## THE POWER AND LIMITATIONS OF NUMEROLOGY

*Numerology is an art thousands of years in the making. Like any Metaphysical science, it hinges on the understanding that all things are interconnected. Your numerology profile analyzes the connection between the letters and numbers linked to you, revealing your talents, strengths, weaknesses, emotions, preferences, and a range of other qualities.*

*To use an analogy, think of numerology's nine single-digit numbers as nine tubes of paint, each a distinctly different color. Imagine you are a work of art painted by a master artist who used every color available to create your image. The depiction is unique and complex: a fusion of bright and subdued colors, shapes and shadows, light and reflection, subtle and bold textures. The deeper you look, the more you perceive and appreciate the many layers that makeup who you are.*

*A comprehensive numerology profile, along with your honest reflection, can be a powerful self-help tool in identifying underlying traits and new possibilities. The better you know yourself, the more control you have over life's changes and the greater your potential for a successful, fulfilled life. Numerology is not infallible, nor does it promise to answer every question, but I feel confident you will find many things to contemplate in the following pages. You are unique, and so is your Profile.*

*I hope you enjoy your reading and will find it beneficial to your path of personal growth and insight.*

# YOUR PERSONALITY PROFILE AND YEARLY FORECAST

## PART 1: ABOUT YOU

*Just as your DNA determines your physical body; a blueprint of your personality is an inborn part of you from the very beginning. Your Profile begins with insight gleaned from your name because that is where we learn WHO you are. It describes the talents, strengths, and other distinct characteristics you were born with.*

## PART 2: YOUR PATH

*Just as your physical body grows and changes with time, so does your personality. Your personal evolution begins at the moment of your birth. From that point on, the choices you make, the goals you set, your environment, opportunities, challenges, the influence of others, and a thousand other factors alter who you become.*

## PART 3: YOUR PATH AND YOU

*This section looks at how your name numbers (you) and your birthdate numbers (your path) work together to guide your personal growth and the changes you experience.*

## PART 4: SPECIFICS ABOUT YOU

*Certain numbers in your chart affect you in a clearly defined, narrow way, such as your Balance number, which lays dormant until you enter a time when you are off-balance; when discord dominates your life.*

## PART 5: HOW YOUR CURRENT NAME AFFECTS YOU

*The name you use on a daily basis, the way you introduce yourself in a social setting, has a unique affect on your life in that it, more than anything else, reveals how you feel yourself; who YOU think you are and what you represent.*

## PART 6: YOUR FUTURE

*This part of the report tells you what your cycles are for the current year and next year, and how it will affect your life.*

### **Your Yearly Cycles**

## **PART I: ABOUT YOU**

*Your Personality Profile is based on your full name at birth, your current name, and your date of birth. Your full name tells us who you are; think of it as your numerology-DNA. Your date of birth reveals your path and the patterns of your personal growth.*

*We start this report by looking at the most important numbers derived from your full name to throw light on who you are as a person.*

## **HOW YOUR NAME NUMBERS STACK UP**

*Sdfsf, we begin by taking a quick snapshot, a look at the influence and meaning of the three core numbers derived from your name. Your Expression number is the sum of the value of all the letters in your full name at birth. Your Heart's Desire is the sum of the vowels. Your Personality number is the sum of the consonants. These three numbers are closely linked and influence one another.*

*All the numbers derived from your name reflect YOU. They are a blueprint of your talents, shortcomings, character traits, and other qualities. You should realize that this is a limited perspective. Later chapters focus on the challenges and opportunities you will encounter on your path, and attributes you may acquire as time passes.*

*This first chapter is like a glance from a distance, followed by three chapters that explain the meaning of each number in more detail. We will gradually build a more complete picture of the complex and unique individual you are.*

Your Core Name Numbers are 8, 0, 8

## **THE EXPRESSION**

*Your Expression number, calculated from your full name at birth, reveals the orientation or goal of your life. Some numerologists refer to this as your Destiny number because it represents a lifelong target at which you are aiming. Thus, the Expression number, to some extent, reveals the person you aim to be.*

*Your Expression is the most influential of the three characteristics that make up who you are. It is also the number with the most influence on your choice of career, although other aspects are important as well.*

### Your Expression is 53/8

You have the power and potential to achieve great things. It is both your challenge and your birthright to gain dominion over a small part of the earth. Whatever your enterprise, you strive to be the best and most successful in your field. You are highly competitive and will not rest until you are satisfied that you have bypassed the opposition. You enjoy challenges and rivalry. You are a realist and a visionary planner.

Money and authority are available to you if you are willing to discipline yourself -- generally an inborn talent -- and persevere in the face of the considerable obstacles in your path. You are dynamic and have a talent for efficiency. You understand the larger picture, see the broader challenges, and know how to marshal your collective resources to address the problems. You delegate responsibility well; it is best for you to leave many of the details to others.

You are a great leader of people and an outstanding judge of character. You are demanding of those who work for you, often putting things in no uncertain terms: do it my way or don't do it at all! At the same time, you don't hesitate to reward the faithful and hardworking employee. You are not a particularly tolerant leader; too much tolerance violates your sense of efficiency. You go directly after your goal with courage and tenacity.

You have a natural understanding of money, authority, and power. You are able to struggle consistently after your goal. Eventually power falls to you. Within you lies an innate balance between the higher and lower characteristics of man. Your challenge in life is to balance your higher ideals and your understanding of the hard realities of the earth.

Much effort will have to be put out and many ups and downs experienced before you reach the level of success you desire. Life will probably test you many times with obstacles that seem insurmountable. But in reality, these are merely opportunities for you to learn how to use power and authority in the face of difficulties, and to find out just how much power lies within you. It is crucial for your success that you balance the material and the spiritual. You have chosen a path that requires balance between giving and taking, reward and punishment, action and reaction. Despite the obstacles on your path, you are a true survivor.

When focused exclusively on your desire for results and success, you can become stubborn and intolerant; you can be driven by excessive ambition, causing you to be exacting and without perspective. Be careful of your alcohol consumption, a danger-zone for you. You can be a social drinker, mixing business with pleasure -- a dangerous cocktail.

An excellent manager, organizer and administrator you have talents in many areas of life. Entrepreneurs, executives, bankers, brokers, negotiators, gamblers, coaches, collectors, heads of institutions, builders, art dealers, manufacturers, promoters, military officers, police detectives, smugglers, engineers, pilots or sea captains.

You have been entrusted with special gifts, the use or abuse of which has an immediate and often physical effect upon you and those around you! Use these gifts for the good of mankind and accept your own good fortune with gratitude. This is your rewarding stage in your evolution.

## THE HEART'S DESIRE

*The Expression number described above points to a more productive side of your life. Your Heart's Desire reflects a deeper, inner you; it suggests an underlying urge, your true motivation, and the general intention behind many of your actions. It reveals the environment and lifestyle you prefer, as well as your likes, dislikes, and the type of people you are drawn to. Consequently, it dramatically influences the choices you make in life.*

*It makes sense that the vowels of your name are the foundation for your Heart's Desire. Vowels are the peaks and valleys of a language. Notice how vowels leave your mouth in a free-flowing breath. Try it: Aaaa.... Eeee.... Oooo.. Consonants though, are cut off either at the beginning or in the end.*

*You might say that it is in the flow of your breath that you express your deeper self.*

### Your Heart's Desire number is 0

## THE PERSONALITY

*The consonants of your full name at birth are the foundation of your Personality number, which is a little like a narrow entrance hall to the great room that is your true nature. It's the outer layer of your personality, the part you feel comfortable sharing. With time and trust, you invite others into the deeper aspects of your nature.*

*Your Personality number serves as a censoring device in terms of what you send out, as well as whom and what you allow to approach. For this reason, your Personality is usually narrower and more protective in its definition than the real you. It also gives an indication of how others perceive you.*

### Your Personality number is 53/8

You appear strong and powerful. You have an impressive personality and can influence and even intimidate through sheer force. You have natural authority. Your competence and enthusiasm attract people with resources. You radiate confidence. People defer to you because they sense your sureness and effectiveness. You also exude a kind of controlled benevolence. People sense that you are generous, once you are convinced of the worthiness of the cause.

