## YOUR FIRST PERIOD CYCLE

*Like most stories, there are three distinct stages of your life. Your First, Second, and Third Period Cycles come from your month, day, and year of birth respectively. Together they form the foundation of your Life's Path.*

*The First Cycle begins in childhood and lasts through your late 20's. It's a quest for knowledge and identity while you cope with the powerful forces that are present in your environment. These forces include your parents and the socio-economic conditions of your family, for example.*

### **Your First Period Cycle is 1 and lasts until age 33**

The first part of your life, through your late 20's or early 30's, is a period of much intensity. When the 1 dominates, it requires fortitude, courage, and flexibility. You are forced to use every one of your talents to achieve individuality and independence. This is a period of integration and focusing on your life's dreams.

Your ability to stay the course is repeatedly challenged, but adequate resources become available to assist you. Resilience, independence, and fortitude are required. As you strengthen these characteristics, they become an integral part of your personality and help you to emerge stronger for it. This cycle marks a time of progress in your development.

## YOUR SECOND PERIOD CYCLE

*The Second Cycle covers the middle period of your life, bringing about the slow emergence of your individual and creative talents. The late 30's, 40's, and 50's, bring a greater degree of self-mastery and influence over your environment.*

### **Sdfs, your Second Period Cycle is 1 and lasts until age 60**

The middle years of your life (approximately ages 30 to 60) find you on an intense path of personal growth. You are required to adapt frequently to the many ups and downs in your life.

When 1 rules the second Period Cycle it focuses on self-empowerment. To facilitate this, situations occur that force you to dig deep to find the courage required to face your challenges. You have love and support, but circumstances will often demand that you rely heavily on your own strengths.

Fortunately, throughout this approximately thirty-year period, you often have confirmation that your gut feelings are correct and feel you are moving in the right direction. You will likely find yourself in

a leadership position, strengthening your self-confidence even more.

## YOUR THIRD PERIOD CYCLE

*The Third Cycle represents a flowering of your inner self as your true nature comes to fruition. It is during this period that you have the greatest degree of power and self-expression.*

### **Sdfs, your Third Period Cycle is 1 and lasts for the rest of your life**

The latter part of your life will likely find you in a position of leadership. You act rather than react; you are an instigator, a self-starter. You may move in a new direction during this period. You will need to be proactive to overcome obstacles. Courage, self-confidence, and perseverance (more than the support of others) will be required to reach your goals.

Many people become less active or involved when they reach their later years; you experience renewed energy and drive. This is a period of integrating different aspects of who you are and focusing on your life's dream. The people who are close to you may suggest slowing down, but you are meant to make your greatest advancement later in life.

## **YOUR FIRST PINNACLE CYCLE**

*Pinnacles reveal general conditions and events you experience during each period, such as your environment, social conditions, relationships, and changing circumstances. Pinnacles reveal how you might respond to these influences and how they will affect your ever-evolving personality.*

*The transition from one Pinnacle to the next is usually strongly felt. You begin to feel the transition from one Pinnacle to the next approximately two years in advance. The latter part of that two-year period can be particularly strong. You will likely make life-altering decisions, such as marriage, a job or career change, or major changes in your personal makeup.*

*Knowing and understanding your approaching Pinnacle number prepares you for the changes ahead. Perhaps the most strongly felt change is the transition from First to Second Pinnacle, which usually takes place in your late 20's or early 30's. This is usually a difficult transition but once crossed, provides a clear sense of direction and a firmer sense of identity.*

### **Sdfsf, your First Pinnacle Cycle is 2 and runs from birth until approximately age 33**

Sdfsf, this Pinnacle causes you to be extremely sensitive, intuitive, and full of insight. It is a period that requires patience and the development of inner awareness. You are being asked to use gentle power and persuasion to obtain your desired goals. Direct approaches, forceful displays, and confrontations will likely work against you. You will find the most satisfactory roles to be supportive.

You are now a gifted advisor, a diplomat and a peacemaker. Your insight into other people's feelings and motivations is so acute that you seem to be able to see right to the core of things. But rather than use these gifts to create differences between people, you must use them to create peace, to mend rifts, to harmonize.

