity into an otherwise flat day, although you may not feel very energetic.

This combination can inspire you to move past outdated habits and unproductive situations. Perhaps you will become aware of a project or relationship that hasn't lived up to its promise. If so, letting go of unfruitful or unhealthy circumstances often delivers relief rather than regret.

Although the chatty 3 shows up as part of the 36, it also appears as a challenge, which can make you a little clumsy verbally. The advice is to think before you speak.

You may seem distant and distracted today, which can cause trouble if you are in a relatively new relationship. Spending the evening in a light-hearted, social environment could be just what you need.

March 30, 2026 — Hello ~first~, today's numbers are 1, 37, 10, 7, 6

Hello Owen, today's numbers are 1, 37, 10, 7, 6

You are almost at the end of a 7 month, which may have been a difficult period. This is not due to it being particularly demanding or unlucky, but because it likely drew you inward into a realm the material world doesn't especially appreciate.

If you found opportunities to reflect on life's Big Questions, and thought about your own life and circumstances, chances are the month went relatively smoothly. Conversely, if you were unable to satisfy the need for self-examination and contemplation this month's influence required, you may have felt an underlying sense of dissatisfaction, as if something was lacking.

Today, the influence of the 1 can take the edge off of the questioning aspect of the month by infusing it with a dynamic, goal-oriented energy. This increases the potential to make it one of the most productive days of the month.

In spite of the day's bold energy, you may want to make the evening a quiet one. Perhaps watch the sunset, and take time for one more dose of self-reflection.

March 31, 2026 — MASTER NUMBERS RULE - A 2 DAY

Hello Owen, today's numbers are 2, 38, 11, 7, 5

The two numbers most likely to impact you mentally and spiritually are the 7 and the 11, although

for different reasons. The first infuses your mind with the desire to know and understand - anything and everything. The second is tuned to the intuitive, our most basic level of understanding. Today they share the stage.

This combination can make you question facts you previously accepted at face value - and you might sense there is more than meets the eye. Try not to become so distracted by the day's activities, that you fail to hear these inner voices.

Relationship issues can be a little tricky because, there too, nagging questions can bubble to the surface. Business and career, however, tend to do well under these clever numbers, so they are good places to put your focus.

Although romance isn't favored, being with close friends or family members could be just what you need.

April 1, 2026 — TIME TO CLEAN HOUSE - A 9 DAY

Hello Owen, today's numbers are 9, 8, 1

The 9 rules your daily cycle today and asks you to finalize... (fill in the blank). Ask yourself if there is a project, unproductive habit, unused item or unhealthy relationship it is time to let go of. The 9 supports cutting detrimental ties and clearing out mental, emotional, and physical clutter in our lives.

The results-oriented, ambitious 8, and the idealistic, sacrificing 9 compete for dominance today. The conflicting influences could create an underlying sense of insecurity, fear, or self-doubt. If so, tomorrow's dynamic energy should help you move past it.

It is a good night for a social evening with friends, especially if it has been an emotional day.

April 2, 2026 — GO GET IT - A 1 DAY

Hello Owen, today's numbers are 1, 10, 8, 7

Today's energy is focused, decisive, and confident. This month you will have three more days with the ambitious, goal-oriented 8 and the driven, forceful energy of the 1. Use it to advance your goals.

It is a favorable day for career, business, planning, financial decisions, and progress. However, effort will be required as well.

Moral and spiritual issues often come to the surface when the 7 undertakes the challenging role of

the bridge between these numbers. Normally, this number inspires insight and an awareness of the deeper aspects of life. However, its negative side tends to ignore spiritual and philosophical interests, making it somewhat superficial instead. At its extreme, the 7 can arouse greed and an obsession with money.

If today's events place you in a position where you have an opportunity to gain materially but have to compromise your moral standards, be mindful of your choice.

April 3, 2026 — A GENTLE WIND - A 2 DAY

Hello Owen, today's numbers are 2, 11, 8, 6

Although you might wake to intense, graphic dreams this morning, this promises to be a gentler day than yesterday.

The sometimes overbearing 8 is mellowed by the gentle 2, creating a more balanced energy. It makes you more sensitive and intuitive, especially when the 2 is based on 11. Use it to listen to others and mend disputes.

This is a goal-oriented, business-minded month, and today's enhanced intuition heightens your ability to recognize potential opportunities and make smart decisions.

The 2 pushes relationship matters to the surface, so an issue with a family member, friend, or co-worker may throw a wrench into an otherwise calm day. (If so, it could be the same issue that played yesterday and the day before.)