It is important for you to dress well. You radiate a kind of raw power and able-ness which needs to be refined and enhanced by your clothing. You may even dress a bit flashy, but that will not harm you. Quality is among your highest priorities and should reflect in your clothing. Although most eights have a strong constitution, they can be prone to indigestion, ulcers, and heart disease due to their reckless eating and drinking habits and their propensity to be workaholics.

Your Achilles heel is your capacity for an egocentric attitude. The negative side of your personality can cause you to be ruthless, greedy, and intensely lonely. Conversely, you can be spontaneous and excited. You are essentially warm and jovial. In your heart of hearts, you want everyone to be as excited and as happy as you. Those who are around you often sense this. Your coworkers and employees usually like you.

## THE HEART'S DESIRE - PERSONALITY BRIDGE

*A Bridge number is based on the numerical difference between two closely related aspects in your chart. It is the gap you need to "bridge" in order to create a more harmonious bond between the two areas.*

*The following Bridge number connects your Heart's Desire and Personality numbers. It suggests things you can do to help your deeper self to align more closely with your personality; the "outer" you that is apparent to others.*

*With a little exaggeration, you could say that your Personality number is somewhat like your mask; it's a more superficial aspect you reveal to the world. You can imagine how much more comfortable and less inhibited the experience of life becomes when you can align your authentic self with the personality you show to the world.*

### **Your Heart's Desire - Personality Bridge number is 8**

The important thing here is to understand the function of money. Money is a tool for trading, no more and no less. This bridge number is a result of having a Heart's Desire and Personality combination of 9 and 1 (or vice versa) and suggests an idealistic view of life. Sometimes the idealism is taken too far and becomes impractical. Other times, the exact opposite happens, and the person becomes obsessed with

personal success.

More often though, the 9 and the 1 together reveal the very ambitious humanitarian who has the potential to do well in the corporate world, or any career that offers international connections and activities.

## PART II: THE PATH YOU ARE ON

*If there was ever a moment of transformation, it was the moment of your birth. In that instant, you stepped into a new reality - the reality of human life and human consciousness. Even at that moment you were a person with your own unique character, as unique as your DNA. The previous chapters focused on YOU, the person you are, as revealed in the letters of your name. It is now time to look at your Path, the road you walk through life, using the numbers found in your date of birth.*

*Your first breath marked the beginning of your journey on the road we call your Life Path. It makes sense, then, that the most important number in your numerology chart comes from the date of your birth. Your Life Path number gives a broad outline of the opportunities, challenges, and lessons you encounter throughout your life. It also reveals the strengths, specific talents, and characteristics you were given to help you overcome challenges and evolve into the best you can be.*

### THE LIFE PATH

*Your Life Path number is considered the single most significant information available in your Personality Chart. It is derived from the total of all numbers found in your date of birth. However, it is important to keep in mind that the aspects described in the next few chapters will either complement, supplement, or sometimes weaken the attributes revealed in numbers derived from your name.*

#### **Your Life Path number is 3**

You possess a great talent for creativity and self-expression. Many writers, poets, actors and musicians are born under the 3 Life Path. You are witty, possess a gift for gab, and savor the limelight. Your talent for the expressive arts is so abundant that you may well have felt drawn to becoming an artist while still very young. Your artistic abilities can only be developed, however, through discipline and commitment to the true development of your talent. Commitment, concentration and hard work are the only means of bringing forth your talent.

Thanks to your gift for self-expression, you can be the life of the party, and the center of attention. However, you could easily squander your talent by becoming a social butterfly. Your creativity is

the gift that can give you the comfort and luxury you desire, but not without continual focus and discipline. You are optimistic and possess the resilience to overcome many setbacks.

You are socially active, popular, and inspire people with your sunny "happy go lucky" attitude. You can be generous to a fault. Many people born under the 3 Life Path have difficulty handling money because they can be disorganized and not particularly serious about their responsibilities. You are emotional and vulnerable. When hurt, you withdraw into a cloud of silence, eventually emerging from your reticence with jokes and laughter that cover up your true feelings. You can become moody and cynical when depressed. You can succumb to sarcastic remarks, which can be painful to those around you.

When used positively, your talent for self-expression can be a great inspiration force in the world, uplifting others, and bringing much success and happiness to you.

## **THE BIRTH DAY NUMBER**

*The day you were born bears great significance in understanding who you are and where your talents lie. Your day of birth indicates special talents you possess. It gives us an indication of the approach you will take toward the goals, opportunities and obstacles you encounter on your Life's Path.*

### **Your Birth Day number is 1/1**

You are a leader. You have a great ambition and a strong drive for success. You are highly independent and dislike the restrictions of having to work with others. You easily become frustrated with the routine. You are a pioneer, a gambler, and an initiator. You are very creative; you possess a keen and rapid mind.

You have excellent business instincts and with the appropriate training can run large organizations and big businesses. You use information for a specific purpose. Knowledge is a practical tool in your hands; you dislike information or knowledge for its own sake. You possess a broad vision and a great capacity for motivating others. You have great will power that will be tested, especially during the years 28 to 56. But your opportunity for accomplishment is enormous.

You are generally open to the ideas of others, but you can be extremely stubborn and hardheaded once you become attached to your plans.

Avoid laziness and procrastination. You are given to anger and frustration and tend to force the issue at times when things are not developing as rapidly as you would like.

Your determination, will power, and inventiveness are the keys to your success and will likely bring you much personal reward and financial success.

## **THE LIFE PATH - BIRTH DAY BRIDGE**

*Your Life Path and Birthday numbers are closely connected and influence each other. This Bridge explains how you can make the connection between them more harmonious.*

### **Your Life Path - Birthday Bridge number is 2**

Your Life Path and Birth Day number give you a 2 Bridge, indicating that your personal growth depends in large part on your ability to sense the emotional and mental disposition of others. Your ability to connect with people is a powerful tool that can greatly advance your progress.

## **CHALLENGES; YOUR FIRST CHALLENGE**

*You face four specific Challenges in your lifetime. For many of us, the same challenge is repeated, while others have four distinctly different lessons to learn.*

*These Challenges place you in situations that require you to face the particular lesson at hand. This provides an opportunity for you to learn or better integrate personal traits that will benefit you during the lesson, and throughout your life.*

*The four Challenges in your chart will influence you during the periods of your life listed below.*

*The duration of your First Challenge usually lasts from birth until age 30 to 35.*

### **Your First Challenge is 0**

This is a less demanding challenge. Growth is allowed to take place without one particularly serious obstacle. This does not mean that there will not be challenges on your path, but there is no single and consistent challenge during this period. However, you are being challenged to stay faithful and focused on your highest ideals.

There is an opportunity to go deeper within yourself, and discover the inner being that is you.

## **THE SECOND CHALLENGE**

*Your Second Challenge is in place from approximately age 30 through 55.*

### **Your Second Challenge is 0**

Sdfs, you are repeating your First Challenge

## **THE THIRD AND MAIN CHALLENGE**

*This Challenge carries much weight and will be felt throughout your life. For that reason, it is also called the Main Challenge.*

*As you master this challenge and incorporate its positive aspects into your character, your life gradually feels more in control. There is a chance for great reward implicit in this challenge. In short, it may offer the secret to your success.*

### **Your Third and Main Challenge is 0**

Sdfs, you are repeating your First Challenge

## **THE FOURTH CHALLENGE**

*Your Fourth Challenge is most strongly felt during the latter part of your life, beginning at approximately age of 60.*

### **Your Fourth Challenge is 0**

Sdfs, you are repeating your First Challenge

## **PART III: YOUR PATH AND YOU**

*We have focused on the letters of your name and the numbers from your date of birth. We will now look at numbers in your chart derived from the combination of both your name and the date of your birth. Acquiring the attributes described in the next few chapters will help smooth your progress. As you learn more about yourself, you may begin to recognize traits you were previously unaware of.*

### **THE LIFE PATH - EXPRESSION BRIDGE NUMBER**

*This Bridge has the potential to "close the gap" between the Life Path and the Expression numbers. The chapter explains how you can make your talents, strengths, and specific abilities (your Expression number) more readily available and fitting to your goals and personal growth.*

#### **Your Life Path - Expression Bridge number is 5**

Your 5 bridge suggests you a need to be more flexible and adaptable. Be willing to go out on a limb; try being more adventurous and unconventional. A dynamic approach will be helpful in the challenges and opportunities you encounter, especially when your career is involved. (This is less the case in your personal life.) Make freedom, and freedom of expression, a high priority in your life.