Your challenge during this period is to bring balance to duality in every form, and at every level. You will recognize the value of both sides of an argument and be able to see the middle ground where peace can be made. You can create the atmosphere in which both sides can compromise and work harmoniously. You are the glue that keeps people and important projects together.

The weaknesses you must face and overcome are too much sensitivity. You may be tempted to indulge your feelings, to be too easily hurt. You may lack self-confidence, especially at the beginning of the Pinnacle when your heightened sensitivity and awareness make you conscious of your own shortcomings. You may succumb to fear and hesitation. All of this can lead to emotional turmoil. You need courage and the willingness to reach out for support.

Your sensitivity will make you acutely appreciative of beauty and harmonious environments. At the same time, you need beauty and harmony around you. You have an increased appetite for music

and the arts in general. You may find that your musical talents coming to the surface. If you do not already play an instrument, give in to any inclination to take one up.

A person in a 2 Pinnacle who uses his or her sensitivity, understanding, and insight is very appreciated by others. You may not fully realize just how much others appreciate and respect you. This may cause you to feel undervalued, or that you are not getting the recognition you deserve. You appear shy and humble, particularly if this is your first Pinnacle, but inside there is much pride that must be kept in check.

You may want to hide from the tumult of life, or from difficult situations. This may tempt you to color the facts in order to protect harmony. Be careful of this tendency, because it often backfires.

You have an eye for precision and detail. Your taste in all aspects of life is enhanced and you possess a certain class that others admire. If you make the most of these qualities, your appearance is considerably improved, making you both attractive and graceful.

### **YOUR SECOND PINNACLE CYCLE**

*Your Second Pinnacle Cycle lasts nine years and tends to have a considerable influence on your productive/professional life.*

**Sdfsf, You are repeating your First Pinnacle Cycle**

### **YOUR THIRD PINNACLE CYCLE**

*Your Third Pinnacle Cycle also lasts nine years. Like your Second Pinnacle, its effect is felt primarily in your career or business environment.*

**Sdfsf, your Third Pinnacle Cycle is 4 and lasts until age 51 and runs from age 42 until age 51**

This is a Pinnacle of hard work and many rewards. You have the opportunity to build a foundation that will last. Your ability as an organizer, manager, or simply the rock of any institution is greatly increased. You are dependable and reliable. Your ability to fulfill responsibilities is likewise enhanced. As a result of your industry and perseverance, success is well within your reach. It is a step-by-step process in which you build something by small bricks laid one after another.

You will find yourself caring for others in a very material way. Family and in-laws can be burdensome, since you are seen as the cornerstone of the foundation.

Your life is preoccupied with details and responsibilities that must be taken care of. You have set in motion projects that are your children, demanding your constant attention. While there are many

rewards, there are also many frustrations. Your sense of your own limits and the consuming nature of details may at times seem overwhelming. You must remember that things that last require slow growth. You may mistakenly believe that your progress should be faster or happen with greater ease. The need for efficiency, orderliness, and methodical systems limit your creativity. Your challenge is to be flexible and adaptable. Learn to play more and allow yourself to be more spontaneous.

Children born under this Pinnacle will tend to be serious and affected by the financial limitations of their parents. The child may feel the need to leave home early and start a family of his own. He or she must be encouraged to be more farsighted and flexible. The child should avoid jumping into the harsh realities of life too soon.

### **YOUR FOURTH PINNACLE CYCLE**

*Your Fourth Pinnacle Cycle lasts for the rest of your life.*

**Sdfs, You are repeating your First Pinnacle Cycle**

## YOUR PHYSICAL TRANSIT

*The individual letters of your name are used to find your Transits.*

*Your name is like music that vibrates in time; each note, or letter, has a specific duration and influence over the course of your life.*

*Your life can, therefore, be seen as a musical score, with individual letters making specific contributions at given points, just as notes in a musical piece give it its rhythm, character, and nuance.*

*The Transits appear as part of your Progressive Chart and will tell you much about specific influences taking place in your life during given years.*

### **Your Physical Transit for age 35 and 36 and 37 is D**

Keep an eye on your health during this transit and consider reevaluating your diet and exercise habits. Preventive measures are key to your health.

You may need to work at expressing your feelings this year and might want a loving shoulder to cry on. Love relationships could be somewhat strained, but they will be easier if you can share your feelings.