Try to take advantage of the slower pace today - relax and enjoy yourself this evening.

April 4, 2026 — A DAY FOR WORK AND PLAY - A 3 DAY

Hello Owen, today's numbers are 3, 12, 8, 5

No two numbers are as opposite in nature as the power seeking, results-driven 8 (your current month's number) and the playful, creative, careless 3 dominating the day's cycle. The 3 might inspire you to take a day off or find a way to take a short break from your routine. However, work that is creative, verbal, and involves self-expression is quite favored.

If someone needs convincing, it is a good day to give it your best shot. This applies to just about everything: relationship issues, renegotiating a mortgage, or convincing your boss you deserve a raise. Financial matters (other than asking for a raise) are not well supported. They might be handled more effectively tomorrow - or even better, five days from now on your next 8 day.

April 5, 2026 — STRIKE WHILE THE IRON IS HOT - A 4 DAY

©Copyright Hans Decoz

Hello Owen, today's numbers are 4, 13, 8, 4

Several numbers in place today could help move you closer to your goal. The efficient 4 supports taking care of details, organizing, and staying focused. The visionary 8 helps you see the big picture and prioritize where best to put your efforts.

The only downside is in playing it safe and trotting down the same path, afraid of the uncertain. This could make you miss out on an opportunity. Courage and a willingness to try something new are the necessary ingredients to take full advantage of today's combination.

Today's influence focuses on your professional and practical life. Relationship issues and romance are not as favored.

April 6, 2026 — FREEDOM & RESPONSIBILITY - A 5 DAY

Hello Owen, today's numbers are 5, 14, 8, 3

The dynamic 5 can deliver unexpected changes and events, so things may not go as planned today. Because it appears in an 8 month, this will probably be most strongly felt in your career or project.

Today's combination carries the potential for considerable promise - as long as you are flexible and adapt to changing circumstances. Fortunately, you should be even more versatile and quick thinking than usual - exactly the traits required today.

Today is favorable for finding solutions, but you might have more support implementing your ideas three days from now when a more forceful number sequence is in place.

A challenging characteristic of the 5 is its lack of discipline and a tendency to overindulge. Keep the irresponsible side of this number on a leash today, but have fun tonight; it is a good night to be social.

April 7, 2026 — EVEN NUMBERS HAVE IT - A 6 DAY

Hello Owen, today's numbers are 6, 15, 8, 2

Domestic matters such as decorating, gardening, or home-repair could attract your attention today. The 8 and 6 combination focuses on practical matters, particularly those concerning home and family. Legal and moral issues could also surface.

When even numbers dominate it usually bodes well for career, business, and other project-related

endeavors. In combination, today's numbers tend to be lucky in finance as well. On the downside, you may be a little insensitive and easily distracted, so be mindful when communicating with others.

A 6 night is perfect for spending time with family and friends.

April 8, 2026 — REVELATION - A 7 DAY

Hello Owen, today's numbers are 7, 16, 8, 1

In Tarot, the 16th card is The Fallen Tower. It predicts destruction, but also rebirth. Today, on a smaller and less dramatic level, a similar influence is present which could play out in a number of ways.

Perhaps a truth will come to light that brings some type of downfall but ultimately turns out to be positive. Whatever the circumstance, today's combination could open the door to a new opportunity, most likely in career, business, or finance.

Sometimes, this influence affects us through a mental or spiritual process instead of a practical area. If so, it will probably come in the form of doubt, or questioning long-held beliefs. Your confidence may be a little shaken, but relief should replace any lingering uncertainty by the end of the day.

It may not be the best night for social situations.

April 9, 2026 — A STRANGE MIX - AN 8 DAY

Hello Owen, today's numbers are 8, 17, 8, 0

Today, the 8 rules both the daily and the monthly cycle, putting financial and business issues on the front burner. Double-check transactions and make sure you haven't forgotten anything. This combination suggests taking a cautious, conservative approach.

With the double 8 in play, you may find news (positive or negative) that clears a debt or rewards past efforts.

Your daily cycle is based on 1 and 7, which creates a strange mix of influences that may put you in a reflective state of mind. It is a subtle indication that changes are afoot but have not materialized, or even been set into motion. If so, these changes likely concern your professional life and point to the need to make an important choice either late next month (when the 9 rules) or in the first two weeks of the following month (when the 1 takes center stage).

You may want to keep a low profile at work and avoid relationship issues today.