Your strength lies in using your creative talents in a business-oriented manner. Your weakness is your tendency to suppress your creativity in favor of proven methods, even if you know there are better ways. Don't be afraid to make waves.

### **MATURITY NUMBER**

*Your Maturity number indicates an underlying wish or desire that gradually surfaces at around age 30 to 35. A direction begins to emerge as you gain a better understanding of yourself. With this self-knowledge comes a greater awareness of who you are, and the direction you want to set for your life.*

#### **Your Maturity number is 11/2**

As you mature, you will discover that you possess a growing talent for understanding and working with other people. Your ability to influence others through tact and diplomacy will grow. These talents will further you along in your career or business. You will become increasingly shrewd and will learn the art of discrimination. Your sensitivity to the needs and desires of others improves dramatically. You will be able to evaluate their motivations with a growing clarity and uncanny accuracy.

You find you can get more done by persuasion and gentle guidance than by force. You may well have to learn to assume the role as the power behind the throne. Your influence is less public, and you may not always receive the public recognition you deserve. However, your satisfaction comes from seeing the fruition of your own ideas come about, the result of teamwork and cooperative efforts.

If you already have many 2s in your chart, especially in the core numbers, you may become overly sensitive, a characteristic you will have to keep in check. If you have few 2s in your chart, the influence of your Maturity Number will greatly increase your ability to work harmoniously with other people.

## **PERIOD CYCLES; YOUR FIRST PERIOD CYCLE**

*Like most stories, there are three distinct stages of your life. Your First, Second, and Third Period Cycles come from your month, day, and year of birth respectively. Together they form the foundation of your Life's Path.*

*The First Cycle begins in childhood and lasts through your late 20's. It's a quest for knowledge and identity while you cope with the powerful forces that are present in your environment. These forces include your parents and the socio-economic conditions of your family, for example.*

*The Second Cycle covers the middle period of your life, bringing about the slow emergence of your individual and creative talents. This cycle begins in the early and mid-30's while struggling to find your place in the world. The late 30's, 40's, and 50's, bring a greater degree of self-mastery and influence over your environment.*

*The Third Cycle starts approximately age 55, and represents a flowering of your inner self as your true nature comes to fruition. It is during this period that you have the greatest degree of power and self-expression.*

*Your First Period Cycle runs from birth until your mid 30's.*

**Your First Period Cycle is 1 and lasts until age 33**

The first part of your life, through your late 20's or early 30's, is a period of much intensity. When the 1 dominates, it requires fortitude, courage, and flexibility. You are forced to use every one of your talents to achieve individuality and independence. This is a period of integration and focusing on your life's dreams.

Your ability to stay the course is repeatedly challenged, but adequate resources become available to assist you. Resilience, independence, and fortitude are required. As you strengthen these characteristics, they become an integral part of your personality and help you to emerge stronger for it. This cycle marks a time of progress in your development.

## **SECOND PERIOD CYCLE**

*Your Second Period Cycle runs from your mid 30's until your late 50's.*

### **Your Second Period Cycle is 1**

The middle years of your life (approximately ages 30 to 60) find you on an intense path of personal growth. You are required to adapt frequently to the many ups and downs in your life.

When 1 rules the second Period Cycle it focuses on self-empowerment. To facilitate this, situations occur that force you to dig deep to find the courage required to face your challenges. You have love and support, but circumstances will often demand that you rely heavily on your own strengths.

Fortunately, throughout this approximately thirty-year period, you often have confirmation that your gut feelings are correct and feel you are moving in the right direction. You will likely find yourself in a leadership position, strengthening your self-confidence even more.

## **THIRD PERIOD CYCLE**

*Your Third Period Cycle covers the later part of your life, starting in your early 60's.*

### **Your Third Period Cycle is 1**

The latter part of your life will likely find you in a position of leadership. You act rather than react; you are an instigator, a self-starter. You may move in a new direction during this period. You will need to be proactive to overcome obstacles. Courage, self-confidence, and perseverance (more than the support of others) will

be required to reach your goals.

Many people become less active or involved when they reach their later years; you experience renewed energy and drive. This is a period of integrating different aspects of who you are and focusing on your life's dream. The people who are close to you may suggest slowing down, but you are meant to make your greatest advancement later in life.

## **PINNACLE CYCLES; YOUR FIRST PINNACLE CYCLE**

*Although Pinnacle Cycles and Period Cycles are both derived from your date of birth, they differ in the way you experience them. Period Cycles, described above, reflect internal stages of growth. Pinnacle Cycles represent the external influences you encounter in life.*

*Pinnacles reveal general conditions and events you experience during each period, such as your environment, social conditions, relationships, and changing circumstances. Pinnacles reveal how you might respond to these influences and how they will affect your ever-evolving personality.*

*The transition from one Pinnacle to the next is usually strongly felt. You begin to feel the transition from one Pinnacle to the next approximately two years in advance. The latter part of that two-year period can be particularly strong. You will likely make life-altering decisions, such as marriage, a job or career change, or major changes in your personal makeup.*

*Knowing and understanding your approaching Pinnacle number prepares you for the changes ahead. Perhaps the most strongly felt change is the transition from First to Second Pinnacle, which usually takes place in your late 20's or early 30's (the exact date depends on your Life Path number). This is usually a difficult transition but once crossed, provides a clear sense of direction and a firmer sense of identity.*

### **Your First Pinnacle cycle is 2 and runs from birth until approximately age 33**

Sdfs, this Pinnacle causes you to be extremely sensitive, intuitive, and full of insight. It is a period that requires patience and the development of inner awareness. You are being asked to use gentle power and persuasion to obtain your desired goals. Direct approaches, forceful displays, and confrontations will likely work against you. You will find the most satisfactory roles to be supportive. You are now a gifted advisor, a diplomat and a peacemaker. Your insight into other people's feelings and motivations is so acute that you seem to be able to see right to the core of things. But rather than use these gifts to create differences between people, you must use them to create peace, to mend rifts, to harmonize.

Your challenge during this period is to bring balance to duality in every form, and at every level. You will recognize the value of both sides of an argument and be able to see the middle ground

where peace can be made. You can create the atmosphere in which both sides can compromise and work harmoniously. You are the glue that keeps people and important projects together.

The weaknesses you must face and overcome are too much sensitivity. You may be tempted to indulge your feelings, to be too easily hurt. You may lack self-confidence, especially at the beginning of the Pinnacle when your heightened sensitivity and awareness make you conscious of your own shortcomings. You may succumb to fear and hesitation. All of this can lead to emotional turmoil. You need courage and the willingness to reach out for support.

Your sensitivity will make you acutely appreciative of beauty and harmonious environments. At the same time, you need beauty and harmony around you. You have an increased appetite for music and the arts in general. You may find that your musical talents coming to the surface. If you do not already play an instrument, give in to any inclination to take one up.

A person in a 2 Pinnacle who uses his or her sensitivity, understanding, and insight is very appreciated by others. You may not fully realize just how much others appreciate and respect you. This may cause you to feel undervalued, or that you are not getting the recognition you deserve. You appear shy and humble, particularly if this is your first Pinnacle, but inside there is much pride that must be kept in check.

You may want to hide from the tumult of life, or from difficult situations. This may tempt you to color the facts in order to protect harmony. Be careful of this tendency, because it often backfires.

You have an eye for precision and detail. Your taste in all aspects of life is enhanced and you possess a certain class that others admire. If you make the most of these qualities, your appearance is considerably improved, making you both attractive and graceful.