## YOUR MENTAL TRANSIT

*The Mental Transit is based on your middle name*

### **Your Mental Transit for age 35 is F**

This is a period of much soul searching and spiritual growth. This year will find you intuitive and sensitive, but possibly less clear about what you want from life, doubting old and established ideas and patterns. Your assignment is to turn inward. Meditate, and contemplate your feelings and options.

There will be hard work and responsibility, both at home and at work. You may tend to play the martyr during this time if you feel you are sacrificing too much. This could be an avoidance of responsibility more than an act of genuine, selfless love. There will be many opportunities to help

and give comfort as others come to you for guidance and a shoulder to cry on. Give - and find a balance for your needs during this period.

### Your Mental Transit for age 36 is S

Feelings run deeper, and perception is especially keen under this transit. This is a period of rebirth and awakening, especially of hidden aspects of your personality. Freedom in a very real and lasting sense can be your reward.

Sudden changes are possible in all aspects of your life, some accompanied by spiritual and mystical revelations. Your dreams could be more intense and should be examined for messages and insight into your subconscious.

There may be confrontations with strong-willed people, testing the strength of your convictions. This is an exciting time full of surprises and extraordinary events.

### Your Mental Transit for age 37 is D

Keep an eye on your health during this transit and consider reevaluating your diet and exercise habits. Preventive measures are key to your health.

You may need to work at expressing your feelings this year and might want a loving shoulder to cry on. Love relationships could be somewhat strained, but they will be easier if you can share your feelings.

The D transit brings opportunities for growth and heightened self-confidence. There is also an increased chance for travel.

## YOUR SPIRITUAL TRANSIT

*Your Spiritual Transit is based on your last name.*

You may need to work at expressing your feelings this year and might want a loving shoulder to cry on. Love relationships could be somewhat strained, but they

will be easier if you can share your feelings.

The D transit brings opportunities for growth and heightened self-confidence. There is also an increased chance for travel.

## YOUR ESSENCE CYCLE

*Your Essence number indicates the lessons you will be dealing with during that year. It says a great deal about how you will perceive your environment. It also gives clear advice on how you can be most successful during the year; which types of behavior will be supported by your milieu and which ones will be less effective.*

*If one or more of your Transits change after your birthday this year, you will find two Essence cycles. If you only have one Essence, it means none of your Transits changed.*

### **Your Essence for age 35 is 5**

This is an important time of progress and advancement along the lines of your talents. Sdfs, you will experience a relief from burden and increased personal freedom. Any talent you possess in writing, public relations, and the arts will be greatly enhanced. At the same time, business matters flow quickly and new opportunities for expansion seem to arise out of nowhere.

People are attracted to you and seek to help you achieve your goals. You possess an almost magical ability to promote yourself. Your fluency with words is greatly increased. You are more charming and attractive, which opens many new doors.

This is a period of travel and much learning. Opportunities to visit distant lands, encounter foreign cultures and peoples, and learn about life will come to you. Your personal growth will speed up considerably. As such, many old habits and outdated methods will fade from your life. It is as if you are being catapulted from the old and outworn, into a new and fast-paced period of personal growth and development.

Your desire to satisfy your senses will also increase dramatically. You must be careful not to overindulge in food, alcohol, sex, and even drugs.

Sudden events and chance occurrences will come your way. You must be alert to your opportunities. This is not a period of sitting back and waiting, but a time to move ahead rapidly. Your challenge is to remain focused on your more long term goals. Be disciplined in your work. Don't have too many irons in the fire. Sort out the important projects and endeavors and see them through from start to finish. Focus, discipline, and completion are the keys to your success.

### **Your Essence for age 36 is 9**

Sdfs, this is a period during which your ideals will be tested and forged anew. You will be broadened in ways that you would never have dreamed possible. You will likely experience a dramatic psychological and spiritual expansion. Old relationships that no longer have a place in your life will be let go of. Even old habits or characteristics that you believed were fundamental to your identity seem to evaporate. There is a need to forgive those in your past and let them get on with their lives, as you must with yours. Hanging on to negative attachments, either out of anger or a sense that justice has not yet been done, will bring you much misery and, if the courts are involved, protracted lawsuits.

You now have the ability to reach out to the masses. This is a time requiring much self-sacrifice and service to others. You are deeply affected by the pain and sufferings of others, and will feel a need to change your milieu or society for the better.