## **THE SECOND PINNACLE CYCLE**

*Your Second Pinnacle Cycle lasts nine years and tends to have a considerable influence on your productive/professional life.*

**Your Second Pinnacle cycle is 2 and runs from age 33 until age 42**

Sdfsf, you are repeating your First Pinnacle Cycle

## **THE THIRD PINNACLE CYCLE**

*Your Third Pinnacle Cycle also lasts nine years. Like your Second Pinnacle, its effect is felt primarily in your career or business environment.*

**Your Third Pinnacle cycle is 4 and runs from age 42 until age 51**

This is a Pinnacle of hard work and many rewards. You have the opportunity to build a foundation that will last. Your ability as an organizer, manager, or simply the rock of any institution is greatly increased. You are dependable and reliable.

Your ability to fulfill responsibilities is likewise enhanced. As a result of your industry and perseverance, success is well within your reach. It is a step-by-step process in which you build something by small bricks laid one after another.

You will find yourself caring for others in a very material way. Family and in-laws can be burdensome, since you are seen as the cornerstone of the foundation.

Your life is preoccupied with details and responsibilities that must be taken care of. You have set in motion projects that are your children, demanding your constant attention. While there are many rewards, there are also many frustrations. Your sense of your own limits and the consuming nature of details may at times seem overwhelming. You must remember that things that last require slow growth. You may mistakenly believe that your progress should be faster or happen with greater ease. The need for efficiency, orderliness, and methodical systems limit your creativity. Your challenge is to be flexible and adaptable. Learn to play more and allow yourself to be more spontaneous.

Children born under this Pinnacle will tend to be serious and affected by the financial limitations of their parents. The child may feel the need to leave home early and start a family of his own. He or she must be encouraged to be more farsighted and flexible. The child should avoid jumping into the harsh realities of life too soon.

### **THE FOURTH PINNACLE CYCLE**

*Your Fourth Pinnacle Cycle lasts for the rest of your life.*

**Your Fourth Pinnacle cycle is 2 and runs from age 51 until age death.**

Sdfs, you are repeating your First Pinnacle Cycle

## PART IV: SPECIFICS ABOUT YOU

*Although the following chapters deal with less dominant aspects of your chart, they are more narrowly defined and specific in the ways they affect you.*

### THE RATIONAL THOUGHT NUMBER

*Your Rational Thought number comes from combining the sum of your birthday number with the sum of your first name. It reveals the style or process you use when making choices or considering a problem. Are you a structured, logical thinker or do you ponder a question in a creative, abstract manner? Do you daydream or stick to deductive reasoning?*

*Your Rational Thought number suggests the general approach you take in your thought process.*

#### Your Rational Thought number is 5

You have a flexible and adaptable mind. You are quick with solutions, and you can think on your feet. You have the cunning of a fox. You can talk yourself out of the tightest situations, but your priority is often winning the contest, not being right.

You love to reinvent the wheel. You have no fear of trying an approach that seems far-fetched to others.

Your adaptability is unique, and you often manage to turn a difficult situation around to make it work in your favor.

### THE BALANCE NUMBER

*Your Balance number provides guidance on how to best deal with difficult situations.*

*People experience a variety of internal responses to life's challenges. Some step back from difficult situations to ponder a course of action while others withdraw to avoid uncomfortable emotions. Some explode with anger but allow the outburst to pass quickly while others let their feelings linger.*

*Very often, these are conditioned responses that emerge without thought or analysis. With maturity and self-development, we incorporate new and more effective methods of handling situations we encounter.*

### Your Balance number is 3

Sdfs, be more lighthearted and optimistic in your approach to problems. Try to work with others toward a mutually satisfying solution. Use your considerable charm to influence the situation.

You can be extremely emotional when faced with a problem. Try to control this tendency; you need a degree of objectivity. You may become too personally attached to the solution you seek, thus failing to see that the outcome can be beneficial to all concerned.

## THE HIDDEN PASSION

*Your Hidden Passion reveals specific strengths or talents that are available to you, such as a specific field of expertise or (as the name implies) a passion. Metaphorically, this talent or passion may be seen as having a power all its own to help shape your life.*

*Having a talent demands that you nurture and express it. Your Hidden Passion gives you the desire to develop and express your particular ability. In this way, it shapes your personality and guides your life.*

### Your Hidden Passion number is 1

You have a strong drive to stand out. You have a great ambition and desire to accomplish. You are highly competitive and want to be the best and the first in everything you do. You are highly energetic and creative. You are capable of influencing and even dominating others. You have highly developed political skills and can succumb to manipulation unless your ideals are high. Ironically, there are times when you lack confidence, especially at an earlier age, but you have the strength to overcome this obstacle.

You are a survivor, a warrior, a leader. Many great athletes and politicians have this number as a Hidden Passion.

### **Your Hidden Passion number is 6**

You have a dream to be of service to those you love and your community. You have the ability to be a healer, counselor, or teacher. You are a highly responsible person, willing to sacrifice much. You must be careful of not becoming a doormat for those who do not appreciate you or seek to take advantage of you.

Sdfs, you are idealistic and have strong opinions. You also tend to become self-righteous. You are generous and a humanitarian.

You are an excellent parent and marriage partner. You are helpful and forever willing to listen to someone else's troubles but must be careful not to interfere.

## **KARMIC LESSONS**

*Karmic lessons are recognized by the absence of certain letters in your name and describe areas we are weak in that require recognition and effort to overcome.*

*The letters in your name point to talents and abilities that you possess; tools that are available to you. Missing letters imply tools that are unavailable, they must be learned and mastered during your lifetime.*

*You can have more than one Karmic Lesson or, if every number is represented your name, you don't have any.*

*Although you may feel you have learned to overcome one or more of your Karmic Lessons, you will continue to be challenged by them throughout your life.*

### **Your Karmic Lesson is 2**

You must learn to be more diplomatic and tactful, to stay in the background when necessary and sometimes to accomplish something without the need to be praised and rewarded. Learn to be part of a team. You must learn to be more sensitive to other peoples' needs and feelings. You will regularly find yourself in a situation where the only road to success is through patience and attention, requiring you to work closely cooperatively with others.

The effects of this Karmic Lesson are diminished if you have at least one 2 among your core

numbers (Life Path, Birthday, Hearts Desire, Expression, or Personality Number).

### **Your Karmic Lesson is 3**

You are highly self-critical. Every time you find yourself at the center of attention, you manage to find something in your performance to be entirely inadequate or embarrassing. You have established an impossible standard of perfection as the only measure of your actions.

You need to lighten up on yourself. Realize that you have within you a critical faculty that must be contained and controlled. Otherwise, it can prevent you from doing what you truly enjoy in life. You're too serious. Be more optimistic and cheerful, enjoy life as it was meant to be and share this joy with others.

Life will put you in situations that require imagination and communication. You will be tested in these areas. You will be forced to face the challenge.

Missing threes will often produce artists, but their success requires much work and perseverance.

The effects of this Karmic Lesson are diminished if you have at least one 3 among your core numbers (Life Path, Birthday, Hearts Desire, Expression, or Personality Number).

### **Your Karmic Lesson is 5**

You need to be more adventurous. You must overcome your fear of living. Take every opportunity to experience life: travel, see strange and exotic lands, meet new people, and have many new experiences. Broaden your vision, be more social. You must learn to embrace change. You will be required to adapt to new circumstances. Overcome your tendency to be rigid and inflexible.

Your lesson in life is to learn to have faith. You will learn to flow with life, to adapt with the changes, and grow. You will learn a great deal through experience.

The effects of this Karmic Lesson are diminished if you have at least one 5 among your core numbers (Life Path, Birthday, Hearts Desire, Expression, or Personality Number).

### **Your Karmic Lesson is 7**

You need to deepen your knowledge and talents in a specific discipline. You lack the will or determination to perfect yourself or a specific talent you possess. You must learn to be your own critic, without self-condemnation, in order to bring your abilities to their full development. You will learn not to take things at face value. A superficial understanding of important matters will prevent you from experiencing the satisfaction of your true potential.

The effects of this Karmic Lesson are diminished if you have at least one 7 among your core numbers (Life Path, Birthday, Hearts Desire, Expression, or Personality Number).

### **Your Karmic Lesson is 8**

You can attract a considerable amount of money and even be a good business person, but you experience major ups and downs in your financial affairs, due largely to your lack of caution in handling your resources. You will have to work at knowing how to handle money. In all likelihood, you will attract enough of it, but it tends to slip through your fingers. This Karmic Lesson forces you to learn your limitations, and the limitations of your resources. Learn to be efficient.

You are highly independent and do not want to be told how to do things. You have great problems with authority figures. This stems from a kind of know-it-all attitude and stubborn behavior that prevents you from knowing your limits.

The effects of this Karmic Lesson are diminished if you have at least one 8 among your core numbers (Life Path, Birthday, Hearts Desire, Expression, or Personality Number).

### **Your Karmic Lesson is 9**

You must learn to be more compassionate, tolerant, and understanding. You have to learn to identify with the trials of others. There will be times when you will have to sacrifice some egocentric ambition for the good of a particular project or some larger goal.

You must learn to broaden your view of life. You have to see things on a larger scale. You do not realize the enormous potential you have in influencing your own destiny and that of others. Therefore, you hold back your efforts at helping people, or furthering a particular social cause. You have an issue with commitment to community or mankind.

The effects of this Karmic Lesson are diminished if you have at least one 9 among your core numbers (Life Path, Birthday, Expression, Hearts Desire, or Personality Number).

## **THE CORNERSTONE**

*The first letter of your first name gives an additional indication of your character, particularly in the way you approach opportunities and obstacles. This first letter is called your Cornerstone.*

### **Your Cornerstone is S**

You are charming and charismatic. You are a warm and devoted person. You are very emotional, the result perhaps of a sad childhood. You are intense and may react in an extreme manner. Do not be too impulsive; take your time before deciding and carefully sort out your emotions. You are passionate and loving and will experience many emotional ups and downs.

## THE SUBCONSCIOUS SELF

*Your Subconscious Self is based on how many numbers are represented in your name, and indicates your ability to make the most of your talents and opportunities, especially when you face new, challenging, or even dangerous circumstances.*

### Your Subconscious Self number is 3

You respond to emergencies by looking for support from friends and family. However, life will force you to confront these occurrences until you learn to use your own power. You will search early in life for a lover and partner to depend on. You may marry an older person who can offer you some security and protection.

You have to guard against extreme depressions and control your tendency to blow emotional experiences out of proportion. You have to discriminate more in your choice of friends. The key to your success lies in your finding a well-defined goal to focus on. This has the effect of bundling and directing your energy, making it possible for you to achieve very impressive results.

## PLANES OF EXPRESSION; THE PHYSICAL PLANE

*You experience life on four different levels: physical, mental, emotional, and intuitive. Your Planes of Expression indicate how you function on each of these planes.*

*Your physical plane links you to the material world.*

*Your mental plane, like the emotional and intuitive, perceives the invisible world; the realm of thought and reason.*

*Your emotional plane is preoccupied exclusively with feelings.*

*Your intuitive plane gives you access to the insight and knowledge that comes effortlessly as if*

*placed at the doorstep of your mind.*

*In each category, the number of letters, and their numerical value, gives an indication of which Planes of Expression are stronger in you and which are weaker. Each of us is dominated by one or two of the first three planes. The physical and mental are the most widely used, although a name dominated by emotional letters is not uncommon. The intuitive plane is usually the least utilized. A name dominated by intuitive letters is extremely rare but having no intuitive letters in a name does occur. This does not mean a lack of intuition but points toward a tendency to ignore or distrust intuitive insights.*

*The Physical Plane represents the physical letters in your name.*

### Your Physical Plane of Expression is 20/2

You are highly sensitive and at various times in your life probably suffered from shyness and lack of self-confidence. You may feel vulnerable physically but are quite tough. Your strength is in persistent but gentle effort. You tend to worry too much. You can suffer from bouts of fear, based largely on your lack of confidence in your own personal power. You are good at gathering information with a keen eye for detail. Once you gain some confidence in yourself, you begin to move with a natural grace and sense of rhythm.

## THE MENTAL PLANE

*The Mental Plane is based on the mental letters in your name.*

### Your Mental Plane of Expression is 0

You do not have any letters on the Mental Plane.

## THE EMOTIONAL PLANE

*It is not uncommon for a person to have a name dominated by emotional letters.*

### Your Emotional Plane of Expression is 6

You are highly emotional, yet you possess a rare degree of balance to which you can turn. You love family and close friends as few people are able. You worry too much and feel responsible for other people's actions. You take justice and honesty

with extreme seriousness; however, you may be too disciplined.

You have artistic talent. You like to help others more than most and are willing to sacrifice your own needs. You have an ability for teaching and healing. You need much love and can give the same in return. You are highly idealistic, and very committed once you decide upon your soul mate.

## **THE INTUITIVE PLANE**

*A name dominated by Intuitive letters is extremely rare. It is, however, not at all uncommon not to have any intuitive letters.*

### **Your Intuitive Plane of Expression is 36/9**

You love the abstract and have grandiose ideas concerning the spiritual. You can influence large groups of people.

You are an idealist, a dreamer, and not particularly practical. You are very impressionable and sometimes put your faith in people who do not deserve it, which makes you vulnerable to being taken advantage of.

You must learn to be more discriminating in your dealings with other people.

## PART V: HOW YOUR CURRENT NAME AFFECTS YOU

*The influence of the short name (the name you use to introduce yourself, including your last name) is minor in comparison to your full name. Interestingly, the short name often compensates in some way for numbers, and their related characteristics, that are missing or out of balance in the full name.*

### THE MINOR EXPRESSION

*Your current name forms the basis of your Minor Expression number. It is usually the first and last name you commonly use to introduce yourself (not necessarily the name you received at birth).*

*The influence of your short name is minor in comparison to your full name. Interestingly, the short name often compensates in some way for letters or numbers missing in the full name.*

*The name you currently use, also affects how you feel about yourself.*

*If a name change takes place later in life for marital or for professional reasons, it adds or subtracts certain qualities. It can also focus and intensify existing characteristics or latent talents.*

#### **Your Minor Expression is 11**

Your short name increases your sensitivity, intuition, and perceptiveness. It leads you toward deeper investigation of the mysteries of life. You are attracted to religion, philosophy, and spiritual understanding. It may awaken your intuitive and even psychic abilities. At the same time, your Minor Expression number makes you more sensitive to your own shortcomings. It encourages you to work on yourself. You cannot avoid personal transformation under this influence.

Your increased sensitivity will encourage you to seek out harmonious and peaceful environments. This will balance the nervous tension that the 11 can stimulate. Your heightened intuitive powers bring highly creative ideas, sudden insights, and realizations.

Your capacity to work with others is also improved. You are now humbler and modest and seek ways to avoid conflict and maintain harmonious relationships.

## THE MINOR HEART'S DESIRE

*The vowels of the name you currently use to introduce yourself are the basis of your Minor Heart's Desire number.*

**Your Minor Heart's Desire is 0**

### THE MINOR PERSONALITY

*Your Minor Personality is based on the consonants of your current name and reflects, at least to some extent, how you think, or hope, others might perceive you.*

**Your Minor Personality is 11**

You appear friendly and unpretentious. You have a soft and warm exterior. Others perceive you as a gentle, safe harbor. People are drawn to you because, among other reasons, you appear warm and unthreatening. You dress neat and clean. Your clothing should be comfortable, soft, and flowing.

You are very patient and understanding, and a wonderful listener. You make others feel important and loved. You are a peacemaker. Arguments leave you drained. People sense your desire for harmony.

## PART VI: YOUR FUTURE

*The next chapters deal with your ever-changing cycles and how they affect you.*

### YOUR PHYSICAL TRANSIT

*The individual letters of your name are used to find your Transits.*

*Your name is like music that vibrates in time; each note, or letter, has a specific duration and influence over the course of your life.*

*Your life can, therefore, be seen as a musical score, with individual letters making specific contributions at given points, just as notes in a musical piece give it its rhythm, character, and nuance.*

*The Transits appear as part of your Progressive Chart and will tell you much about specific influences taking place in your life during given years.*

#### **Your Physical Transit for age 36 and 37 is D**

Keep an eye on your health during this transit and consider reevaluating your diet and exercise habits. Preventive measures are key to your health.