Those in the arts, especially actors, writers, and other performers, will see an enhancement of their talents and the opening of many new opportunities for advancement.

Your focus is outward in a big way. Teach, perform, and advance society in your own way. Dedicate yourself to a higher cause. These are the areas that will meet with much success. Conversely, selfishness, negativity, and pettiness will blow up in your face. The time demands a broad view of life. You are now the visionary, who must see the greater trends in humanity. Out of this will come much compassion for all. This is the lesson of the period: That as you work for the greater good of society, you will be personally rewarded, so much so that your cup will runneth over.

### Your Essence for age 37 is 3

Your ability to express your self will reach an all-time high. Any talent you possess in the arts -- especially in writing, acting, or other performing arts -- will be greatly enhanced. This is a period of success through personal creativity. You have much opportunity to advance yourself and career through your own personal expression, charm, and creative talent. This is a social time, filled with much fun and friendship. You will feel lighter, fresher, and more alive than in previous years. It is as if life has relieved you of a burden, allowing the more creative, upward, and joyful energies to flow more freely.

People are naturally attracted to you. They sense your joie de vivre, your spirit, and creativity. Your challenge is to focus your heightened creativity on a worthwhile task. Discipline is essential. Choose a goal worth reaching. Pour your energies into something that will last. In this way, you will emerge from this period having accomplished something worthwhile, and learned to harness your creative abilities. If you fail to focus, you will likely spend your opportunity and creative urges on loose talk, superficiality, and socializing.

This is an emotional period. The upward, heart-centered energies are peaking, bringing with them many old emotional issues. You can easily exaggerate the importance of an unkind word, or react too emotionally to a troubling situation. In short, you need perspective now.

Sdfs, you are in a highly volatile period, making you highly creative, sensitive, and given to emotional mood swings.

You are highly romantic and given to fantasy. There can be many wonderfully romantic times; however, it is important to avoid being swept away by your fantasies. Do not fail to see people for what they are.

This is a time when you will learn the value of your personal expression, and your own uniqueness. It is a time of personal accomplishment and advancement.

## YOUR PERSONAL YEAR

*Your Personal Year number is a strong indication of the trends and circumstances you experience during the year ahead. Your Personal Year cycles are based on the Universal Year cycles and, therefore, run concurrently with the calendar year. (Transits and Essence cycles are based on the letters of your name and run from birth date to birth-date.) There are nine personal year numbers in a complete Epicycle.*

*Each Epicycle reveals the progression of a specific part of your personal evolution. Your progress along this Epicycle can be seen quite logically, from the beginning of a growth period to the conclusion or culmination of that process. The 1 personal year describes your first steps in a new direction. The years that follow indicate your progress along this path, concluding with your 9 Personal Year, which completes the cycle.*

*Below is a description of your current Personal Year. It indicates where you are on the 9-year Epicycle.*

### **Your Personal Year cycle for 2026 is 3**

This is a year of expansion and personal growth. It is a time of heightened personal expression. Creativity and artistic talent come to the forefront. You are lighthearted and drawn to all kinds of social events. More than most other years, you will entertain and be entertained. You meet new and exciting people. It is a time to appreciate all that you have.

You are highly dynamic and charismatic. Your challenge is to avoid scattering your energies. You have a rare opportunity to bring forth new and creative ideas. But that requires discipline and focus. It is easy to be optimistic and enthusiastic this year and this may result in speeding up your projects. Yet there will be delays and disappointments unless your enthusiasm is based upon the reality of work and concentration.

This is a pleasant time in which friendship is enjoyed and love shared easily.

This is often a good financial year, particularly if your creativity is well directed. Surround yourself with upbeat and positive people.

You may travel more than usual, which in all likelihood will be filled with exciting people and pleasure. Control this year's tendencies towards glamour and extravagance, yet allow yourself more room to enjoy and celebrate.

You communicate well this year and are more capable of getting your ideas across.

February brings changes; June sees the completion of a project and July signals a new beginning. August can be emotional, as can November.

### Your Personal Year cycle for 2027 is 4

This is a year to be organized and practical. Take care of details. Commit yourself entirely to your goals. Your concentration and ability to focus will be much improved over last year. You will have an attitude of realism and determination.