You may need to work at expressing your feelings this year and might want a loving shoulder to cry on. Love relationships could be somewhat strained, but they will be easier if you can share your feelings.

The D transit brings opportunities for growth and heightened self-confidence. There is also an increased chance for travel.

### YOUR MENTAL TRANSIT

*The Mental Transit is based on your middle name*

#### **Your Mental Transit for age 36 is S**

Feelings run deeper, and perception is especially keen under this transit. This is a period of rebirth and awakening, especially of hidden aspects of your personality. Freedom in a very real and lasting sense can be your reward.

Sudden changes are possible in all aspects of your life, some accompanied by spiritual and mystical revelations. Your dreams could be more intense and should be examined for messages and insight into your subconscious.

There may be confrontations with strong-willed people, testing the strength of your convictions. This is an exciting time full of surprises and extraordinary events.

### Your Mental Transit for age 37 is D

Keep an eye on your health during this transit and consider reevaluating your diet and exercise habits. Preventive measures are key to your health.

You may need to work at expressing your feelings this year and might want a loving shoulder to cry on. Love relationships could be somewhat strained, but they will be easier if you can share your feelings.

The D transit brings opportunities for growth and heightened self-confidence. There is also an increased chance for travel.

## YOUR SPIRITUAL TRANSIT

*Your Spiritual Transit is based on your last name.*

### Your Spiritual Transit for age 36 and 37 is D

Keep an eye on your health during this transit and consider reevaluating your diet and exercise habits. Preventive measures are key to your health.

You may need to work at expressing your feelings this year and might want a loving shoulder to cry on. Love relationships could be somewhat strained, but they will be easier if you can share your feelings.

The D transit brings opportunities for growth and heightened self-confidence. There is also an

increased chance for travel.

## YOUR ESSENCE CYCLE

*Your Essence number indicates the lessons you will be dealing with during that year. It says a great deal about how you will perceive your environment. It also gives clear advice on how you can be most successful during the year; which types of behavior will be supported by your milieu and which ones will be less effective.*

*If one or more of your Transits change after your birthday this year, you will find two Essence cycles. If you only have one Essence, it means none of your Transits changed.*

### Your Essence for age 36 is 9

Sdfsf, this is a period during which your ideals will be tested and forged anew. You will be broadened in ways that you would never have dreamed possible. You will likely experience a dramatic psychological and spiritual expansion. Old relationships that no longer have a place in your life will be let go of. Even old habits or characteristics that you believed were fundamental to your identity seem to evaporate. There is a need to forgive those in your past and let them get on with their lives, as you must with yours. Hanging on to negative attachments, either out of anger or a sense that justice has not yet been done, will bring you much misery and, if the courts are involved, protracted lawsuits.

You now have the ability to reach out to the masses. This is a time requiring much self-sacrifice and service to others. You are deeply affected by the pain and sufferings of others, and will feel a need to change your milieu or society for the better.

Those in the arts, especially actors, writers, and other performers, will see an enhancement of their talents and the opening of many new opportunities for advancement.

Your focus is outward in a big way. Teach, perform, and advance society in your own way. Dedicate yourself to a higher cause. These are the areas that will meet with much success. Conversely, selfishness, negativity, and pettiness will blow up in your face. The time demands a broad view of life. You are now the visionary, who must see the greater trends in humanity. Out of this will come much compassion for all. This is the lesson of the period: That as you work for the greater good of society, you will be personally rewarded, so much so that your cup will runneth over.

### Your Essence for age 37 is 3

Your ability to express your self will reach an all-time high. Any talent you possess in the arts -- especially in writing, acting, or other performing arts -- will be greatly enhanced. This is a period of success through personal creativity. You have much opportunity to advance yourself and career through your own personal expression, charm, and creative talent. This is a social time, filled with much fun and friendship. You will feel lighter, fresher, and more alive than in previous years. It is as if life has relieved you of a burden, allowing the more creative, upward, and joyful energies to flow more freely.

People are naturally attracted to you. They sense your joie de vivre, your spirit, and creativity. Your challenge is to focus your heightened creativity on a worthwhile task. Discipline is essential. Choose a goal worth reaching. Pour your energies into something that will last. In this way, you will emerge from this period having accomplished something worthwhile, and learned to harness your creative abilities. If you fail to focus, you will likely spend your opportunity and creative urges on loose talk, superficiality, and socializing.

This is an emotional period. The upward, heart-centered energies are peaking, bringing with them many old emotional issues. You can easily exaggerate the importance of an unkind word, or react too emotionally to a troubling situation. In short, you need perspective now.

Sdfs, you are in a highly volatile period, making you highly creative, sensitive, and given to emotional mood swings.

You are highly romantic and given to fantasy. There can be many wonderfully romantic times; however, it is important to avoid being swept away by your fantasies. Do not fail to see people for what they are.

This is a time when you will learn the value of your personal expression, and your own uniqueness. It is a time of personal accomplishment and advancement.

## **YOUR PERSONAL YEAR**

*Your Personal Year number is a strong indication of the trends and circumstances you experience during the year ahead. Your Personal Year cycles are based on the Universal Year cycles and, therefore, run concurrently with the calendar year. (Transits and Essence cycles are based on the letters of your name and run from birth date to birth-date.) There are nine personal year numbers in a complete Epicycle.*

*Each Epicycle reveals the progression of a specific part of your personal evolution. Your progress along this Epicycle can be seen quite logically, from the beginning of a growth period to the conclusion or culmination of that process. The 1 personal year describes your first steps in a new direction. The years that follow indicate your progress along this path, concluding with your 9*

*Personal Year, which completes the cycle.*

*Below is a description of your current Personal Year. It indicates where you are on the 9-year Epicycle.*

### Your Personal Year cycle for 2026 is 3

This is a year of expansion and personal growth. It is a time of heightened personal expression. Creativity and artistic talent come to the forefront. You are lighthearted and drawn to all kinds of social events. More than most other years, you will entertain and be entertained. You meet new and exciting people. It is a time to appreciate all that you have.

You are highly dynamic and charismatic. Your challenge is to avoid scattering your energies. You have a rare opportunity to bring forth new and creative ideas. But that requires discipline and focus. It is easy to be optimistic and enthusiastic this year and this may result in speeding up your projects. Yet there will be delays and disappointments unless your enthusiasm is based upon the reality of work and concentration.

This is a pleasant time in which friendship is enjoyed and love shared easily.

This is often a good financial year, particularly if your creativity is well directed. Surround yourself with upbeat and positive people.

You may travel more than usual, which in all likelihood will be filled with exciting people and pleasure. Control this year's tendencies towards glamour and extravagance, yet allow yourself more room to enjoy and celebrate.

You communicate well this year and are more capable of getting your ideas across.

February brings changes; June sees the completion of a project and July signals a new beginning. August can be emotional, as can November.

### Your Personal Year cycle for 2027 is 4

This is a year to be organized and practical. Take care of details. Commit yourself entirely to your goals. Your concentration and ability to focus will be much improved over last year. You will have an attitude of realism and determination.

There can be a sense of limitation and some frustration this year. However, it is a year of important opportunities that must be seized. There can be considerable work-related travel. You must be

flexible this year to make full use of the opportunities that present themselves. It will require a combination of perseverance, hard work, and versatility. You will receive recognition for your efforts and support from your friends and family.

It is a good year to buy real estate or remodel your home. It is also a good time to take care of projects which have been postponed for too long. Fulfill your obligations and do not be afraid to spend some of that hard earned money. Selling and trading during this year usually is quite successful. This is the year to work on your foundation and prepare yourself for the many changes that will undoubtedly come next year.

As a result of your hard work, there will be much satisfaction and a feeling of accomplishment. January and February will bring some important change, a new opportunity perhaps. March requires self-reflection and reshaping of your plans. It is a good time to meditate on what lies ahead. June brings a new and important step -- a breakthrough, perhaps -- in your work. October brings changes and a sense of chaos. You may feel threatened by the changes that are on the horizon. But November brings assistance in the form of a promotion or additional financial support.

## YOUR DUALITIES

*How the yearly cycles affect each other.*

*Your Essence and Personal Year cycles are distinctly separate energies that influence you in different ways. Your Essence reflects your mental, emotional, and spiritual state of mind at a particular time in your life and feels like an internal influence; it's a stage in your personal evolution. Your Personal Year cycle, however, feels more external.*

*Your Essence and Personal Year cycles overlap creating a duality which produces its own influence. Most importantly, it tells us how you can get the most out of your mix of Personal Year and Essence cycles by looking at their combined influence.*

*Personal Year cycles run concurrent with the calendar year and change every year, while Essence cycles run from birthday to birthday and can be anywhere from one to eighteen years, sometimes even longer. Therefore, you can have either two or three Dualities during any 12-month period. Three, if your Essence changes (one before your birthday, one after your birthday, and another when the new year starts). If your Essence doesn't change, you have two Dualities, one for each calendar year.*

*For the purpose of Dualities, Essence cycles with Master Numbers (11, 22, or 33), or Karmic Debt numbers (13, 14, 16, or 19) are reduced to single digits, as their effect in the context of Dualities is indiscernible.*

**Your Duality after your birth day in 2026 is 9 and 3**

When a 9 Essence teams up with a 3 Personal Year wonderful things can happen. This combination should raise your originality and imagination to an all-time high; in fact, many traits from both cycles complement each other very well. This is not commonly the case with numbers that are otherwise so different in nature.

Your 3 Personal Year chapter mentioned there should be plenty of creative opportunities that encourage you to begin new projects enthusiastically. It also touched on the challenge that accompanies the somewhat scattered 3  $i\frac{1}{2}$  its lack focus and follow-through. This tendency could easily prevent you from completing inspired projects. A lack of organization, focus, and commitment are the most obvious shortcomings of this otherwise expressive, enthusiastic influence.

Fortunately, your 9 Essence can mitigate this concern to a large extent. Where your Personal Year influences the external events and circumstances around you, your Essence number affects your inner feelings and state of mind. One of the 9's main qualities is its desire to complete things, which will help compensate for the scattered tendencies of the 3.

In addition, both numbers are creative, although they express it in different ways. The 3 represents the verbal and performing arts such as storytelling, dancing, and acting. The 9 is the preeminent designer, with a skill for spatial awareness and a talent for combining colors and materials. For creative endeavors, the two are a match made in heaven.

Finally, the solitary, aloof, serious nature of the 9 will be largely offset by the social, exuberant, playful attitude of the 3.

There are also areas where this combination can have a less desirable effect. If your career or business is in the financial or legal field, be careful about making impulsive decisions or committing to long-term contracts (especially if they can be postponed until next year). If you are in construction or a creative field, the 9 and 3 produce a fortunate team. Sales, real estate, and retail also tend to do well.

Relationship issues and romance are not well supported by this combination. The (sometimes) superficial and unreliable 3, coupled with the distant and (at times) self-righteous 9 could off-put even your closest friends. With this in mind, make a conscious effort to be sensitive to and available for your loved ones.

### **Your Duality before your birth day in 2027 is 9 and 4**

After reading your Essence and Personal Year chapters, Sdfsf, you may have noticed the numbers have little in common and seem to be incompatible. The 9 and 4 have different priorities

that could pull you in opposite directions. However, this combination can also be quite fortunate.

Your Essence is an internal cycle. It reflects your state of mind and the way you feel about yourself and your circumstances. A 9 in this position indicates you are at a point in life where you want to discard things you have outgrown or lost interest in. A desire for resolution and the urge to move on could relate to your personal life (relationships, material possessions, etc.) as well as your profession. In addition, it is a low-energy cycle that can make you feel tired and unmotivated.

During this same period, the external influence of your 4 Personal Year cycle will often be demanding mentally and physically. The 4 delivers circumstances that require consistent effort and staying the course  $\frac{1}{2}$  opposite from the approach you may often prefer. The events and circumstances you encounter will call for stability and maintaining the status quo at a time when you will desire casting off old ways and unproductive situations. Clearly, this is not an ideal pairing.

The opposing forces could produce an internal tug of war: let go or hang on; make a change or dig in? It is like two people reorganizing the same house, where one person prefers to throw out everything that isn't necessary and the other wants to hang on to it all.

The best way to bring these influences into alignment is two-fold. First, get clear on what you want, and then compartmentalize each number's influence by using their respective traits in the areas they are naturally drawn to. Live up to the 4's need for discipline, effort, and focus in the practical areas of your life (finances, career, and commitments) and honor your 9's desire to seek change  $\frac{1}{2}$  but in an organized and purposeful manner. Minimize your possessions and streamline your life, but don't be too impulsive. It is not a good time to let your emotions rule. Analyze your options, consider the consequences, and be logical and deliberate. Once you are convinced a change is promising, don't hesitate. This is a time to clear out the old and build something new.

Romance is not well supported this year (the 4 is focused on more practical matters and the 9 can be a little distant), but solidifying long-term commitments is. This is a time to strengthen your foundation.

### **Your Duality after your birth day in 2027 is 3 and 4**

While reading the texts about your Essence and Personal Year cycles, Sdfs, you may have noticed the conflicting traits of the 3 and 4. Your 3 Essence brings optimism, self-expression, and creativity particularly to the way you feel about and experience the lessons you are asked to learn this year. It lends a playful, although somewhat scattered, state of mind. In contrast, your 4 Personal Year will deliver events and circumstances that require you to be dependable, organized, and efficient. The conflict stems from the need for a focused, methodical approach at a time when you will probably feel more spontaneous and imaginative.

Although there will be periods where these differing influences struggle for dominance, they also have great potential (especially in your professional life). Success will come from accessing the creativity and originality of your 3 Essence, while employing the discipline and planning ability of your detail-oriented 4 Personal Year.

Although progress is possible, you may find this period frustrating. You will probably feel irritated by what feels like too slow a pace. The situations you encounter will require careful plodding, slow but steady progress, and a keen eye for detail. However, your impulsive 3 Essence would rather play, create, or jump to the next new and exciting project. Take time to slow down, assess your plans, and question your approach. Ask yourself whether your efforts are logical or impulsive. Highly creative fields will have more leeway than more structured environments, but focus will be required for success in any career or project.

If you can find a way to balance the stable 4 and scattered 3, you should find this a rewarding, breakthrough cycle. It is not uncommon for someone influenced by this combination to look back and view it as one of the most productive periods of his or her life.

## PART VII: YOUR MONTHLY CYCLES

*Monthly cycles follow each other in an orderly fashion; if your current Personal Month cycle is 1, the next will be 2, followed by 3, then 4, and so forth. However, this orderly pattern changes with the new year coming in. It is therefore possible to have a 7 Personal Month in December followed by a 5 Personal Month for January.*

### YOUR PERSONAL MONTH

*The influence of a Personal Month gradually changes from one month to the next over approximately five days at the end and the beginning of each month.*

#### Your Personal Month for March-2026 is 6

March brings family affairs and issues involving relationships to center stage. You may be asked to sacrifice some of your time and energy to help others. A parent or child may need more care and attention than usual. Answer the call and you will be rewarded with a wonderful experience of love and closeness.

Many people in the 3 Personal Rhythm Cycle will make a deep commitment of love, or even get married this month. At the same time, separation and divorce are also possible since the theme of this month is to be committed to your true feelings. Confrontations are unavoidable in all troubled relationships. While these trends may be difficult and painful, the forces are working at clarifying your relationships. Your work situation will be rather demanding as more responsibility is transferred to you. However, the reward is right around the corner. (May and June will bring the pay-off.)

This month may be good financially, due to an earlier investment or from payments arriving from previously done work.

#### Your Personal Month for April-2026 is 7

April represents a pause for self-evaluation. It is a time of light and shadow, a month of contrasting moods. You may alternate between light-hearted optimism and periods of doubt and even depression. The time requires you to look within. Meditate and contemplate your life. Such self-reflection will awaken deep feelings

of gratitude for all the blessings bestowed upon you, including the greatest gift of all: your life itself.

During the first half of the month, you may feel the inner you begin to stir. Your dreams may be intense, graphic, and highly revealing. They are a source of insight if you care to listen. There is a sub-conscious attempt to communicate, not with others but with your deeper self.

Let career, finances, and romance all take a back seat during this important spiritual time. You will be quite safe.