There can be a sense of limitation and some frustration this year. However, it is a year of important opportunities that must be seized. There can be considerable work-related travel. You must be flexible this year to make full use of the opportunities that present themselves. It will require a combination of perseverance, hard work, and versatility. You will receive recognition for your efforts and support from your friends and family.

It is a good year to buy real estate or remodel your home. It is also a good time to take care of projects which have been postponed for too long. Fulfill your obligations and do not be afraid to spend some of that hard earned money. Selling and trading during this year usually is quite successful. This is the year to work on your foundation and prepare yourself for the many changes that will undoubtedly come next year.

As a result of your hard work, there will be much satisfaction and a feeling of accomplishment. January and February will bring some important change, a new opportunity perhaps. March requires self-reflection and reshaping of your plans. It is a good time to meditate on what lies ahead. June brings a new and important step -- a breakthrough, perhaps -- in your work. October brings changes and a sense of chaos. You may feel threatened by the changes that are on the horizon. But November brings assistance in the form of a promotion or additional financial support.

## YOUR DUALITIES

*How the yearly cycles affect each other.*

*Your Essence and Personal Year cycles are distinctly separate energies that influence you in different ways. Your Essence reflects your mental, emotional, and spiritual state of mind at a particular time in your life and feels like an internal influence; it's a stage in your personal evolution. Your Personal Year cycle, however, feels more external.*

*Your Essence and Personal Year cycles overlap creating a duality which produces its own influence. Most importantly, it tells us how you can get the most out of your mix of Personal Year and Essence cycles by looking at their combined influence.*

*Personal Year cycles run concurrent with the calendar year and change every year, while Essence cycles run from birthday to birthday and can be anywhere from one to eighteen years, sometimes even longer. Therefore, you can have either two or three Dualities during any 12-month period. Three, if your Essence changes (one before your birthday, one after your birthday, and another when the new year starts). If your Essence doesn't change, you have two Dualities, one for each calendar year.*

*For the purpose of Dualities, Essence cycles with Master Numbers (11, 22, or 33), or Karmic Debt numbers (13, 14, 16, or 19) are reduced to single digits, as their effect in the context of Dualities is indiscernible.*

### **Your Duality after your birth day in 2026 is 9 and 3**

When a 9 Essence teams up with a 3 Personal Year wonderful things can happen. This combination should raise your originality and imagination to an all-time high; in fact, many traits from both cycles complement each other very well. This is not commonly the case with numbers that are otherwise so different in nature.

Your 3 Personal Year chapter mentioned there should be plenty of creative opportunities that encourage you to begin new projects enthusiastically. It also touched on the challenge that accompanies the somewhat scattered 3  $i\frac{1}{2}$  its lack focus and follow-through. This tendency could easily prevent you from completing inspired projects. A lack of organization, focus, and commitment are the most obvious shortcomings of this otherwise expressive, enthusiastic influence.

Fortunately, your 9 Essence can mitigate this concern to a large extent. Where your Personal Year influences the external events and circumstances around you, your Essence number affects your inner feelings and state of mind. One of the 9's main qualities is its desire to complete things,

which will help compensate for the scattered tendencies of the 3.

In addition, both numbers are creative, although they express it in different ways. The 3 represents the verbal and performing arts such as storytelling, dancing, and acting. The 9 is the preeminent designer, with a skill for spatial awareness and a talent for combining colors and materials. For creative endeavors, the two are a match made in heaven.

Finally, the solitary, aloof, serious nature of the 9 will be largely offset by the social, exuberant, playful attitude of the 3.

There are also areas where this combination can have a less desirable effect. If your career or business is in the financial or legal field, be careful about making impulsive decisions or committing to long-term contracts (especially if they can be postponed until next year). If you are in construction or a creative field, the 9 and 3 produce a fortunate team. Sales, real estate, and retail also tend to do well.

Relationship issues and romance are not well supported by this combination. The (sometimes) superficial and unreliable 3, coupled with the distant and (at times) self-righteous 9 could off-put even your closest friends. With this in mind, make a conscious effort to be sensitive to and available for your loved ones.

### **Your Duality before your birth day in 2027 is 9 and 4**

After reading your Essence and Personal Year chapters, Sdfsf, you may have noticed the numbers have little in common and seem to be incompatible. The 9 and 4 have different priorities that could pull you in opposite directions. However, this combination can also be quite fortunate.