If possible, take some time off. At the very least, walk in the woods, sit at a lake, or otherwise bring yourself in close contact with nature. Keep a journal and write down your dreams, insights, and revelations. They will offer insight into your life's direction.

### Your Personal Month for May-2026 is 8

May brings financial rewards, as well as respect and recognition. This, of course, is proportional to the effort you have put out during the past year. May is a month to focus on career, to be a visionary, and not to hold back when it comes to showing the world how capable you are. For those who are in business, this is a good time to finalize deals and sign contracts. Investments are generally favorable, as are requests for loans, mortgages, or other methods of financial support. In all worldly matters, this is a time to reach out, to go for your goals. Do not be afraid to take a risk.

As far as matters of the heart are concerned, this is a time to take yourself and your feelings with a grain of salt. You are in a generous mode and feel blessed with so many good friends, but when it comes to commitment, you may want to wait a couple of months, when you are more realistic in these matters.

If you are not involved in a relationship, a coincidental meeting with a person from the past sparks a romance.

### Your Personal Month for June-2026 is 9

June brings a bit of moodiness and instability. You have completed many tasks and enjoyed many rewards during the first half of the year, and now you may be feeling a bit empty -- not unlike the fatigue one has the day after a party. It may be a minor case of burn-out, but for reasons you cannot put your finger on. It is a time to let go of many old things and prepare for the new.

You have had some good ideas during the first part of the year. You have been motivated and experienced much excitement, but not all of your ideas proved realistic. Now reality forces you to

take a second look at your projects and goals in a new light. It's a weeding out period. The positive side of the coin is that, by the end of this month, you'll have a clearer perspective on your direction and projects. You'll know where to place your energy during the second half of the year. While you may find yourself going through some ups and downs during this month, you also feel the first trembling of new excitement.

This month also brings a concluding chapter to one or more relationships, which may cause additional emotional turmoil. However, you are going through a time of natural selection; what is worth holding on to will stay. The rest will go.

### Your Personal Month for July-2026 is 1

July is a time of dynamism, courage, and eagerness to begin the new. Last month's blues are gone and you feel you are on top of the world. You are more original and creative than at any time of this already creative year.

There is a distinct possibility that you will be able to break out of unrewarding patterns. You may even consider a career change or start your businesses. It is not a time to be squeamish in any area of your life -- be it money, career or romance. You may experience an urge to write, paint, or express yourself in some other creative way. By all means, take on the challenge.

If you are not already involved you may meet someone, but the relationship, while intense and passionate, may not be a lasting one.

July is a month that will also bring opportunities to mingle with new acquaintances at social events. You will be outgoing and witty. These are great opportunities to make lasting contacts that will help your career and other endeavors.

### Your Personal Month for August-2026 is 2

August requires a sensitive and cooperative attitude at work and in all other areas. You are upbeat and optimistic during the early part of this month, but an anticipated reward or recognition may go to someone else, much to your dismay. Your challenge is to set the record straight by using your diplomatic skills. Do not allow anger to alienate you from those involved. Otherwise, relationships go favorably this month. You are in a position to smooth out some long-standing disagreements between people close to you. Often, these disagreements do not involve you directly. You have the opportunity to serve as a peacemaker.

Romance is favorable, your feelings run deep and your ability to communicate them is enhanced. A good month to spend extra time with your lover.

### Your Personal Month for September-2026 is 3

Sdfs, your creativity is at an all-time high. You find solutions and discover new ways to improve old methods.

You are communicative and express yourself well. You have a strong urge to write to old friends you haven't seen in some time. This need to re-establish relationships with people may even surprise you.

At work, you discover that it is easy to reach others and influence the way they feel about themselves and their work.

You uplift them and are rewarded with gratitude and support.

This is a time to be social, easy-going, and optimistic.

#### Your Personal Month for October-2026 is 4

October requires you to be practical and disciplined in all matters. It brings opportunity as well as limitations. Career is a high priority, and you will find yourself putting in overtime. Details will need to be taken care off. There is very little room for slacking, and everyone may be making demands of you. You may feel frustrated and need to blow off steam.

On the other hand, there is also much opportunity implicit in these demands, and you will be pleasantly surprised with the rewards that come your way late in the month. You'll have to respond quickly. You may feel that you are not ready to take on the new challenge that comes with this opportunity, but if you overcome this temporary lack of confidence you will be well rewarded.

This month is demanding in domestic affairs, as well. There is an ongoing need to watch finances carefully, make decisions concerning your budget, and plan for the future. If you have not been keeping a close eye on your checkbook, This month will force you to balance your account and make up for haphazard expenditures of the past.

There's not a whole lot of time for romance this month, but when you can find the time, your partner's love brings perspective and rejuvenation.

#### Your Personal Month for November-2026 is 5

November brings change, excitement, and possibly a financial boost. It brings movement -- travel, a change of residence or office, perhaps.

You will receive a letter or phone call from someone close to you whom you

haven't heard from in some time.

This month should be light and playful. Try not to take things too seriously. The down-side of this combination (5 and 3) is in the area of relationships. You may tend to misread others, to be a little insensitive and short on tact. Avoid confrontations in personal matters as well as those related to work. As long as you are upbeat and supportive, friendship and social events are favorable.

As was the case with February of this year, November may also find you in the mood to indulge yourself. Moderation may be hard to maintain, but it's still the best advice.

### Your Personal Month for December-2026 is 6

This monthly cycle stabilizes your work environment but requires that you work on your relationships and family affairs. You will be in the unique position to counsel and support someone in your circle of friends and family with immediate and positive result. It will be one of the most rewarding experiences of this year for you.

A promotion or a raise are possible, as is an increase in your workload. This month is good for business and financial affairs, particularly for long-term planning and investment. If you are involved in legal affairs, the time is right to surge ahead.

Romance is also favorable. Commitments bring stability. For those who have become involved in a relationship during this year, this is a good month to exchange vows.

### Your Personal Month for January-2027 is 5

You experience some self-doubt related to your work situation. You may question your direction. This frustration will be in the background for most of the year, but this month particularly feels a little bit out of control. However, hidden forces are guiding you carefully, and your best approach is to persevere. Later this month, or early next month, an opportunity will come your way that represents a step forward in your career.

This month also brings some unexpected changes in other areas of your life; possibly an unexpected trip. Be cautious in all financial affairs.

Your family members demand a lot of attention, and much practical guidance is required from you. They look to you for direction.

Social events are favorable, particularly when they are work-related. You will make a very positive impression on someone who can help you move forward.

If married or involved, maintain harmony and avoid rocking the boat.

### Your Personal Month for February-2027 is 6

February brings an increase in responsibility and workload. You receive recognition for your efforts and abilities, and probably a financial increase, as well. Perhaps even more important is the role friends and family play during the period. Loyalty and a willingness to sacrifice time and energy to your loved ones are needed. In return, you receive comfort and satisfaction. It is a time of love, warmth, and a strengthening of the bonds that form the foundation of your life. It is also a good time to start domestic projects, such as minor remodeling and home repair.

If you are not married and are not involved in a relationship, you may meet someone who catches your interest. In this case, the relationship will develop slowly but will endure. Your focus should be on being dependable and active. There is no room for procrastination.

Your health improves during this time.

### Your Personal Month for March-2027 is 7

Sdfs, March should bring some significant changes in your outlook. Indeed, the month is filled with the mystery of life. You are aware that you are developing spiritually. It is not a good time to deny important issues in your life or be superficial about significant matters. Your dreams are vivid, and if you take some time immediately after awakening to contemplate their meaning, you have the potential to gain some insights that uplifts you and raises your confidence in your life's direction.

You are mentally sharp and creative. You solve problems and gain insight into things that have floated in the background of your consciousness for some time. It is a period of hard work -- possibly overtime -- juxtaposed with much soul-searching and the need for quiet contemplation.

You may be offered an opportunity to become involved in a new endeavor. Be careful with anything that promises a fast return. This year, long-term projects are far more favorable than get-rich-quick-schemes, or short-term gambles.

Your need for peace and quiet during this month may make your friends and family members wonder whether you have some problem that you are not willing to share.