Your Essence is an internal cycle. It reflects your state of mind and the way you feel about yourself and your circumstances. A 9 in this position indicates you are at a point in life where you want to discard things you have outgrown or lost interest in. A desire for resolution and the urge to move on could relate to your personal life (relationships, material possessions, etc.) as well as your profession. In addition, it is a low-energy cycle that can make you feel tired and unmotivated.

During this same period, the external influence of your 4 Personal Year cycle will often be demanding mentally and physically. The 4 delivers circumstances that require consistent effort and staying the course  $\frac{1}{2}$  opposite from the approach you may often prefer. The events and circumstances you encounter will call for stability and maintaining the status quo at a time when you will desire casting off old ways and unproductive situations. Clearly, this is not an ideal pairing.

The opposing forces could produce an internal tug of war: let go or hang on; make a change or dig in? It is like two people reorganizing the same house, where one person prefers to throw out

everything that isn't necessary and the other wants to hang on to it all.

The best way to bring these influences into alignment is two-fold. First, get clear on what you want, and then compartmentalize each number's influence by using their respective traits in the areas they are naturally drawn to. Live up to the 4's need for discipline, effort, and focus in the practical areas of your life (finances, career, and commitments) and honor your 9's desire to seek change but in an organized and purposeful manner. Minimize your possessions and streamline your life, but don't be too impulsive. It is not a good time to let your emotions rule. Analyze your options, consider the consequences, and be logical and deliberate. Once you are convinced a change is promising, don't hesitate. This is a time to clear out the old and build something new.

Romance is not well supported this year (the 4 is focused on more practical matters and the 9 can be a little distant), but solidifying long-term commitments is. This is a time to strengthen your foundation.

### **Your Duality after your birth day in 2027 is 3 and 4**

While reading the texts about your Essence and Personal Year cycles, you may have noticed the conflicting traits of the 3 and 4. Your 3 Essence brings optimism, self-expression, and creativity particularly to the way you feel about and experience the lessons you are asked to learn this year. It lends a playful, although somewhat scattered, state of mind. In contrast, your 4 Personal Year will deliver events and circumstances that require you to be dependable, organized, and efficient. The conflict stems from the need for a focused, methodical approach at a time when you will probably feel more spontaneous and imaginative.

Although there will be periods where these differing influences struggle for dominance, they also have great potential (especially in your professional life). Success will come from accessing the creativity and originality of your 3 Essence, while employing the discipline and planning ability of your detail-oriented 4 Personal Year.

Although progress is possible, you may find this period frustrating. You will probably feel irritated by what feels like too slow a pace. The situations you encounter will require careful plodding, slow but steady progress, and a keen eye for detail. However, your impulsive 3 Essence would rather play, create, or jump to the next new and exciting project. Take time to slow down, assess your plans, and question your approach. Ask yourself whether your efforts are logical or impulsive. Highly creative fields will have more leeway than more structured environments, but focus will be required for success in any career or project.

If you can find a way to balance the stable 4 and scattered 3, you should find this a rewarding, breakthrough cycle. It is not uncommon for someone influenced by this combination to look back and view it as one of the most productive periods of his or her life.

## YOUR PERSONAL MONTH

*The influence of a Personal Month gradually changes from one month to the next over approximately five days at the end and the beginning of each month.*

### Your Personal Month for March-2026 is 6

March brings family affairs and issues involving relationships to center stage. You may be asked to sacrifice some of your time and energy to help others. A parent or child may need more care and attention than usual. Answer the call and you will be rewarded with a wonderful experience of love and closeness.

Many people in the 3 Personal Rhythm Cycle will make a deep commitment of love, or even get married this month. At the same time, separation and divorce are also possible since the theme of this month is to be committed to your true feelings. Confrontations are unavoidable in all troubled relationships. While these trends may be difficult and painful, the forces are working at clarifying your relationships. Your work situation will be rather demanding as more responsibility is transferred to you. However, the reward is right around the corner. (May and June will bring the pay-off.)

This month may be good financially, due to an earlier investment or from payments arriving from previously done work.

### Your Personal Month for April-2026 is 7

April represents a pause for self-evaluation. It is a time of light and shadow, a month of contrasting moods. You may alternate between light-hearted optimism and periods of doubt and even depression. The time requires you to look within. Meditate and contemplate your life. Such self-reflection will awaken deep feelings of gratitude for all the blessings bestowed upon you, including the greatest gift of all: your life itself.

During the first half of the month, you may feel the inner you begin to stir. Your dreams may be intense, graphic, and highly revealing. They are a source of insight if you care to listen. There is a sub-conscious attempt to communicate, not with others but with your deeper self.

Let career, finances, and romance all take a back seat during this important spiritual time. You will be quite safe.

If possible, take some time off. At the very least, walk in the woods, sit at a lake, or otherwise bring yourself in close contact with nature. Keep a journal and write down your dreams, insights, and revelations. They will offer insight into your life's direction.

## Your Personal Month for May-2026 is 8

May brings financial rewards, as well as respect and recognition. This, of course, is proportional to the effort you have put out during the past year. May is a month to focus on career, to be a visionary, and not to hold back when it comes to showing the world how capable you are. For those who are in business, this is a good time to finalize deals and sign contracts. Investments are generally favorable, as are requests for loans, mortgages, or other methods of financial support. In all worldly matters, this is a time to reach out, to go for your goals. Do not be afraid to take a risk.

As far as matters of the heart are concerned, this is a time to take yourself and your feelings with a grain of salt. You are in a generous mode and feel blessed with so many good friends, but when it comes to commitment, you may want to wait a couple of months, when you are more realistic in these matters.

If you are not involved in a relationship, a coincidental meeting with a person from the past sparks a romance.

## Your Personal Month for June-2026 is 9

June brings a bit of moodiness and instability. You have completed many tasks and enjoyed many rewards during the first half of the year, and now you may be feeling a bit empty -- not unlike the fatigue one has the day after a party. It may be a minor case of burn-out, but for reasons you cannot put your finger on. It is a time to let go of many old things and prepare for the new.

You have had some good ideas during the first part of the year. You have been motivated and experienced much excitement, but not all of your ideas proved realistic. Now reality forces you to take a second look at your projects and goals in a new light. It's a weeding out period. The positive side of the coin is that, by the end of this month, you'll have a clearer perspective on your direction and projects. You'll know where to place your energy during the second half of the year. While you may find yourself going through some ups and downs during this month, you also feel the first trembling of new excitement.

This month also brings a concluding chapter to one or more relationships, which may cause additional emotional turmoil. However, you are going through a time of natural selection; what is worth holding on to will stay. The rest will go.

## Your Personal Month for July-2026 is 1

July is a time of dynamism, courage, and eagerness to begin the new. Last month's blues are gone and you feel you are on top of the world. You are more original and creative than at any time of this already creative year.

There is a distinct possibility that you will be able to break out of unrewarding patterns. You may even consider a career change or start your businesses. It is not a time to be squeamish in any area of your life -- be it money, career or romance. You may experience an urge to write, paint, or express yourself in some other creative way. By all means, take on the challenge.

If you are not already involved you may meet someone, but the relationship, while intense and passionate, may not be a lasting one.

July is a month that will also bring opportunities to mingle with new acquaintances at social events. You will be outgoing and witty. These are great opportunities to make lasting contacts that will help your career and other endeavors.

### Your Personal Month for August-2026 is 2

August requires a sensitive and cooperative attitude at work and in all other areas. You are upbeat and optimistic during the early part of this month, but an anticipated reward or recognition may go to someone else, much to your dismay.

Your challenge is to set the record straight by using your diplomatic skills. Do not allow anger to alienate you from those involved. Otherwise, relationships go favorably this month. You are in a position to smooth out some long-standing disagreements between people close to you. Often, these disagreements do not involve you directly. You have the opportunity to serve as a peacemaker.

Romance is favorable, your feelings run deep and your ability to communicate them is enhanced. A good month to spend extra time with your lover.

At work, you discover that it is easy to reach others and influence the way they feel about

themselves and their work.

You uplift them and are rewarded with gratitude and support.

This is a time to be social, easy-going, and optimistic.

#### Your Personal Month for October-2026 is 4

October requires you to be practical and disciplined in all matters. It brings opportunity as well as limitations. Career is a high priority, and you will find yourself putting in overtime. Details will need to be taken care off. There is very little room for slacking, and everyone may be making demands of you. You may feel frustrated and need to blow off steam.

On the other hand, there is also much opportunity implicit in these demands, and you will be pleasantly surprised with the rewards that come your way late in the month. You'll have to respond quickly. You may feel that you are not ready to take on the new challenge that comes with this opportunity, but if you overcome this temporary lack of confidence you will be well rewarded.

This month is demanding in domestic affairs, as well. There is an ongoing need to watch finances carefully, make decisions concerning your budget, and plan for the future. If you have not been keeping a close eye on your checkbook, This month will force you to balance your account and make up for haphazard expenditures of the past.

There's not a whole lot of time for romance this month, but when you can find the time, your partner's love brings perspective and rejuvenation.

#### Your Personal Month for November-2026 is 5

November brings change, excitement, and possibly a financial boost. It brings movement -- travel, a change of residence or office, perhaps.

You will receive a letter or phone call from someone close to you whom you haven't heard from in some time.

This month should be light and playful. Try not to take things too seriously. The down-side of this combination (5 and 3) is in the area of relationships. You may tend to misread others, to be a little insensitive and short on tact. Avoid confrontations in personal matters as well as those related to work. As long as you are upbeat and supportive, friendship and social events are favorable.

As was the case with February of this year, November may also find you in the mood to indulge yourself. Moderation may be hard to maintain, but it's still the best advice.

### Your Personal Month for December-2026 is 6

This monthly cycle stabilizes your work environment but requires that you work on your relationships and family affairs. You will be in the unique position to counsel and support someone in your circle of friends and family with immediate and positive result. It will be one of the most rewarding experiences of this year for you.

A promotion or a raise are possible, as is an increase in your workload. This month is good for business and financial affairs, particularly for long-term planning and investment. If you are involved in legal affairs, the time is right to surge ahead.

Romance is also favorable. Commitments bring stability. For those who have become involved in a relationship during this year, this is a good month to exchange vows.

### Your Personal Month for January-2027 is 5

You experience some self-doubt related to your work situation. You may question your direction. This frustration will be in the background for most of the year, but this month particularly feels a little bit out of control. However, hidden forces are guiding you carefully, and your best approach is to persevere. Later this month, or early next month, an opportunity will come your way that represents a step forward in your career.

This month also brings some unexpected changes in other areas of your life; possibly an unexpected trip. Be cautious in all financial affairs.

Your family members demand a lot of attention, and much practical guidance is required from you. They look to you for direction.

Social events are favorable, particularly when they are work-related. You will make a very positive impression on someone who can help you move forward.

If married or involved, maintain harmony and avoid rocking the boat.

### Your Personal Month for February-2027 is 6

February brings an increase in responsibility and workload. You receive recognition for your efforts and abilities, and probably a financial increase, as well. Perhaps even more important is the role friends and family play during the period. Loyalty and a willingness to sacrifice time and energy to your loved ones are needed. In return, you receive comfort and satisfaction. It is a time of love, warmth, and a strengthening of the bonds that form the foundation of your life. It is also a good time to start domestic projects, such as minor remodeling and home repair.

If you are not married and are not involved in a relationship, you may meet someone who catches your interest. In this case, the relationship will develop slowly but will endure. Your focus should be on being dependable and active. There is no room for procrastination.

Your health improves during this time.

### Your Personal Month for March-2027 is 7

Sdfsf, March should bring some significant changes in your outlook. Indeed, the month is filled with the mystery of life. You are aware that you are developing spiritually. It is not a good time to deny important issues in your life or be superficial about significant matters. Your dreams are vivid, and if you take some time immediately after awakening to contemplate their meaning, you have the potential to gain some insights that uplifts you and raises your confidence in your life's direction.

You are mentally sharp and creative. You solve problems and gain insight into things that have floated in the background of your consciousness for some time. It is a period of hard work -- possibly overtime -- juxtaposed with much soul-searching and the need for quiet contemplation.

You may be offered an opportunity to become involved in a new endeavor. Be careful with anything that promises a fast return. This year, long-term projects are far more favorable than get-rich-quick-schemes, or short-term gambles.

Your need for peace and quiet during this month may make your friends and family members wonder whether you have some problem that you are not willing to share.
